**UNITED STATES of America - It can now reported that U.S. Attorney General Eric Holder is reviewing recently disclosed evidence tying elements of FBI Division 5 and the Israeli Mossad, along with the highest levels of the BushFRAUD Administration, to a massive obstruction of justice scheme involving the post 9/11 anthrax attacks.**

**The evidence, which had been previously ILLEGALLY classified as 'national security' by the previous BushFRAUD Administration and its Israel Mossad-controlled then U.S. Attorney General Michael Mukasey names former Fort Detrick scientist and Israeli Mossad agent, Dr. Philip M. Zackerie, as the major person of interest that the FBI had originally wanted to interview aka the major suspect in the post 9/11 anthrax attacks.**

**TREASONOUS CONSPIRATORS**  
Karl Rove, Ari Fleischer and Paul Wolfowitz

**Attorney General Holder is also in possession of recently discovered Bush White House emails linking the highest levels of the Bush Administration, including former White House Deputy Chief of Staff Karl Rove, former BushFRAUD press secretary Ari Fleischer and Deputy Secretary of Defense Paul Wolfowitz in actually directing elements of the FBI to frame the Fort Detrik scientists Dr. Steven Hatfield and the late Dr. Bruce Ivins as the major suspects in the anthrax case.**

**The Obama Administration and its Justice Department run by Eric Holder had previously ruled that Dr. Bruce Ivins was the lone individual linked to the anthrax attack.**

### **Framed scientist Dr. Bruce Ivins**

**Item: Dr Ivins allegedly committed suicide but informed sources tied to a friendly foreign intelligence agency said Ivins was assassinated in Vince Foster style mode by the Bush-Clinton-Mossad Crime Family Syndicate. Vince Foster was allegedly shot and Dr. Ivins allegedly overdosed.**

**Note: Dead patsies Vince Foster, Dr. Bruce Ivins and yes, Osama bin Laden aka CIA employee/asset Tim Osman, don't talk!**

The question now is what U.S. Attorney General Eric Holder will do with this evidence given his compromised position reference his previous role as a stooge for the Bush-Clinton Crime Family Syndicate dating back to the pardon of Marc Rich.

**Note: All of this new anthrax evidence dovetails to the overwhelming evidence now in front of many independent investigators that tie the Israeli Mossad, elements of British MI6 and rogue U.S. CIA, as well as Russian FSB, to the actual 9/11 BLACK OP attacks on America.**

**Item: In a recent off the record conversation I had with a major U.S. intelligence agent, I was told that when it came to 9/11 "everybody got a check". We can now divulge that FBI Special Agent-in-Charge Robert Wachtel is singing like a canary.**

**P.S. Today we would also like to divulge that the Mayor of Chicago Richard M Daley was blackmailed concerning a run for re-election for Chicago Mayor by none other than current U.S. Attorney for the Northern District of Illinois, homosexual in-the-closet Patrick Fitzgerald, and his boyfriend former Chicago Tribune journalist James Warren.**

**We can now also report that Daley, himself, along with former Vice President now year 2000 duly elected President Albert Gore Jr. and Caroline Kennedy, daughter of our late President John F. Kennedy, as well as former Illinois Governor Rod Blagojevich, had his phone illegally tapped by the treasonous, NSA (National Security Agency) illegal Stellar Wind program.**

**Daley was aware of a crooked real estate scheme that was being orchestrated by forces loyal to current Obama White House Chief of Staff Rahm Emanuel as well as known FBI Division 5 informant, the Reverend Jesse Jackson and none other than current U.S. Attorney for the Northern District of Illinois, homosexual in-the-closet Patrick Fitzgerald.**

**All of this was tied to getting the Olympics for Chicago with current alleged U.S. President Barack Hussein Obama-Soetero acting as liaison between the Chicago real estate swindlers and the Olympic Committee in Norway.**

**It is no coincidence then that the corporate-controlled, fascist, extortion-friendly U.S. media is promoting none other than Israeli Mossad agent Rahm Emanuel and FBI Division 5 informant, Congressman Jesse Jackson Jr. as the next major of Chicago.**

**How dare you, you conspiratorial tyrants and kings  
and notable queens!**

**It should come as no surprise, folks, that U.S. Attorney Patrick Fitzgerald continues to harass former Illinois Governor Rod Blagojevich as a way of protecting Rahm Emanuel, Jesse Jackson Jr., alleged President Obama as well as himself from being prosecuted for involving themselves in a criminal conspiracy.**

**As we have previously mention, closet homosexual Fitzgerald talks to Bush-Clinton Crime Family Syndicate godfather daddy Bush aka George Herbert Walker Bush on a daily basis and is the gatekeeper for all of the Bush-Clinton Crime Family Syndicate treasonous secrets.**

**P.P.S. We can now reveal that current California Republican Gubernatorial candidate Meg Whitman has been linked to a massive financial kickback scandal involving the known criminal brokerage firm Goldman Sachs with a direct paper trail to the Bernard Madoff Ponzi Scheme.**

**Ms Whitman is now using her proceeds from the Madoff Ponzi Scheme to carpet bomb the state of California with critical ads aka bald face lies of her democratic opponent former Governor Edmund G. Brown Jr.**

**Bush stooge Whitman has used her former EBay company for years as a money laundry for George W. Bush's various political campaigns with none other than former BushFRAUD White House Deputy Chief of Staff Karl Rove operating as bagman.**

**We can also divulge that Bush stooge Whitman was consulted by then Bush Treasury Secretary Henry "Hank" Paulson on how to conduct the treasonous 2008 bank bail out, which benefited bitch Whitman's own personal brokerage firm where she held investments, none other than Goldman Sachs.**

