Bernard Madoff-George Soros Linked to Funding Assassination Teams

by Tom Heneghan, International Intelligence Expert

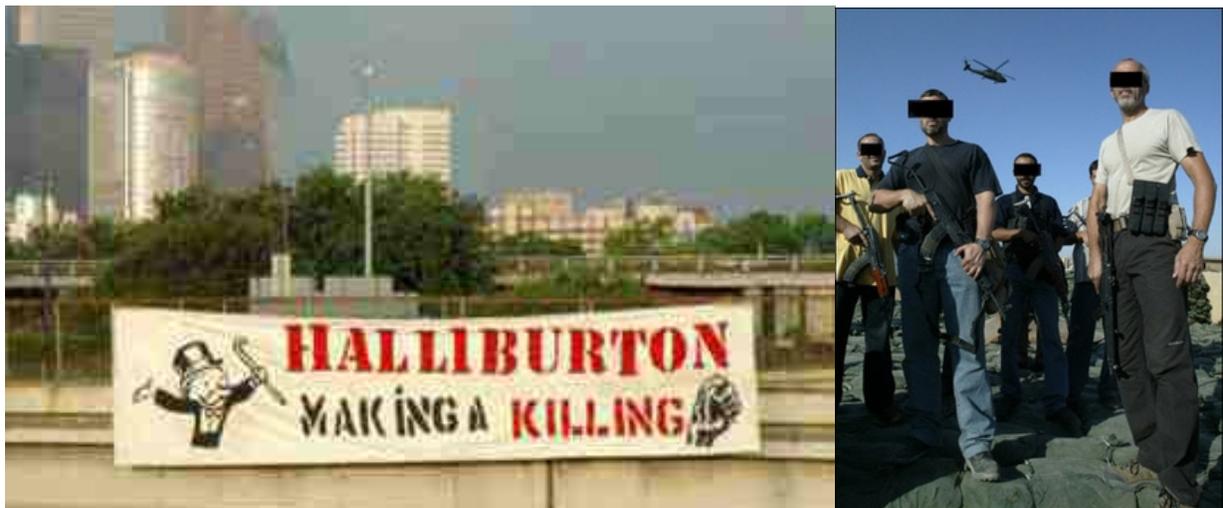

UNITED STATES of America - It can now be reported that new evidence is surfacing linking serial criminal Ponzi Scheme artist and Israeli Mossad agent, Bernard Madoff, and international financial terrorist, George Soros, to the funding of former Vice President Dick Cheney's assassination teams.

Madoff fraud investigation widens
<http://news.bbc.co.uk/2/hi/business/7941464.stm>

Reference: These assassination teams, which have been reported extensively in these intelligence briefings for years, are the noted Bush-Clinton-Mossad-Gary Best "TRUE COLORS" assassination teams bought and paid for Al Qaeda terrorists with a major link to the Israeli Mossad.

Note: The Bush-Clinton-Mossad-Gary Best "TRUE COLORS" assassination teams date back to the Clinton Administration's war in Bosnia and the privatization of U.S. Special Forces under the disguise of former Vice President Dick Cheney's Halliburton Corporation.

Halliburton recruited and trained former Mujahideen Al Qaeda fighters to assassinate Serbian *Christian* leadership opposed to the U.S. backed Islamic forces.

These Gary Best-mega Mossad teams were then used later for the politically motivated assassinations of former CIA Director William Colby, Clinton Administration Commerce Secretary Ron Brown, former Republican Congressman Sonny Bono as well as the late John F. Kennedy Jr.

It should also be noted the failed attempt to assassinate then Vice President, now duly elected year 2000 President Albert Gore Jr. over the skies of Chicago in 1999.

Item: One must recall that the Clinton Administration aka Bill and Hillary, gave Dick Cheney's Halliburton the contract to rebuild Bosnia after the war was over.

We can also remind you, folks, that U.S. Attorney for the District of Northern Illinois, TRAITOR Patrick Fitzgerald, continues to "SEAL" Federal Grand Jury indictments against former Vice President Dick Cheney, former illegal White House occupant George W. Bush FRAUD, current U.S. Secretary of State and loser, lesbian in-the-closet Hillary Rodenhurst Clinton and fugitive Marc Rich's attorney, Israel Mossad agent Scooter Libby in regards to their links to the assassination teams as well as financial funding linked to the Bank Crozier Bank in Grenada.

Note: Fitzgerald continues to cover up photographic evidence of *loser* Hillary making a major withdrawal in 2003 from the Bank Crozier in Grenada.

