

## **TOM HENEGHAN'S EXPLOSIVE INTELLIGENCE BRIEFINGS**

International Intelligence Expert, Tom Heneghan, has hundreds of highly credible sources inside American and European Intelligence Agencies and INTERPOL -- reporting what is really going on behind the scenes of the controlled MSM cover up propaganda of on-going massive deceptions and illusions.

**December 16, 2007**

### **CIA INTERROGATION-GATE UPDATE**

**By Tom Heneghan**

Let's get everyone updated on the CIA/NSA interrogation scandal.

U.S. Federal Judge Henry H. Kennedy, Jr., who is in charge of overseeing the decision that fingered the Bush Administration for violating the law in the matter of the treatment and interrogation of the detainees at Guantanamo Bay, has recently ruled in cabinet, i.e. in secret, that the Bush Administration has broken the law and obstructed justice in the destruction of videotapes and transcripts of interrogations of **alleged** terror suspects held at Guantanamo Bay, Cuba and secret holding areas outside Washington D.C.

Judge Kennedy is ready to subpoena the CIA Inspector General, CIA Director and former NSA chieftan Michael Hayden, as well as alleged President George W. Bush, i.e. Bushfraud, Vice President Richard Cheney, i.e. "Dick", and Secretary Department of Homeland Security Michael Chertoff.

Kennedy is also considering subpoena of Democratic Congressional leadership, Khazarian Jews Jane Harman and Senator Dianne Feinstein, Democrats of California, in regards to both Feinstein and Harman covering up for the Bush Administration and keeping secret the destruction of material interrogation evidence in question.

Kennedy is convinced that the two Khazarian Jew Congressional leaders have participated in Misprision of Felonies.

**REFERENCE: THE JUSTICE DEPARTMENT'S REFUSAL TO TURN OVER TO CONGRESS OTHER EXISTING CIA INTERROGATION TAPES IS TO PREVENT CONGRESS FROM SEEING THE PHOTOS OF ISRAELI MOSSAD OPERATIVES THAT WERE ACTUALLY USED BY THE CIA IN SOME OF THE INTERROGATIONS.**

**ITEM: IT WAS MOSSAD AGENT MICHAEL CHERTOFF'S DECISION TO OUT SOURCE INTERROGATIONS OF ALLEGED 9/11 SUSPECTS TO ISRAELI INTELLIGENCE.**

**CHERTOFF'S DECISION ALLOWED FOREIGN AGENTS TO ADMINISTER U.S. JUDICIAL SUPERVISION ON AMERICAN SOIL.**

**THAT IS A CRIME!**

Note: It was then Assistant Attorney General Michael Chertoff, AFTER 9/11 took place, that helped orchestrate a round up of innocent Arabs and had them shipped to Guantanamo Bay, while at the same time allowed the **ISRAELI MOSSAD's** Urban Moving Systems "Dancing Israelis" to leave the United States before they could be properly interrogated by the FBI.

**Reference: The 9/11 ISRAELI Urban Moving Systems group were arrested on 9/11 by New Jersey state police after they were found celebrating the explosions at the World Trade Center.**

**Discovered in their ISRAELI Urban Moving Systems van were numerous phony Arab passports and disguises, along with firearms and bomb sniffing dogs alert on explosive residue. This explosive residue was linked to World Trade Center Tower #2.**

P.S. Judge Kennedy is reviewing evidence in his chambers as we speak questioning whether some of these tapes that are still in existence have been edited and spliced. Kennedy is also reviewing whether some of these edited and spliced tapes were actually turned over as evidence to Courts with jurisdiction in terror suspect trials.

Accordingly, Kennedy is reviewing **MASSIVE OBSTRUCTION OF JUSTICE** against the Bush Administration, the CIA and the NSA.

P.P.S. Informed sources are now reporting that Vice President and Assistant Editor of the Des Moines Register, lesbian *IN-THE-CLOSET* Carolyn Washburn, received a \$250,000 bribe, to pave the way for the Iowa newspaper's endorsement of fellow lesbian *IN-THE-CLOSET unelectable* Hillary Rodenhurst Clinton, and also cover up the on-going lesbian affair between *unelectable* Hillary and Huma Abedin.

P.P.P.S. Wolf Blitzer today on CNN raised an interesting question. Is the shadow presence of duly elected President Albert Gore hovering over the Democratic Primary.

Blitzer asked the question to his three stooges on his show "Late Edition"; the three stooges being Ed Henry, Dana Bash and Candy Crowley.

Crowley immediately went into denial and said very little since Crowley is a stooge of *unelectable* Hillary.

