EMERGENCY UPDATE

BUSH-CLINTON CRIME FAMILY SYNDICATE TREASON ACTIVITIES CONTINUE

By Tom Heneghan

It can now be reported that unelectable CLOSET lesbian Hillary Rodenhurst Clinton lost her temper in Saturday night's New Hampshire Democratic Primary Debate.

This afternoon, the day before the New Hampshire Democratic Primary, Hillary contrived and acted out an emotional crying moment.

The questionnaire who elicited the emotional response from unelectable Hillary is actually a volunteer of the Clinton campaign itself.

Note: CBS News reporter Jim Axelrod was aware that Clinton campaign aide Ann Lewis had actually discussed with Hillary a need to show emotion in reference to her perceived cold personality.

So this whole event was nothing more than a theatrical performance staged to stop her falling poll numbers, in particularly with female voters.

P.S. As this hour George W. Bushfraud is about to exert executive privilege over U.S. Justice Department lawyers in reference to the FBI investigation of the destroyed CIA 9/11 interrogation tapes.

Such an act by the unelected punk would put the U.S. Republic on the edge of dictatorial rule.

Message to U.S. Military: It is time to do your sworn duty and put an end to the Bush-Clinton Crime Syndicate, now, before they launch a major terrorist attack on the U.S. to stay in power.

Sources close to U.S.-French Intelligence claim that mercenaries are being brought into the United States as we report this briefing for the purposes of TREASONOUS criminal acts on behalf of the Bush-Clinton Crime Family.

Are you listening Colin Powell?

How dare you, you conspiratorial tyrants and kings and notable queens!
