## **Fitzgerald Widens Investigations Into Libby Rich Pardons**

**By Tom Heneghan**

Special Council Patrick Fitzgerald is now widening his investigations into the Scooter Libby-Marc Rich Pardons.

Note: Libby had his sentence commuted which is just as good as a pardon.

**Fitzgerald has now linked CZECH Industries, Genesis Inter Media, German Deutsch'e Bank and Austrian Bucket Shop tied to both Rich and Libby called East Brokerage International in Austria.**

**All this connects back to Global Capitol Partners a Bush-Clinton-Crime-Syndicate money laundry with tie ends to the Chicago Financial Markets and none other than a Strip Club called the Doll House.**

All this evidence was received by Fitzgerald from convicted unelectable Hillary (Rodenhurst) Rodham Clinton's fund raiser James Levin.

**What gets worse is that Levin is also connected to Israeli mega Mossad Hussein Obama fund raiser Louis Susman.**

**This money laundry i.e. Austria and Chicago is built on the foundation to control all world wide communications with Bush-Clinton Iran Contra paymaster Adam Kashoggi and unelectable Hillary Clinton fund raiser Israeli tax cheat Haim Saban operating as bagman.**

So it can now be reported that the Marc Rich Austrian based East Brokerage International is operating as nothing more than a Boiler Room for massive fund raising designed to support Kashoggi Genesis Inter Media and Saban's Univision all of this under the international control of Fox News-Fox Noise Israeli mega Mossad Rupert Greenberg i.e. Rupert Murdoch.

Note: Republican Murdoch i.e. Greenberg has already given over \$25 Million to both unelectable Hillary lesbian (Rodenhurst) Rodham Clinton and unelectable Osama Obama.

PS: Guess who is defending Bush-Clinton Iran Contra Crook in the San Diego Pentagon Fraud case none other than White Water Susan McDougal Clinton-Bush box attorney Mark Geragos.

PPS: It can now be reported that homosexual Fred Thompson's trophy wife i.e. his beard and cover actually worked a time at the Pamela Martin and Associates Escort Service.

That's right folks, Thompson married a whore to cover-up his homosexuality.

One Last note: Message to unelectable Hillary Clinton: there are no statutes of limitations on murder since the fact that the Marc Rich pardon involves you Hillary Clinton killing Vince Foster.

It can now be reported to you that Patrick Fitzgerald has talked to former Clinton Investigator Miguel Rodriguez.

**Rodriguez was fired by alleged Independent Council Kenneth Star when Rodriguez reported in a written draft that his FBI Investigations had uncovered the fact that unelectable Hillary Clinton had hired a team of assassins disguised as Doctors to kill Vince Foster in an Apartment next to the Saudi Embassies. Foster was taken by vehicle license RCG-702 AR to Fort Marcy Park where his body was dumped.**

**Immediately First Lady Hillary and fellow lesbian Susan Thomas looted Vince Foster's safe to remove NSA files detailing the criminal activities of both the Clinton's and Bushes with then fixer Marc Rich.**

**Included were the American Global Documents on Mena, Arkansas as well as the secret codes involving U.S. Nuclear Shields that were eventually transferred to China and Israel.**

**One last note: It was then Vice President and duly elected year 2000 President Albert Gore Jr., who tried to have Marc Rich arrested.**
