Bush and Clintons Plot Endgame Final Theft of Remaining U.S. Treasury Funds

by Tom Heneghan, International Intelligence Expert

UNITED STATES of America - We can now report that former President George Herbert Walker Bush, along with his business partners Bill and Hillary Clinton, are in the process of trying to loot the remaining U.S. Treasury funds that are parked in offshore accounts.

Note: Some of these accounts have been frozen by European INTERPOL and patriotic U.S. Justice Department officials.

The current U.S. President, Barack Obama, is powerless at this time and may be under some sort of house arrest.

Obama is easily subject to blackmail based on his birth outside the United States of America, which makes him Constitutionally IN-eligible to begin with.

Obama is also subject to blackmail reference his *closet* homosexual affairs that he has participated in, including the 1999 cocaine snorting sexual encounter with Larry Sinclair.

Item: Obama has, of course, been a lifelong CIA and British Intelligence asset.

Now to the details of the Bush-Clinton TREASONOUS plot:

Current U.S. Secretary of State, *loser* and lesbian *in-the-closet*, KHAZARIAN Jew Hillary Rodenhurst Clinton, recently met in Israel with Israeli Prime Minister-to-be, 9-11 and 7/7 London bombing co-conspirator, Benjamin Netanyahu aka BibiFRAUD.

Netanyahu and Hillary discussed a future "False Flag Black Op" that would trigger a possible war with Iran.

Hillary and Netanyahu also discussed changing *secret* account numbers in Switzerland given the fact that the Swiss government is under strong pressure to reveal various *secret* accounts that are tied to THEFT of U.S. Treasury funds.

Hillary and Netanyahu also discussed the future of President Barack Obama.

It is clear, folks, that the sociopath Hillary may want to destroy the U.S. line of succession to the Presidency for her own purpose.

We can also divulge that loser Hillary travelled on to Geneva, Switzerland in which she met with a Russian Foreign Minister who has strong links to the KHAZARIAN Jew Russian-Israeli mafia.

Hillary discussed with the Russian Foreign Minister the possible transfer of U.S. Treasury funds to *secret* proprietary accounts in Romania, Czechoslovakia and Latvia.

This is all happening while daddy Bush is trying to coordinate transfer of remaining U.S. Treasury funds to *secret* proprietary accounts in Kuwait and the United Arab Emirates (UAE).

Reference: Both the Bushes and Clintons and their TREASONOUS co-conspirators inside the U.S. Federal Reserve have PROMIS software capability and, AT THIS HOUR, are trying to hack into offshore proprietary bank accounts worldwide.

P.S. According to worldwide intelligence agencies sources and European INTERPOL, the code word for tonight is:

"The animals are playing"

These intelligence sources tell us that the United States is on the brink and in a state of semi-anarchy with no real government.

This has all been caused by the meltdown of American International Group (AIG) and its worldwide derivatives Ponzi Scheme.

We once again that AIG actually gave "bail out" money to Goldman Sachs, who then turned around and bought counterparty derivatives, which were designed to benefit Goldman Sachs aka an AIG collapse.

We can also report that U.S. Treasury and European INTERPOL investigators have discovered that Bear Stearns bought counterparty credit swap derivatives, which were designed to benefit Bear Stearns given a Lehman Brothers collapse.

All of this was done with the full knowledge of the criminal co-conspirators George Herbert Walker Bush, former White House occupant George W. Bush FRAUD, both Bill and Hillary Clinton, former Federal Reserve Chairman and KHAZARIAN Jew Alan Greenspan, former U.S. Treasury Secretary and KHAZARIAN Jew Henry Paulson and current Federal Reserve Chairman and KHAZARIAN Jew Bernard Bernanke.

Note: After Bear Stearns collapsed in early 2008, it was the Federal Reserve and the U.S. Treasury under the leadership of Paulson, Bernanke and former Fed Chairman Greenspan, that took possession of the counterparty derivatives, which were designed to profit from Lehman Brothers collapse.

We now see, folks, why the criminal Federal Reserve let Lehman Brothers collapse.

P.P.S. Again, folks, stay tuned for our next intelligence briefing when we will report further details on the death aka suicide/murder of Florida Department of Transportation investigator and year 2000 presidential election fraud Raymond Lemme.

Lemme had "smoking gun" evidence, now in possession of Democratic Congressional investigators, showing how the Bush Crime Family used NASA and the NSA (National Security Agency) to electronic STEAL the states of Florida, West Virginia, Tennessee, Missouri and New Hampshire from then Vice President, now duly elected year 2000 President Albert Gore Jr.

P.P.P.S. At this hour, patriotic elements of the U.S. Military are prepared to take extraordinary measures to restore the Constitution of the United States, stop the looting of U.S. Treasury funds and arrest the Bush-Clinton Crime Family Syndicate and its co-conspirators.

It is time for ALL American citizens to prepare to exercise their 2nd Amendment Rights in Defense of the U.S. Military who are ready to shut down the criminal Federal Reserve Bank and put an end to the enabling Israeli Mossad-NSA controlled U.S. media filth that have enable this HIGH TREASON for the last 25 years.

We also ask tonight that our great ally of 200 years, the Republic of France, come to the American Peoples' defense in our gravest hour.

Our Republic is on the verge of destruction so we harken to our 200-year blood alliance, which calls upon the French nation to act and deliver us from occupation and proceed with our liberation.

We can now divulge that the headquarters for the TREASONOUS illegal trading platform run by the Bush-Clinton Crime Family Syndicate, along with KHAZARIAN Jew and former Federal Reserve Chairman Alan Greenspan and former British Prime Minister, Dunblaine pedophile and war criminal, Tony Blair, is headquartered on the fifth (5th) floor of the London AIG office at 1 Curzon Street.

Yes, folks, it is all about AIG.
