## **Jew Gone Wild**

# **Rahm Emanuel Out of Control**

**by Tom Heneghan, International Intelligence Expert**

**United States of America – It can now be reported at this hour, that the head of the North American Israeli Mossad and current Barack Obama White House Chief of Staff, Rahm Emanuel, along with former Federal Reserve Chairman Alan Greenspan, is directly blocking the implementation of the noted Wanta-Reagan-Mitterrand Protocols.**

**Emanuel, who is feeding false information to President Obama, is acting on behalf of known Mossad money laundry, American International Group (AIG) and the British Monarch Queen Elizabeth II.**

**This all ties in to the massive, toxic derivatives linked to the Israeli Mossad money laundry, American International Group (AIG).**

**Note: Former Federal Reserve Chairman Alan Greenspan is currently under direct orders from a Service Warrant issued by U.S. Marshals to refrain from involving himself in this type of activity.**

**Emanuel is also trying to protect the direct role of the Chicago Mercantile Exchange, Citigroup and its former Chairman, KHAZARIAN Jew Sandy Weil in their misuse of the Protocol funds aka the Bernard Madoff Ponzi Scheme.**

**And, of course, it gets worse!**

**We can now divulge that Chicago street punk, Emanuel, continues to use the *illegal* NSA “Stellar Wind” spy program to *illegally* monitor and spy on his perceived political enemies.**

**Emanuel recently tipped off U.S. Attorney for the Northern District of Illinois that 9/11 Whistleblower, the assassinated Beverly Eckert, was scheduled to travel to Chicago from Buffalo, New York to present NEW "smoking gun" 9/11 evidence that would categorically prove PRE 9/11 knowledge by the Bush Administration of the 9/11 attacks.**

**Eckert also had evidence detailing the role of the Israeli Mossad and its noted Urban Moving Systems New Jersey cell infiltrating and scripting the 9/11 *alleged* terrorists as patsies five (5) months before the September 11<sup>th</sup> attacks.**

**Eckert also had proof that some of the *alleged* 9/11 hijackers were on both U.S. CIA and the Israeli Mossad payrolls well before 9/11.**

**We can now report that Eckert also had proof that current White House Chief of Staff and head of the North American Israel Mossad, Rahm Emanuel, was in DIRECT communication with Israeli Mossad assets and East German Stasi DVD agents who were present on American soil before 9/11.**

**Note: The Israeli warning to America concerning the 9/11 attack was nothing more than a scripted attempt to frame the *alleged* Arab hijackers aka CIA-Mossad assets as the perpetrators of 9/11.**

**Item: It was our great ally of 200 years, the Republic of France, in July of 2001, intercepted an Israeli Mossad cable that was the 9/11 command and control attack order titled "The time is now, the match is hot".**

**It was the Republic of France that warned the then Bushfraud Administration and its Secretary of State Condoleezza Rice that a pending terrorist attack could take place in the United States with the perpetrators having links to both Israeli and East German Stasi DVD Intelligence.**

**We can now reveal that the Head of the North American Israeli Mossad, Rahm Emanuel, is the individual that sent the 9/11 command cable that was intercepted by French Intelligence.**

**This TREASON evidence was ignored by the Bushfraud Administration and then Secretary of State Condoleezza Rice refused for years to testify before Congress on this subject.**

**This evidence is now "classified" and under a "national security" seal.**

**Of course this is NOT national security whatsoever.**

**This is OBSTRUCTION OF JUSTICE of the highest order in the matter of HIGH Treason.**

**P.S. We can now divulge that the late 9/11 Whistleblower Beverly Eckert had her phones *illegally* tapped by the *illegal* NSA spy program "Stellar Wind", and that the monitoring of Eckert's phone calls and computer was ordered by former CIA Chieftan and NSA Spymaster Michael Hayden with the full knowledge of U.S. Attorney Patrick Fitzgerald and the Head of the North American Israeli Mossad now White House Chief of Staff, Rahm Emanuel.**

**P.P.S. We also want to report that current Senator Roland Burris, Democrat of Illinois, has been subjected to the *illegal* NSA domestic surveillance program, "Stellar Wind."**

**Burris had briefed then Illinois Governor Rod Blagojevich on the role of Rahm Emanuel in the massive Bernard Madoff Ponzi Scheme with its tie in to the Chicago Mercantile Exchange and the Stanford Financial Group and its CEO Texas billionaire, dual U.S.-Antigua citizen and British Intelligence asset, Sir Allen Stanford.**

**Emanuel actually worked with both Stanford and Madoff to procure massive political campaign contributions for himself as well as noted Illinois politicians, including Illinois Congressman Jesse Jackson Jr.**

**Top recipients of the cash in the current Congress from the Stanford Financial Group Political Action Committee, include Representative Pete Sessions, R-TX, and none other than former Republican presidential nominee, Senator John McCain, R-AZ.**

**Now you see, folks, why Rahm Emanuel wanted Burris and Blagojevich out of the way – they know too much!**

**Assisting Emanuel in this frame up against Burris is current Chicago Sun Times journalist and lifelong CIA asset Lynn Sweet and former Chicago Sun Times journalist, KHAZARIAN Jew and Bush-Clinton Crime Family Syndicate mouthpiece, Jill Zuckerman.**

**P.P.P.S. We can now reveal that the U.S. Department of Justice is currently investigating the role of her majesty, the Queen of England and the \$6.2 TRILLION loan given to former White House occupant George W. Bushfraud.**

**The DOJ inquiry team has linked the \$6.2 TRILLION to the Emir of Kuwait, the Sultan of Dubai, and the STOLEN funds that represent the Wanta-Reagan-Mitterrand Protocols.**

**Again, folks, this is NOT the Queen of England's money.**

**The funds belong to Ambassador Leo Wanta, along with the U. S, French and Chinese Treasuries.**

**The Queen clearly engaged in a Ponzi Scheme with her partners-in-crime being George W. Bushfraud and her former hand-picked Prime Minister, Dunblaine pedophile and war criminal, Anthony Blair.**

**Final note: We are also going to reveal tonight that TRAITOR Rahm Emanuel, along with her majesty, the Queen, has ordered a joint Israeli Mossad-British MI6 assassination team to target various individuals, including the author and reporter of this intelligence briefing.**

**Other targets of the Israeli Mossad-British MI6 Blackwater team are reported to be Stew Webb and Ambassador Leo Wanta, himself.**

**This group is linked to the noted Bush-Clinton-Mossad-Gary Best "TRUE COLORS" domestic assassination teams that assassinated former Clinton White House Vincent Foster, former U.S. CIA Director William Colby, Clinton Administration Commerce Secretary Ron Brown, Congressman Sonny Bono, and John F. Kennedy Jr.**

**At this hour, we urge our great ally, the Republic of France, who has been with the American People for over 200 years, to identify the enemies of the American Republic and the American Revolution in the 21<sup>st</sup> century and eradicate them.**

...
