BushFraud and Hillary Clinton

As CLOSET lesbian Hillary Rodenhurst Clinton's poll numbers collapse, the unelectable LOSER is losing her temper and acting like a mentally unstable, out of control "Brittney Spears".

Hillary does want to MANDATE and force the American People to buy health care from multi-national insurance companies and register the names of the entire U.S. population in a massive electronic healthcare data base.

THIS IS "BIG BROTHER" OF THE WORST ORDER!

Maurice "Hank" Greenberg

<http://thekomisarscoop.com/wp-content/uploads/2007/05/maurice-greenberg.jpg>

Hillary's plan also wants to fine American citizens who refuse to buy insurance from her stooge insurance companies, like MEGA MOSSAD Maurice "Hank" Greenberg's 9/11 linked American Insurance Group (AIG).

Greenberg's 9/11 linked American Insurance Group (AIG) would be the major beneficiary of Hillary's Healthcare-Gate scam.

Reference: Today's latest Zogby International polls show Senator Obama with a 14 point lead over Hillary Clinton in a national poll, 52% to 38%.

Zogby also shows Obama with a 47%-40% lead in a national match up with presumed Republican presidential nominee John McCain.

On the other hand, Zogby International shows that McCain would defeat the unelectable LOSER Hillary 50% to 38% in landslide-like fashion. This type of result would blow out the Democratic majority in Congress. Note: That is why we call the UNELECTABLE Hillary the "Brittney Spears" of American Politics.

Just like in 1994 when Hillary's healthcare fiasco blew out the Democratic majority in Congress, like "Brittney Spears", Hillary, IF given the Democratic nomination, will gladly sing "Oops, I did it again".

The concept of an electronic healthcare database with the names and social security numbers of ALL American citizens controlled by the alleged U.S. government is extremely outlandish.

This dovetails directly with the never elected occupunk, White House pResident, George W. Bushfraud, attempt to continue to violate the law and ILLEGALLY spy on the American People.

We can now report that the pResident Bushfraud is blackmailing the U.S. Congress and has withdrawn hundreds of thousands of dollars in government contracts from the Qwest Communications company as RETALIATION for Qwest's refusal to go along with ILLEGAL TREASONOUS ESPIONAGE against U.S. citizens.

AND, OF COURSE, IT GETS WORSE!

The Bushfraud Justice Department under the leadership of then Attorney General Alberto Gonzalez launched a BOGUS insider trading indictment against Qwest CEO Joseph Nacchio.

This mis-use of the U.S. Justice Department is a MASSIVE IMPEACHABLE OFFENSE by Bushfraud, along with dozens of other crimes, including the ILLEGAL firing of numerous U.S. Attorneys.

So call Speaker of the House, Israeli MOSSAD asset Nancy Pelosi at (202) 224-3121 and tell her it is about time she stopped playing games and enforces the laws and Constitutional Rules of the United States of America.

Speaking of insider trading, it can now be reported that NEW SMOKING GUN 9/11 EVIDENCE is in possession of Justice Department officials loyal to former Deputy Attorney General James Comey.

<http://image.guim.co.uk/sys-images/Business/Pix/pictures/2007/12/20/BearStearns460.jpg>

The new evidence ties Bear Stearns hedge funds and a German bank IKB to PRE-9/11 put options, i.e. short sales, placed on the Chicago Board of Options.

http://newsimg.bbc.co.uk/media/images/41514000/jpg/_41514794_deutschebanklogo_203b.jpg

The conduit for this ILLEGAL trading was an offshoot of the Bear Stearns Hedge Fund tied to Deutsche Bank called "Rhineland Funding".

"Rhineland Funding" has links to the noted Bush-Clinton-Mitt Romney-CIA proprietary account in Andover, Massachusetts called Marvelous Investments Ltd.

Reference: Marvelous Investments Ltd. is headed by CEO and noted fugitive and wanted 7/7 London bombings TERRORIST suspect Eva TELEGE aka TELEKE aka TELEKI.

TELEGE aka TELEKE aka TELEKI has also been linked to the Al Qaeda 9/11 cell in Hamburg, Germany, with direct ties to the East German DVD-MOSSAD money laundering "Rhineland Funding".

AND NOW IT REALLY GETS WORSE!

