Re: Your letter dated October 9, 2002 and Frank B. Ingram, Security Identification Number SA32NV (US Treasury); Rick Reynolds, Security Identification Number SA233MS (US Treasury) and Ambassador Leo E. Wanta, a.k.a. Lee E. Wanta, an American Operative, Ministry of Foreign Affairs, DPP#-04362 & 12535

Dear Ms. Bronstein:

It is my impression from reading your letter (reference date October 9, 2002) that you were provided several documents that I had sent to FBI agent Fitzgerald in Wisconsin. If I am incorrect I am attaching with this letter a copy of the subject alleged FBI report that we assert was fraudulently and/or maliciously prepared with negligent and criminal intent. It is our position that we should not be required to identify whether the same was prepared or authored by an employee/representative of the FBI or was it authored by one or more unknown parties fraudulently using FBI/DOJ stationary. I submit that there are substantive facts to confirm and verify our claims and assertions. It should not be incumbent upon us in making a request for such an investigation to include all such facts and circumstances. We would assert that in the information I provided to Agent Fitzgerald both, verbally and in writing, we demonstrated probable and/or reasonable cause to support our claims and request for an investigation.

In regard to facts that we feel substantiate reasonable grounds for the proper authorities to conduct such an investigation into the referenced FBI report we submit the following for your consideration:

- Information is available that the purported signature of the author of the alleged report is not in fact the signature of the named person and inquiry with this person would reflect that this individual did not sign the report nor did the named person either prepare nor authorize the preparation of the report.
- The information on investigations and material representations regarding Leo Wanta are not in fact representations, summaries or otherwise of information contained in any files within the criminal record keeping system of the FBI.

- One or more employees of the contract prison facility where Leo Wanta was incarcerated (for a period of time) in the State of Oklahoma advise that there were two sets of files on Leo Wanta. Different than any other of the more than 3,000 inmate files known to one of the employees Leo Wanta had the only file with no FBI report contained within the file. When the employees of the facility attempted to obtain such a report from the local sheriffs office the sheriff advised them that none was available and they were advised by officials within the institution not to make further request for such a file.
- The alleged report has a statement at the end of the report that the report is "not to be given to Wanta". This statement, within a report where it is clear that the author of the report has knowledge that the report is going to be given to the presiding judge in the criminal case, clearly should shock the prurient interests of any experienced participant in the criminal justice system.
- The alleged report contains a statement that Leo Wanta makes claim of having an association at high levels of the USG. The report makes a conclusion that such a claim by Wanta is spurious. In this regard I would offer you the attached letters as the start of a substantive basis to question the validity of such a statement. I would also suggest contacting one or more of the following that should further lead one to more than just peripherally question such a statement: Vice President Dick Cheney, former Vice President Dan Quayle, former President George Herbert Walker Bush, Senator Chuck Grassley, Senator Orrin Hatch, Senator John Kerry, and CIA Director George Tenet.
- I would also note from my past experience as an AUSA that the report contains no office source reference, no file reference numbers, no crime category identification numbers and no record locator number just to name several of many examples that should lead a reasonable person to questions the veracity and validity of the alleged report.
- It should also be noted that if a careful inquiry is made of a field office report made by Dennis Ullman, an investigator with the Department of Revenue in the State of Wisconsin, it could be seen that the alleged FBI report contains words of explanation almost identical to language of one or more paragraphs in the alleged FBI report. In an intended tone of sarcasm the language is so similar that in the world of copyright protection Dennis Ullman could most likely bring legal action against the author of the alleged FBI report for plagiarism.
- I am also attaching a letter written in regard to questions recently identified in the press regarding the nuclear weapon capability of North Korea. I would suggest that you look carefully at the subject letter and then use your experience (that resulted in your becoming a Unit Chief) and determine if there is a least a dusting of dirt on the circumstances and authorship of the subject FBI report that should instill a sense of justice in investigating the entirety of circumstances that caused such a report to be created.

I am prepared to provide additional information and answer any questions you may have in regard to our request for an investigation into the authorship and distribution of the subject FBI report. In your letter you also referenced various issues concerning the Ambassadorship of Leo

October 24, 2002

Wanta. To prevent confusion and improper review of all pertinent issues I will submit factual substantive reasons that our request for an immediate investigation is warranted and justified. I will be sending pertinent information in regard to the Ambassadorship claims for investigation in the next one or two days.

Thank you in advance for your considerate attention to the matters addressed in this letter. I anticipate further communication and discussion in regard to our request for an investigation into this matter.

Sincerely yours,

Thomas E. Henry

No title ATTACHMENT was enclosed — BUT I RECEIVED TWO + ONE YEARS IN WISCONSIN PRISON, BECAUSE J. WANTA TESTIFIED THAT I WAS THE SOLE DRIVER, AND NOW IN AFFIDAVIT #2 LINE 5 ~~SHE~~ ADMITS TO FRAUD ON THE COURT & FALSE SWARING.

