By [Christopher Story](#) FRSA, Editor and Publisher, [International Currency Review](#),
[World Reports Limited](#), London and New York: www.worldreports.org. Press
NEWS and the ARCHIVE Button on the www.worldreports.org Home Page for
'Wantagate' reports since April 2006. [Note: A new panel giving details of our
latest publications as they are made available, has been added].

Note: Please also refer to the preceding four reports, addressing the Wisconsin Tax
Gestapo tax fabrications against Leo Wanta [Wisconsin Gate] (a forensic
examination of the criminal 'takedown' operation against Leo, 'enabling' the
criminalist cadres holding high office, and their associates, to ransack Wanta's
funds), the arrogant ordering around of the Brits by CIA operative John Bolton and
'Queengate' (the U.S. 'Act of War' against the United Kingdom in connection with
the stealing of The Queen's gold), and our two late-July 2007 reports wherein we
explained the application of the DUPLICATION deception strategy principle in the
Wantagate context, and how it affects 'payees'.

WRIT OF MANDAMUS PETITION SUMMONSES AND RETURNS OF SERVICE

The Editor of [International Currency Review](#) has now received copies of the
Summonses filed by Ambassador Leo E. Wanta in the United States Court for the
Eastern District of Virginia, Alexandria Division, in respect of his Petition for a
Writ of Mandamus demanding transfer of the \$4.5 trillion paid to him in 2006 by
the Peoples Bank of China, which has been illegally diverted and exploited since
June 2006, as reiterated by the Ambassador's authority in these website postings.

The Editor also holds copies of the Return of Service from each Respondent, all of which were filed with the Summonses. The Summonses were accompanied by the Ambassador's Complaint, the text of which is archived on this website as stated below. As a special service, the Editor will send an email in response to requests for facsimile copies of the Summonses, the Returns of Service, and the Complaint itself. Send an email to cstory@worldreports.org labelled 'Please send Mandamus'. And send us an urgently needed financial donation if you feel like it, too!

The text of the Petition, which was posted here on 24th June 2007, may be accessed from our ARCHIVE [Press Archive or the Archive button on the Home Page]. The text of the Complaint, together with a facsimile thereof, will be published on pages 137-160 of the forthcoming issue of [International Currency Review](#) [Volume 33, #s 1 and 2], by way of a permanent record which will be lodged with financial institutions, central banks, government and intelligence agency document centres, state libraries and other places of permanent record, all over the world, so that it will be impossible for 'revisionists' in the future to airbrush Wantagate from the record.

(PERJURY is of course a VERY SERIOUS OFFENCE, as the Respondents MAY be aware).

AMBASSADOR SIR LEO WANTA'S EMAIL TO PRESIDENT BUSH AND HIGH U.S. OFFICIALS

On 8/9 August 2007, the Ambassador sent outline details of the Summonses and the Returns of Service to high-level recipients in the US Government, the Republican Party and other interested parties, for their information. The Summonses and the obtaining of the Returns of Service were organised by one of the most fearsome of all CIA operatives, Colonel Dana Wilcox. This fact is revealed here because Colonel Wilcox's name appears at the foot of the faxed copies of the Summonses and Returns of Service which are contained in the email attachments that the Editor will forward on request. Subscriptions to [International Currency Review](#) and to any of our linked intelligence services may be entered via this website.

Our intelligence books, including [The New Underworld Order](#), this Editor/Author's latest work, may also be ordered from this website, by accessing the Books section.

For both serials and books, please use our simple ordering procedures and Credit Card payment system with complete confidence, as security is paramount (and guaranteed).

NEW WANTAGATE ISSUE OF INTERNATIONAL CURRENCY REVIEW

An announcement about the new Wantagate issue of [International Currency Review](#), (544 pages) and its 48-page Supplement showing the Wanta-related documents released by the Ronald Reagan Library by consent of the National Security Agency, will be posted in the near future, on the second (Subs/Books) panel, Home Page.

The Ronald Reagan Library documents prove of course that Leo Emil Wanta advised and served President Reagan personally.

In the massive forthcoming Wantagate ICR, the Editor has assembled all the Presidential Pardons dished out by President Clinton, to demonstrate that the vast majority of those pardoned by that particular criminal US President were drug dealers, money-launderers, financial criminalists, murderers-for-hire, and perpetrators of abominations familiar to students of organised crime. It was with

particular interest that the Editor noticed that some of those pardoned had been imprisoned for ‘Misprision of felony’ [*see above]. This section, called ‘Pardongate’ will be found in the front part of the forthcoming issue. (One poor fellow was imprisoned for stealing four pounds of butter, which adds to our perception that, on the same penal tariff, the perpetrators of the endless financial crimes that we have had to expose, face several lifetimes in the cockroach-infested US GULAG each).

Ambassador Leo Emil Wanta: Diplomatic Passport Numbers 04362 & 12535 a.k.a. Frank B. Ingram [FBI] (Sector V) SA32NV; and a.k.a. Rick Reynolds, SA233MS. - Please be advised that the Editor of [International Currency Review](#) [ISSN 0020-6490] cannot enter into email correspondence or elaborations related to this or to any of the earlier Wantagate reports, unless so specified (as above).
