**PREVIOUS INTELLIGENCE BRIEFINGS RELATED TO 9/11
TIED BEAR STEARNS HEDGE FUND:**

September 4, 2007 Tom Heneghan

...P.S. Newsweek Magazine is claiming that bin Laden is still alive. Reference: Bin Laden died of kidney failure six years ago.

Bin Laden actually went to a CIA hospital in Dubai, United Arab Emirates in July of 2001, just two months prior to 9/11, to receive dialysis treatment for his failing kidneys.

That is correct folks! Two months before 9/11 bin Laden, i.e. Tim Osman (bin Laden's name within the CIA was Tim Osman), was a "Dead Man Walking".

So the question in front of us is the following:

Why is Newsweek Magazine and its editor, homosexual *in-the-closet* Jon Meacham, and his buddy Mossad agent Michael Isikoff trying to keep bin Laden alive?

The answer folks is simple. Bin Laden's holdings in the defunct Bear Stearns Hedge Fund are subject to an IRS tax levy at the time of his death.

Since Newsweek Magazine and the British Royal Family have major holdings in the Bear Stearns Hedge Fund and the Carlyle Group it is necessary to keep bin Laden alive.

September 8, 2007 Tom Heneghan

...Notice to homosexuals in-the-closet Freddy Thompson and Jon Meacham: I still have the America Global China documents that you covered up to protect both Bush and Clinton; and just a reminder that I still have the Red Mercury-Gary Best-FBI Division 5-Osama bin Laden-Al Qaeda financial contractual agreements.

Could this be the reason the Bear Stearns Hedge Fund collapsed.

And one last warning to the U.S. media filth: We are monitoring you 24 hours a day and watching your lies and spin as you present this bogus bin Laden tape as something real.

September 15, 2007 Tom Heneghan

...Reference: Informed sources familiar with Bank of America and Bear Stearns allege that the Federal Reserve is on orders from Bushfraud to bail out Bank of America and the Bear Stearns Hedge Fund.

Note: The Northern Rock Bank of the United Kingdom has already collapsed because of the criminal money laundering of both Bank of America and Bear Stearns Hedge Fund.

November 18, 2007 Tom Heneghan

...It can now be reported that White House occupant George W. Bushfraud has nominated his enabler Judge Mark R. Filip for Deputy Attorney General of the United States, (312) 435-5667.

Filip, a former law clerk to grease ball fascist Justice Anthony Scalia, now sits as a Federal Judge on the U.S. Court of Appeals Court in Chicago.

Now let's look at Filip's jaded background.

Before his appointment to the Illinois bench, Filip worked at a noted law firm in Chicago called Skadden Arps.

Skadden Arps has been linked to the bribes of Florida election officials in the overthrow of the year 2000 presidential election, i.e. Albert Gore's victory.

Non-inaugurated, DULY ELECTED President Albert Gore Jr.

[source](#)

And, of course, it gets worse!

The funds for the fix derived from CIA stooge corporation Coca Cola, General Electric Accola and the Walt Disney ABC News organization. The bagman and fixer was none other than 9/11 co-conspirator, former U.S. Solicitor General Ted Olson.

Upon further investigation, the Florida 2000 bribery funds have been traced to Winter Springs, Florida Bear Stearns Brokerage.

Bear Stearns Winter Springs, Florida actually facilitated an IPO on a noted software company called Choicepoint software.

Choicepoint software was used by the State of Florida in the year 2000 to ILLEGALLY purge over 50,000 African-Americans off the voter rolls and falsely classify them as convicted felons preventing them from voting.

The leadership team directing this TREASON project was none other than Florida Governor Jeb Bush, Ted Olson, Judge Mark Filip and Florida's Secretary of State and noted slut Katherine Harris.

