UNITED States of America - It can now be reported that the SEALED indictments against current Vice President Dick Cheney, former White House political advisor and chief of staff Karl Rove and former Secretary of Defense Donald Rumsfeld, that were issued by an Illinois Grand Jury impaneled by Special Counsel Patrick Fitzgerald over two years ago, will be UN-SEALED within days.

Current White House occupant and UN-elected resident George W. Bushfraud will be named as an un-indicted co-conspirator.

The indictments deal with perjury and obstruction of justice in the noted leak case involving former CIA asset Valerie Plame.

The indictments were ordered UN-sealed by the Virginia National Security Court, which has been investigating the current Bush and previous Clinton Administrations, not only in regards to the Valerie Plame case, but the Bush-Clinton "TRUE COLORS" assassination teams tied to both Plame and Scooter Libby.

Other issues still under inquiry include the:

- **criminal conspiracy to take America to war in Iraq based on a lie,**
- **the 9/11 slaughter of 3,000 Americans in New York City,**
- **and the criminal conspiracy to steal the year 2000 Presidential election from then Vice President Albert Gore Jr. involving both Bush and Clinton operatives.**

Note: The Virginia National Security Court has also been working directly with G-7 nations of the European Union in demanding full implementation of the Wanta-Reagan-Mitterrand Protocols, which involves BILLIONS of dollars due both the U.S. and French Treasuries.

AND, OF COURSE, THE PLOT THICKENS!

HIGH TREASON CO-CONSPIRATORS

William Jefferson Clinton and Tony Blair

The ego-maniac sociopath Clinton has been caught and photographed by British authorities in trying to remove BILLIONS of dollars from SECRET proprietary accounts in the U.K. on behalf of his TREASONOUS business partner and Bushfraud's Iraq War co-conspirator, former British Prime Minister and *Dunblaine pedophile* Tony Blair.

The accounts are loaded with STOLEN funds tied to the noted Wanta-Reagan-Mitterrand Protocols.

Within the last 72 hours noted UK 7/7 London bombings terrorist suspect and *unelectable* Hillary Rodenhurst Clinton stooge (White House First Lady Hillary's confidant), Eva Telege aka Teleke aka Teleki, handed over Power of Attorney to Bill Clinton given that Teleki is hiding out in Sweden and being protected by the corrupt Swedish monarchy from facing justice in the 7/7 London bombings.

Teleki is DIRECTLY linked and a wanted terrorist suspect by British Scotland Yard for her tie-in to the 7/7 London bombings.

P.S. Eva Telege aka Teleke aka Teleki, who fraudulently forged Ambassador Leo Wanta's signature to seize the CIA proprietary Marvelous Investments Ltd. and other CIA proprietary accounts tied to the old Mujahedeen and CIA asset Tim Osman aka 9/11 patsy Osama bin Laden, actually used a fax machine at the U.S. Embassy in Stockholm to fax a Power of Attorney to the sociopath and mentally disturbed ex-president Bill Clinton while he was with British Prime Minister Gordon Brown and current White House occupunk and war criminal George W. Bushfraud.

Can you believe this folks!

Bush, who recently signed an Executive Order compelling the Wanta-Reagan-Mitterrand Protocols to be paid out, then flew to the United Kingdom and enabled Teleki and Clinton to violate the terms of this very same Executive Order.

**British Prime Minister
Gordon Brown**

http://www.thediplomatictimesreviewonline.com/WindowsLiveWriter/image_11.png

Apparently British Prime Minister Gordon Brown is actually nothing more than a bagman, along with fellow co-conspirator, current German Chancellor Angela Merkel, whose Deutsche Bank is within days of collapse.

**P.S. At this hour both French INTERPOL and the U.S. Marshal Service have issued European RED NOTICES and WARRANTS for the arrest of former British Prime Minister Tony Blair, former U.S. President William Jefferson Clinton and current U.S. Vice President Richard Cheney.
Stay tuned.**

P.P.S. The current British Monarch, no saint herself, is actually trying to do the right thing in having the Wanta-Reagan-Mitterrand Protocols implemented, however she has received at least five (5) death threats from forces tied to ex-British Prime Minister Blair and elements of the Bush-Clinton Crime Family Syndicate, who are under command and control at this hour by indicted U.S. Vice pRresident Dick Cheney.