"RHINELAND FUNDING" HAS BEEN FINGERED BY FBI WHISTLEBLOWER SYBIL EDMONDS AS HAVING DIRECT LINKS TO THE AMERICAN-TURKISH COUNCIL AND THE BUSH-CLINTON 9/11 TIED BEAR STEARNS HEDGE FUND THAT, ALONG WITH THE U.S. FEDERAL RESERVE, HAS LOOTED THE U.S. TREASURY.

TODAY'S MEDIA WHORE ALERT

MSNBC's Alex Witt showed her military intelligence "true colors" on her Saturday morning show yesterday. Witt congratulated right wing zealot Pat Buchanan for stealing 20,000 votes using the noted "butterfly ballot" from duly elected President Albert Gore in the state of Florida during the year 2000 presidential election, i.e. coup d'`etat.

The witch Witt actually said to Buchanan "God bless you".

Witt conspired with Bush stooge Karl Rove, USC law professor and anti-Al Gore and pro-Hillary stooge Susan Estrich, along with MEGA MOSSAD internet mogul Matt Drudge, to circulate smear stories on then Vice President Al Gore Jr. during his presidential primary race against then Democratic Senator Bill Bradley of New Jersey.

So, call NBC News at (202) 885-4200 and tell Alex Witt to hit the road and get a job buying groceries for Hillary.

Now let's deal with James Warren of the Chicago Tribune.

Today on Alex Witt's MSNBC Sunday show Warren launched a personal attack on non-inaugurated, duly elected President Albert Gore Jr. as Warren remained in denial about the theft of the year 2000 presidential election.

This discussion about duly elected President Al Gore was sparked by Nader's announcement that he will run for president in the year 2008.

<http://www.illinoischannel.org/Pictures/ThompsonJim040901.jpg>

James Warren of the Chicago Tribune

<http://www.wolverton-mountain.com/interviews/images/warren/1.jpg>

Warren gained his position as editor and chief of the British Intelligence rag the Chicago Tribune by engaging in a 10-year CLOSET homosexual relationship with former Illinois governor and 9/11 commissioner James Thompson.

Warren, who has tested positive for AIDS, used this relationship as blackmail to become editor and chief of the Chicago Tribune.

The punk Warren is also mixed up in the bribery and intimidation of Florida election officials during the year 2000 vote re-count.

Warren has covered up the role of the Bush-Clinton Chicago based law firm Shatkin, which helped in the bribes given to then Democratic Miami-Dade County Mayor Alex Penelas to ensure votes would not be counted in Dade County, Florida.

Reference: 2008 Presidential candidate Ralph Nader made reference to the role of Penelas in the 2000 election theft from Gore on today's NBC Meet the Press.

Converted KHARZARIAN Jew John King of CNN did his best to cover that up today.

Involved in the year 2000 presidential election bribes of Florida election officials were Republican stooges James B. Baker, Florida Governor Jeb Bush, slut Katherine Harris, Columbian cartel drug lord Carlos Lehder and his attorney, UNELECTABLE Hillary Rodenhurst Clinton's brother, Hugh Rodham and current Democratic Congresswoman from Miami, Florida, KHARZARIAN Jew Debbie Wasserman Schultz.

Wasserman Schultz worked DIRECTLY with Baker and Penelas to shut down the Dade County vote re-count.

Ed Rendell endorses LOSER Hillary Clinton

KHARZARIAN Jew Wasserman Schultz also worked with current PRO-Hillary Democratic Governor of Pennsylvania, KHARZARIAN Jew Ed Rendell in soliciting Florida-Gate 2000 BRIBE money from Richard Mellon-Scaife's Mellon Bank of Pennsylvania.

Richard Mellon-Scaife and Bill Clinton

http://www.washingtonpost.com/wp-srv/national/images/scaife_050299.jpg

Mellon-Scaife helped underwrite and finance alleged Independent Council Kenneth Starr, who was actually blackmailing and not investigating the Clintons; in fact, he was actually covering up for them and working with the Clintons in trying to frame then Vice President Albert Gore Jr.

P.S. Sources close to European INTERPOL are reporting that there is new evidence linking the assassination of British weapon's expert Dr. David Kelly to former British Prime Minister and Dunblaine pedophile Tony Blair, Bush's ILLEGAL Iraq War co-conspirator.