And, of course, it keeps getting worse!

non-inaugurated, DULY ELECTED President Albert Gore Jr.
[source](#)

Olson not only helped to facilitate bribes to the Gang of Five on the U.S. Supreme Court, which overthrew Albert Gore's election as president, but also facilitated bribery for Chicago Judges Filip, Darrah and Wedoff who were hearing arguments on the Coca Cola copyright case tied to ABC Mickey Mouse Walt Disney, whose major stockholders included FloridaGate 2000 fixer James Baker, current Supreme Court Justice John Roberts and none other than unelectable Hillary lesbian IN-THE-CLOSET Rodenhurst Clinton's brother Hugh Rodham.

Rodham represented none other than Colombian Medellin drug cartel boss Carlos Lehdner.

Lehdner was later pardoned by Florida Governor Jeb Bush. Lehdner has been linked to dirty Floridagate 2000 narcotics money, and the noted 9/11 SunCruz casino ships that Mohamed Atta allegedly gambled .. 9/11.

Lehdner even had a trading account at Bear Stearns in Winter Springs, Florida.

The crime spree involving these conspirators continues.

November 20, 2007 Tom Heneghan

...It can now be reported that Bushfraud's recently resigned Homeland Security Advisor, Frances Fragos Townsend, is under criminal investigation for perjury and obstruction of justice in regards to the warrant-less wiretapping that was ordered by occupunk George W. Bush against the American People PRE 9/11.

TOWNSEND, A LIFELONG STOOGUE AND OPERATIVE OF THE BUSH-CLINTON CRIME FAMILY SYNDICATE ACTUALLY DESTROYED INCRIMINATING DOCUMENTS, EMAILS AND CABLES THAT HAVE A DIRECT LINK TO THE INFORMATION THAT FBI WHISTLEBLOWER SIBEL EDMONDS HAD DISCOVERED, WHICH WARNED THE U.S. GOVERNMENT OF THE PENDING 9/11 ATTACK.

Reference: Daniel Ellsberg, the individual who helped release the "Pentagon Papers" in the early 1970s, has been quoted saying that the Sibel Edmonds evidence directly involves criminal activity and impeachable offenses by the highest levels of the Bush Administration, including the alleged President and Vice President.

See:

The French PRE 9/11 WARNING to the U.S. government, i.e. the U.S. State Department, which was the intercepted Israeli Intelligence-MOSSAD cable containing the 9/11 command order "the time is now, the match is hot", was withheld from the Patrick Fitzgerald investigation by none other than both Frances Fragos Townsend and current head of the Department of Homeland Security, MOSSAD agent, Michael Chertoff.

Remember folks, this 9/11 TREASON information and evidence was also available in advance to the New York State delegation including then New York Attorney General Eliot Spitzer, now New York governor, MOSSAD asset Charles Schumer, Democrat of New York, and of course, MOSSAD agent, unelectable CLOSET lesbian Hillary Rodenhurst Clinton.

NOTE: THE FRENCH INTERCEPTS OF ISRAELI CABLES FROM THE MOSSAD OUTPOST IN DUBAI, UNITED ARAB EMIRATES (UAE) DEALT DIRECTLY WITH ISRAELI INTELLIGENCE INTENTIONS TO MAKE THEIR MOSSAD-AL QAEDA CELLS IN THE UNITED STATES OPERATIONAL FOR THE PURPOSE OF A TERRORIST ATTACK.

SO THE COMMAND AND CONTROL FOR THE 9/11 BLACK OPS ATTACK ON THE UNITED STATES CAME FROM A DUBAI, UAE ISRAELI INTELLIGENCE OUTPOST.

Once again it was our great ally of 200 years, The Republic of France, that tried to save America from this TREASON conspiracy against the American People.

Do not be fooled by the controlled American media elite's latest spin that Matt McClellan, former Bushfraud press secretary, was lied to by the Bush Administration in regards to the Valerie Plame case.

Both Patrick Fitzgerald and the Bush Administration knew all along that Richard Armitage was the leaker. So there never has, or never will be, a real case involving Valerie Plame's status.

What Matt McClellan, the Bushfraud Administration and the media elite filth want to do is to spin and defer from the REAL question before us, which deals with the **SEALED NATIONAL SECURITY FILINGS MADE BY FITZGERALD IN THE INDICTMENT OF SCOTTER LIBBY.**

Remember, the indictment of Libby was for perjury and obstruction of justice, it had nothing to do with the question of Valerie Plame's alleged "outing" as a CIA agent.

