BUSH ADMINISTRATION IGNORES MOSSAD-AL QAEDA TERRORIST LINK

By Tom Heneghan

It can now be reported that the United States Federal Bureau of Investigation (FBI) has identified an Israeli Mossad cell operating in duality with alleged Al Qaeda types in Washington state and New Jersey.

The code word "Middle East" has been issued by the FBI to warn U.S. law enforcement authorities of the Israeli-Al Qaeda threat.

This FBI intelligence seems almost identical to the intelligence gathered by FBI whistleblower Sibel Edmonds, i.e. the pre-9/11 financial connections to New York, New Jersey, Kissinger and Associates, American Insurance Group (AIG) and the American-Turkish Council.

Note: The U.S. stock market had also experienced meltdown conditions pre-9/11 as it is experiencing now.

And of course it gets worse. The current head of Israeli INTERPOL is now under FBI inquiry for conspiring with the U.S. Consulate in Jerusalem in allowing Israelis with criminal records to enter the United States.

Some of these Israelis have been connected to Al Qaeda cells in Bosnia with financial connections to Dubai, United Arab Emirates.

And now it gets even worse.

The investigation of the Israeli INTERPOL officer has turned over evidence linking the INTERPOL officer to former New Jersey Chief of Homeland Security Israeli Mossad agent Golan Cipel.

Cipel is now linked to the noted 9/11 Urban Moving Systems "Dancing Israelis".

Cipel is the former homosexual lover of former New Jersey Governor James McGreevey.

McGreevey, also controlled by the Israeli Mossad, remained silent and complicit in the 9/11 New York/New Jersey cover up.

Former New Jersey U.S. Attorney Michael Chertoff, now head of the Department of Homeland Security, has been identified in the new FBI investigation for lobbying for the release of the 9/11 implicated Israelis.

Chertoff, the only U.S. Attorney not fired by Bill Clinton in 1992, has also conspired with Bush and Karl Rove to mask and disguise the identity of Israeli Mossad terrorist-types on American soil.

P.S. As we bring you this emergency report, Mossad agent and Bush-Clinton Crime Family stooge Chertoff is ignoring the latest FBI warning "Code Middle East" on the Mossad-Al Qaeda Washington State-New Jersey link.

The brazen Chertoff has also invoked the Patriot Act to keep the press in Washington State from publishing the photographs of the Israeli Mossad types.

P.P.S. Both unelectable Hillary Lesbian Rodenhurst Clinton and former New York Major Rudy-in-drag Giuliani have also participated in the 9/11 Cipel-McGreevey-New York-New Jersey cover up.

Reference: McGreevey now lobbies for British Re-Insurance, a 9/11 compromised company linked to an asbestos cover up with financial tie-ins to lobbyist and homosexual-in-the-closet Fred Thompson and Harold Ickes' noted lobbyist group Ickes & Enright.

Note: Ickes currently works as director and campaign manager for unelectable Clinton Rodenhurst.

P.P.P.S. Could it be that the Bush-Clinton-British-Yiddish elite want another terrorist attack on American soil for two purposes.

One, to freeze the current presidential race, specifically the Democratic Party primary race; and

Two, allow the criminally compromised U.S. Federal Reserve to continue to bail out U.S. companies and equity markets with a continuing policy of fiat currency and U.S. dollar devaluation.

Direct warning to the Federal Reserve:

You have now engaged in money laundering and insider trading on the behalf of this criminal elite.

We know where your white monkeys are in the Philippines and we are not going to allow you to attack the American People again.

So, accordingly, prepare for your annihilation.

**And, of course, when all is said and done,
and you turn your TV off,
Albert Gore Jr. remains the duly elected,
non-inaugurated, President of the United States.**
