## **BUSH-CLINTON "TRUE COLORS" ASSASSINATION TEAMS TIED TO COLIN POWELL AND SERIAL RAPIST CLINTON**

**By Tom Heneghan**

**HAPPY THANKSGIVING DAY TO ALL  
GOD BLESS AMERICA, LAND THAT WE LOVE**

It can now be reported that former Bushfraud's Secretary of State and Clinton Administration's Joint Chief of Staff Chairman Colin Powell has been subpoenaed by Special Counsel Patrick Fitzgerald's investigation in the matter of the Valerie Plame-Scooter Libby-Bush-Clinton-MOSSAD assassination teams.

Powell spearheaded the then Clinton Administration policy of the privatization of U.S. Special Forces, which set the foundation for the black ops Gary Best Inc. group that eventually became the Clinton-Bush-Tony Blair-private army known as **"TRUE COLORS"**.

Known Dunblaine pedophile and former British Prime Minister Tony Blair was also up to his neck in this **TREASON**.

Blair compromised elements of British MI6 and created his own **"TRUE COLORS"** branch company, now known as the private mercenary group named **BLACKWATER AND ASSOCIATES**.

Blackwater and Associates have linked backed to the Bosnian War, Osama bin Laden's mujahideen and the assassinations of numerous Serbian leaders on behalf of ethnic Muslims and Croatsians.

Reference: The Bush-Clinton **"TRUE COLORS"**, **BLACKWATER AND ASSOCIATES** assassinations of former Republican Congressman Sonny Bono, former CIA Director William Colby, John F. Kennedy Jr. and the attempt to assassinate then Vice President Albert Gore Jr. over the Chicago skies in 1999.

Item: The former British Prime Minister and war criminal Tony Blair still faces indictment in the United Kingdom and France for sending a British MI6-Blackwater team to the island of Madagascar to capture and assassinate a former New Zealand Special Forces officer, her code name "Lambchop".

"Lambchop", secretly married to a U.S. CIA agent, code named "Treeline", and "Treeline" are living witnesses to the Bush-Clinton assassination teams starting with Congressman Sony Bono.

Bono had been investigating **"TRUE COLORS"** teams before his assassination.

A firefight broke out on the island of Madagascar between British Blackwater and U.S.-French Special Forces in which ten deaths, three American, three French and four British Special Forces officers died of machine gun wounds.

Tony Blair faces criminal indictment on Murder One for this Madagascar fiasco.

U.S. and French Special Forces had been sent to Madagascar when they were tipped off by former French President Jacques Chirac and Colin Powell operative, code named "Dave", that former President Bill Clinton and his side kick **"TRUE COLORS"** specialist Gary Best had kidnapped the Bush-Clinton **"TRUE COLORS"** whistleblower and New Zealand Special Forces officer "Lambchop" and were ready to execute her.

Note: "Lambchop" was being held hostage at a resort house owned by Colin Powell.

When the U.S. and French Airborne Division swept onto the island and found "Lambchop" bound and gagged and being raped by the former President Clinton.

Cell phone records now in possession of Special Counsel Fitzgerald show that Gary Best immediately called a Blackwater and Associates phone number in Bosnia asking for help to counter what he knew was going to be the immediate arrival of U.S. and French Special Forces on the island.

Best, who had sophisticated GPS technology on the island, also used his cell phone to call Tony Blair and former Clinton Administration UN Ambassador and Secretary of State Madeline Albright (now Hillary Clinton's current campaign adviser).

P.S. Both U.S. and French Intelligence, along with the French newspaper, La Monde, and the British newspaper, The Guardian, are holding pictures of former President Clinton handcuffed next to a wall in his underwear after being captured in Madagascar by a French Colonel named Richard.

Richard had the serial rapist Clinton pinned to a wall and only through the Chirac phone communication and urging of Colin Powell was the French Colonel stopped from administering immediate justice on the rapist Clinton.

We should also report folks, that when Clinton was grabbed and cornered by French Colonel Richard the cowardly Clinton cried like a baby and begged for his life.

P.P.S. Special Counsel Fitzgerald was recently in Paris, France ready to interview former French President Jacques Chirac on the fiasco in Madagascar.

Within one day of Fitzgerald's arrival in France, Chirac was indicted by a French court. The French magistrate, who announced the indictment, has been at various times photographed by French Intelligence having dinner at the Rive Gauche restaurant Chez George with none other than Colin Powell and war criminal Tony Blair.

**And it gets worse!**

This is the same magistrate that covered up the British Blackwater and Associates assassination of the late Princess Diana ordered by the British monarch Queen Elizabeth.

## **How dare you, you conspiratorial tyrants and kings and notable queens!**

So it is now clear that both serial rapist Bill Clinton and his side kick Gary Best, along with former British Prime Minister Tony Blair, misused British Special Forces and trapped them in a firefight with U.S.-French Special Forces who were about to arrest the serial rapist Bill Clinton for assault, rape and attempted murder.

P.P.P.S. Question: Why are former Democratic Senator from Nebraska Bob Kerry and former Speaker of the House Dick Gephardt campaigning in Iowa for the unelectable Hillary Rodenhurst Clinton?

