Bank Holiday Still Imminent

by Tom Heneghan, International Intelligence Expert

United States of America – It can now be reported that occupant George W. Bushfraud and French President Nicolas Sarkozy will meet today in Camp David, Maryland to discuss the status of the world banking crisis along with the trillion of dollars worth of outstanding derivatives tied to both Deutsche Bank and J.P. Morgan Chase.

This meeting is crucial, folks, since we can now divulge that French Finance Minister Christine LaGarde warned the Bushfraud Administration and U.S. Treasury Secretary not to allow the investment bank Lehman Brothers to go bankrupt, since Lehman Brothers had the records and legally enacted national security directives to implement the noted Wanta-Reagan-Mitterrand Protocols, which would have helped reimburse U.S.-French and Chinese Treasuries whose funds have been embezzled by the British-controlled J. P. Morgan Chase.

At this hour, the perpetrators of this J. P. Morgan Chase fraud, which includes the Bush-Clinton Crime Family Syndicate, wish to hide the J. P. Morgan-Deutsche Bank criminal derivatives in various offshore intelligence agency controlled proprietary accounts located in south Asia, i.e. Singapore and the Cayman Islands.

The noted Bush-Clinton Crime Family Syndicate British-controlled Sherwood Investments and the Chinese Intelligence money laundry Hampton Lampoon are two accounts, which the Bush-Clinton Crime Family Syndicate want to use to hide the criminal derivatives, which of course, represent the THEFT of the U.S. TREASURY and the direct violation of a Virginia National Security Court order to implement the Wanta-Reagan-Mitterrand Protocols.

As of this hour, French President Nicolas Sarkozy, along with French Finance Minister Christine LaGarde, have told Bushfraud that they will not participate in this financial TREASON that will be directed against the American People.

Reference: Folks, I can divulge to you that this reporter, who is bringing you these intelligence briefings, has been made a target for assassination by RED Chinese Intelligence officers currently illegally stationed on American soil.

The Communist Chinese assassins are being directed for use against not only myself, but other patriotic Americans by the head of the RED Chinese Secret Police on American soil in Seattle, Washington named Francis K. Fong.

U.S. and international agents to monitor e-vote satellite activity during election

By Tom Flocco

...U.S. intelligence authority Thomas Heneghan said Francis K. Fong, head of Red Chinese secret police in North America, helped coordinate the theft of the U.S. Presidential elections in Florida, Tennessee and West Virginia in 2000 using covertly transferred Westar satellite systems.

..."Fong is a liaison to Russian FSB in Seattle, some of whose operatives were recently flown into Seattle from Canada under the command and control of "U.S. Department of Homeland Security Director Michael Chertoff who is also a deep-cover Israeli intelligence agent and 9/11 Urban Moving Systems co-conspirator during and after the September 11 attacks," said Heneghan.

..."Fong is also linked to the Bush-Clinton crime syndicate with direct ties to Wang Jun, former Clinton administration fund raiser and arms dealer, but also owner of an American steel company, a Chinese-owned company still represented by former Republican Independent Counsel Kenneth Starr," he said...

AND NOW IT GETS WORSE!

Three weeks ago in Washington, D. C. a SECRET meeting occurred between Democratic presidential nominee Barack Obama and his former opponent in the Democratic primary, unelectable *LOSER* and lesbian *in-the-closet* Hillary Rodenhurst Clinton.

At this meeting Obama agreed that he would NOT prosecute the Clintons or the Bushes [for their massive HIGH treason] should he become president of the United States.

Obama agreed to continue the cover up of a *secret* 1997 Department of Justice settlement with Bush-Clinton Crime Family Syndicate bagman Leonard Millman.

The late Leonard Millman agreed to pay a \$18 million fine in a case of massive THEFT of funds from the U.S. Treasury involving the criminally compromised former Federal Reserve Chairman Alan Greenspan, Jackson Stephens Inc., an Arkansas corporation, the previously mentioned J. P. Morgan Chase and the Neil Bush operated Silverado Savings and Loan out of Denver, Colorado.

