ALEXANDRIA DIVISION

AMBASSADOR LEO WANTA,

Plaintiff,

v.

UNITED STATES OF AMERICA, et al.,

Defendants.

Civil Action No. 02-1363-A

MEMORANDUM OPINION

THIS MATTER is before the Court on Defendants the United States of America, et al.'s, motion to dismiss Plaintiff Ambassador Leo Wanta's claim of breach of contract based on lack of subject matter jurisdiction and on Plaintiff's motion to amend his complaint. The issue before the Court is whether the Court should dismiss an alleged secret government agent's claim against the Attorney General, the Director of the Central Intelligence Agency, the Secretary of the Treasury and the Government based on lack of subject matter jurisdiction. The Court grants Defendants' motion to dismiss pursuant to Federal Rule of Civil Procedure 12(b)(1) because the Government has not waived sovereign immunity and public policy forbids the adjudication of a suit relating to matters of an alleged national security contract. The Court denies Plaintiff's motion to amend his complaint under Federal Rule of Civil Procedure 15(a) because such an action would be futile.

(J)

(16)

(21)

Claims. Nor would an amended complaint change this Court's ability to provide equitable relief in this matter since Plaintiff does not seek recovery of payment or assessment of federal taxes. Moreover, allowing Plaintiff to amend his Complaint would not remove Plaintiff's bar from suing the United States government because he lacks express consent or a waiver of sovereign immunity by the United States government that would allow the United States Court of Federal Claims to have subject matter jurisdiction in this case. Therefore, the Court denies Plaintiff's motion to amend his complaint because such an action would be futile. Plaintiff's sole remedy in this matter is to proceed with the liquidation of the corporations and report these transactions to the Internal Revenue Service in accordance with the Internal Revenue Code and then challenge the assessment of any taxes in a refund proceeding. See *Int'l Lotto Fund*, 20 F.3d at 591.

III. CONCLUSION

The Court grants Defendants' motion to dismiss based on lack of subject matter jurisdiction and failure to state a claim on which relief may be granted. The Court denies Plaintiff's motion to amend his complaint.

Party called Saturday with the following information ...

1. I should call and talk with Attorney Dan Dixon, retained by Erbe/Ebbe to handle sales of 14-10 Japanese Certificates of Deposit, 8 $\frac{1}{2}$ -10 - 11 mos. aged securities. Some are with/thru Canadian Imperial Bank, Cusip # available.
2. Dixon's telephone numbers are:
 Rose, Schmidt, Halsey & LaSalle of Pittsburgh, Pa.
 Office: 412.434.8585 Home: 412.343.6022
3. Erbe claims that George M. Parks, Dean of Pace University / " Luben School " is presently involved with Dixon/Erbe operations????
4. Erbe stated he was in direct contact with Senator Heinz, Arlan Spector, Pa. District Attorney for some type of special assistance in above banking matters, among other things.
5. The aggregate USDollar amounts are in the range of US\$800,000,000.00 for banking sales and resultant transfers.
6. Thomas Conway confirms that Erbe is attempting to funnel through Dain Bosworth channels and has requested he also arrange telephone call to Attorney Dixon.
7. Mr. Charles Ross of Pittsburgh apparently is setting up some sort of Attorney Trust account to handle some of the securities sales directly. Further, he is a Junior Legal Officer of the Bank known to us.
8. Erbe and group feel that everything will be A-OK because some person, which is:

SCHOKEY, Assistant Controller
 Controller of the Currency
 U. S. Department of the Treasury
 Washington, DC, USA

is directly or indirectly involved in these USA transactions to some degree of acceptance or direction. Erbe claimed that he issued orders or instructions on my behalf for some special care. I fully imagine the related bullshit that would create to assist us here unless we take comparable care of their situations and related expenses unknown at the present time. We could never trust Erbe's Group to accomplish any finalization of clear and indentifiable documentation.

Still feel strongly that there is a definite connection with Erbe/Edel and Josephine Rita Mangiapane and organization. Any thoughts.....

