Eliot Spitzer's Revenge

British MI6 Tied to JFK 1963

by Tom Heneghan, International Intelligence Expert

UNITED STATES of America - It can now be reported that former New York Governor Eliot Spitzer is working as a special consultant to New York Attorney General Andrew Cuomo.

Spitzer has supplied Cuomo with documents and evidence that will lead to the indictments of current Federal Reserve Chairman Bernard Bernanke, former BushFRAUD Treasury Secretary Henry 'Hank' Paulson, former Federal Reserve Bank of New York CEO Stephen Friedman, along with none other than former White House illegal occupant, nation wrecking, election stealing, Constitution shredding, homosexual in-the-closet, cocaine snorting, AWOL, U.S. Treasury embezzler, war criminal George W. BushFRAUD.

Spitzer's 'smoking gun' evidence dovetails to our previously reported criminal activities of the Galleon Group hedge fund headquartered in India and Pakistan, the Bernard Madoff Ponzi Scheme and TRILLIONS of dollars of toxic assets aka derivatives linked to Goldman Sachs, J. P. Morgan and General Electric.

Note: We can also divulge that former Clinton Administration Treasury Secretary and former Citibank CEO Robert Rubin, as well former General Electric Chairman and CEO Jack Welch, are cooperating with Cuomo and Spitzer.

Cuomo's broadening, massive investigation dovetails to the criminal BushFRAUD-Paulson 'bailout' of these criminal banks and brokerage firms [that LOOTED the U.S. Treasury] that took place in September of 2008.

Item: We can also reveal that, along with Joe Klein of TIME magazine, as well as Mort Zuckerman of U.S. News and World Report, none other than FOX News owner, arch neocon Rupert Murdoch Greenberg, was a major investor in the Bernard Madoff Ponzi Scheme, and along with Klein and Zuckerman traveled to Israel to retrieve their original investment in the Ponzi Scheme that had been laundered into the Israeli Bank of Leumi with the assistance of Stephen Friedman's Federal Reserve Bank of New York and the Indian and Pakistan based Galleon Group hedge fund.

P.S. We can now also report that a Federal New York Grand Jury is looking into the frame up of Spitzer aka his dalliance with a Washington D.C. escort.

The frame up involves elements of FBI Division 5, major elements of the Israeli Mossad, including current Israeli Prime Minister Benjamin Netanyahu aka BibiFRAUD, as well as former White House Deputy Chief of Staff Karl Rove, and none other than current editor of the Washington Post Bob 'book and snake' Woodward.

Reference: Woodward has a known relationship to the Israeli Mossad and has been a firewall for the Bush-Clinton Crime Family Syndicate for years.

P.P.S. Former alleged JFK Russian 1964 defector Yuri Nosenko was a British Intelligence agent and had actually been sent to the Soviet Union by elements of British Intelligence who were trying to create a false legend that would claim that alleged 1963 JFK assassin Lee Harvey Oswald worked for the KGB.

Nothing could be further from the truth, folks!

Oswald was an FBI informant and Nosenko reported directly to his British Intelligence 'handler' and architect of "Operation Permindex" aka the British Intelligence plot that assassinated U.S. President John F. Kennedy, Sir Goldsmith.

And, it gets worse!

New evidence, or what one could call old evidence, has finally surfaced tying former U.S. President George Herbert Walker Bush and former U.S. CIA Director James Woolsey and the late CIA agent James Angleton as U.S. CIA liaison to both Sir Goldsmith and Nosenko in the outsourcing of the assassination of the 35th President of the United States.

We can also report that Nosenko had a direct relationship to known Russian defector George De Mohrenschildt and none other than the father of current Massachusetts Democratic Senator and George W. BushFRAUD's 3rd cousin on the Forbes side and now defacto U.S. Secretary of State John "Skull and Bones" Kerry Cohen.

It was John Kerry Cohen's father, a British Intelligence agent, that hired Ruth Payne as the babysitter for the child of Marie and Lee Harvey Oswald.

This new evidence linking British Intelligence to the assassination of President John F. Kennedy was not only covered up by the Warren Commission but also by then Watergate investigators, now current defrocked U.S. Secretary of State, loser Hillary Rodenhurst Clinton and former Republican Senator of Tennessee, homosexual *in-the-closet* Fred Thompson.

The notes and letters of the late Washington columnist Jack Anderson may soon surface in a noted foreign newspaper that will eventually lead to the unraveling of all of this, including the abdication and eventual arrest of the current British monarch, closet NAZI Queen Elizabeth II.

Final note: When it comes to former CIA Director James Woolsey you are dealing with a DIRECT enemy of the American Republic and the American Revolution in the 21st Century.

Woolsey, along with illegal White House occupant George W. BushFRAUD, and former illegal White House Vice pResident Dick Cheney, are still obstructing justice involving the American People's gold illegally transferred out of New York City to Canada on the day of 9/11.

The gold was transferred from WTC 7, which was demolished by explosive devices that were placed in Tower 7 by FEMA the night before 9/11.

The gold was eventually transferred to the Philippines, melted down and given to representatives of Osama bin Laden and alleged Al Qaeda to play the role of the 9/11 patsy.

Note: Former Hillary Rodenhurst Clinton 1990s White House confidant and Hungarian and East German DVD agent Eva Teleke aka Telege aka Teleki served as the bag lady for BushFRAUD and Cheney, with the exchange of gold and U.S. Treasury note taking place at the Hotel Manila in the Philippines.

It must be remember, folks, that former Vice pResident Richard Cheney coordinated the "False Flag" U.S.-Canadian Red/Blue War Games on the day of 9/11 that disguised the 9/11 "BLACK OP" attack America; and it was former Vice pResident Richard Cheney that met with representatives of alleged Al Qaeda and Taliban in February of 2001 to discuss a pipeline that would run through Afghanistan to the People's Republic of China.

Of course, you will not get these reports in the U.S. media, they are too busy covering hot air balloons and advocating basketball games between men and women.

Stay tune for our next intelligence briefing - it WILL be coming - just be patient, folks, that will out numerous members of the corporate-controlled, fascist, extortion friendly U.S. media that have enabled this massive Bush-Clinton Crime Family treasonous crime spree that has LOOTED the U.S. Treasury and reduced the U.S. Republic to rubble.

We are also working on a developing story dealing with Bill Clinton's Parkinson's disease and current defrocked U.S. Secretary of State, loser Hillary Rodenhurst Clinton's new illness, which is extremely severe.