TRAITORS

**Bushfraud and pedophile Tony Blair

http://img.dailymail.co.uk/i/pix/2006/08/blairbushAP100806_228x265.jpg

Both Scotland Yard and European INTERPOL know that Kelly had proof that the forged British Intelligence dossier that lied about the presence of WMDs in Iraq was actually provided to Blair by press agents, NOT intelligence experts.

Reference: Blair's orders to "sex up" the dossier.

Note: Bush knowingly shook this forgery in the face of the American People in a bald face, which has taken American men and women to their death in Iraq.

P.P.S. USA Today reporter Tony Locy is currently facing contempt of court proceedings for protecting her source in the unsolved anthrax case.

<http://www.theages.com/images/portfolio/USAMRIID.gif>

USAMRIID in Ft. Detrick, Maryland is a major US biodefense research facility

The reporter is actually protecting the Bush Justice Department, which tried to frame Dr. Steven Hatfill for sending the anthrax.

Hatfill, who was eventually cleared of any wrongdoing, was being used as a patsy to take the fall for the real guilty party, a former AMRIID employee named Dr. Philip M. Zackerie, commonly known as Dr. Zack, is a DUAL ISRAELI-U.S. citizen who was the actual subject of an inquiry by the FBI in the anthrax case.

Zackerie aka Zack was allowed to leave the United States for Israel BEFORE the FBI could interview him.

See related links at the end of this intelligence briefing.

TREASON CO-CONSPIRATORS

DHS Secretary dual Israeli Michael Chertoff

Assisting Zackerie/Zack in updating his passport to leave the U.S. was former Bushfraud Attorney General John Ashcroft and current Department of Homeland Security Secretary and 9/11 co-conspirator, MOSSAD agent and KHARZARIAN Jew, DUAL ISRAELI-U.S. citizen, TRAITOR Michael Chertoff.

Related: A reminder that TRAITOR Chertoff was instrumental in assuring the release from custody and safe departure to ISRAEL of the 9/11 "Dancing Israelis" BEFORE the FBI could complete their investigation of these 9/11 suspects.

Former Fox News CEO Rupert Murdoch and Hillary Clinton

Final notes: The Miami Herald newspaper is currently sitting on a story linking Republican presidential candidate John McCain's wife, Cindy McCain, unelectable LOSER Hillary Clinton, Jeb Bush, FOX News' Rupert Murdoch, Florida Governor CLOSET homosexual Charlie Crist and the National Enquirer tabloid to various homosexual and bi-sexual porno websites actually owned by Murdoch and the Enquirer.

They are currently also plotting to smear Democratic presidential candidate Barack Obama on some "trumped up" cocaine story back in 1999.

THIS SMEAR STORY IS BEING ORCHESTRATED BY THE BUSH-CLINTON GANG AS TO DEFLECT AWAY FROM THE MASSIVE SCANDAL INVOLVING THE \$700,000 THAT HAS BEEN SPENT BY HILLARY'S CAMPAIGN ON HER ALLEGED CONSULTANT AND CLOSET LESBIAN LOVER, MAJOR MOSSAD AGENT HUMA ABEDIN.

Guess who is the source on the alleged Obama contrived scandal. None other than a Larry Sinclair, a former employee of the National Enquirer and a contributor to LOSER Hillary's campaign.

Clinton lifelong friend, attorney David E. Kendall

<http://www.cnn.com/ALLPOLITICS/stories/1999/02/20/assault.allegation/link.kendall.jpg>

And, guess who the attorney is for the National Enquirer. None other than Clinton Whitewater defense counsel and lifelong friend from Arkansas, David E. Kendall.

By the way folks, Kendal has also represented both John and Cindy McCain.

Related:

...DAVID KENDALL WAS PREPARED TO BREATHE a sigh of relief when his best-known clients, Bill and Hillary Clinton, left the White House. But when you are involved with Bill Clinton, you are in for life. Kendall is enmeshed in "Clintigation" even now. First he had to defend the President against allegations that his last-minute pardons were payoffs. Then Kendall found himself in Arkansas and before the US Supreme Court trying--unsuccessfully--to prevent his client's disbarment. Clinton is not Kendall's life work. In the era before Clinton, he was one of Washington's sharpest libel lawyers for his chief client, the Washington Post...Kendall, who spent years as libel lawyer for the National Enquirer.

They are all peas in the same pod!