Warmest personal regards,

SARAH McCLENDON'S WASHINTON REPORT

3133 Connecticut Avenue
Suite 215
Washington, D.C. 20008

By Sarah McClendon

Washington, D.C. --- Leo Wanta, whose purchase of huge sums in Russian rubles is credited with bringing down the Soviet Union in the Cold War, will be put through a third party lunacy test in Madison, Wisconsin circuit court on Tuesday. He has successfully been declared of sound mind in two previous lunacy tests under the Wisconsin state attorney general's office. His own attorney, James Shellow of Madison, Wis., is instituting this test. Shellow says that under the rules for attorneys in Wisconsin he has to notify the court that he thinks the lunacy test should be given. Shellow admits to being a former attorney for a deceased Mafia chief in Wisconsin named Belistiari. Shellow thinks Wanta will be declared sane in the upcoming hearing on Tuesday, but Shellow claims to know nothing as to how Wisconsin was able to extradite Wanta in chains and shackles from Switzerland, where he was doing business with Swiss banks after having given up his citizenship in Wisconsin. Wanta claims that he had just been made ambassador to Switzerland and Canada when Wisconsin state officials seized him bodily in Switzerland. Wanta claims that they took his briefcase from him at that time which contained billions in Treasury bills and Promise software technical equipment which the U.S. was using to get inside information about foreign treasuries.

Although the briefcase was taken by Wisconsin authorities in 1993, it has never been returned to Wanta nor has he any knowledge of what happened to its contents.

The charge is that he owed Wisconsin originally approximately \$14,000. He claims to have paid back that amount in 1992. The state attorney general's office seized his house worth \$120,000 and sold it for \$60,000, but there is no record of this in the Department of Revenue in Wisconsin nor is there any trace of the proceeds from the sale.

Wanta was buying rubles from Russia at the request of the President, Ronald Reagan. Wanta had worked at the White House, the National Security Council, the Central Intelligence Agency and six other government agencies during his career.

He and President George Bush set up the Ameritrust account in the Credite Suisse bank for the U.S.

government to use in case it needed to counter terrorists from overseas, according to Pat Cameron, Los Angeles attorney for Wanta. Wanta says that when former president George Bush sought to withdraw funds from the \$210 billion on deposit that Wanta, a co-signer of the account, refused to give his signature for the withdrawal because the funds, he said, belonged to the U.S. government, not to an individual.

I don't know what to think yet. Good for Sarah McClendon. She has been the only journalist to challenge Bill Clinton about Mena, Arkansas and cocaine running. Clinton stumbled around after the question and claimed, at his White House news conference, that he had nothing to do with Mena.

I thot Sarah retired a few months ago in a Pres. new conf., forcing Blue Bill to [not deny] that the UN is pervading every aspect of American life, including militarily. The question was to be her swan song [I thot.]

This is just way too strange. I can't believe that this kind of story is not being tracked by the big guys in the media. Are they letting it mellow or decompose?

Who says the mainstream press doesn't have the guts to ask President Clinton the tough questions? Sarah McClendon, a veteran reporter, fired off the question conservatives wanted to hear, sort of.

She asked the president to "counteract the rumormongers that are abroad in the land who are spreading all these rumors that are scaring people to death. Large segments of our citizens believe that the United Nations is taking over whole blocks of counties in Kentucky and Tennessee. And some of them believe that you're going to put us in a concentration camp and you're going to give our army to Russia and all that baloney. Could you do something about this, because it's hurting the unity of the United States."

enforcement of the American Rule of Law so that Lee Wanta can proceed with the HSR System (HRS Maglev Bullet Train) Plan. And you can make the call and ask your Representatives and Senators to repeal the Unconstitutional Free Trade Treaties that are destroying American jobs more and more each day. This is essential for the real National Security as is the nationalization of the Unconstitutional Central bank and the Repeal of the Federal Reserve Act.

