To Whom It May Concern:

I am writing to confirm the letter written by my attorney Patricia Cameron, indicating that I am looking forward to meeting with you, to give a full and accurate accounting of funds. I believe the amount to be an approximate 1 Trillion 400 Million dollars. As many of my documents are missing or have been taken by various persons, I will do my best to reconstruct all facts and information. My attorney can document a chain of evidence leading to the last known places and agencies of those documents and assets, (which amount to tens of Billions of dollars).

I have personal funds which have been accumulating interest, along with all other assets. All information will be given. I understand and agree that I will no longer be able to trade, as I have done in the past. I agree not to continue my former business activities and will cooperate fully in the settlement of this matter. My attorney has advised that I may now cooperate and be candid, as my safety is not and will not be compromised by such candor and open negotiations. I trust her judgment in this matter and therefore am prepared to go forward, to deliver all information and to assist in the recovery of all assets by the proper persons and/or agencies.

My request is for a tax free allocation of the amounts I believe to be mine. The amount is \$500 Billion Dollars. I again state that I am willing and anxious to proceed and agree not to continue in my former form of employment, trading and investments. The form of any future business in which I am allowed to continue will be discussed and delineated at our meeting and I will abide by those decisions. I request the clearing of all charges and convictions which have been falsely placed against me and for which I have been imprisoned.

I am scheduled for a Tax Appeal Hearing on July 25th & 26th and my attorney firmly believes we will win based on Law. A motion to Dismiss is presently in the hands of the Commissioner and next week her Reply will be filed along with a Motion for Judgment on the Pleadings which can be ruled on any time before the hearing. When we win the decision can and will nullify the court verdict.

I look forward to our meeting and the settlement of these issues, and again thank you for this opportunity. I promise you will not regret your decision and this showing of good faith.

Yours truly,

Leo Wanta
