

It can now be reported that the U.S. Military Court for the District of Columbia and the Public Corruption Unit for the Southern District of New York have expanded the Jeffrey Epstein child sex trafficking case to include the 9/11 junior George W. Bush FRAUD black op attack on the American People.

Former Deputy Attorney General under Bush FRAUD, Paul McNulty, is now under U.S. Military Tribunal detention for conspiring with then Bush FRAUD U.S. Attorney Acosta, Epstein's attorney Bush-Clinton cover up artist Kenneth W. Starr, child rapist Karl Rove and then Bush FRAUD FBI Director 'Deep State' fixer Nazi German Robert Mueller to cancel a 53-page indictment on Epstein that included a criminal referral on 9/11 regarding Epstein's direct involvement with alleged 9/11 hijacker Mohamed Atta.

...

It has now come out that Epstein actually purchased a sex slave for Atta.

Both Atta and Epstein speak Hebrew and had phony Saudi Arabian passports that were issued to them from the 9/11 Hamburg, Germany Kurt Becker-Dana Wilcox terror cell that issued passports for all of the 9/11 alleged Saudi hijackers aka the 9/11 patsies.

We can now divulge that Epstein actually met Atta at the noted Florida flight training school where Atta was training along with other alleged hijackers.

...

We can also report that the U.S. Military Court for the District of Columbia is in possession of a taped NSA phone conversation between Mohamed Atta and his father two days after the 9/11 event in which Atta was allegedly killed in the World Trade Center with his phony passport found untouched in the rubble.

...

Another conversation took place between Mohamed Atta's father and a French journalist working for the French newspaper Le Monde one day later in which the French journalist asked Atta's father where Atta was and Atta's father responded by saying "Ask the Mossad." (Israeli Mossad).

Able Danger was the secretive bucket shop operation in Brooklyn, New York where alleged terrorist Mohamed Atta, a known Mossad-Defense Intelligence operative, had direct ties to the Bush-Clinton crime families.

Epstein Case Unravels 9/11 Black Op as U.S. Faces Bacterial Attack

by Tom Heneghan, International Intelligence Expert

UNITED States of America - It can now be reported that the U.S. Military Court for the District of Columbia and the Public Corruption Unit for the Southern District of New York have expanded the Jeffrey Epstein child sex trafficking case to include the 9/11 junior George W. Bush FRAUD black op attack on the American People.

Former Deputy Attorney General under BushFRAUD, Paul McNulty, is now under U.S. Military Tribunal detention for conspiring with then BushFRAUD U.S. Attorney Acosta, Epstein's attorney Bush-Clinton cover up artist Kenneth W. Starr, child rapist Karl Rove and then BushFRAUD FBI Director 'Deep State' fixer Nazi German Robert Mueller to cancel a 53-page indictment on Epstein that included a criminal referral on 9/11 regarding Epstein's direct involvement with alleged 9/11 hijacker Mohamed Atta.

It has now come out that Epstein actually purchased a sex slave for Atta.

Both Atta and Epstein speak Hebrew and had phony Saudi Arabian passports that were issued to them from the 9/11 Hamburg, Germany Kurt Becker-Dana Wilcox terror cell that issued passports for all of the 9/11 alleged Saudi hijackers aka the 9/11 patsies.

We can now divulge that Epstein actually met Atta at the noted Florida flight training school where Atta was training along with other alleged hijackers.

Thanks to the thorough investigation of former Democratic U.S. Senator Robert Graham of Florida (receives death threats on a daily basis) it later came out that all of the alleged hijackers actually flunked out of flight school with notations from the flight school instructor that his students could not fly a kite let alone a Boeing aircraft.

It was election stealing, narcotic trafficking, child sex trafficker Jeb Bush-Scherff that destroyed the original notations of the Florida flight school instructor, but we can now happily report that a friendly intelligence agency has copies and have supplied them to U.S. Senator Graham and the U.S. Military Court for the District of Columbia.

We can also report that the U.S. Military Court for the District of Columbia is in possession of a taped NSA phone conversation

between Mohamed Atta and his father two days after the 9/11 event in which Atta was allegedly killed in the World Trade Center with his phony passport found untouched in the rubble.

We can also report that the U.S. Military Court for the District of Columbia is in possession of a taped NSA phone conversation between Mohamed Atta and his father two days after the 9/11 event in which Atta was allegedly killed in the World Trade Center with his phony passport found untouched in the rubble.