British Queen Elizabeth is acutely aware that the entire British and World banking system is now on the verge of collapse given this international crime spree, which continues at this time.

As of this moment, up to 20,000 SECRET Swiss bank accounts tied to American government officials and political types, have been frozen in Switzerland based on a joint sting between Swiss UBS Warburg and the U.S. Internal Revenue Service.

Plus British MI6 is continuing an investigation of former Prime Minister Tony Blair, former President William Jefferson Clinton and former U.S. Secretary of State Madeleine Albright aka Halfbright, i.e. SECRET banking accounts and transactions in none other than North Korea.

ABOVE HIGH TREASON TRAITOR

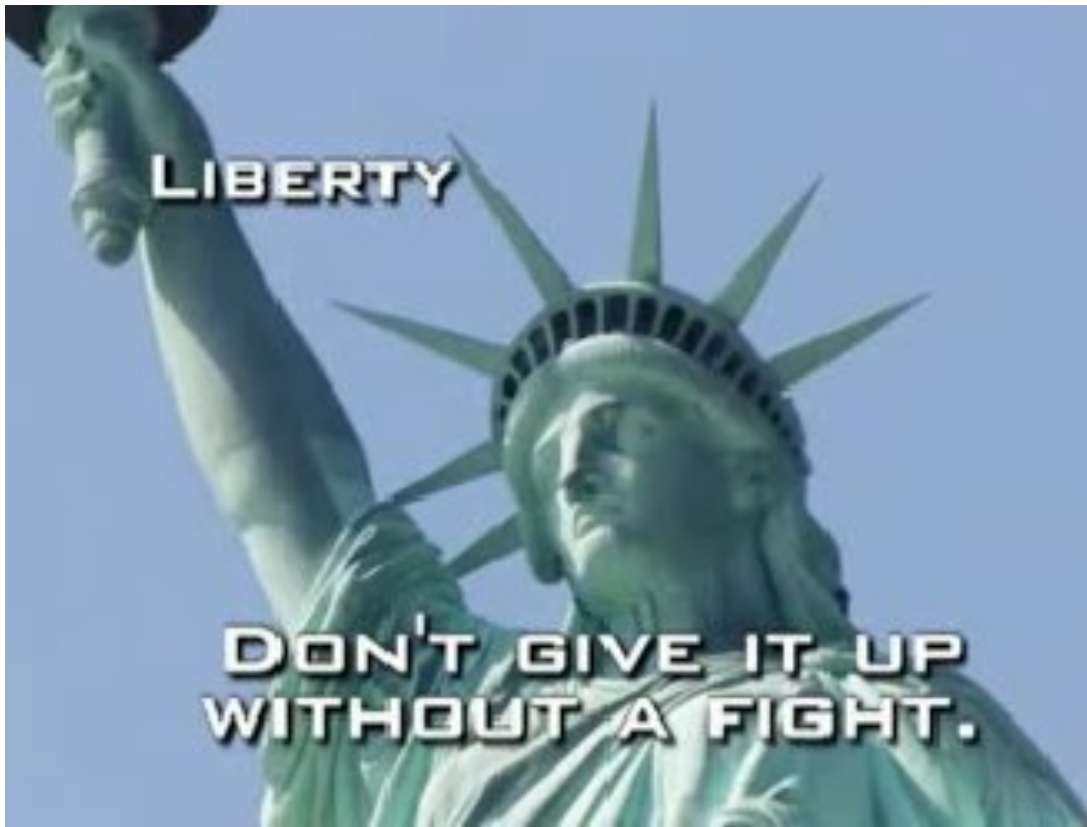

Richard Cheney aka Dick the dick

Item: Cheney, a sociopath himself, whose ancestry has tie-ins to NAZI Germany, and at one time STOLE the Queen of England's gold for the purpose of a rogue trading account, now closed, is the head East German DVD agent in charge of this current international, worldwide, out of control financial criminal conspiracy.

Folks, the problem, of course, is that none of these gangsters really have any idea of what to do beyond their 24 hour, day by day struggle to survive the absolute unbelievable mess they have created.

It is important that all of us pray tonight to God Almighty for Divine intervention before this gangster filth starts WWIII in Iran.