Fitzgerald continues to investigate the larger question dealing with 9/11 and the attempt to plant WMDs in Iraq utilizing Dubai, UAE. That road of inquiry takes us right back to the American-Turkish Council and the TREASON evidence Sibel Edmonds is holding.

Item: So we now see why Bushfraud needs to appoint Judge Mark Filip of Chicago, Illinois as Deputy Attorney General of the United States.

Filip continues to engage in felony obstruction of justice in the matter of not only 9/11 and the ILLEGAL war in Iraq, but the bribery and criminal conspiracy that overlaps in the overthrow and coup d'etat that took place in Florida, i.e. the year 2000 presidential election.

Remember the sealed National Security filings of Fitzgerald connect the dots from FloridaGate 2000 to the 9/11 Mohamed Atta SunCruz Casinos and the role of both Valeria Plame and Scooter Libby in the Bush-Clinton "TRUE COLORS" assassination teams.

The financial records taken from the American-Turkish Council by Sibel Edmonds traced the financial funding for all of this TREASON to a Bear Stearns brokerage house in Winter Springs, Florida with a direct connection to the LaSalle Bank in Chicago.

December 21, 2007 Tom Heneghan

...P.S. We are now working on a story involving the Cayman Islands and secret offshore accounts tied to daddy Bush, Jeb Bush, noted 2000 election fixer Katherine Harris, along with Bill and Hillary Clinton, and current Republican presidential candidate Mitt Romney.

Some of the funds in the offshore accounts of these individuals were actually stolen and laundered utilizing the now bankrupt Bear Stearns Hedge Funds.

The Bear Stearns office in Chicago, Illinois is now the focus of U.S. Treasury investigators.

The Chicago Bear Stearns office has been tied to massive wire transfers of Euro currency through the Cayman Islands.

Also tied up in this fiasco is the Key Bank Utah, a known front for the Church of Latter Day Saints, i.e. the Mormon Church.

Reference: This investigation in Utah ties back to millions of dollars missing from the Utah Olympic project involving the Bushes, the Clintons, homosexual *IN-THE-CLOSET* Senator Orrin Hatch and current Republican presidential candidate Mitt Romney.

January 1, 2008 Tom Heneghan

...Al Qaeda and the government of Pakistan have found their way into the campaign coffers of UNELECTABLE lesbian *IN-THE-CLOSET* Hillary Rodenhurst Clinton, Democrat of New York, "Barbie doll" and serial flip-flopper Mitt Romney, Republican of Massachusetts, as well as *CLOSET* homosexual and abortion lobbyist Fred Thompson, and pedophile Bill Richardson, Democrat of New Mexico.

Reference: Some of these funds are actually offshoots of the late Osama bin Laden's construction company.

These funds were laundered through the now defunct Riggs Bank in Washington D.C. into offshore CIA proprietaries in the Cayman Islands and then actually placed in the accounts of these political New World Order stooges through on-shore firms, like General Electric NBC and Bear Stearns.

Note: Bear Stearns, which is now broke, was linked to American Insurance Group (AIG) and PRE 9/11 put options placed on the New York and Chicago financial exchanges 72 hours before the September 11th attacks.

POLITICAL WHORE ALERT

Do not be fooled by the potential presidential candidacy of Khazarian Jew and current New York Mayor Michael Bloomberg.

Bloomberg, a 9/11 co-conspirator, has covered up the American International Group (insurance/financial) Hank Greenberg's PRE 9/11 put option scam run through Bear Stearns on major insurance companies like Swiss and German ReInsurance.

Bloomberg is also covering up, not only for Bear Stearns and American Insurance Group (AIG), but also for the activities PRE-9/11 at the American-Turkish Council and the secret correspondence between Hank Greenberg, the American-Turkish Council and noted Khazarian Jew and war criminal, Henry Kissinger.

Note: It was the unelected Bushfraud that wanted to place Kissinger as the chairman of the so-called 9/11 Commission.

