FIRA, GREECE. On Sunday July 5, the Greek people voted in a historic referendum to refuse the Troika's draft agreement.

The Referendum was an outright "ritual of democracy". The Greek people were betrayed. On Monday morning, July 6, on the day following the referendum, Prime minister Tsipras put forth a 13 page draft proposal which included most of the demands of the creditors. This proposal, which was drafted before the referendum in close consultation with the creditors was essentially intended to lead towards the acceptance of the creditors demands, namely to support the YES vote which was defeated in the July 5 Referendum.

This about-turn had been carefully engineered. The Greek people

were misled and deceived. PM Tsipras was in bed with creditors while supporting the No Campaign. He had made a deal with the creditors, he was in favor of accepting the demands of the creditors all along. The NO mandate of the Greek people was meant to be ignored. And that decision was taken BEFORE the referendum. The July 6 post referendum document put forth by PM Tsipras on Monday 6 July was accepted in substance by the Troika. It was then endorsed by the Greek Parliament.

The important question for the Greek people.

Does the vote of acceptance by the Greek parliament provide a legally binding green-light to the government to finalize debt

negotiations AGAINST the Greek people, overriding the NO Vote in the Referendum.

What is the role of a referendum under Greece's constitution?

While the result of a referendum is not always legally binding, it nonetheless provides an explicit political mandate to the government which has to be followed. **A referendum cannot be based on a priori deception. The results cannot be ignored in a democracy.**

The referendum was held while the Tsipras government had already decided to cave in to the creditors.

Neither the Parliament nor the government can rescind the VOTE of the Greek people on the July 5 2015.

Under a democracy, the government has a responsibility to implement the NO vote in the Referendum, which was sponsored by the Syriza government in the first place.

If it is not willing to respond to the demands of the Greek people it must resign.

It is important at this stage that the Greek people question the legality of the parliamentary decision. It is worth noting that the **Supreme Special Court** (*Ανώτατο Ειδικό Δικαστήριο*) endorsed the holding of the Referendum.

What must now be established is the constitutionality of the parliament's denial of the Referendum procedure and its de facto endorsement of the YES Vote. That decision has to be challenged. **And this must be done before a final binding agreement with the creditors is reached.**

Ambassador Lee E. Wanta Releases His Biography

July 21th 2015

For Immediate Release

It was announced today that the long anticipated biography of Ambassador Lee E. Wanta has been released and is now available to the public on Amazon. This is the only authorized biography of the Personal Intelligence Coordinator and Secret Agent who was mandated under President Ronald Wilson Reagan. The 350 page biography is backed up with hundreds of accessible documents to provide evidence and verification for the story of Lee Wanta's life. The content released in this biography is sensitive, controversial and timely. Much of it has never before been shared with the American public. The subject matter it addresses has its historical foundation in Lee Wanta's secret work under President Reagan to bring down the Soviet Union, financially ending the Cold War without firing a single shot. It explains how he privately amassed trillions of dollars and what he is going to do with these funds going forward. It provides in-depth information about how the Non-Government Federal Reserve and the Corporation State of Wisconsin hijacked his funds, as well as the criminal and corrupt way that they operate through a system of Puppet Masters. The biography contains new never-released Intel information regarding Vince Foster and Hillary Clinton receiving 250 million dollars from Lee Wanta for the Children's Defense Fund which has never been accounted for. The same day these funds were transferred he was put in prison and shortly after Vince Foster died. This biography asks hard questions that need to be addressed by many well-known politicians. It explains how the Corporate State of Wisconsin operates well outside the Constitution and how they continue to operate this way under the administration of Governor Scott Walker. It exposes current activities in the Ukraine and corrupt destabilization efforts happening throughout the nation and world, and most importantly, who is behind it all. Learn how Congress has censored and suppressed information that should have been disclosed under Title 18 Section 4 and Section 201 and how some elected officials are using bribery and extortion to get to Lee's funds. Because of the sensitive nature of the content and some of the new information regarding Presidential candidates from both parties, it could have possible implications on the upcoming election.

The biography helps dispel any doubts as to who Lee Wanta really is, about the \$31.2 trillion he controls now, and what his goals are to help the country to rid itself of political corruption and get us back to a strong financial footing again as a world leader. The author of the biography is Lee Wanta himself, and has been edited by Lon Gibby, and published by Viking International LLC. A documentary film entitled *Eagle One to Wanta* is in production by Gibby Media Group, Inc. To follow this release of the biography the documentary will be released in 2016 www.eagleonetowanta.com.

Ambassador Lee E. Wanta's timely biography helps to clear up some of this confusion and restores hope that we can get our nation back in line with our Constitution: We the People and by the People.