Fitzgerald probe: Sen. Clinton withdrew stolen funds from Grenada bank

by Tom Flocco

<http://www.tomflocco.com/fs/SenClintonGrenada.htm>

We can now divulge that the account Hillary raided dealt with **STOLEN U.S. Treasury funds** that were laundered through Dick Cheney's Halliburton Corporation.

Fitzgerald, who clearly took too much catechism and not enough U.S. Constitution in school, continues to treat the Bush-Clinton Crime Family Syndicate as infallible figures and spends most of his time looking for patsies like former Illinois Governor Rod Blagojevich and current U.S. Democratic Illinois Senator Roland Burris.

Fitzgerald, who is in weekly contact with Bush-Clinton Crime Family Syndicate business partner, daddy Bush aka George Herbert Walker Bush, is also covering up the assassination of Illinois Federal Judge Joan Lefkow's husband and mother.

We can now divulge that Lefkow was actually investigating misconduct by Fitzgerald in reference to his cover up of the Bush-Clinton-Mossad-Gary Best "TRUE COLORS" assassination teams.

And, of course, it gets worse!

The U.S. Department of Justice and FBI investigators now have a paper trail linking Israeli Mossad agent Bernard Madoff and financial terrorist, East German Stasi DVD, Hungarian Intelligence asset and Israeli Mossad agent George Soros to a series of worldwide "financial black ops" and assassinations.

The headquarters for this activity is in the Eastern European countries of Georgia, Ukraine and Belarus, along with the former Soviet province of Kazakhstan.

The funding for the Madoff-Soros "financial black ops" and assassinations deal with massive *illegal and bogus* currency trading that have links to *secret* trading platforms headquartered at the Hungarian Chamber of Commerce in Budapest and the previously mentioned *secret* London-based Bush-Clinton-Alan Greenspan-Tony Blair *illegal* trading platform.

All of this has a paper trail directly compromising the entire U.S. Federal Reserve as well as the Bank of New York.

Reference: Madoff had a secret trading office in London not far from the noted London-based trading platform headquartered at Curzon Street.

And now it really gets worse! As you know, folks, we always try to keep the worst for last.

We can now divulge that over \$900 TRILLION of worthless U.S. based financial toxic derivatives hang as a "Sword of Damocles" over U.S. banking institutions.

Currently U.S. Treasury Secretary Timothy Geithner is actually looking for a place to hide these toxic derivatives and use an accounting financial trick called the Black-Scholes procedures to somehow roll them out to 2040.

This trickery aka criminal financial FRAUD now opposed by the European Union would help hide and disguise eight (8) more major Eastern European Ponzi Schemes tied to both Madoff and Soros and force U.S. TAXPAYERS to pay higher taxes for the rest of their lives in order to "bail out" these assassins and financial terrorists.

How dare you, you conspiratorial tyrants and kings and notable queens!

Geithner, who along with his co-conspirator, former Clinton Administration U.S. Treasury Secretary and former Citibank CEO Robert Rubin, have already used charitable institutions tied to the Mormon Church and the hedge fund of former Republican presidential candidate Mitt Romney to park some of the derivatives, and are now considering none other than the offshore *secret* CIA custodial, proprietary accounts of 9/11 patsy and U.S. CIA government employee, the late Tim Osman aka Osama bin Laden as a potential place to park the derivatives.

There are various black sites in Eastern Europe, which have a dual purpose of being alleged terrorist prisons as well as financial headquarters for the purpose of a massive money laundry.

Reference: Today's General Electric sponsored MSNBC's Alex Witt aka witch show began to spin the idea that Bin Laden was still alive and being hunted down in Pakistan.

Witt is being assisted by none other than KHAZARIAN Jew neocon, Rupert Murdoch Greenberg's New York Daily News in spreading this massive fabrication.

Again, folks, as reported by French Intelligence over two years ago: Osama bin Laden is dead! And has been dead since December of 2001 from kidney failure.

Now, folks, remember if bin Laden is declared dead, as he is, the offshore U.S. CIA proprietary accounts tied to CIA employee Tim Osman aka Osama bin Laden would be subject to an immediate IRS tax lien and the tie in between Bernard Madoff, George Soros and Henry Kissinger's American-Turkish Council PRE 9/11 short sales on U.S. insurance and airline companies would be revealed.

Reference: It is important to recall that the 9/11 "Black Op" attacks on America was what one calls in the intelligence community "a studio false flag".

