Bush-Clinton Crime Family Syndicate patriarch, daddy Bush, during a 1992 interview with McClendon News Service White House reporter:

Sarah McClendon: "What will the people do if they ever find out the truth about Iraq-gate and Iran contra?"

Daddy Bush: "Sarah, if the American people ever find out what we have done, they will chase us down the streets and lynch us."

United States of America – It can now be reported that White House occupant Bushfraud is seeking dictatorial power to have Congress pass legislation, which would give U.S. Treasury Secretary Paulson complete control of \$700 BILLION of U.S. Taxpayers money.

This TREASONOUS legislation would basically make Bush and Paulson financial dictators in which Congressional oversight or any court review of their actions would not be allowed.

What we have here folks is a MASSIVE ponzi scheme to re-inflate the stolen assets that were used by the Bush-Clinton Crime Family Syndicate to create bogus credit swap derivatives and then bankrupt the United States of America.

Bushfraud and Paulson intend to create two sets of books, one on budget and one off budget.

<http://www.phbca.org/images/photos/mizel.jpg>

They then intend to buy back the bogus assets of the Bush-Clinton-Larry A. Mizel Crime Family and then allow the Bush-Clinton Crime Family Syndicate, led by their bagman Larry A. Mizel (CEO of MDC Holdings Inc.), to buy back the credit swap derivatives for pennies on the dollar.

Once this financial ponzi scheme takes place one can predict that the Federal Reserve would lower interest rates one more time as to re-

inflate the value of the Bush-Clinton Crime Family credit swap derivatives.

Note: Remember folks, these credit swap derivatives were created with the stolen \$6.2 TRILLION, which were embezzled from Ambassador Leo Wanta who had power of attorney on the noted Wanta-Reagan-Mitterrand Protocols.

There is still time to save the United States and the western world if Wanta, *who fears for his life*, is given a computer and allowed to find the stolen funds and return them to the U.S. Treasury.

It should be noted if Wanta is allowed to regain the stolen U.S. Treasury funds "smoking gun" evidence would immediately lead to more indictments against the Bush-Clinton Crime Family Syndicate.

AND, OF COURSE, IT GETS WORSE!

Bank dick Hank (Henry) Paulson and his co-conspirator in this TREASON, SEC Commissioner Christopher Cox, also need to cover up and bury the use of various offshore hedge funds, including Bear Stearns and a noted British MI6-Bush-Clinton "TRUE COLORS" offshore entity called "Sherwood Investments", which is headquartered in the Bahamas.

"Sherwood Investments" with the use of U.S. Taxpayers money financed what we commonly now know as the Bush-Clinton-Mossad-British MI6 "TRUE COLORS" assassination teams, which have not only assassinated the enemies of this TREASONOUS cabal, but financed Black Op operations of *alleged* Al Qaeda involving bombings in Pakistan, Iraq and Western Europe, including the 7/7 London bombings.

“Sherwood Investments”, headquartered in the Bahamas, is a British MI6 TERRORIST nest with financial links to the Blackwater/Blackstone mercenary teams that will eventually be used to create a national emergency in the United States next month in early October for *their* expected martial law in America.

One of the Bush-Clinton Crime Family Syndicate justifications for forced martial law is via FALSE FLAG biochem attacks in *their* conspiratorial plot to end the American Republic as we know it.

*"Al Qaeda is nothing more than an extension of the apparatus linked to U.S. intelligence that was allowed, by script, to remove itself as a rogue breakaway entity of the U.S. government; allowed to de-compartmentalize from oversight, and was run instead by **Gary Best's** rogue black ops specialists for scripted activity outside the U.S. government, with its funding being orchestrated through the Pakistani secret police—an entity of the U.S. government."*

~ Tom Heneghan, International Intelligence Expert

*"The Bush-Clinton Crime Family Syndicate and **ALL** of their co-conspirators face unprecedented, monumental prosecutions for **massive HIGH TREASON** against the American People;*

