The Supreme Leader of the Republic Islamic of Iran, ayatollah Khamenei

Your Excellency,

I am Colonel James S. Hanke (Ret).

In business matter, I function as Gordon Duff's Chief of Staff, and I also provide military, political and diplomatic advice to his Journalistic efforts in support of Veterans Today Website.

Before retirement, I worked in the US Army operations and intelligence structure, and retired as the Attache to Israel. My Masters Degrees are in Psychology, a lifelong interest of mine.

My post retirement activities centered around systems analysis, applied presently in analysis of world scope incidents.

I have always had an interest in Iran, which I regard as a major player on the world stage, especially in view of the situation in your part of the world, which has a definite effect on US diplomacy, commercial activities and political machinations, whether adverse or endorsive.

I am devoted to purity of thought in the consideration of these world affairs, and provide this analysis to Mr. Duff from my independent sources of information.

I also do not depend on news organizations or strategic US intelligence organizations as their coverage reveals directed bias in their products, which, in turn, causes incorrect actions by their watchers/readers; a deception of the highest order. All regard of their coverage must be tempered by this actuality.

For those reasons, meeting with you could positively correct some of the evil that has been done.

I believe this present critical time for the world could benefit from communication and presented without the top driven deception and bias .

Subject: New Horizon Conference

Dear Gordon and Lee

You've of course read some news about the New Horizon Conference.

<http://www.haaretz.com/news/middle-east/1.551856>

<http://www.telegraph.co.uk/news/worldnews/middleeast/iran/10370102/Iran-cancels-Israel-baiting-anti-Zionism-conference.html>

<https://www.youtube.com/watch?v=zZJvQKyRXHY>

Of course there is no link between Hollywoodism & New Horizon Conference & the Conference about Holocaust.

The 1st Hollywoodism Conference has been held on 2011 & the 1st New Horizon Conference on 2012.

As I've started the deep studies for the New Horizon Conference on March 2013, for me personally that is really HARD to accept this situation, but we will always **follow Supreme Leader** in every points. It does not means than he is agree with the cancellation of this kind of international conferences & gathering Americans & Westerns independent personalities. But He has already advised us to collaborate with the new administration, but what is sure that is we will never give up & continue this anti-Zionist way which is in the same direction of the interests of HUMANITY. We're not anti-Zionist only to be anti-Zionist, but for a peaceful world without war, extremism, lie in which we can find more justice, equality, brotherhood and freedom.

Anyway Nader, Mr. Montazami, me & all our friends here will continue this battle, and know than you understand our situation even maybe better than us.

31/

We're everyday trying by any means necessary to letting others know what is happening. As the head of IRIB is selected personally by Supreme Leader fortunately the Iranian Media supports us.

But that is practically not possible to imagine than the conference will be held on December 2013, maybe in 6 months maybe 1 year, but we will not GIVE UP.

Hope the best

EAGLE ONE TO WANTA

Eagle One to Wanta Gibby Media Group , Inc is producing a feature documentary film entitled "Eagle One to Wanta" . It is the compelling story about President Reagan, and how he brought about the fall of the Soviet Union and ended the Cold War without firing a shot. President Reagan and his secret agent, Ambassador Lee Emil Wanta, masterminded a creative way to financially take down the economy of the Soviet Union(Evil Empire) and put together and negotiated an agreement with Secretary General Mikhail Gorbachev. As a result the Russian Federation was born and future generations throughout the entire world have enjoyed more safety from a nuclear holocaust because of this effort. Working directly under President Reagan as a private citizen, there is a man named Ambassador Lee Wanta. Lee was mandated by President Reagan under the Totten Doctrine **192 U.S. 105, 107 (1875), National Security Decision – Directive Number 166, dated March 27, 1985, inter alia** as a secret agent to be in charge of this effort. In this process Lee Wanta did amass trillions of dollars that were designated to go back to the American people by President Reagan. In his effort to carry out his mandate, Lee Wanta was imprisoned and the monetary funds that were his to distribute as planned were stolen or converted illegally by an organization known as the Federal Reserve System and used by them to this day.

Later in 2006 a US District Court Judge mandated and ordered that these converted funds be returned back to Lee with interest