February 14, 2008 Tom Heneghan

...Celebi, a dual Turkish-U.S. citizen, was named as a MAJOR player in the MOSSAD-riddled 9/11 linked arms and narcotics counterfeiting racket run at the noted American-Turkish Council headquarters in Ankara, Turkey.

Celebi worked at the American-Turkish Cultural Alliance in Chicago, Illinois and also worked part-time at the Turkish Consulate in Chicago.

Sibel Edmonds, with the help of French Intelligence, intercepted conversations at the American-Turkish Council, which fingered Henry Kissinger and former British Prime Minister Tony Blair to known Al Qaeda cells in Hamburg, Germany.

Reference: This terrorist cell is operated by known UNELECTABLE Hillary stooge and business partner EVA TELEGE aka TELEKE aka TELEKI, who is a wanted suspect in the 7/7 London bombings.

Celebi's name was mentioned in some of the conversations that originated from the American-Turkish Council and the Turkish Consulate in Chicago.

Celebi seems to have been a bagman for various financial trading schemes linked to "put options" placed at Bear Stearns in Chicago just prior to 9/11.

Note: Celebi had been identified in 1999 by then Vice President Albert Gore Jr., along with Gore's national security adviser Leon Fuerth and Clinton Administration anti-terrorist point man Richard Clarke as being involved in Al Qaeda terrorist funding utilizing the American-Turkish Cultural Alliance and known Colombian cartel drug lord Carlos Lehder as co-conspirators (Hillary Clinton's brother Hugh Rodham was attorney for drug lord Lehder – then Governor Jeb Bush ILLEGALLY pardoned his co-conspirator Lehder).

Also mentioned with Celebi in the criminal referral, which was given to Clinton's Attorney General Janet Reno was East German DVD agent and UNELECTABLE Hillary Rodenhurst Clinton adviser EVA TELEGE aka TELEKE aka TELEKI.

Reference: TELEGE, an East German DVD agent, had infiltrated the Clinton White House and had become a major adviser to then First Lady Hillary Clinton on a project to build an Alabama toll bridge utilizing the funds of noted CIA proprietary account Marvelous Investments Ltd. in Andover, Massachusetts.

Thanks to the work of Gore, Fuerth and Clarke, and FBI investigation was initiated in regards to Celebi but later dropped as President Clinton, i.e. daddy Bush's little bitch, claimed that Celebi had immunity from prosecution given his status as a Central Intelligence Agency (CIA) operative.

This was all happening at the time that SERIAL RAPIST Bill Clinton and his Secretary of State Madeleine Albright aka Half-bright, allowed Osama bin Laden to escape termination, i.e. assassination, because both Clinton and Albright were afraid that killing bin Laden would immediately trigger billions of dollars laundered through Kosovo and Eastern Europe to be identified as CIA proprietary funds due Ambassador Leo Wanta.

February 24, 2008 Tom Heneghan

...Speaking of insider trading, it can now be reported that NEW SMOKING GUN 9/11 EVIDENCE is in possession of Justice Department officials loyal to former Deputy Attorney General James Comey.

The new evidence ties Bear Stearns hedge funds and a German bank IKB to PRE-9/11 put options, i.e. short sales, placed on the Chicago Board of Options.

The conduit for this ILLEGAL trading was an offshoot of the Bear Stearns Hedge Fund tied to Deutsche Bank called "Rhineland Funding".

"Rhineland Funding" has links to the noted Bush-Clinton-Mitt Romney-CIA proprietary account in Andover, Massachusetts called Marvelous Investments Ltd.

Reference: Marvelous Investments Ltd. is headed by CEO and noted fugitive and wanted 7/7 London bombings TERRORIST suspect Eva TELEGE aka TELEKE aka TELEKI.

TELEGE aka TELEKE aka TELEKI has also been linked to the Al Qaeda 9/11 cell in Hamburg, Germany, with direct ties to the East German DVD-MOSSAD money laundering "Rhineland Funding".

AND NOW IT REALLY GETS WORSE!

