The next step is to announce NESARA to the world, but it’s not an easy task. Many powerful groups have tried to prevent the implementation of NESARA.

The NESARA law requires that at least once a year, an effort be made to announce the law to the public. Three then current US Supreme Court judges control the committee in charge of NESARA’s announcement. These Judges have used their overall authority to secretly sabotage NESARA’s announcement.

In 2001 after much negotiation the Supreme Court justices ordered the 107th Congress to pass resolutions approving NESARA. This took place on September 9, 2001, eighteen months after NESARA became law. On September 10, 2001, George Bush Sr. moved into the White house to steer his son on how to block the announcement. The next day, on September 11, 2001, at 10 AM Eastern Daylight Time, Alan Greenspan was scheduled to announce the new US Treasury Bank system, debt forgiveness for all U.S. citizens, and abolition of the IRS as the first part of the public announcements of NESARA.

Just before the announcement at 9 am, Bush Sr. ordered the demolition of the World Trade Center’s Twin Towers to stop the international banking computers on Floors 1 and 2 in the North Tower from initiating the new U.S. Treasury Bank system. Explosives in the World Trade Center were planted by operatives and detonated remotely in Building 7, which was demolished later that day in order to cover-up their crime.

Remote pilot technology was used in a flyover event to deliver a payload of explosives into the Pentagon at the exact location of the White Knights in their new Naval
Command Center who were coordinating activities supporting NESARA’s implementation nationwide. With the announcement of NESARA stopped dead in its tracks, George Bush Sr. decapitated any hopes of returning the government back to the people.
