RE: High Speed Rail, Ambassador Leo Wanta

Dear President Trump:

Please be advised that I, Jan M. Heger Esq., am former Counsel to Ambassador Lee Wanta for many years and am now retired. I have never in the history of practicing law for over 40 years met an individual who I admire, respect and trust more than Ambassador Wanta, who an officer of the United States as was appointed by President Reagan. He has honorably served the United States of America during our time of need and in my opinion should receive the Medal of Honor for his service during the cold war. Instead he has been abused by the legal system and/or the Deep State for doing his best and succeeded admirably to protect and defend the United States of America during the cold war, a specific secret task and treaty awarded to him by President Reagan in order to destabilize the Soviet Union. As you may be aware he has written a book which provides much of the proof and information you may need.

Trillions of US Dollars were made during this operation which were to be returned to the US to pay off the debts of United States less a percentage of earnings that were agreed to be paid to him personally. Instead he was unlawfully incarcerated and prosecuted here in the United States for crimes he never committed ie Tax Evasion by the State of Wisconsin most likely caused by the so called Deep State. I personally was in possession of two copies of cancelled checks made payable to the State of Wisconsin noting the payment of taxes which were cashed by the State of Wisconsin. As such, it was absolutely impossible for that tax crime to have been committed or to have occurred.

High Speed Rail

I believe you have heard of Heger Reality or JW Heger Company one of the largest Industrial Real Estate Companies in Southern California solely owned and operated by my father Jack W. Heger, now deceased. He was the President of the US Industrial Real Estate Association for many years and his clients included Southern Pacific Railroad and many Fortune 500 Companies. The high speed rail Ambassador Wanta is proposing would be a tremendous infrastructure project for the United States and would necessarily employ many US citizens. It is about time that this country have what other countries have ie a High Speed Rail. I cannot recommend more highly Ambassador Lee Wanta who is willing, once again, to serve the United States and to use his own hard earned funds in the process. Should you need further information, please do not hesitate contacting me at 949-295-2444 or by email at Hegerlaw@outlook.com. Thank you for your kind attention to this matter.

Respectfully yours,

Jan M. Heger Esq.

TRINITY COUNCIL UNION

Thu., March 23, 2006: MP3s: [Hr1 Missing](#)- [Hr2 Missing](#))

This is one interview you shouldn't miss!

Greg talked with former Ambassador **Leo Wanta**, a former U.S. Treasury official under President Ronald Reagan. Wanta spend 134 days in a Swiss dungeon and is still serving, under house arrest in Switzerland, 10 years of a 22 year sentence for bogus Wisconsin income tax charges.

Wanta tells how he saved President Reagan from an assassination attempt, as well as how he gave Vince Foster \$250 million earmarked for The Childrens' Fund and its chairman Hillary Clinton right before Foster was found dead. (44) ←

Wanta also holds the financial key to perhaps one of the biggest bank heists in U.S. history, amounting to \$752 billion of money stolen by the Illuminati that should be in the U.S. Treasury. He also was appointed trustee of \$27 trillion, made as U.S. profits during the days he helped orchestrate the destabilization of the Russian currency.

A recent federal court ruling held in favor of Wanta's trustee authority of the enormous amount of money, an appointment made by Reagan. Presently, he said the only thing keeping him alive is "I know where the money is and they don't," wanting to return it to the U.S. Treasury and the American people before the criminals in Washington, including Bush and Clinton, manipulate the money into private accounts using the fraudulent Federal Reserve system to their advantage.

SARAH McCLENDON'S WASHINTON REPORT

3133 Connecticut Avenue
Suite 215
Washington, D.C. 20008

By Sarah McClendon

Washington, D.C. --- Leo Wanta, whose purchase of huge sums in Russian rubles is credited with bringing down the Soviet Union in the Cold War, will be put through a third party lunacy test in Madison, Wisconsin circuit court on Tuesday. He has successfully been declared of sound mind in two previous lunacy tests under the Wisconsin state attorney general's office. His own attorney, James Shellow of Madison, Wis., is instituting this test. Shellow says that under the rules for attorneys in Wisconsin he has to notify the court that he thinks the lunacy test should be given. Shellow admits to being a former attorney for a deceased Mafia chief in Wisconsin named Belistiari. Shellow thinks Wanta will be declared sane in the upcoming hearing on Tuesday, but Shellow claims to know nothing as to how Wisconsin was able to extradite Wanta in chains and shackles from Switzerland, where he was doing business with Swiss banks after having given up his citizenship in Wisconsin. Wanta claims that he had just been made ambassador to Switzerland and Canada when Wisconsin state officials seized him bodily in Switzerland. Wanta claims that they took his briefcase from him at that time which contained billions in Treasury bills and Promise software technical equipment which the U.S. was using to get inside information about foreign treasuries.

Although the briefcase was taken by Wisconsin authorities in 1993, it has never been returned to Wanta nor has he any knowledge of what happened to its contents.

The charge is that he owed Wisconsin originally approximately \$14,000. He claims to have paid back that amount in 1992. The state attorney general's office seized his house worth \$120,000 and sold it for \$60,000, but there is no record of this in the Department of Revenue in Wisconsin nor is there any trace of the proceeds from the sale.

Wanta was buying rubles from Russia at the request of the President, Ronald Reagan. Wanta had worked at the White House, the National Security Council, the Central Intelligence Agency and six other government agencies during his career.

