**United States of America – It can now be reported that the unelected White House occupant George W. Bushfraud is facing imminent arrest by the U.S. Navy Flag Officers for HIGH TREASON against the United States of America.**

**John McCain's alleged suspension of his presidential campaign is a disguise for a constitutional crisis of unprecedented proportions as the United States spirals headlong towards civil war, revolution and anarchy.**

**As we reported in our previous briefing, the U.S. Military now has “smoking gun” evidence that the Bushes and Clintons Crime Family Syndicate STOLE U.S. Taxpayers’ funds and laundered them to offshore CIA proprietaries.**

**AND, OF COURSE, IT GETS WORSE!**

**Bushfraud is now employing the service of both the Israeli Mossad and British MI6 Blackwater mercenaries to protect him from arrest and actually spy on U.S. Military Flag Officers dedicated to arrest of this TRAITOR.**

**Accordingly, Bush tonight used his corporate Mossad and MI6 controlled media to get on national television and ask the American People to bail out the thieves and crooks that helped the Bushes and Clintons loot the U.S. Treasury.**

**The idea that Barack Obama and John McCain can suddenly show up in Washington and, along with other Congressional thugs and embezzlers, deceive the American People into believing this crap borders on the inane and the ridiculous.**

**If both Obama and McCain come out and support this \$700 Billion hold up aka heist of the American Taxpayers' money, one can only conclude that revolutionary measures must begin in earnest to absolutely destroy both of these political parties that have led us to this disaster of unprecedented magnitude.**

**P.S. Isn't it interesting that Keating 5 bank dick John McCain is speaking tomorrow at the Clinton Foundation, an *alleged* private charity, whose major financial funding comes from Bush and Baker offshore accounts tied to the theft of U.S. Taxpayers' funds.**

**McCain is a stooge and a farce and is there to protect the powers that be that have destroyed the United States of America.**

**Senator Obama is financially backed by Sara Lee Corporation of Chicago, Illinois with direct ties to overseas Chinese trading activity, including the noted Hong Kong Bank, which is an NBC General Electric money laundry.**

**P.P.S. We can now finger Senators Barney Frank, D-MA, as well as Charles Schumer, D-NY, Orrin Hatch, R-UT and Kit Bond, R-MO, as the major firewalls and cover up artists involving keeping secret the ILLEGAL offshore accounts tied to the Bush-Clinton Crime Family Syndicate and up to 70% of U.S. Congressional membership.**

**Orrin Hatch is a signatory to major Bush ILLEGAL offshore accounts while Barney Frank, who once ran a homosexual prostitution whorehouse in Washington, D.C., has for years covered up and kept secret the ILLEGAL offshore accounts of Bill and Hillary Clinton that have been set up under the name of their daughter 'Chelsea'.**

**Chelsea Clinton works for a major hedge fund corporation in New York City.**

**P.P.P.S. At this hour, the American media continues to promote the BIG LIE and directly interferes with Constitutional Re-Implementation.**

**There can be no doubt that they are a DIRECT enemy of the American People and will enable the Bush-Clinton Crime Family Syndicate rule over America until the last bank in the United States fails.**

**It is time to be prepared for revolutionary mode and *extra* Constitutional measures.**

**Final note: As to Charles Schumer, D-NY, the little scumbag, who is controlled by the Israeli Mossad, has for years been a major benefactor of Boulder Properties of Denver, CO, MDC Holdings Bush-Clinton real estate fraud and millions of dollars of bribes from the real estate swindlers that have wrecked the United States of America.**

**Schumer, along with KHAZARIAN Jew, U.S. Attorney General Michael Mukasey, are trying to limit the investigation of the major Bush-Clinton stooge company MDC Holdings of Denver, Colorado.**

**MDC Holdings is tied to NBC General Electric and TRILLIONS of dollars of bogus offshore derivatives that were created with STOLEN U.S. Taxpayers' money and are now parked in Bush-Clinton Crime Family Syndicate ILLEGAL offshore accounts.**

**There is a direct tie in to the noted FBI Division 5 William Morris Agency of Denver, Colorado, which of course NBC anchor face Tom Brokaw is a board member.**

**So you see folks how the criminal corrupt American media helps to enable and protect the political stooges and criminal conspirators.**

**Call your Congressman tomorrow at (202) 224-2131 and tell them, in no uncertain terms, that if they vote for this \$700 BILLION TREASON they will be history.**

**We will leave it to your imagination folks what prison cell we can park the entire U.S. Congress in. Maybe we should just empty Guantanamo Bay and make room for this filth.**

**In regards to who one should vote for in the alleged 2008 election it is important to recall that this election is a fix.**

**McCain is a bank dick and Obama is a northern liberal and no northern liberal, whether it was then unelectable Hillary Rodenhurst Clinton of New York state or unelectable Barack Obama of Illinois had a prayer of being elected president from the beginning.**

**As I have explained to you ad nauseam folks, as a Democrat running for president since 1964, if you don't come from the South you will never go to the house, i.e. the White House.**

**And again, folks, we do not need an election since we have not adjudicated the results of the year 2000 presidential election. Bush's presence in the White House is based on fraud upon the court aka the U.S. Supreme Court.**

**That is why we continue to say Lafayette remains at Brandywine and Albert Gore Jr. remains seven years later still the non-inaugurated, duly elected President of the United States.**

**We do not need an election. We need to prepare for revolution, and let the revolution be the re-birth of America and the return to the Constitutional Rule of Law.**

**Remember Thomas Jefferson is watching over us and will be with us as we annihilate the TRAITOROUS enemy of the American Republic and the American Revolution in the 21<sup>st</sup> Century.**

**In the words of our sister Republic, the nation of France, great revolutionary anthem, the Marseillaise**

**“Let their impure blood soak in our fields”.**
