At your earliest convenience, please request U.S. Ambassador Burns to meet with this International Delegation to update your Clinton / Gore Administration, as to our legal purchase and authorized transfer of stock equity of The Ionian and Poplar Bank, S. A., of Athens, Greece – as represented by the Office of the President of Greece in their Privatization Programme.

As to their State of Wisconsin Criminal activities, both Legal Counsels will update the Ambassador, as to the State's admission to the High Court that Ambassador Leo E Wanta, Diplomatic Passport No. 04362, has not resided in the Sovereign State of Wisconsin, a legal State of this Federal Nation, since June 30, 1988, and holds International Diplomatic Immunity with Somali and North Borneo; and "Foreign Guest Status" within the United States of America – as a rule of law. One needs to legally understand the lack of jurisdictional subject matter, when an International Diplomat in the record is lawlessly kidnapped from the Canton of Vaud, Switzerland to pay an illegal tax assessment for USDollars 14, 129.00 for a third time, when this falsely written state claim was previously paid by two different Foreign Corporations twice, once by Singapore in May, 1992 and Austria in June, 1992 – as a Nuisance Tax Assessment and State Extortion of an American Citizen and NON - RESIDENT of the Sovereign State of Wisconsin, U.S.A.

October 1, 1998

The U. S. Vice Presidential Candidate, Governor Tommy Thompson by virtue of his alleged lawless conduct in this unconstitutional seizure of person and offshore corporate assets in excess of USDollars Four Hundred Thirty Two Billion (US\$432,000,000,000.00) and Two Thousand Metric Tonnes (2000MT) in 12.5kgs Gold Bars; legally obtained from the Central Bank of the former U.S.S.R., with the assistance of the United States Government (USG) and The People's Republic of China (PRC), during 1990 / 1991 to effectuate the "DE - STABILIZATION of the Soviet Union (U.S.S.R.)" [Ref: Thieves World by Claire Sterling, Simon and Schuster, 1994] and [INSIGHT Magazine], is a growing International Scandal, soon to be released by a major News Media groupe and with FULL USG DOCUMENTATION with INSLAW, Inc. PROMIS software utilization, Microfiche, CPA files and IRS supporting documentation, inter alia.

THANK YOU for your kind assistance and co-operation in this sensitive situation.

Warmest Personal Regards,

In the matter of : Continuing wrongful conviction and incarceration for *non-residency* civil tax evasion of USDollars 0.15 [15 US cents] of an American citizen, Lee E Wanta, Soc Sec No 396 34 6726 – and – USGovn INTEL operatives Frank B Ingram (SA32NV), Rick Reynolds (SA233MS); and certain Title 18 Sec 6 USGovn Proprietary Corporations disclosed in our U S Federal Courts for tax distribution.

Dear Gentilepersons :

Please find enclosed the judicial issues preventing an OFFSHORE repatriation of US Tax Dollars to our US Department of the Treasury, which is billions of windfall tax revenue, totally ignored by our US Government Agencies for whatever reason - for American Justice to be delayed, only for the benefit of state agent provocateurs, and not for the benefit of all Americans.

The legal response is ripe for USGovernment involvement and complete reversal of the state of Wisconsin civil tax evasion conviction, due to their continuing criminal activities and judicial misconduct before the non-jurisdictional/incompetent county court.

If this never-ending travesty of justice was ever disclosed to the American populace that lawless conversion of the repatriation of US Tax Dollars owed to our US Treasury was now acceptable and acknowledged by our Bush/Cheney Administration, the overall political results would be devastating to our Republican Party – and – Our Great Nation.

Thank you for your valued consideration to end this state of Wisconsin nonsense.

Sincerely yours,

Ambassador Leo E Wanta, DPP No 04362 and I2535

Dear Mr. Vice President:

Your words to George Stephanopoulos on ABC's This Week resonated with the American populace. It was an excellent follow-up to the celebratory airtime generated by Our Nation's Birth on the 4<sup>th</sup> of July.

It was particularly gratifying to hear you speak of the importance to the economy of High Speed Rail, and updated electrical grids. As you know, that topic is near and dear to the heart of any engineer... myself included. And, you are absolutely right, Mr. Vice President. High Speed Rail and the new electric grids will have an immediate and positive impact on America's economic problems, and national recovery.

As President Obama, yourself, and your Administration recognize, unemployment is a key issue - but ecological impact and state tax revenue issues are also key. Both of these items will feed the positive result of the construction process of High Speed Rail and electrical grids. Thus, it must be carefully planned and executed with expertise gained only from experience.

It is time to turn your words of Hope into reality, and I look forward to working with you and President Obama to do just that. As part of your economic recovery team, we will make it a priority to provide you with vital information about the progress of High Speed Rail construction, and electrical grids. You can also count on us to provide data on the ways in which the construction helps solve the problems on which your Administration is so diligently working... e.g., increased taxes paid into local and state treasuries, etc. Hopefully, our participation will help you keep the people informed about the progress you make in providing solutions to inherited problems.

Thank you for recognizing the importance of High Speed Rail and electrical grids to our economic recovery.

Sincerely,

Ambassador Lee Emil Wanta

## Detailed History & Intel Report about the New Republic & Global Currency Reset

[inteldinarchonicles.blogspot.com](http://inteldinarchonicles.blogspot.com)

### **Federal Reserve to New US Republic via a Global Currency Reset**

The Global Currency Reset is a complicated process about a global reset of currencies, removal of the Khazarian mafia and restoration of the US Republic and the original US Constitution. At present the process is playing out with no holds and is expected to be completed within days.

Below is a history of that process, including forming of the US New Republic, integration of the Federal Reserve into the new US Treasury in Reno, expected changes in the US tax system, expected release of the 800 numbers and relationship of Humanitarian Projects to \$800 trillion in US taxpayer monies gained from a 1992 audit of the Federal Reserve.