This was a direct replay of the immaculate magic bullet found in Dealey Plaza the day of President Kennedy's assassination.

Note: Both Bushes aka the Scherffs, daddy Bush-Scherff and his punk son, future child rapist junior George W. BushFRAUD, were present and photographed in Dealey Plaza the day of President Kennedy's assassination aka the first of series of Bush-Scherff coup d etats against the American People.

Another conversation took place between Mohamed Atta's father and a French journalist working for the French newspaper Le Monde one day later in which the French journalist asked Atta's father where Atta was and Atta's father responded by saying "Ask the Mossad." (Israeli Mossad).

She told us, it is Joe's privilege as host to cut me off; but he did it before hearing the rest of the facts. How can Americans find the common sense and truth when I'm not allowed to speak out on what I know and believe it to be.

The widow showed us her notes and went over what she was going to present on MSNBC Scarborough Country:

Able Danger was the secretive bucket shop operation in Brooklyn,

New York where alleged terrorist Mohamed Atta, a known Mossad-Defense Intelligence operative, had direct ties to the Bush-Clinton crime families.

We can also reveal that now de-certified and compromised, himself a child rapist, Donald J. Trump, is conducting a racial psyop along with MKUltra stooge AOC, Democrat of New York, all designed to cover up and divert from the 9/11 Epstein Israeli Mossad link and the criminal activity of the Bush-Clinton CIA RICO operation that has a direct tie in to Epstein and the massive child sex trafficking satanic activity.

We can also divulge with both compromised political parties totally cornered blackmail continues around the clock with Democratic Congressman Nadler of New York blackmailing and threatening U.S. Senator Edward John Markey (D-MA), who is now in possession of the aforementioned information that we are detailing in this briefing.

Foreign agent Lindsey Graham, (R-SC) is now blackmailing Congressman Jim Jordan (R-OH) who is also in possession of the aforementioned information.

It should be noted that both Nadler and Graham are 'Israel First' Congressman and Senator who have committed HIGH Treason against the United States by allowing both Israel and India to get U.S. nuclear secrets including first strike capability nuclear codes.

One must remember that 9/11 was planned three (3) years in advance with a practice session in Saudi Arabia taking place in 1998 with the full knowledge of both Bill and Hillary Clinton.

9/11 patsy Osama bin Laden was present with the Saudi Royal Family during the practice session and then Vice President Albert Gore Jr. became aware of the practice session and ordered that bin Laden be executed only to have his executive order overridden by Bush-Clinton Crime Family puppet Bill Clinton.

9/11, which was supposed to take place in 2003, was to be used by the neocon group, the Project for the New American Century (PNAC), to set the stage for never ending neocon Old Testament Evangelical wars in the Middle East which objective was to control all Middle East oil and create Nazi Zionist empire.

The selected stooge to conduct this was the son of the ex-CIA Director, junior George W. BushFRAUD, who was the preordained CIA puppet to be the next president.

However, despite having to run against Bush-Clinton and the CIA Mockingbird media all at the same time, then Vice President Gore still won the year 2000 presidential election and had it blatantly stolen reference the Bush-P2 CIA electoral coup d'état, that was also tied to Jeffrey Epstein and Bear Stearns.

Accordingly, after BushFRAUD illegally took office the plan for the 9/11 attack was upgraded for September of 2001 given that half of the American People perceived that Nazi German George W. BushFRAUD was an illegitimate president.

Again, one must remember that the New York Times was ready to go with a story on September 11th with evidence and data that proved categorically BushFRAUD was an illegitimate president.

Albert Gore has now been inaugurated as United States President by the U.S. Military Court for the District of Columbia aka the NASA/NORAD audit of the year 2000 presidential election in which Gore won over 4 million popular votes and 324 electoral college votes.

One must also be aware that the U.S. Mockingbird media has covered all of this truth up for years and remains a direct enemy of the American People (have now reached French revolutionary royal court messenger era status).

Are you listening Chrissy Pooh Matthews? Sean Hannity? and John

King?

In closing, we can now report that the U.S. is under bacterial virus attack being orchestrated by Red Chinese cells on American soil with full support being given to them by none other than still alive daddy Bush-Scherff aka George Herbert Walker Bush and Trump's National Security Advisor John Bolton.

The good news is President Gore now has ten (10) U.S. Military armored divisions that have been given the direct order to seek and destroy all foreign entities on American soil including dismantling the Bush-Scherff Nazi Paperclip subterranean tunnel system that is being used to plan future attacks on the American People.

Stay tuned.