The actual 9/11 hijacked airplanes were flown to *secret* military bases in Canada while *secret* Area 51 developed laser technology was used to attack the New York City World Trade Center and the Pentagon while the Red-Blue U.S.-Canadian 9/11 war games run by then Vice pResident Richard Cheney were used as a disguise to take down the U.S. NORAD defense shield.

Note: The U.S.-Canadian 9/11 war games were designed to simulate multiple hijackings while the real black op laser attacks took place.

P.S. At this hour, now blackmailed U.S. Treasury Secretary Timothy Geithner is planning more financial FRAUD.

Geithner, as we have just reported, wants to place TRILLIONS of U.S. banking toxic derivatives in offshore CIA *secret* proprietary accounts.

Once this is accomplished, private investors aka the on-going George Soros Hungarian Chamber of Commerce based Ponzi Scheme will purchase interest in the toxic offshore derivatives utilizing counterfeit EURO currency, which was printed at the Central Bank of Iraq and then laundered through the noted Bush-Clinton-Alan Greenspan-Tony Blair London-based *illegal* trading platform, which by the way, folks, IS STILL OPERATING, with full knowledge of British Monarch, Her Majesty Queen Elizabeth II.

Note: French President Nicolas Sarkozy recently phoned U.S. President Barack Obama and informed him of this trickery and told him, directly, that the U.S. Federal Reserve had become a criminal enterprise and a DIRECT THREAT TO THE ENTIRE WORLD.

If the British despot Queen Elizabeth II is looking for the money that former White House occupant BushFRAUD allegedly stole from her, she might consider visiting the Central Bank of Iraq.

You had better do it quick, Queen, because knowing the Bush-Clinton Crime Family Syndicate they have already withdrawn the money.

P.P.S. Speaking of stolen money, folks, we can now divulge that Ponzi Scheme mastermind Bernard Madoff delivered a *secret* package to then Citibank CEO Robert Rubin in August of 2008.

The package, with secret electronic codes tied to various Madoff platforms titled Primex, enabled KHAZARIAN Jew Robert Rubin to withdraw BILLIONS of dollars of laundered U.S. Treasury funds that were linked to the Bush-Clinton Crime Family Syndicate and the Bernard Madoff-George Soros worldwide Ponzi Scheme.

At this hour, we can report to you that daddy Bush is actually handing over STOLEN U.S. Treasury funds to his little bitch, Bill Clinton, and placing them in none other than the Bank Crozier in Grenada.

Apparently daddy Bush feels an IRS audit is imminent.

Final notes: We can now report that Caroline Kennedy's phones and emails were spied on by the ILLEGAL NSA's espionage operation directed against the American People titled "Stellar Wind".

The criminal cabal that occupies this country became aware that Caroline Kennedy had secret discussions with the late 9/11 widow and whistleblower Beverly Eckert and that Caroline was in possession of evidence tying the Federal Reserve Bank of New York to the Bernard Madoff-George Soros international criminal Ponzi Scheme.

It was then that the Israeli Mossad-controlled corporate American media filth immediately instigated their smear against Caroline using media types like KHAZARIAN Jew and TIME magazine columnist Joe Klein, British Intelligence asset and gossip columnist Tina Brown, KHAZARIAN Jew Rupert Murdoch Greenberg and his neocon publications, along with financial terrorist George Soros, to instigate smears and eventually email death threats directed Caroline, the daughter of our late assassinated President John F. Kennedy.

Also involved in the death threats against Caroline Kennedy is current Bernard Madoff legal team advisor KHAZARIAN Jew Mark Mukasey, son of former BushFRAUD U.S. Attorney General, KHAZARIAN Jew Michael Mukasey.

Assisting Mukasey in the operation against Caroline Kennedy was none other than current Democratic Congressman, archenemy of duly elected year 2000 President Albert Gore Jr. and AIG stooge, KHAZARIAN Jew Barney Frank.

In closing, watching CNN's new show State of the Union with John King, actually makes one miss Wolf Blitzer.

Today on CNN King spent his entire interview with former Vice pResident Richard Cheney and did not ask one question concerning Seymour Hersh's revelation and confirmation concerning of the assassination teams tied to Bush, Clinton and Cheney.

It should be noted, folks, that King is a scumbag and puppet for the Bush-Clinton Crime Family Syndicate and actually operated as a bagman, along with former Wall Street Journal columnist, now Bloomberg news columnist Al Hunt, in collecting and delivering bribe money from the Bush 2000 campaign, which was bribe money given to media filth in return for massive anti-Al Gore coverage.

So you see, folks, John King, a scumbag of the highest order, is not a journalist but a script reader.