*thus, before the 2008 election, they are plotting '**False Flag Attacks**' in the U.S. with expectations of nullifying and eradicating individual and States rights and freedoms protected by the U.S. Constitution, via martial law and subjugation of the American People,*

*in order to stay in control of the compromised U.S. Justice Department to continue sealing Federal Grand Jury (We the People) indictments and hiding them from the American People to avoid convictions and **public punishment with due prejudice.**"*

It is interesting to note folks that an alleged British whistleblower Christopher Story, who writes for www.worldreports.org is ignoring this evidence of the British TREASON directed against the United States, which dates back to the old BCCI bank of England-Leonard Millman-Keating 5-Bush-Clinton swindle of the American banking system in the 1980s. Story, who claims to be an advisor and sympathizer to Ambassador Leo Wanta, spent his time yesterday in his latest posting attacking America's oldest ally of 200 years, the Republic of France, while he promotes conspiracy theories to a level of unspeakable lunacy, even to the point where he claims Vice pResident Dick Cheney is threatening to have the Queen of England assassinated.

Note: Yesterday this reporter received a phone call from Ambassador Leo Wanta in which he told this reporter that Christopher Story had double-crossed Wanta and actually hired a British MI6 espionage team to monitor Wanta's activities.

How dare you, you conspiratorial tyrants and kings and notable queens!

Christopher Story is now caught in a box between the TREASON activities of his own British monarchy, the Royal Family, and the East German DVD Intelligence group that have compromised the British government of Margaret Thatcher, John Major, Tony Blair and now Gordon Brown.

Story is clearly being manipulated to attack French Intelligence, the only **REAL** friend and ally of the American People who have in their own way exposed the:

- **TREASON of 9/11,**
- **opposed the British Petroleum (BP)-Bush-Clinton ILLEGAL war in Iraq,**
- **the theft of the year 2000 presidential election and**
- **the looting of the U.S. Treasury.**

Brigadier General Lafayette rallying troops at the Battle of Brandywine

"The moment I heard of America, I loved her; the moment I knew she was fighting for freedom, I burned with a desire of bleeding for her."
~ General Gilbert du Motier Lafayette

- French General Rochambeau, along with French infantry regiments, cavalry troops, and an artillery battalion fought for America's freedom and independence, many of whom died fighting alongside Americans at Yorktown and were buried on Virginia soil.
- French Admiral de Grasse, along with 22 French warships, many of these marines died for America's liberty fighting the British fleet and were buried at sea in American waters.

Reference: It was **only** the People of France and nobody else who have shed their own blood on American soil during not only the American Revolutionary War but also during the War of 1812 to free America from British occupation and monarchial rule.

P.S. Call your Congressman tomorrow at (202) 224-3121 and tell them that you oppose this financial ponzi scheme that will bail out the Bush-Clinton Crime Family Syndicate with U.S. Taxpayers' money and turn the United States into a permanent banana republic for the rest of our life time.

One final note: At least \$30 TRILLION worth of derivatives are tied to the noted Bush-Clinton-Media whore corporation, NBC General Electric.

So we wonder if this bail out will continue to pay the salaries of misfits like Tom Brokaw and Chrissy Pooh Matthews.

Over the weekend Chrissy Pooh, a British MI6 asset and unelectable LOSER Hillary Rodenhurst Clinton stooge, smeared duly elected President Albert Gore's performance in a year 2000 presidential debate with now White House occupant and nation wrecker George W. Bushfraud.

Appearing on the program with Chrissy Pooh was noted Naval Intelligence blackmailer and Bush-Clinton Crime Family enabler, Washington Post editor Bob Woodward.

They spent their time laughing and joking about our non-inaugurated, duly elected President Albert Gore Jr.

Apparently they did not watch the factual evidence presented in the HBO movie "Recount".

Remember folks, it is the criminal U.S. mass media who are owned and controlled by the same Bush-Clinton Crime Family Syndicate corporations that have bankrupted this country and they are the ones, who for financial reasons and greed beyond all, that have allowed this nightmare to develop and destroy the United States of America.