4. AT THE TIME OF THE CIVIL TAX TRIAL AND THE DIVORCE TRIAL UPON TRUTHFUL FACTS, LEGAL DOCUMENTS AND PERSONAL BELIEF, THIS NON-APPROPRIATE RESPONDENT, LEE E. WANTA, WAS NOT THE OWNER, AS FALSELY ALLEGED, NOR A CONTROLLER, NOR "ALTER EGO" OF NEW REPUBLIC/USA FINANCIAL GROUP, LTD (USA) WITH 0% (ZERO PERCENT) OWNERSHIP BY US GOVERNMENT CONTRACT, BUT WAS BY CIA/USC EMPLOYMENT CONTRACT AWARDED 1% (ONE PERCENT) OF THE NEW REPUBLIC/USA FINANCIAL GROUP, LTD (GESELLSCHAFT AUSTRIA) FINANCIAL/INTEL OPERATIONS. (SEE USC/CORPORATE EXHIBITS) AS TO HER FRAUD ON THE COURT, BY HER STATEMENTS, "IF IT EVER EXISTED, HAS LONG BEEN EITHER DISMISSED OR HAS VANISHED." "??

SINCE SHE ONCE THREATENED TO REVEAL US VICE PRESIDENT GEORGE BUSH'S ACTIVITIES WITH SECURITY CODE: NEW REPUBLIC, I

Now understand her devious role to AGAIN
outline previous Intel/Cover Operations.

5. I Am very pleased that this Petitioner
Now Admits this Corporate Vehicle is in
Her sole possession — Since I went
to Prison for "actually concealing"
this automobile while legally residing
in Australia & Singapore — Maybe
the State will issue my Acquittal!
And Acknowledge my Innocence & Expatriation!

6. I have no idea of this Corporate Assets
Roadability, and since I am on a leave
of absence, during my False Arrest &
Wrongful Incarceration; I Am NOT
the appropriate Respondent to issue
a Fraudulent Transfer of Title, of
a legally registered Corporate Asset.
As the corporately assigned driver, she
~~she~~ should have Flood Damage Insurance.
As originally purchased at Allstate
Insurance by New Republic/USA.

7. The purpose of my Respondent's Motion
is to deny any legal responsibility for
her individual actions, as I have obtained
-5- All

A CATHOLIC CHURCH ANNULMENT, DUE TO HER ACTIVITIES,
THREATS, MISCONDUCT, INTER ALIA.

THE CORPORATE ASSIGNMENTS OF MORTGAGE, VEHICLE TITLES,

SOLE CORPORATE PROPERTY OF "NEW REPUBLIC / USA",
AND UPON PAYMENT OF ACCRUING COSTS & CHARGES,
A CLEAR TITLE OF MORTGAGES WILL BE RECORDED
IN OUTAGAMIE COUNTY, WISCONSIN, USA BY CORPORATE,
HOWEVER, SINCE THIS (CORPORATE REA) ESTATE PROPERTY
HAS BEEN ILLEGALLY TRANSFERRED AND SOLD, THE
MORTGAGES UNPAID AND IN DEFAULT BY TERMS &
CONDITIONS OF 1977 filings & subsequent filings,
I CANNOT be legally liable of UNAUTHORIZED ACTIONS
"OF OTHERS" - DUE TO MY CONTINUING FALSE ARREST &
NON-JURISDICTIONAL INCARCERATION. BY VIRTUE OF THE
CURRENT FINANCIAL / DEBT OBLIGATIONS OF MRS. WANTA'S
FRAUDULENT CONVEYANCE OF CORPORATE ASSETS, THERE IS
NOTHING TO DIVIDE BETWEEN THE WANTAS, EXCEPT TO HAVE
MRS. WANTA, ET AL TO REVERSE THE TITLE CONVEYANCE
FRAUD AND SETTLE WITH THE LEGAL MORTGAGE HOLDER,

Case No. 95FA445

This matter came on for hearing before Robert G. Evans, Family Court Commissioner, on the 1st day of November, 2000. The petitioner was present in court unrepresented. The defendant was not present in court. The defendant filed documents regarding this matter along with Motions but did not appear to argue the same.

The issue before the court is over a judgment of divorce issued November 3, 1995, in Eau Claire County. Pursuant to a stipulation of the parties, a judgment was granted awarding each party the personal property in their possession.

In this case the petitioner had a 1989 Buick ELE STW, Title #8828529016-3, with a vehicle identification Number of 1G4BV81Y0KA400033. This vehicle was titled in New Republic-USA Financial Group Limited, Lock Box 2546, Appleton, WI 54913. This is one of several corporations owned by the respondent and its current status is unknown.

The petitioner requests transfer of the automobile to her name so that she may dispose of it, as it is no longer operable and she's been unable to get a title transfer even to sell it to a junkyard.

A16

Based upon the facts as set forth before the court and a review of the original judgment in this matter, it is hereby ordered that plaintiff Joanne E. Wanta be and hereby is authorized to sign said title for New Republic USA Financial Group Limited and transfer said title to Joanne E. Wanta for the purposes of disposing of said automobile.

Dated at Eau Claire, Wisconsin, this 27th day of November, 2000.
