Clinton Secret Accounts Revealed

by Tom Heneghan, International Intelligence Expert

United States of America – It can now be revealed that the recent assassination attempts against former British Prime Minister Tony Blair and current British Prime Minister Gordon Brown deal with the secret offshore accounts of both Bill and Hillary Clinton located in Saudi Arabia, Isle of Man, Denmark, Sweden, the Russian Federation as well as Germany.

British Leaders Targeted As 'Horrorific' Attack Expected On US
...The first attack these reports say was made against former British Prime Minister Blair, and current International Envoy to West Asia, who while leaving Israel this past week was fired upon by an assailant who was then in turn killed by one of the security agents protecting him. Western news reports are continuing their suppression of the true facts of this attack and are reporting that the attack against Blair at Tel Aviv's Ben Gurion International Airport was instead an 'incident' caused by one of his security guards 'accidentally' firing his weapon.

The second, and more serious attack was an assassination attempt against the current British Prime Minister Gordon Brown during his visit this past weekend to the US for the G20 summit when another rightwing Israeli zealot threw a grenade and fired shots during an assassination attempt while Brown was exiting the Waldorf-Astoria hotel where he had been staying and meeting with top American economic officials...

Reference: These secret accounts, of course, represent STOLEN U.S. Treasury funds that the Clintons acquired with the assistance of former Federal Reserve Chairman Alan Greenspan.

Both Blair and Brown have cooperated with British authorities in detailing the existence of these accounts and their locations.

Both the Clintons and the Bushes aka the Bush-Clinton Crime Family Syndicate are facing European RED NOTICES, i.e. indictments in regards to the misuse of these STOLEN U.S. Treasury funds for the use of massive market manipulation involving the noted currency exchange in London aka The Life Exchange.

Note: A joint U.S.-French Intelligence Agency task force, headquartered on European soil, has used PROMIS software and other sophisticated technology to track the ILLEGAL trading practices of the Clintons and the Bushes utilizing STOLEN U.S. and French Treasury funds.

The facilitators for this ILLEGAL trading include former Clinton White House aide George Stephanopoulos, now ABC News talk show host, and former Bushfraud year 2000 campaign manager and White House aide, Karen Hughes.

Again it is clear now, folks, why the UN-electable LOSER Hillary wants to be U.S. Secretary of State. She needs diplomatic immunity in Europe from prosecution for illegal trading and money laundering.

At this hour, White House occupant Bushfraud has only received immunity on U.S. soil from current U.S. Supreme

Court Chief Justice John Roberts aka year 2000 election fixer co-conspirator.

Item: Roberts grant of immunity for Bush as well as the Supreme Court's year 2000 decision to install Bush as White House occupant with bribes and coercion is all a fraud upon the U.S. Supreme Court and has no legal standing whatsoever.

P.S. The secret offshore accounts under the control of Bill and Hillary Clinton are numerical accounts without Bill and Hillary's names appearing on the accounts.

However, a password must be used to bring the accounts online. At this point the account numbers and the names of Bill and Hillary appear.

We can now tell you what the password code is:

"Thunder"

P.P.S. President-elect Obama is currently being blackmailed on two fronts by the Bush-Clinton Crime Family Syndicate.

- 1. He is, of course, NOT a "natural born" citizen required by the U.S. Constitution to hold the office of president.**

All reports trace Obama's birth place to being in Kenya . However, that is irrelevant since Obama's father was a British citizen and at the time of Obama's birth Kenya was a British colony.

Accordingly, based on the British Citizenship Act of 1948, an individual born to a British citizen is automatically a British citizen no matter where the birth takes place.

So at best Obama is a DUAL citizen and clearly ineligible to be a U.S. president.

2. Obama is being blackmailed by Bush-Clinton Crime Family Syndicate representative Barney Frank on Obama's involvement in 1990 in a pedophile and homosexual party that took place at Barney Frank's noted homosexual whorehouse in Washington, D.C.

Reports have it that Obama was compromised at the party by known Bush-Clinton Crime Family CIA operative George Pender, FBI Division 5 agent Ted Gunderson and former President George Herbert Walker Bush.

Obama's attendance at this gathering was, you might say, his "initiation", as a full time British Intelligence asset to be used on American soil.

Reference: In past briefings we have already detailed White House occupant George W. Bush's lifelong closet homosexual relationship with former Yale classmate and now Ambassador to Poland, Victor Ashe, along with unelectable loser and lesbian in-the-closet Hillary Rodenhurst Clinton's lesbian lifestyle, and of course, the noted sexual deviate Bill Clinton.

And, of course, now we have Obama.

The pattern is clear. The New World Order gang need people in office that they can blackmail and manipulate based on deviate sexual activity.

Homosexual gays and lesbians who are "IN-THE-CLOSET" are a MAJOR THREAT TO NATIONAL SECURITY being vulnerable to blackmail and extortion by self-serving, hostile entities against the safety, security, sovereignty and best interests of the American People.

At this hour, we ask the U.S. Military, along with our great ally of 200 years, the Republic of France , to put an end to this nightmare against the American People, its Constitution and proceed with immediate liberation.

The compromised, extortion-friendly American media is totally controlled by the NSA (National Security Agency) and the British MI6-Israeli Mossad occupation gang.

Again, we ask the U.S. Military to do their duty.

As of this hour we live FREE or die!

Thomas Jefferson, author of the Declaration of Independence, said "...I am surrounded by enemies but I shall never stand down in the face of tyrants..."

Stay tuned for emergency reports at any moment as Lafayette remains at Brandywine and Albert Gore Jr. remains the REAL President of the United States .

"The Bush-Clinton Crime Family Syndicate and ALL of their co-conspirators face unprecedented, monumental prosecutions for massive HIGH TREASON against the American People;

thus, before the 2008 election, they are plotting 'False Flag Attacks' in the U.S. with expectations of nullifying and eradicating individual and States rights and freedoms protected by the U.S. Constitution,

via martial law and subjugation of the American People,

in order to stay in control of the compromised U.S. Justice Department to continue sealing Federal Grand Jury (We the People) indictments and hiding them from the American People to avoid convictions and public punishment with due prejudice."