Millman, along with noted Bush-Clinton Crime Family Syndicate fixer Marc Rich, helped remove BILLIONS of dollars from the U. S. Treasury and helped transfer the funds into *secret* illegally-based offshore trust accounts, which were for the personal use of the Bushes and the Clintons.

The settlement is now being looked at by various Department of Justice officials as a criminal act of Obstruction of Justice with the major suspect being former Clinton Administration Assistant Attorney General Jamie Gorelick.

Jamie Gorelick's continuous criminality against the American People:

As a 9/11 Commission member, TRAITOR Jamie Gorelick covered up and kept from the American People the documented evidence of TREASON that non-inaugurated, duly elected President Albert Gore Jr. submitted to the 9/11 Commission detailing the 9/11 BLACK OP attacks on America

Reference the secret Bush-King Juan Carlos "Malaga" account in Madrid, Spain, the secret Bush-Queen of England "Coots" bank account in London, and the noted "Queen Melusina" Hillary Rodenhurst Clinton account in the Cayman Islands.

It should be noted that current Republican Congressman Dan Burton of Indiana has known about this TREASON for years and has been silenced on fear of assassination.

P.S. Do NOT believe any media polls showing Obama with a substantial lead over his opponent John McCain given the fact that Obama purchased these polls when he agreed to become a Bush-Clinton Crime Family Syndicate puppet.

McCain, who is no saint, and a Keating Five bank dick, is not trusted at this time by the ruling elite since statutes of limitation have run their course on the Keating Five crimes of the 1980s.

Barack Obama had long-standing *closet* homosexual relationship with Reverend Jeremiah Wright

<http://blogs.dallasobserver.com/unfairpark/Obama%20and%20Wright.jpg>

Obama now becomes a useful tool since the criminal elite, aka the Bush-Clinton Crime Family Syndicate, can blackmail Obama on his use of narcotics and a long-standing *closet* homosexual relationship with his former pastor, the Reverend Jeremiah Wright.

Reference: This story was originally reported by noted right wing Bush-Clinton Crime Family Syndicate mouthpiece Sean Hannity on his ABC radio talk show.

Suddenly this story has never again been mentioned.

Remember folks, Obama is not an Arab. His mother is Jewish and he clearly is now the best hope of the Bush-Clinton Crime Family Syndicate's effort to escape prosecution and prison.

McCain may have sealed his own fate with the extortion-friendly media elite when he recently made remarks alleging the J.F.K. assassination was an intervention by foreign intelligence agencies.

McCain did not mention the Israeli Mossad but it is interesting folks that McCain's '*handler*', ratfink and KHAZARIAN Jew Joe Lieberman has no longer been seen with McCain at his campaign rallies.

Final note: I still maintain that an election may not come off as planned given the 3rd and 4th waves of this financial crisis are about to continue starting this Monday.

However, if there is an election, I will urge all of my fellow American patriots that the only worthwhile individual to vote for is Libertarian candidate Bob Barr, former Republican of Georgia.

<http://i179.photobucket.com/albums/j123/ga9213/BobBarr08.jpg>

Barr, a close friend of duly elected President Albert Gore Jr., is

AGAINST:

**the ILLEGAL war in Iraq,
the criminally compromised Federal Reserve system,
the ILLEGAL spying on the American People,
and has always been against the murder of the unborn child,
i.e. the hideous late term abortion procedure**

and FAVORS:

a flat tax and elimination of the IRS

A vote for Obama or even McCain is a useless vote since it is a vote to continue the rule of the treasonous criminal conspirators and New World Order thugs that have looted the U.S. Treasury, wrecked the United States of America and turned it into a third world nation with no real economy, no financial foundation and destroyed our Constitutional "Rule of Law".

Remember McCain supports the ILLEGAL war in Iraq and Obama now favors the continuation of the Patriot Act and their ILLEGAL, UN-Constitutional spying on the American People