## OLDDOGS COMMENTS

### Let the reader beware!

Wanta is not the Hero-Saint here described, but a copyright thief, and liar of the highest order. Re-read this article and see if any credit or mention was given to Marilyn Barnewall who spent years collaborating with Wanta and writing books that followed his exploits, only to have him attempt to steal her copy rights. This amazing woman wrote several books and late in life worked like a dog trying to bring to light what was happening to him by people in high places in America. The fact that Wanta is a highly intelligent person means nothing when his character is that of a con-man. Give him the praise and power he craves, and watch him turn on everyone who has supported him. He turned on Christopher Story who first brought his "story" to the attention of his international readers of International Currency Review. Story worked with Wanta for three years before finding facts that couldn't be validated and turned against him. Had it not been for Chris Story, no one would have ever heard of Leo Emil Wanta. He turned against the only good attorney he had during the years he was being tried for one tax evasion charge after another. She deferred receiving payment from him for three years because she wanted to help "this poor guy." This would be after his criminal conviction by a Wisconsin jury in 1995. During those three years, her husband's business failed and because she had taken Wanta on as a full-time client. Because of the problems caused by this lawyer – the only really good lawyer he had during that time — they lost their home in Southern California. She told Wanta she had to stop working for him because she had to generate income. He showed his gratitude by filing a complaint against her with the California Bar Association. He has screwed over a lot of people, not just Marilyn Barnewall. If the world knew Marilyn Barnewall like I do, she would be the president of America, and the first totally honest one.

## The Adamus Group Exposed: It's Nazi Paperclip

by Tom Heneghan, International Intelligence Expert

UNITED STATES of America - The Adamus Group, which is a worldwide intelligence gathering corporation that manages worldwide databases on behalf of the U.S. NSA (National Security Agency) and then shares their intelligence gathering capability with national intelligence agencies, U.S. law enforcement and the criminal banking giants that have looted the U.S. Treasury and placed the entire savings deposits of Americans, who have their funds in the aforementioned banks, at risk.

American citizens' deposits have now been categorized as a counter party to the derivative exposure of worldwide banks aka the MF Global-PFG debacle.

Adamus Group aka German Nazi Paperclip is directly tied to the privately owned U.S. Federal Reserve and the massive manipulation of worldwide financial markets using electronic software programmed "Next Gen" technology that allows the crooked worldwide banks to have 5 - 7 seconds lead time on all worldwide financial trading.

Next Gen technology defined is the use of algorithm that convert back to the prime number 10.

Millions of trades are placed electronically daily by the worldwide crooked banks using algorithm and Next Gen technology to rig every security, commodities, currency and precious metals contracts traded on worldwide exchanges.

It is totally a DNA electronic high frequency based PONZI SCHEME.

The danger in all of this illegal manipulation is that the algorithm, like a massive DNA splice, will go high bred and that the electronically programmed high-frequency trading computers can not convert back to the prime number 10. The result, a massive worldwide stock market melt down like 2008.

Reference: The derivative exposure of worldwide banks was 1,000 to 1 in 2008.

They are now 10,000 to 1 in 2013.

We can now also divulge that Adamus Group is directly used by the treasonous U.S. NSA and the Department of Homeland Security (DHS) to hack websites, monitor emails, illegally wiretap phones of patriotic U.S. citizens who are enraged that they have to now live in a de facto fascist state controlled by financial gangster banks and German Nazi Paperclip controlled U.S. bureaucracies and political stooges.

Example: Bush-Clinton Crime Family Syndicate stooges, extortion-friendly Senator Lindsey Graham, Republican of South Carolina, and Democratic Senator of New York Charles Schumer.

The Adamus Group is also linked to the control of U.S. media outlets aka CNN, FOX News, NBC, ABC and the financial network Bloomberg News.

Reference: Bloomberg News owned by neo-Nazi Mayor of New York City, Michael Bloomberg, was just fingered in a massive electronic front running trading scandal tied to criminal banking interests.

Nothing you hear in the U.S. media is real or in real time.

The Adamus Group and the U.S. NSA have a 20-second lead time to pull the plug on any broadcast they deem inappropriate.

We can now also report that the Adamus Group is under the direct control of former U.S. Vice pResident (German Nazi Paperclip orchestra leader) Dick Cheney and current Israeli Prime Minister Benjamin Netanyahu.

Both Cheney and Netanyahu were behind the latest psy ops in Boston and Benghazi with full cooperation of the U.S. NSA and the U.S. State Department and the treasonous Department of Homeland Security (DHS), with former U.S. Secretary of State Hillary Rodham Clinton and neo-Nazi Department of Homeland Security Secretary Janet Napolitano giving full cooperation.
