ATTN: MR THOMAS A WILSON

Dear Mr Thomas A Wilson

Re: LEO EMIL WANTA

We thank you for your fax dated 15th May 1992 confirming concisely the telephonic conversation that transpired between your Mr Thomas A Wilson and the writer last night.

We have relayed to our mutual client what transpired between us last night and have also given him a copy of the fax that you sent us giving detailed information of the steps that you have taken and also letting us know of the inordinate delay the Federal Authority will take if they come into the picture before catching up with him. We have, however, impressed upon him, not to even take any calculated risk unless further extensions are granted to him to complete the pressing matters in this part of the world before returning home.

He will keep us informed of the progress and make arrangements for his departure to the States with alacrity. We hope that you will keep communicating with us of the progress you are making regarding his extension. He has no intention of coming in conflict with the law prevailing in the States. His intention is to return to the States soonest possible to answer the alleged charges.

Unfortunately, the Chairman of Aneko Credit Pte Ltd, Mr Kok Howe Kwong, has suddenly passed away last night after our telephonic conversation. Our client is directly involved with the investigation of Aneko Credit Pte Ltd. He has to be here for a while to assist in the investigation of the Company.

Please be advised that there are files in your possession relating to Leo and one of them is connected with or related to Reagan/George Bush conspiracy regarding the Contra War where our client also known as Frank Ingram (FBI) participating as an undercover agent into the investigation together with the Treasury Department and the United States Secret Services to prevent the disclosure of the unauthorised US\$ funding of the Contra War as directed by the then Vice President George Bush.

I must express my delight in communicating with you. It was indeed a pleasant conversation which we have had that would be implanted in my memory for a long time to come. I hope to be able to meet you personally to further our acquaintance either visiting the States or you coming down to Singapore - the paradise of the Asia

Yours faithfully

SS No. 396-34-6726

Dear Mr. Ullman:

As you are aware, I have from time to time represented Leo Wanta and I again, for a limited purpose, represent him in this matter.

He has directed me to tender to the Wisconsin Department of Revenue in compromise and settlement of claims, the sum of \$14,129.00. Leo Wanta admits no liability but does wish to resolve the dispute that allegedly exists between the Department and him. He advises he has received no bill as such, but he is aware of a criminal charge filed in the Dane County Circuit Court, No. 92 CF 683. This is the first time the matter has been brought to his attention.

I enclose our Trust Account check No. 6992 in the sum of \$14,129.00.

IN THE MATTER OF: Authorization to continue / finalize Hostage situation.

Dear Mr. President:

As you are aware, during November/December 1989, I was approached by Dr. Hassan A. Meguid, allegedly representing a Iranian Group, as shown below;

- (a) RAFIT DOUC - Chief of Iranian Revolutionary Guards - Teheran
- (b) " TUKAN " - Chief of I.R.I.A.F. - Teheran Headquarters
- (c) Monica Bendeck - Dubai / Abu Dhabi intermediary
- (d) " HORMOS " - Teheran official of General Staff Hdqtrs

Several weeks ago in consultation with my Controller RAC William Lecates, U.S. CUSTOMS SERVICE / NASHVILLE under USA assigned cover as -

File code name ; Frank B. Ingram

File name/number ; FBI (SA 32 NV)

As I was instructed and cleared to continue communications while the " good old guys " upstairs determine the next course of action, besides running through the side door as discovered later, based on my reporting data.

Later I was requested by the Iranian group to attend a special meeting in Abu Dhabi, which is to include the Dubai Ambassador to discuss details. On March 16, 1990, I requested again USA authorization to attend, or I would not consider further communications or Iranian requests; inter alia. Based on these sensitive requests to the upstairs level personnel for USA advice and direction, I was informed that RAC Lecates would no longer be my Controller, and since " Uncle Bill " has passed away, the directive now suggested I contact Vice President Dan Quayle or President Bush, for various security reasons, among other things. The " Good Old Boys " upstairs have received all of the pertinent data and related documentation from Nashville.

Since I was not contacted in Amman early Monday thru Wednesday, this week, relative to the Iranian meeting request(s), I will " stand down " on this sensitive situation, unless I receive direction and authorization.

Thank you for your rapid response on this urgent matter, your friend,

Warmest personal regards,

Leo E. Wanta

February 11, 1967

Honorable William J. Casey
Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Bill:

Thank you for your letter regarding the procedures governing the reporting and use of information concerning federal crimes. I have reviewed the draft of the procedures that accompanied your letter and, in particular, the minor changes made in the draft that I had previously sent to you. These proposed changes are acceptable and, therefore, I have signed the procedures.

I have been advised that a question arose regarding the need to add narcotics violations to the list of reportable non-employee crimes (Section IV). 21 U.S.C. §874(b) provides that "[w]hen requested by the Attorney General, it shall be the duty of any agency or instrumentality of the Federal Government to furnish assistance to him for carrying out his functions under [the Controlled Substances Act] . . .". Section 1.8(b) of Executive Order 11333 tasks the Central Intelligence Agency to "collect, produce and disseminate intelligence on foreign aspects of narcotics production and trafficking." Moreover, authorization for the dissemination of information concerning narcotics violations to law enforcement agencies, including the Department of Justice, is provided by sections 2.3(c) and (i) and 2.4(b) of the Order. In light of these provisions, and in view of the fine cooperation the Drug Enforcement Administration has received from CIA, no formal requirement regarding the reporting of narcotics violations has been included in these procedures. We look forward to the CIA's continuing cooperation with the Department of Justice in this area.

In view of our agreement regarding the procedures, I have instructed my Counsel for Intelligence Policy to circulate a copy which I have executed to each of the other agencies covered by the procedures in order that they may be signed by the head of each such agency.

Sincerely,

William French Smith
Attorney General

Ambassador Leo E Wanta

A LIFETIME OF COUNTER-INTELLIGENCE SERVICE TO THE UNITED STATES

In the course of his professional intelligence service, Ambassador Leo Emil Wanta conducted sensitive counter-intelligence business and operations in the following countries and territories, among others: Algeria, Argentina, Australia, Belize, Brazil, Burma, Chad, Chile, China, Cuba, Egypt, El Salvador, France, Honduras, Hong Kong, Hungary, India, Indonesia, Iran, Iraq, Ireland, Japan, Malaysia, Mexico, Mongolia, Morocco, Mozambique, Nicaragua, North Africa, Oman, Pakistan, Panama, Paraguay, Philippines, Russia, Saudi Arabia, Singapore, South Africa, South Korea, Sri Lanka, Sudan, Thailand, United Kingdom, Vanuatu (the currently favoured, utterly corrupted financial offshore tax haven bolt-hole of the Illuminati), Venezuela and Zaire. In many operations, transactions patterns are established in order to monitor the resulting financial flows, which can be done using *inter alia* PROMIS-derivative software.

President Reagan referred to Leo Wanta as his favourite 'junkyard dog' because of his ability to get things done by 'unconventional' means. However what is apparent from studying what is known about Leo Wanta's life, is that he may not have realised that although he served successive Presidents with total loyalty, in many instances they were working to a different underlying agenda to what they told him. ☐

*Leo, with my deepest personal regards,
Ronald Reagan*

Figure 2: A photograph of President Ronald Reagan, signed by the late President 'Leo, with my deepest personal regards'. When your correspondent asked Leo whether he had saved the President's life twice (by warning him of intended assassination attempts), he replied modestly: 'Once'. Instead of being under house arrest, he should be awarded the nation's highest honours.