"RHINELAND FUNDING" HAS BEEN FINGERED BY FBI WHISTLEBLOWER SYBIL EDMONDS AS HAVING DIRECT LINKS TO THE AMERICAN-TURKISH COUNCIL AND THE BUSH-CLINTON 9/11 TIED BEAR STEARNS HEDGE FUND THAT, ALONG WITH THE U.S. FEDERAL RESERVE, HAS LOOTED THE U.S. TREASURY.

UNITED States of America - It can now be reported that the U.S. Provost Marshall, along with the U.S. Military Joint Chiefs of Staff, has declared Executive Emergency Provost Protocol Override declaring that Albert Gore Jr. of Carthage, Tennessee is the non-inaugurated, natural born, year 2000 DULY ELECTED President of the United States of America.

Accordingly, all other elections from 2004 to 2016 are null and void.

The full implementation of the 28th Amendment will be executed with any attempt to interfere in the re-implementation of the Constitution of the United States of America being dealt with all appropriate measures, including brute force.

...The current AIPAC trial, which is being delayed in U.S. Federal Court in Virginia, deals with new evidence linking elements of the Israeli MOSSAD-run New Jersey-based Urban moving Systems to command and control in the 9/11 attack on America.

There is also evidence, which is financial in nature, tying both Viktor Bout and unelectable LOSER Hillary Clinton fundraiser and 9/11 co-conspirator, Mehmet Celebi, to PRE-9/11 put options and short positions placed on the New York Stock Exchange and the Chicago Board of Options in both airline and insurance stocks just prior to 9/11. The brokerage firm fingered in orchestrating this financial TREASON is none other than Bear Stearns offices in Chicago, Illinois and Winter Springs, Florida.

At this hour, U.S.-based Wells Fargo Bank and its branch out of Reno, Nevada is in total violation of the Commodity Exchange Act of 1936 as they are trying to bail out, along with Jefferies Inc. out of Chicago, Illinois, the massive debits and margin calls of Bank of America tied to their naked short positions in the Swiss franc and the Japanese yen.

P.P.S. Wells Fargo is now putting in jeopardy all of its depositors and account holders by using Dodd-Frank legislation as a vehicle to use the deposits of their customers to meet the margin calls of Bank of America and other FX firms who were blindsided by the Swiss National Bank.

What is forthcoming is a massive 'BAIL-IN' by crooked U.S. banks STEALING AND LOOTING OF THEIR CUSTOMERS' FUNDS to meet their massive margin calls tied to their naked short undermargined positions in the Japanese yen.

P.P.S. A massive ponzi scheme is now taking place inside the [privately owned] Federal Reserve linked to Wachovia, Wells Fargo and Citi Bank involving TRILLIONS of dollars of currency derivatives tied to Luxembourg and the Philippines.

A major Bush-Clinton Crime Family Syndicate brokerage firm called Alex Brown Securities, a division of none other than Deutsche Bank, is being used to launder Euro currency to various secret bank accounts in the nations of Luxembourg, Denmark and Sweden.

Alex Brown Securities is also the New York firm, which currently handles the account of both daddy Bush and his little bitch, Bill Clinton, involved in *alleged* hurricane relief, but is nothing more than a front for currency derivative fraud.

Note: It did not take daddy Bush's little bitch, Bill Clinton, long to start once again doing business with his '*handler*' daddy Bush, in fact only two months after his lesbian *in-the-closet* wife's defeat sociopath Clinton was back doing business with sociopath daddy Bush.

P.P.P.S. It was the FDIC that ruled Citi Bank has the legal authority to buy Wachovia.

It was only after Wells Fargo, an *alleged* solvent bank, received \$30 BILLION in 'bailout' money from the U.S. Treasury, did Wells Fargo make a new bid for Wachovia at the expense of Citi Bank's bid.

As we reported in a previous briefing, folks, Bushfraud and his criminal co-conspirators want to use Wells Fargo to hide and cover up the Deutsche Bank derivatives, which are linked to major *alleged* Al Qaeda terrorist cells operating in the German Republic who have major secret accounts at the Deutsche Bank.

...

