President George Bush The White House 1600 Pennsylvania Avenue NW Washington DC 20500

Dear Mr. President:

Unlike the terrorist student visas arriving six months after their deaths, out of courtesy and respect, I thought you would want to know about this matter before you read it in your morning newspaper.

Enclosed is a self-explanatory letter I wrote on January 27, 2002, to Attorney General John Ashcroft, Governor Tom Ridge, Director, Office of Homeland Security, FBI Director Robert Mueller, DOJ Inspector General Glen A. Fine and INS Commissioner James Ziglar.

As you will see, I have gone through all of the appropriate channels for years only to conclude there are on going criminal conspiracies to cover up. I have not received any response from anyone. Although there are at least five outside informants, and incriminating evidence exists in the form of bank and phone records, case files, etc., these criminal conspiracies, spanning some eight years, involving many illegal Muslims and other nationals, with probable connections to terrorist sleeper cells, continue unabated.

Respectfully, I remain a great admirer, a fellow American, and your Public Servant,

Mary Schneider INS District Adjudications Officer Orlando, Florida
