## CALL 9/11

### MAJOR DEMOCRATS LINKED TO BUSHFRAUD AND ISRAELI MOSSAD/NSA DESTRUCTION OF 9/11 EVIDENCE

### AND ANOTHER BOGUS UNELECTABLE HILLARY MEDIA POLL

By Tom Heneghan

It can now be reported that Speaker of the House Nancy Pelosi, along with Congresswoman Jane Harman and Senator Dianne Feinstein, all Democrats of California,

**LOOKED THE OTHER WAY AND LET THE BUSHFRAUD ADMINISTRATION OBSTRUCT JUSTICE IN THE DESTRUCTION AND SHREDDING OF RELEVANT 9/11 VIDEOTAPES AND TRANSCRIPTS TIED TO THE WATER BOARDING INTERROGATIONS OF THE 9/11 ALLEGED SUSPECTS.**

Reference: Feinstein, Pelosi and Harman are all controlled by the **ISRAELI MOSSAD** and are also supporters of fellow Khazarian Jew, unelectable **CLOSET** lesbian Hillary Rodenhurst Clinton.

All three Democratic Congresswomen have become enablers of the Bushfraud Administration crime spree.

So folks, it is unlikely any real Congressional investigation will occur since Pelosi is controlled by the AIPAC checkbook and it is clear now that all three Democratic Congresswomen **are guilty of Misprision of Felonies of the 9/11 Obstruction of Justice**, which has occurred with regularity.

Item: Within days after 9/11 the Bushfraud Administration ordered FBI Director Robert Mueller to round up hundreds of innocent Muslims who were then shipped to Guantanamo Bay, Cuba and held without due process of law.

Most of them were detained on minor immigration issues.

This was all happening while Bushfraud's then Assistant Attorney General Michael Chertoff allowed dozens of Israeli MOSSAD types who had actually been arrested on 9/11 to return home to Israel even though the FBI objected to the Chertoff order, given the FBI wanted to continue to interrogate these Israeli 9/11 suspects.

Reference: The noted Israeli Urban Moving Systems company that was headquartered in New Jersey and had one of their vans stopped by New Jersey police, which was full of phony foreign passports and Arab garb that were used by the "Dancing Israelis" as disguises.

**And, of course, it gets worse!**

**As we reported in the last intelligence briefing, Senator Jay Rockefeller, Democrat of West Virginia, is now sitting on evidence showing that as many as 25 more 9/11 related videotapes and transcripts were destroyed by the NSA infiltrated CIA.**

**Informed sources close to Senator Rockefeller's Washington, D. C. office allege that the 9/11 Al Qaeda suspects told their interrogators about the Israeli contacts they had communicated with on American soil.**

**Item: These sources close to Rockefeller's office have leaked out evidence tying current CIA Director Michael Hayden in conspiring with the State Department Inspector General's office in ordering the shredding of 9/11 evidence.**

The command and control was the Inspector General's office hatchet man Howard J. Krongard aka "Cookie" Krongard.

Note: Cookie Krongard's brother, A.B. "Buzzy" Krongard, has been linked to a scandal involving crooked procurement contracts with Halliburton.

Krongard has also been tied to the noted 9/11 SunCruz Casino ship and worked directly with noted Colombian drug lord Carlos Lehder, (whose attorney is Hillary Clinton's brother Hugh Rodham), all of whom were part of the Floridagate year 2000 coup d'état against duly elected President Albert Gore Jr.

**How dare you, you conspiratorial tyrants and kings and notable queens!**

P.S. CBS and the New York Times produced another **BOGUS** pro *unelectable* Hillary Rodenhurst Clinton poll today. The poll shows the unelectable Hillary with a 68% approval rating among Democratic voters.

Of course this is all **BOGUS** since Hillary is now stuck at 18% in Iowa and 21% in New Hampshire.

The architect for these bogus polls is John Harwood, formerly of the Wall Street Journal, and currently of the New York Times.

The homosexual *IN-THE-CLOSET* Harwood, along with MSNBC Hardball's Chrissy Pooh Matthews, are actually paid bribes to promote publicity for **BOGUS** polls favoring Hillary.

Both Harwood and Matthews are tied to a slush fund at CitiBank in New York.

It is **NO coincidence** that Hillary got this **BOGUS** poll out in front of the media just after the remarkable historic speech by Albert Gore Jr. at the Nobel Prize awards ceremony in Sweden.

Duly elected President Al Gore, the most electable of any Democrat running for office, continues to have his family threatened by the Bush-Clinton Crime Syndicate and their media stooges in an attempt to thwart his plans to run for re-election in 2008.

Again folks, the 68% number regarding Hillary in the CBS/New York Times poll actually represents 68% of all registered Democrats who will NOT vote for the unelectable Hillary Rodenhurst Clinton under any condition.

Also, remember folks, that CNN/Gallup polls receive their polling data from Hillary fundraiser Vinod Gupta's InfoUSA.

Accordingly, the Gallup poll, like the John Harwood CBS/New York Times poll, has no credibility and is bought and paid for by Hillary's campaign bagman Mark Penn.

Reference: Penn has been linked to illegally intercepting emails of unelectable Hillary's opponents.

P.P.S. Bush-Clinton stooge Mary Matalin is currently receiving leaks from Clinton Democrats in Arkansas in an attempt to dirty up Republican presidential candidate Michael Huckabee.

Matalin is a supporter of homosexual *IN-THE-CLOSET* and abortion lobbyist Fred Thompson.

Other news of note includes the fact that former Mayor of Atlanta Andrew Young, who stated that Bill Clinton has had more black women than Barack Obama, is also aware of the three black women that were raped by serial rapist Bill Clinton.

**Democratic primary voters should be aware that unelectable Hillary's vote to authorize Bush to go to war against Iran was ordered by one of her other chief fundraisers, ISRAELI MOSSAD agent and Khazarian Jew Haim Saban.**

P.P.P.S. The shooter in the MKUltra Colorado shoot 'em up had actually sent threatening letters to missionaries and clergy at the New Life Church.

At no time was this shooter ever arrested or even questioned by Denver police about the threatening letters.

We are working on a story right now that the shooter may have actually been a police informant and a homosexual who had exchanged communications with Reverend Haggard, the former Pastor of the New Life Church who resigned his position after being identified as a *CLOSET* homosexual.

Again folks, with this recent increase in national violence, is this what ***unelectable*** Hillary means by "let the fun start"?

One last note to Chrissy Pooh Matthews of MSNBC and Hillary's little bitch:

At least 15 to 20 Democratic congressional candidates are ready to leave the Democratic Party and declare themselves independents should the ***unelectable*** Hillary become the Democratic nominee.

These candidates know too well that Hillary will do in 2008 what she did in 1994, which is blow out the Democratic majority in Congress.

That is right my fellow Democrats, Hillary is the Britney Spears of the Democratic Party. What happened in 1994 will happen again in 2008 and all ***CLOSET Republican*** Hillary Clinton will say is "oops, I did it again".
