**by Tom Heneghan, International Intelligence Expert**

**UNITED STATES of America - It can now be reported that the noted Bush-Clinton Crime Family Syndicate brokerage house Goldman Sachs and former BushFRAUD U.S. Treasury Henry Paulson is under SEC investigation in the matter of criminal fraud, money laundry and the manipulation of the financial yield curve aka short term interest rates, along with the misuse of the known Wanta-Reagan-Mitterrand Protocol funds.**

**Goldman Sachs, which is basically broke if you include toxic derivatives parked in offshore Cayman Island accounts, has been using laundered narcotics and weapons funds from noted illegal Federal Reserve offshore trading platforms in India, Pakistan, North Korea along with Honduras to manipulate U.S. bonds, EURO dollars, equities and worldwide currency prices on a 24 hour basis.**

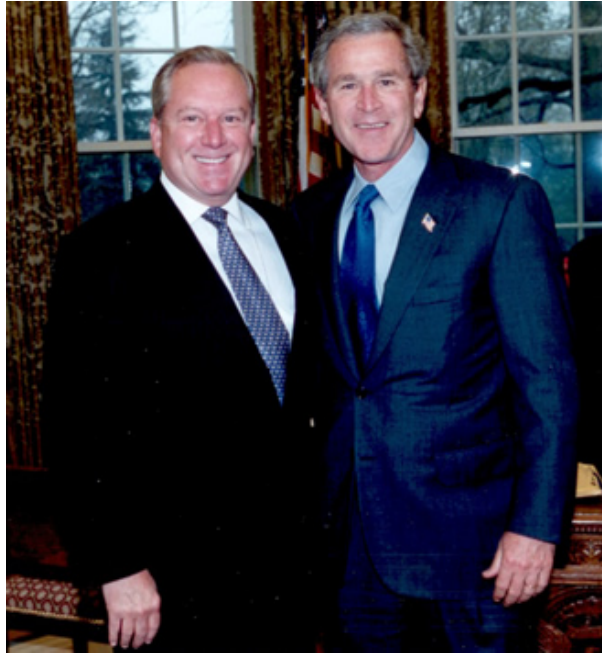

**This is nothing more than a massive Ponzi Scheme designed to continue the corrupt and dysfunctional Black-Scholes trading program, which is based on making toxic derivatives worth something when they are worth nothing.**

**The latest coup d'état in Honduras dovetails directly to the criminal activities of Goldman Sachs.**

**We can now divulge that the former government of Honduras led by President Zelaya was a victim of a Bush-Clinton Crime Family Syndicate coup d'état *after* the former President of Honduras planned to cut off the Federal Reserve and the Bush-Clinton Crime Family Syndicate, as well as Goldman Sachs, from using Honduras as a money laundry for the illegal trading that continues to take place with full knowledge of the Federal Reserve and Goldman Sachs.**

**Note: Honduras has also been a parking lot for laundered U.S. TAXPAYERS' funds tied to the Bernard Madoff Ponzi Scheme and current Israeli Prime Minister Benyamin Netanyahu aka BibFRAUD.**

**Remember, folks, they are using YOUR U.S. TAXPAYERS' money in this massive Ponzi Scheme.**

**The coup direct against the former government of Honduras was orchestrated by Bush-Clinton Crime Family Syndicate operatives, including former Iran-Contra paymaster Otto Reich and known BushFRAUD and Hillary Rodenhurst Clinton black op specialist, known ex-Nazi, Colonel Dana Wilcox.**

**Note: The spokesman for the new Honduran government is none other than former Bill Clinton and Monica Lewinsky press spokesman, Israeli Mossad asset Lanny Davis.**

**Reference: One must recall that during Iran-Contra, Honduras was used by the Bush-Clinton Crime Family Syndicate as an outpost where the RED Chinese actually assembled machine guns, along with gun barrels, that were then used by the Contras in Nicaragua.**

**Profits and commissions from this illegal arms trafficking were then laundered through the Rose law firm of Little Rock, Arkansas and a company called POM, Inc. whose board of directors included former Clinton Administration Assistant Attorney General Webster "Web" Hubbell and current dysfunctional U.S. Secretary of State and former First Lady of Arkansas and chief of the Rose law firm, *loser* Hillary Rodenhurst Clinton.**

**POM, Inc. operates in Arkansas involved in issuing parking meter traffic citations.**

**Item: It is also important to recall that Monica Lewinsky's father, Bernard, was a doctor and bagman for the Israeli Mossad operating in Honduras and reporting directly to George Herbert Walker Bush and his Mena, Arkansas Iran-Contra coordinator Otto Reich, who now has been linked, along with current U.S. Secretary of State, *loser* Hillary Rodenhurst Clinton to the latest coup in Honduras.**

**P.S. Current *foreign born* alleged president Barack Obama aka Barry Soetero is on non speaking terms with his current dysfunctional Secretary of State *loser* and lesbian *in-the-closet*, Israel Mossad agent Hillary Rodenhurst Clinton.**

**conspired to frame former Alabama Governor Don Siegelman, concerning not only Siegelman's knowledge of the Bush-Clinton Iran-Contra operation that had stretched into Alabama, but Siegelman's support for American Patriot Ambassador Leo Wanta's authority over the Alabama toll company that would have produced thousands of jobs for Americans in the southeast portion of the United States during the latter part of the Clinton Administration.**

**Wilcox, Emanuel and Craig expect to use the property in Denver tied to the Neil Bush-Leonard Millman Silverado Trust accounts at the Bank of America in Denver as headquarters for the high speed rail operation.**

**Wilcox, Emanuel and Craig are currently in a criminal conspiracy to usurp and steal the high speed rail operation from Ambassador Wanta.**

### **Moments before Benazir Bhutto's ASSASSINATION**

**The most high profile recent target of these secret assassination squads was the former Pakistani Prime Minister Benazir Bhutto who was assassinated on December 27, 2007, in Rawaltindi, which was the heart of Pakistan's military and intelligence community.**
