**Noted Bush-Clinton Crime Syndicate bagman, ZIONIST MOSSAD agent Marc Rich has been indicted, again.**

**A new European INTERPOL "Red Notice" was issued today accusing Marc Rich of electronic bank fraud involving five (5) major proprietary accounts linked to the Bushes and the Clintons in the country of Switzerland.**

**Rich also faces another "Red Notice" for counterfeiting of Euro currency, the British Sterling and Swiss Francs.**

**Some of the counterfeit funds made their way into the U.S. Federal Reserve and could be currently in circulation in the Southeast United States.**

**Reference: Marc Rich was ILLEGALLY pardoned by his criminal co-conspirator, Bush Family business associate, SERIAL RAPIST and daddy Bush's little bitch, Bill Clinton.**

Rafael Eitan

**Note: New evidence is developing that in the year 2000 presidential election cycle, the little Cuban boy Elian Gonzalez was sent to the United States on behalf of the year 2000 Bush presidential campaign with the assistance of Israeli Spymaster Rafael Eitan, Marc Rich's lawyer Scooter Libby and U.S. Intelligence asset and Cuban Dictator Fidel Castro.**

Scooter Libby

**Also involved was none other than then First Lady, 3<sup>rd</sup> degree witch, CLOSET lesbian Hillary Rodenhurst Clinton, an ARCH ENEMY of duly elected President Albert Gore Jr.**

**Vice President now duly elected inaugurated  
United State President Albert Gore Jr.**

**The Elian Gonzalez black ops was designed to help then Governor Bush with Cuban voters in South Florida.**

**Reference: Then Vice President, now duly elected President Albert Gore Jr. opposed the Clinton Administration's decision to send young Elian back to slavery in Communist Cuba.**

**\* See last night's intelligence briefing for the tie-in between UNELECTABLE Hillary, Scooter Libby, Israeli MOSSAD Master Spy Rafael Eitan and U.S. Intelligence asset Fidel Castro.**

**Remember folks, Scooter Libby is the attorney for Marc Rich and both were essentially ILLEGALLY pardoned/commuted by their crime syndicate partners Clinton and Bush.**

Harold Ickes

<http://media3.washingtonpost.com/wp-dyn/content/photo/2006/03/28/PH2006032801594.jpg>

P.S. Former presidential candidate Chris Dodd, Democrat of Connecticut, and former presidential candidate Joe Biden, Democrat of Delaware, confronted Clinton campaign chief Harold Ickes with **overwhelming proof that the New Hampshire Democratic primary was stolen by the Bush NSA with the use of Diebold electronic fraud on the behalf of the UNELECTABLE Hillary.**

**Ickes proceeded to throw a temper tantrum and told both Biden and Dodd, "we own the networks and we have the toys" and at that point told both of them to leave his office immediately.**

P.P.S. Sources close to the Chicago FBI office report that the FBI is considering opening an investigation of the Clinton campaign for illegally spying and stalking Michelle, the wife of her opponent, presidential candidate Senator Barack Obama.

Final note: New national polls yet to be released show Senator Obama in a dead heat with UNELECTABLE Hillary and within the margin of error in Hillary's *alleged* home state of New York.

Finally, let's congratulate Joe Scarborough of MSNBC for finally saying something worthwhile on his "Morning Joe" show when he described the Bush-Clinton period as polarizing and divisive. He basically stated that they were a rogue monarchy and need to move on.

Message to Joe: We agree with you. They need to move on.

**But before they move on we have a reservation for them at Lafayette Park where new TREASON guillotines have arrived from France**