Dana Bash mentioned the fact that many Democrats believe Gore is the REAL President.

However, it was little homosexual *IN-THE-CLOSET* Ed Henry who went into hysteria and claimed Democrats were happy with the field as it is.

Direct message to *CLOSET* homosexual Ed Henry: If the Democrats are so happy with what they have why is Iowa in an *alleged* three-way dead heat?

Clearly if Gore was a candidate the race would already have been over with our duly elected President sweeping almost every primary.

**One last note: The Senator Dianne Feinstein problem is now reaching critical mass. The Khazarian Jew helped interfere with Democratic majority leader Harry Reid's attempt to make major phone companies accountable for illegally spying on the American People.**

**The little Khazarian Jew and TRAITOR Feinstein now wants to sponsor UN-CONSTITUTIONAL legislation, which would bypass habeas corpus and allow the Bushfraud Administration to hold people in detention indefinitely without trial.**

When the day comes and America is liberated and justice returns and the Department of Homeland Security is replaced with the Department of Criminal Roundup, I have a sneaking suspicion that the guillotines will be ready the TRAITORS with Dianne Feinstein first on the list, along with the entire TRAITOROUS Bush Administration and 70% of the Democrat and Republican political leadership for TREASON against the American People.

By the way folks, you might want to call the Des Moines Register at (515) 280-3271 and leave a message for Carolyn Washburn. Tell them you are on to her and her bribery scheme of having one bull dyke endorse another bull dyke.

**REMINDER: HOMOSEXUALS AND LESBIANS *IN-THE-CLOSET* ARE MAJOR THREATS TO NATIONAL SECURITY BEING SUBJECT TO EXTORTION, BLACKMAIL AND ESPIONAGE.**

[3:56 p.m. September 11, 2001: Five Apparent Israeli Spies Arrested for Puzzling Behavior at Time of First WTC Attack](#)

Five Israelis are arrested for "puzzling behavior" related to the WTC attacks. Shortly after an FBI lookout bulletin was issued for a van with the words "Urban Moving Systems" written on the side, officers with the East Rutherford Police Department in New Jersey stop the van after matching the license plate number with the one given in the bulletin.

According to the police report, Officer Scott DeCarlo and Sgt. Dennis Rivelli approach the van and demand the driver exit the vehicle. The driver, Sivan Kurzberg, does not obey after being asked several more times, so the police physically remove Kurzberg and four other men from the van and handcuff them. They have not been told the reasons for their arrest, but Kurzberg tells them, "We are Israeli. We are not your problem. Your problems are our problems. The Palestinians are the problem."

Again before the police have made any mention of the 9/11 attacks, another one of the arrested men says, “[W]e were on the West Side Highway in New York City during the incident.” In fact, it will later be determined they were on the roof of a building at Liberty State Park, watching and videotaping the first crash into the WTC (see [Shortly After 8:46 a.m. September 11, 2001](#)).

*[Bergen Record, 9/12/2001; [Ha'aretz, 9/17/2001](#); CounterPunch, 2/7/2007]* The FBI and additional police quickly arrive. They shut down the section of Route 3 in East Rutherford where the van was stopped and evacuate a nearby hotel as a security precaution.

*[Bergen Record, 9/12/2001]* One man is found with \$4,700 in cash hidden in his sock, another has two foreign passports on him, and a box cutter is found in the van. *[ABC News, 6/21/2002]*

Another has pictures of the men standing with the burning wreckage of the WTC in the background. *[Forward, 3/15/2002]*

All five identify themselves as Israeli citizens and claim to be working for the New Jersey-based Urban Moving Systems company. In addition to the driver Sivan Kurzberg, the others are identified as Paul Kurzberg (Sivan’s brother), Oded Ellner, Omer Marmari, and Yaron Shmuel. The men are detained but not charged. *[Forward, 3/15/2002; ABC News, 6/21/2002]*

The next day it will be reported that “bomb-sniffing dogs reacted as if they had detected explosives.” An investigator high up in the Bergen County law enforcement hierarchy will say in 2006, “There are maps of the city in the car with certain places highlighted.... It looked like they’re hooked in with this [referring to the 9/11 attacks]. It looked like they knew what was going to happen....It looked like they knew what was going to happen when they were at Liberty State Park.” *[Bergen Record,*

9/12/2001] The FBI will later conclude at least two of the five are Mossad agents and that all were on a Mossad surveillance mission. The FBI interrogates them for weeks. [[Forward, 3/15/2002](#)]

They are held on immigration violation charges, but will be released 71 days later (see [November 20, 2001](#)). [[ABC News, 6/21/2002](#)]