How dare you, you conspiratorial tyrants and kings and notable queens!

Related ISRAELI Dr. Zackerie aka Zack and ANTHRAX:

...Documents from the inquiry show that one unauthorized person who was observed entering the lab building at night was Langford's predecessor, Lt. Col. Philip Zack, who at the time no longer worked at Fort Detrick. A surveillance camera recorded Zack being let in at 8:40 p.m. on Jan. 23, 1992, apparently by Dr. Marian Rippy, a lab pathologist and close friend of Zack's, according to a report filed by a security guard...MORE

http://www.whatreallyhappened.com/ARCHIVE/ctnow_com%20SPECIALS.htm

...Before the investigation of Dr. Hatfill captured national headlines, another insider scientist had come under FBI scrutiny without much media fanfare. It was easy to miss the few stories published in January 2002 about Lt. Col. Philip Zack, who, like Hatfill, also had access to a well-equipped laboratory with lax security. Zack, moreover, actually worked with military-grade anthrax at Fort Detrick.

Dr. Zack left Fort Detrick in December 1991 amid allegations of unprofessional conduct. The Jewish scientist and others were accused of harassing their co-worker, Dr. Ayaad Assaad, until the Egyptian-born American scientist quit, according to an article in Connecticut's The Hartford Courant, the country's oldest newspaper in continuous publication. Dr. Assaad sued the Army, claiming discrimination after Zack's badgering.

Although Dr. Zack was let go, he returned frequently to visit friends, and used the Fort Detrick laboratories for "off-the-books" work after hours. After reports of missing biological specimens—including anthrax, Ebola and the simian AIDs virus—came to light, as well as reports of unauthorized research, a review of surveillance camera tapes recorded Dr. Zack entering the lab late on the night of Jan. 23, 1992, according to The Hartford Courant report. He was let in that night by Marian Rippy, a lab pathologist and close friend of Zack's, although she now says she has no memory of the evening. She did say that Zack occasionally visited and that other friends let him in.

Inexplicably, the national press ignored these documented unauthorized visits to a top-secret government lab embroiled in the anthrax attacks. Did journalists fear being labeled anti-Semitic for casting suspicions on a Jewish scientist?

It's a small world, anthrax division

Before I leap back into the world of boycotts, a slight detour into the subject of the American anthrax attacks:

Defense Secretary Donald Rumsfeld owns a considerable number of shares in a corporation called Gilead Sciences;

Gilead owns the intellectual property rights to Tamiflu;

Tamiflu is a pharmaceutical touted by the Bush Administration as a remedy for anthrax (although in fact it is not indicated for anthrax);

the anthrax attacks on the United States vastly increased the demand for Tamiflu, and thus increased the value of Gilead, and thus made Rumsfeld a lot of money;

the anthrax for the attacks almost certainly came from an American military laboratory at Fort Detrick;

one of the named suspects at the lab is Philip Zack, a man who left the lab in 1991 after being involved in a racist attack against a fellow scientist of Arab origin, and a man who was observed having unauthorized access to the area of the lab containing the Ames strain of anthrax used in the attacks, around the time that some of the anthrax went missing (he had such access in 1992, after he had left the lab);

Philip Zack attracted a mysterious lack of official interest in the investigation of the anthrax attacks (as opposed to the completely innocent Steven Hatfill, who was hounded by the FBI, almost as if he were a distraction); and

Philip Zack, as neatly described here (found via here), went on to work for Gilead (identified from a scientific paper published in December 2000).

I know it is a small world, but is it that small?

Rumsfeld's growing stake in Tamiflu

Defense Secretary, ex-chairman of flu treatment rights holder, sees portfolio value growing.

October 31, 2005: 10:55 AM EST

By Nelson D. Schwartz, Fortune senior writer

NEW YORK (Fortune) - The prospect of a bird flu outbreak may be panicking people around the globe, but it's proving to be very good news for Defense Secretary Donald Rumsfeld and other politically connected investors in Gilead Sciences, the California biotech company that owns the rights to Tamiflu, the influenza remedy that's now the most-sought after drug in the world.

Rumsfeld served as Gilead (Research)'s chairman from 1997 until he joined the Bush administration in 2001, and he still holds a Gilead stake valued at between \$5 million and \$25 million, according to federal financial disclosures filed by Rumsfeld. MORE