He and President George Bush set up the Ameritrust account in the Credite Suisse bank for the U.S. government to use in case it needed to counter terrorists from overseas, according to Pat Cameron, Los Angeles attorney for Wanta. Wanta says that when former president George Bush sought to withdraw funds from the \$210 billion on deposit that Wanta, a co-signer of the account, refused to give his signature for the withdrawal because the funds, he said, belonged to the U.S. government, not to an individual.

A LIFETIME OF COUNTER-INTELLIGENCE SERVICE TO THE UNITED STATES

In the course of his professional intelligence service, Ambassador Leo Emil Wanta conducted sensitive counter-intelligence business and operations in the following countries and territories, among others: Algeria, Argentina, Australia, Belize, Brazil, Burma, Chad, Chile, China, Cuba, Egypt, El Salvador, France, Honduras, Hong Kong, Hungary, India, Indonesia, Iran, Iraq, Ireland, Japan, Malaysia, Mexico, Mongolia, Morocco, Mozambique, Nicaragua, North Africa, Oman, Pakistan, Panama, Paraguay, Philippines, Russia, Saudi Arabia, Singapore, South Africa, South Korea, Sri Lanka, Sudan, Thailand, United Kingdom, Vanuatu (the currently favoured, utterly corrupted financial offshore tax haven bolt-hole of the Illuminati), Venezuela and Zaire. In many operations, transactions patterns are established in order to monitor the resulting financial flows, which can be done using *inter alia* PROMIS-derivative software.

President Reagan referred to Leo Wanta as his favourite 'junkyard dog' because of his his ability to get things done by 'unconventional' means. However what is apparent from studying what is known about Leo Wanta's life, is that he may not have realised that although he served successive Presidents with total loyalty, in many instances they were working to a different underlying agenda to what they told him. ☹

Figure 2: A photograph of President Ronald Reagan, signed by the late President: 'Leo, with my deepest personal regards'. When your correspondent asked Leo whether he had saved the President's life twice (by warning him of intended assassination attempts), he replied modestly: 'Once'. Instead of being under house arrest, he should be awarded the nation's highest honours.

President Reagan and his Secret Agent Ambassador Lee Emil Wanta masterminded a creative way to financially take down the economy of the Soviet Union (Evil Empire) without firing a single shot. The 32.1 trillion he amassed in the process has finally been recovered and accounted for after it was hijacked by the a criminal non-Government organization known as the Federal Reserve and the Corporate State of Wisconsin. Ambassador Wanta is a true American patriot with impeccably high moral standards. This biography gives us a true representation of his spirit and his unwavering commitment to bring honor, respect and integrity to all. His life's work under Reagan is historic in nature and will be recognized by the citizens of the United States as the moment in time when we regained our Constitutional Freedoms. I eagerly await the conclusion and call on all US patriots to follow his lead toward a brighter future for all.

Lee Wanta's story must be heard . This is a story of a true patriot, that has sacrificed willingly for his country, and for all of us. His solution, and contribution to stopping us from declining further, and entering a possible war, can be achieved if Americans care enough to get it out there. The corruption that Ronald Reagan and Lee tried to work around, under the Totten doctrine is genius. Do not let the present puppet masters bury his story and the funds to free America any longer. Get on it Americans ! Start sending the letters to these politician and that continue to be bullied into selling our country out ! We soon will be carved up like a turkey if Americans do not start to take action .

It's not very well-written, but it's on a topic that the mainstream is not touching. They don't touch a lot of topics, actually. Is this guy for real? May be hard to say, but he's got a lot of documentation, and it's included in here.

MY FELLOW AMERICANS FOR YOUR VALUED CONSIDERATION : -

JUST A CONTINUING LAWFUL REMINDER OF THE LAWLESS, WRONGFUL, CONSPIRACY, CRIMINAL ACTIVITIES, RICO STATUTES VIOLATION, AND OTHER " Puppet Masters " DOMESTIC and INTERNATIONAL VIOLATIONS TO PREVENT THE " REBUILDING OF OUR GREAT NATION _ AMERICA and THE HELLENIC REPUBLIC OF GREECE " HELLAS "

Ambassador Lee Warta. Lee was mandated by President Reagan under the Totten Doctrine **192 U.S. 105, 107 (1875), National Security Decision - Directive Number 166, dated March 27, 1985, inter alia** as a secret agent to be in charge of this effort. In this process Lee Warta did amass trillions of dollars that were designated to go back to the American people by President Reagan. In his effort to carry out his mandate, Lee Warta was imprisoned and the monetary funds that were his to distribute as planned were stolen or converted illegally by an organization known as the Federal Reserve System and used by them to this day.

Later in 2006 a US District Court Judge mandated and ordered that these converted funds be returned back to Lee with interest accruals. It's hard to understand why, after eight years since this order was given by a US Judge, that these funds are still retained. When Lee Warta receives his funds back it will be in the amount of 32.8 trillion dollars. He promised under an oath to President Reagan that after he pays his repatriation taxes on this money he earned as director general in his Austrian based company, Lee has pledged to eliminate overnight our national debt (approximately 18 trillion), and our 1.8 trillion international trade deficit at once. He also will pay certain sovereign nations what they were promised in the Reagan-Mitterrand protocols. This includes the French, Chinese, English and Russian Governments, where billions were promised. With the remaining funds left over he plans to develop and create a high speed rail system for our country and develop new innovative businesses that could employ over 2 million people in the USA alone.
