AFFIDAVIT

I Dr. Olga Sarantopoulos, do swear and aver that I am over the age of 21, and that if I were to appear in court I would testify under the penalty of perjury that:

I was a minority shareholder with 5% of the company New Republic USA Financial Group Ltd. in Vienna, Austria. Mr. Leo Wants was the Managing Director of that corporation during that time.

Mr. Leo Wants lived in Vienna for several years, as Director, and among those years were the years 1988 and 1989. I know this, as I was meeting Mr. Wants almost on a daily basis and have first hand knowledge of his residency in Vienna during that period of time.

Date: 12th of April 2001