Answer: Both Kerry and Gephardt are archenemies of the duly elected President Albert Gore Jr.

Kerry, who endorsed Al Gore's opponent Bill Bradley in the year 2000 Democratic Primary, also had a copy of Bush-Clinton "TRUE COLORS" assassination manuscript given to him by homosexual **IN-THE-CLOSET** and ABC News talk show host George Stephanopoulos.

Kerry, along with Newt Gingrich and **CLOSET** homosexual Fred Thompson and homosexual out-of-the-closet Barney Frank, Democrat of Massachusetts, and former **ALLEGED** independent counsel Kenneth Starr helped cover up the Bush-Clinton "TRUE COLORS" private mercenary assassination groups during the Clinton impeachment of 1998.

It should be noted that then Vice President Albert Gore Jr. and now the non-inaugurated, duly elected President of the United States, wrote a special "white paper" detailing the criminal activity of the "**TRUE COLORS**" teams but had his report and evidence sealed and classified in the U.S. National Archives by the Democrat and Republican co-conspirators who ran the Clinton impeachment trial.

Included in his report, the then Vice President directly accused then Clinton's Secretary of State Madeline Albright of setting the stage for the attempt to bring down Al Gore's Air Force Two airplane over Chicago in 1999.

Kerry of Nebraska, a known pedophile who is easily blackmailed over the years, i.e. his sexual tryst with 16 and 17 year old girls, is also a personal friend of former MSNBC celebrity reporter, Vanity Fair contributor and known British MI6 agent Tina Brown.

Tina, used her role as a NBC/General Electric employee to run an espionage operation from her New York apartment in order to gather sexual blackmail on Bush-Clinton crime syndicate opponents in Congress and the media. In fact, the little slut Tina hired a call girl in an unsuccessful attempt to frame and compromise Bush-Clinton Crime Syndicate opponent, former Congressman and Irish Catholic, James Moran, Democrat of Virginia.

Tina, a British Hofjuden, still talks to "TRUE COLORS" Time magazine journalist Joe Klein on a daily basis. Klein, a possessor of the "TRUE COLORS" assassination manuscript, is a puppet and shill for the campaigning of unelectable **CLOSET** lesbian Hillary Rodenhurst Clinton.

Now let's deal with Dick Gephardt, Democrat of Missouri:

Gephardt, bought and paid for by the Israeli MOSSAD, was aware of the plot that assassinated the late Democratic Governor of Missouri, Mel Carnahan, as Carnahan was flying to St. Louis, Missouri the night of the final year 2000 Gore-Bush presidential debate.

Carnahan was carrying documents from the Kenneth Starr investigation fingering the Bush-Clinton-America Global China-Mena, Arkansas-Iran/Contra cocaine and arms trafficking being laundered through the Boatsman Bank in St. Louis, Missouri.

Reference: Then Vice President Albert Gore, who, of course, never received those documents upon the assassination of Carnahan, confronted and stood over coward and sexual deviate and draft dodger then governor of Texas George W. Bush before the debate began.

One final note: Also aware of the plot to assassinate Carnahan was homosexual **IN-THE-CLOSET** Fred Thompson, Republican of Tennessee. Thompson, who tried to hide the Kenneth Starr documents dealing with the private mercenaries and assignation teams that Carnahan had uncovered, showed his "**true colors**" in one of his last Hollywood Law and Order episode. Thompson did a fantasy show on the uncovering of the private mercenary group with the fantasy name "Diamond River".

Now folks, it looks like **CLOSET** homosexual Thompson wanted to use his Hollywood show Law and Order for blackmail purposes rather than doing his job as U.S. Senator when the American Constitution and the Rule of Law and our utter way of life hung in the balance.

Question: Could it be that the producer and director for homosexual **IN-THE-CLOSET** Thompson's Law and Order show on the "Diamond River" mercenaries was none other than MOSSAD Bush-Clinton-Mena, Arkansas cover up punk Steve Segal.

Note: Hollywood actor Steven Seagal, along with Time Magazine's Jay Carney, helped coordinate a bribe to silence CIA pilot Terry Reed, an expert and major witness on The Bush-Clinton-Oliver North-Iran Contra-Mena, Arkansas-Chinese Narcotics Money Laundry.

Steven Seagal gave Terry Reed, co-author of the famous book:

**Compromised: Clinton, Bush and the CIA (Hardcover)**

by [Terry Reed](#) (Author), [John Cummings](#) (Author)

<http://www.amazon.com/Compromised-Clinton-Bush-Terry-Reed/dp/1883955025>

a half a million dollar bribe in order to buy his silence in regards to the evidence he possessed from U.S. Military defense intelligence on the criminal activity of the Bush-Clinton Crime Families in Mena, Arkansas during Iran-Contra.

And, who made the half a million dollar bribe available for Seagal to bribe Reed? None other than Khazarian Jew and one of unelectable Hillary Rodenhurst Clinton's major fundraisers, Steven Spielberg.

**How dare you!**
