**United States of America – It can now be reported that after the G-7's conference today in Washington, D.C., a private meeting took place between U.S. White House occupant George W. Bushfraud and French Finance Minister Christine LaGarde.**

**French Finance Minister Christine LaGarde showed the *alleged* pResident George W. Bush "smoking gun" evidence detailing Israeli MOSSAD infiltration of major Al Qaeda cells in Yemen, which were used to attack the U.S. Embassy in Sana'a last month on September 17<sup>th</sup>.**

Smoke rising following an attack on the US embassy in Sanaa on September 17, 2008. Islamist militants attacked the US embassy in Sanaa with a car bomb and rockets today, leaving 16 people dead, in the second strike on the high-security compound in six months. The dead were six Yemeni soldiers, four civilians including an Indian and six attackers -- one wearing an explosives belt, the interior ministry said. A group calling itself Islamic Jihad in Yemen claimed responsibility for the attack in a statement received by AFP and threatened similar strikes against the British, Saudi and Emirati missions in the Yemeni capital. *AFP/Getty Images*

## **AND THEN IT GETS WORSE!**

**French Finance Minister Christine LaGarde also showed Bush evidence uncovered by French Intelligence detailing the ISRAELI MOSSAD's plan to use private mercenaries and compromised Israeli Mossad-Al Qaeda cells on U.S. soil to launch a major terrorist attack on the United States a week before the upcoming November presidential election.**

**This attack will coincide with a major worldwide "financial" terrorist attack on all U.S. equities and bonds as to finish off the United States of America as a Republic and reduce it to a third world nation and plunge the United States into poverty and anarchy.**

**A new alliance has developed involving Israel, the United Kingdom, the Russian Federation, China and the German Federal Republic.**

**This alliance believes the United States is finished as it no longer has any financial foundation and, accordingly, is no longer useful given the fact that the U. S. Treasury has been completely looted.**

**Accordingly, the new alliance figures it is time to finish off the United States and scrape up the left over remains of what was once a great nation.**

**It is FRANCE, our oldest ally and our only *REAL* friend, that has not participated in this rape of the United States and had to endure the humiliation of Bushfraud's dishonor of the American-French blood alliance during the Iraq War controversy, that has come to our aid in our most dire moment.**

**That is why I say folks, you know who your *REAL* friends are and who your real friends aren't.**

**Vive la France!**

**Vive the United States!**
