Per my original United States Government directives and Oath

We must learn to subvert, sabotage, and destroy our enemies by more sophisticated, and more effective methods than those used against us

As we are facing an implacable enemy whose avowed objective is world domination by whatever means and at whatever cost ...

Points of truthful information :

The US Government; and AmeriTrust Corporation, Inc. entered into a Buy/Sell Contract with Humewood Enterprises of London and Dublin to facilitate the bank to bank delivery of Credit-Worthy Bank Guarantees with Rothschild Bank, Banque Paribas, Lloyds Bank, et al with USG/AmeriTrust retaining Credit Suisse Bank Senior Management and FGI Fiduciarie-conseil of Lasanne as the corporate fiduciary agent with Credit Suisse Groupe, on behalf of AmeriTrust; and per Vincent Foster, Jr., Deputy White House Counsel to corporately organize the Suisse Holding Groupe - registered AmeriTrust (Suisse) Societe, Geneve, Switzerland and our Suisse residency per USG directives, and we can not assist your court with highly confidential data relative to Attorney Foster's Irrevocable Bank Payment Orders in the aggregate USDollar amount of US\$250,000,000.00 and issued in favour of The Children's Defense Fund, Washington, DC, USA - as We, AmeriTrust, have no working and/or personal knowledge of any Money Laundering schemes as falsely alleged - but, We can advise this Suisse Judicial Court that under a certain Commercial Contract, L H Finance (Mossah) agreed to issue a Surety Bond for US\$250,000.00 as a condition of said contract; and then advised AmeriTrust that they would release US\$375,000.00 as a Cash Deposit Performance Guarantee, allowing US\$125,000.00 to cover Introduction Fees to Deputy White House Counsel Vince Foster, Jr. but only through the Suisse Fiduciary Agent - Ms Elaine Guiraud, at the Union Bank of Switzerland, Account No. 320.904.60W on or about June 22, 1993 prior to Mr Foster's scheduled arrival at Hotel de la Paix, Geneve on July 7, 1993 per previous financial arrangements.

As the monetary disbursement was arranged through a Ms Lorraine Fine, Principal of L H Finance, as the required Performance Bond was submitted in the event of their Non-performance per the Commercial Contract, prepared with Mr Foster - and presently in the Court's possession - allowing due to their non-performance the USDollar amounts to be disbursed as follows:

Mr Vincent Foster, Jr., Esq.	USDollars 125,000.00
AmeriTrust Corporation, Inc.	USDollars 250,000.00

Dear Ambassador

This is a brilliant piece of document. Every level headed individual especially if you are an African have always known the Swiss (Suisse) to be thieves of the highest degree. Literally, they have convinced most African Heads of State and Governments to loot African money including aids and grants from foreign countries to be deposited directly into Swiss Banks. After this, they (the Swiss) then pay soldiers and so-called revolutionaries to assassinate the depositors in coup-detats and revolutions. The stolen money is then left in the Swiss Banks uncollected. The unfortunate situation here is that they have tried and used every tool including spreading false stories and information about you. They have used corrupt and unstable Judges to imprison you. They have used the USA Intelligence to discredit you yet you always come out tops.

This is a very big problem for them. Watch out now for the assassins bullet as they do to Africans.