**We can also report specifically to the People of California that Bush stooge Whitman personally contributed millions of dollars to the year 2000 BushFRAUD effort in Florida to stop the recount of votes.**

**Accordingly, Bush stooge Whitman effectively enabled the direct theft of the year 2000 presidential election from the Vice President Albert Gore Jr. allowing nation wrecker, election stealer, cocaine snorting, U.S. Treasury embezzler, homosexual in-the-closet, Constitution shredding, AWOL, war criminal George W. BushFRAUD to illegally take office and effectively destroy the U.S. Republic.**

**Bitch Whitman recently ran commercials using Bush-Clinton Crime Family Syndicate member former President Bill Clinton as a prop in her attempt to smear former Governor Jerry Brown.**

**Note: Former Governor Brown, who remains a personal friend of Albert Gore Jr., has been a lifelong archenemy of both Clintons (given their ties to the Bush Family) dating back to his race against daddy Bush's little bitch, Bill Clinton, in the 1992 Democratic presidential primary.**

**Reference: The shameless New World Order stooge, Bill Clinton, now dying of AIDS, recently gave a Constitution Medal of Freedom to none other than British subject, Dunblaine pedophile and George W. Bush's puppet, war criminal Tony Blair.**

**The U.S. media continue to promote these two pieces of filth given the fact that the U.S. media is still paid directly from the derivative Ponzi Scheme that still controls U.S. banking interests.**

**One could argue that Jerry Brown is the true Tea Party candidate given the fact that he favors a flat tax and, of course, his opposition to the Bush-Clinton Crime Family Syndicate mafia.**

**P.P.P.S. The treasonous out-of-control state of Texas remains in contempt of the Constitution of the United States as it has now replaced America's greatest patriot, Thomas Jefferson, in its history books with none other than a British Judge and a religious fanatic.**

**It is clear now that the People of the state of Texas would rather live under the principles of the Old Testament rather than the Constitution of the United States. There has been talk that the state of Texas wants to, once again, secede from the Union.**

**Here is a direct message to the State of Texas from the American People: You will not have to secede from the Union again. The American People are going to rise up and remove you from the Union.**

**Note: Remember, folks, this is the same filthy, treasonous state where John F. Kennedy was assassinated and this is the same filthy, treasonous state that brought you the Bush Family. It is also important to note that these religious fanatics and pulpit goons that have taken over the state of Texas are the same nutcases in control of the alleged Tea Party movement.**

**As I warned you, folks, the corporate-controlled, fascist, extortion-friendly U.S. media would allow the Republican Party aka the Bush Family to coop the REAL Tea Party movement led by Congressman Ron Paul who favors restoration of the Constitution of the United States, the abolition of the treasonous UN-Constitutional Patriot Act, the end of the Internal Revenue Service aka a flat tax, and the abolition of the treasonous Federal Reserve, which has allowed these criminal Bush-Clinton Crime Family Syndicate banking interests to LOOT the U.S. Treasury.**

**Let us remember who the REAL Tea Party is and who the REAL Tea Party isn't.**

**Both the Democrat and Republican parties are corrupt. One is controlled by closet homosexual Hollywood financial interests and the other is controlled by closet homosexual neo-Nazi religious pulpit goons.**

**Come to think of it, let's send them all to the state of Texas and cordon it off.**

**Stay tuned for our next intelligence briefing, which will include an update on the fake death of British MI6 agent Christopher Story aka Edward Harle.**

**Harle currently residing in a safe-house in Toronto, Canada actually operated as a disinformation agent for former British Prime Minister, Dunblaine pedophile and war criminal Tony Blair, and, as early as June of 2010, one month before his alleged death, had been named as a major suspect by Scotland Yard in the assassination of former British scientist and weapons expert, Dr. David Kelly.**

**Harley's notebook has surfaced and is now in possession of Scotland Yard; the notebook having both the phone number and address of Dr. David Kelly in it. There is a notation in the notebook in Edward Harle's own writing in which he claims Dr. Kelly needed to be sanctioned.**

**Story aka Harle is also wanted in the United States for his involvement with British Intelligence operatives tied to Blackwater Associates, now known as company Xe, as well as criminal elements of FBI Division 5 aka Timothy Patrick White (Tim White) and alleged Jeff Fisher and treasonous elements of the Department of Homeland Security aka Barbara Frye and Bush-Clinton Crime Family Syndicate stooge and "Skull and Bones" woman, Frances Fragos Townsend, in orchestrating stoner cell phone microwave attacks against American Patriots, including myself, and plotting actual assassinations of individuals, including American patriot, Ambassador Leo Wanta.**

**If you are an American or even a Canadian citizen walking the streets of Toronto and you see this charlatan Christopher Story aka Edward Harle go ahead and arrest him and take him to the Canadian magistrate. He needs to be immediately deported.**

**Also, stay tuned for our next intelligence briefing, which will include an update on the status of the Wanta-Reagan-Mitterrand Protocols, the high-speed rail program, AmeriRail, the future of the European Union and the solvency of the United States itself.**

**Note: Word has it that the recent Goldman Sachs commodity trading Ponzi Scheme has been exposed and, accordingly, massive deleveraging of financial assets will begin in earnest within 24 hours.**

**Note: Remember, folks, implementation of these Protocols would return \$27.5 TRILLION back to the U.S. Treasury, eliminate the U.S. budget deficit completely and put America back to work with the AmeriRail program.**

**At this hour we live free or die as Lafayette remains at Brandywine and Albert Gore Jr. remains the year 2000 duly elected, non-inaugurated, natural born President of the United States.**