The scam that Paulson, Bushfraud and Bernanke are trying to pull off, along with the compromised Internal Revenue Service, is to let Wells Fargo buy Wachovia Bank and then let Wachovia actually write off the outstanding fixed rate derivatives linked to Deutsche Bank.

October 25, 2009 Tom Heneghan

UNITED STATE of America - It can now be reported that both Wells Fargo Bank and Bank of America face total collapse within 24 hours.

Federal Reserve Chairman Bernard Bernanke has been told by the People's Republic of China that he must re-pay a \$1 TRILLION loan, which was given to him by the PRC, by Tuesday, October 27, 2009 at 9:00 a.m. EST.

Note: The \$1 TRILLION loan was issued by China to the former BushFRAUD Administration in September of 2008 and was designed to stabilize the U.S. equity market and basically help the Federal Reserve and the U.S. Treasury bail out the crooked banks and brokerage firms like Goldman Sachs and J.P. Morgan that have helped enable the LOOTING of the U.S. Treasury.

Item: Over this weekend Chinese officials became enraged when they became aware that the \$1 TRILLION loan is gone and was wiped out in massive derivative aka toxic asset trading with the derivatives being compounded 100 times by the crooked Federal Reserve, which used these then worthless derivatives as collateral to create cash aka funny money that has been used to manipulate U.S. equity and bond markets and artificially manufacture a *bogus* yield curve designed to keep interest rates at zero.

Again, the low interest rates are only used by these crooked banks to exchange and mark up worthless derivatives aka credit default swaps.

Banks are not loaning money to the American People; they are engaged in a Ponzi Scheme between themselves.

Chinese officials also became enraged when they learned early last week that the noted Galleon Group India-based hedge fund was used by both Goldman Sachs and the Federal Reserve Bank of New York utilizing the Bernard Madoff Ponzi Scheme to LOOT the Chinese Sovereign Fund on behalf of the Bush-Clinton Crime Family Syndicate.

Note: Informed sources tell us that former BushFRAUD Treasury Secretary Henry 'Hank' Paulson has told his friends that he feels he is being tracked and monitored by members of Chinese Intelligence on a 24 hour basis.

It should also be noted that the Chinese want Paulson arrested for failure to allow Bank of America to implement the noted Wanta-Reagan-Mitterrand Protocols, which would allow TRILLIONS of dollars to return to the U.S. Treasury from offshore *secret* hedge funds and accounts tied to the members of the noted Bush-Clinton Crime Family Syndicate.

We can now also divulge that Bank of America CEO Kenneth Lewis is cooperating with current New York Attorney General Andrew Cuomo and his consultant, former New York Governor Eliot Spitzer, in their on-going criminal investigation in New York state that threatens to bring down the conspiratorial criminal Federal Reserve Bank.

**HIGH Treason Conspirators Against the American People

Lewis has testified that former Federal Reserve Chairman Alan Greenspan, former BushFRAUD Treasury Secretary Hank Paulson, along with current Obama Treasury Secretary Timothy Geithner and current Federal Reserve Chairman Bernard Bernanke, as well as former illegal White House occupant George W. BushFRAUD, himself, coordinated a *secret* money laundry involving the Galleon Group hedge fund that allowed Wells Fargo Bank to wire BILLIONS of dollars of STOLEN U.S. Taxpayers' funds to finance the Bank of America 'bail out' of Merrill Lynch that took place in December of 2008.

Note: These funds are also linked to the \$1 TRILLION Chinese loan. Wells Fargo moved most of the funds from an offshore hedge fund in the Philippines that, along with the India-Pakistan based Galleon Group hedge fund, was immune from any Congressional or SEC oversight based on national security consideration.

These alleged hedge funds supposedly had a role in identifying financial terrorist activity of alleged Al Qaeda.

Nothing could be further from the truth!

The Philippines based Wells Fargo funds and the aforementioned Galleon Group have now been fingered by New York investigators as a major financial supporter of the alleged Al Qaeda terrorist organization Jundallah.

BushFRAUD and his former Vice pResident Richard Cheney used this organization for various terrorist black ops in Afghanistan, Iraq and Iran.

