by Jeffrey Steinberg

Democratic Party Presidential pre-candidate Lyndon H. LaRouche, Jr. punctuated his Jan. 28 State of the Union webcast with a call for the immediate ouster of Lewis Libby from his post as chief of staff and top national security aide to Vice President Dick Cheney. Not only is Libby one of the pivotal players in the Administration "war party," promoting the suicidal invasion of Iraq. He is, notoriously, a mole for Russian "Mafiya" interests linked to his business associate of 18 years, Marc Rich.

The Libby-Rich duo played a filthy role in the Jan. 28 Israeli elections, staging a disruption of Labor Party chair Amram Mitzna's election campaign in the weeks before the vote, in order to secure re-election of serial war-criminal and Mafiya collaborator, Ariel Sharon.

Libby and Rich are also behind the promotion of former French military company clerk, Laurent Murawiec, as a Rand Corporation and Hudson Institute "military strategist," whose only claim to fame was his July 10, 2002 appearance at Richard Perle's Defense Policy Board. There, Murawiec psychotically called for an American invasion and occupation of the Saudi oilfields. Murawiec's Power-Point presentation to Pentagon policy advisers was so outrageous and incompetent, that a storm of protest (after his closed-door pitch leaked to the Washington Post) led to his ouster from a post as "senior analyst" at Rand. In the brouhaha that followed, Murawiec allies in the neo-conservative camp—including Moonie Washington Times senior editor Arnaud de Borchgrave—tried to salvage his shattered image by promoting the fact that in 1985-90, he had operated as an inside spy and provocateur among the European supporters of Lyndon LaRouche.

Indeed, Murawiec had been picked up by Swiss-based organized-crime circles, including Marc Rich, and had conducted an effort to sabotage European circulation of a March 1986 EIR special report, Moscow's Secret Weapon: Ariel Sharon and the Israeli Mafia, which exposed the terror and crime circles behind Sharon, and the Jonathan Jay Pollard spy ring. Later, Murawiec surfaced on the payroll of the Marc Rich Foundation (run by ex-Mossad thug Avner Azulay), penning a shrill chapter on growing American anti-Semitism for a book edited by a top ally of self-professed Zionist fascist Vladimir Jabotinsky.

Libby and Marc 'Filthy' Rich

Sources in and around the Bush Administration have reported that Lewis Libby has emerged as one of the most rabid "chicken-hawks" in Washington. Libby has been identified as protector of the nest of Sharonists in the Pentagon and State Department who were discredited, following the Murawiec incident last July, and only avoided being fired from top posts through Libby's intervention. Among Libby's allies in the Administration "war party" are Deputy Defense Secretary Paul Wolfowitz, Assistant Defense Secretary for Policy Doug Feith, and State Department arms control adviser David Wurmser.

Libby was part of a troika of wanna-be Pentagon imperialists, back in the Bush "41" Administration, who urged then-Defense Secretary Dick Cheney to adopt the doctrine of pre-emptive warfare—in response not to Saddam Hussein or Osama bin Laden, but to the collapse of the Soviet Union and the opportunity for the United States to emerge as the only global military power. Along with Wolfowitz and Zalmay Khalilzad, Libby promoted the insane notion of pre-emptive war against any nation or bloc of nations that might at some point, challenge American military hegemony. The scheme was enthusiastically embraced by Cheney, but rejected by (the elder) President Bush, his National Security Adviser Brent Scowcroft, and Secretary of State James Baker III—only to resurface nine years later, after the Sept. 11, 2001 attacks.

Libby also served as staff director for the Cox Commission, a Clinton-era Congressionally mandated study group which promoted the idea of a future conflict with China, along the lines of Bernard Lewis and Samuel Huntington's wild call for a "Clash of Civilizations" war between the West on the one side, and the Islamic world and China on the other.

But Lewis Libby's real claim to fame is his 18-year collaboration with Russian Mafiya "godfather" Marc Rich. As an understudy to Washington power lawyer Leonard Garment, Libby was the personal attorney for Rich from 1985, shortly after Rich fled the United States to avoid criminal prosecution for tax evasion and "trading with the enemy"—for illegal oil dealings with the Khomeini regime in Iran, while they were holding American hostages.

Rich set up in Zug, Switzerland, and became one of the most important figures in busting the oil embargoes against apartheid South Africa, Iran, and, later, Iraq. All the while, Libby toiled as Rich's legal flack in America, presenting the swindler and Mossad bankroller as a victim of overzealous prosecutors.

Operation Spiderweb

Libby was the Svengali orchestrating the setup of President Bill Clinton to grant Rich a pardon in early 2001, just as Clinton left office. Libby, in Congressional testimony, admitted to working with ex-Al Gore attorney Jack Quinn, and two "former" Mossad agents in Rich's employ, to secure the pardon.

Now, Rich may be running into problems. He is a target of "Operation Spiderweb," a crackdown by Italian, Swiss, British, and American law enforcement agencies on a \$9 billion Russian Mafiya money-laundering scheme (see box). "Spiderweb" aims at Grigory Loutchansky, head of the Nordex conglomerate of companies and a top figure implicated in the flow of illegal campaign funds into Ariel Sharon's recent re-election campaign—and at Rich.

In addition, French ministers at the end of January launched into a flurry of attacks on Rich around two other big scandals, involving the asset stripping and bankrupting of a French metal firm by Rich, and a large tanker oil spill off the coast of Portugal, also involving a Rich-owned firm.

Meanwhile, earlier in the month, at Libby's behest, Rich and fellow gangster Michael Steinhardt went to Israel to run the operation against Labor Party chairman Mitzna which undermined Labor's election campaign and helped cover up, for a while, corruption scandals that were damaging Sharon's re-election bid. Steinhardt confessed to a Washington journalist that he met Sharon secretly, and then joined Marc Rich to orchestrate a Labor revolt against Mitzna, for his refusal to enter a national unity government with Sharon.

Dear Monsieur de Grossouvre :

I was advised today that London finally broke the story to follow the lead, previously of London Sunday Times. It may be advantageous, as well as to utilize the background Diplomatic meeting in June, 93 between Mitterrand/Juppe/Pres. Yajir in Paris relative to \$167* metric tonnes of S.D.R. In my European absence, "I have lost track of the SHEVARDNAZE/INGRAM-WOODRUFF-SECURE Tbilis meeting relative to "TOXLIST"-REFERENCE JEAN Pierre Tersou. ops., for strange reasons —

We continue to alert Tony Lake as to the Foster murder & RM20-20 relationship, but apparently Clinton/N.S.A. priority is "WHITEWATER" and NOT REALITY OF THE REAL TIME S globally,

PRAYERS TO ST. MICHAEL, ARCHANGEL

A Citizen's Prayer to St. Michael

Please protect us, St. Michael the Archangel, against violence, murder, and robbery. In your goodness preserve us today from all the malice of sinful and wicked people. In your sleepless vigilance watch over the safety and welfare of our homes and keep guard over our possessions. Ever hold in your special care, most triumphant St. Michael, the forces of public order against the crimes of evil people and defend all honest citizens in time of peril. Amen.

A Policeman's Prayer

Victorious St. Michael, you know how evil men are awake and plotting while good men sleep. Even so was faithless Judas awake and betraying our Lord while the Apostles slumbered in the Garden at Gethsemane.

Help me, powerful Archangel of God, to be always alert at my post, ever ready to do my duty, and to apprehend criminals without fear or favor. Be near me and my fellow police in times of peril and emergency, please. Defend us by your power when we are in danger. Be sure to shield us from all temptation and any occasion of sin. Help us