Jundallah was used, and IS being used in the recent bombings in Pakistan as to prevent FBI investigators from looking into the Galleon Group hedge fund.

Jundallah has been directly linked to the assassination of former Pakistani Prime Minister Benazir Bhutto as well as the violent terrorist blacks ops staged in Iran and in Mumbai (Bombay), India.

Jundallah and its cells have recently splintered off because their cash flow has been cut off and are now being directed by the Sunni insurgency as well as British Intelligence in Iraq to stage false flag terrorist attacks and are being paid by none other than Blackwater Associates and STOLEN funds from the Central Bank of Iraq tied to none other than former British Prime Minister, Dunblaine pedophile and war criminal, Anthony Blair.

So you see, folks, this whole phony war on terror dating back to 9/11 is nothing more than a massive financial Ponzi Scheme involving crooked hedge funds and out-of-control nation states that want to set up a permanent anti-terrorist infrastructure that will destroy basic individual rights of citizens worldwide, including, of course, destroying the Constitution of the United States and the American Republic.

...Former President Clinton, who deregulated the banks during the same time period with the repeal of the Glass-Steagall Act, helped foster private intelligence agency trust accounts that would be used to fund private mercenary armies plus intelligence agency linked Black Ops and PsyOps that created the foundation for the 9/11 FALSE FLAG aka George W. Bill Clinton signs into law the Gramm-Leach-Bliley Financial Services Modernization Act, November 12, 1999

[...] The 1999 Financial Services Modernization Act (FSMA) was conducive to the the repeal of the Glass-Steagall Act of 1933. A pillar of President Roosevelt's "New Deal", the Glass-Steagall Act was put in place in response to the climate of corruption, financial manipulation and "insider trading" which resulted in more than 5,000 bank failures in the years following the 1929 Wall Street crash.

Under the 1999 Financial Services Modernization Act, effective control over the entire US financial services industry (including insurance companies, pension funds, securities companies, etc.) had been transferred to a handful of financial conglomerates and their associated hedge funds.

UNITED STATES of America - Today we present clear cut evidence from awarding winning journalist Greg Palast that Clinton-Bush Crime Family Syndicate bank stooge Larry Summers should be blocked by Congress from ever being Federal Reserve Chairman.

Summers lobbied Congress, along with former Texas Republican Senator Phil Gramm and former Clinton era U.S. Treasury Secretary Robert Rubin, to have the depression era Glass-Steagall Act revoked.

It was former President Bill Clinton that signed legislation in 1999 that eliminated the Glass-Steagall Act.

The Glass-Steagall Act had protected Americans' savings deposits for decades and had prevented banks from participating in proprietary trading aka casino gambling using U.S. savings deposits as collateral

P.S. At this hour Swedish banks face a major liquidity crisis involving ass backwards derivatives tied to their currency, the krona.

In closing, it is time to reinstate Glass-Steagall and prevent Larry Summers from cross-collateralizing any more derivatives, which represent U.S. Taxpayers' funds.

...In closing it is important to remember who signed the 1999 legislation that got rid of the Glass-Steagall Act that protected the savings of average Americans since depression days.

It was Bush Crime Family crony Bill Clinton enabled by his crooked wife, Benghazi war criminal, Hillary Rodenhurst Clinton, then Treasury Secretary Robert Rubin and further enabled by Christopher Dodd, Barney Frank, Newt Gingrich and bald headed misfit, former Texas Senator Phil Gramm, whose wife Wendy (who was then head of the CFTC) lobbied for this legislation, which now threatens to wreck the entire world economy.

April 2, 2015 Tom Heneghan

It gets even worse!

We can now divulge that the privately owned U.S. Federal Reserve (controlled by the Bank of England) has been accommodating Bank of America, JPMorgan Chase and the New York Mellon Bank in disguising massive wrap around (non-collateralized without margin) derivative debt tied to Bank of America and the George W. BushFRAUD-Henry Paulson mortgage-backed securities scam that helped wreck and destroy, along with Bear Stearns, the U.S. economy in 2007 and 2008.
