## **Now It Is Really Unraveling 9/11 Secrets Exposed Plus Flight 253 Update**

**by Tom Heneghan, International Intelligence Expert**

**UNITED STATES of America - It can now be reported that the August of 2001 memo received by the previous BushFRAUD Administration claiming Osama bin Laden aka CIA employee Tim Osman, was determined to attack the United States came from intelligence tied to European INTERPOL, French Intelligence and the Russian Federation.**

**We can now divulge the source for this intelligence was from none other than alleged terrorist aka counterintelligence asset, now prisoner in Thailand, Victor Bout.**

**This intelligence was then ignored by then Secretary of State Condoleeza Rice, former illegal White House occupant George W. BushFRAUD and former Vice pResident Richard Cheney.**

**Bout had passed on the intelligence to the highest level of the Bush Administration that the 9/11 attack was imminent and that bin Laden was being scripted as a patsy by rogue intelligence groups tied to U.S., Israeli and British governments.**

**Note: The U.S.-Canadian red/blue war games that were scheduled, and did take place on 9/11, simulated a two-prong hijacking of aircraft that would be used as weapons against domestic U.S. targets.**

**The scheduled war games disguised the REAL 'Black Op' attacks that took place on 9/11 when the actual hijacked aircraft were flown to Canada on the day of 9/11 while rogue aircraft possibly holograms aka laser technology hit the World Trade Center while an offshore missile hit the Pentagon.**

**Item: Recent documents released from the Department of Transportation under the Freedom of Information Act reveal that Flight 93's manifold revealed that the airline cockpit was never opened.**

**This evidence refutes the corporate-controlled, fascist U.S. media reports that the alleged hijackers entered the cockpit and commandeered Flight 93.**

**This new evidence released by the Department of Transportation also makes it clear that no passengers entered the cockpit either.**

**This new evidence makes it very unlikely that the wife of BushFRAUD's Solicitor General, Barbara Olson, made a cell phone call from Flight 93 alleging the cockpit door had been opened and that a struggle was occurring between the hijackers and the passengers.**

**Note: Former BushFRAUD Solicitor General Ted Olson is well known for his close relationship to former Clinton Administration Independent Counsel aka cover up artist Kenneth Starr, as well as his direct role in the theft of the year 2000 presidential election aka the coup d'état directed against then Vice President, now year 2000 duly elected President Albert Gore Jr.**

**I know, folks, you are going to ask me: Where is Barbara Olson?**

**Olson is alive and well living in Sweden and, like alleged Oklahoma City bomber Timothy McVeigh, has had plastic surgery.**

***Susan Carlson*, a Chicago area native, is the traffic reporter for CBS 2's Morning ... exposure while serving as a witness to the Timothy *McVeigh* execution. ... [cbs2chicago.com/bios/susan.carlson.wbbm.9.291726.html](http://cbs2chicago.com/bios/susan.carlson.wbbm.9.291726.html)**

**As a witness to McVeigh's alleged execution, Ms. Carlson observed McVeigh breathing three (3) minutes AFTER he was allegedly executed.**

**P.S. We can now divulge that financial links to the worldwide Bush-Clinton Crime Family Syndicate terrorist network leads us to none other than Marrakesh.**

**As previously reported, the financial tie ins to the worldwide terrorist network involves a group called Executive Action out of South Africa, JP Morgan, the noted Deutsche Bank, as well as the Dutch bank ABN Ambro.**

**We can now report that the NWA Flight 253 Christmas Day terrorist suspect had a bank account at ABN Ambro.**

**The dots are now finally being connected to both the Bernard Madoff and Scott Rothstein Ponzi Scheme, the aforementioned banks, Marrakesh, Morocco, the private mercenary Blackwater/XE assassination teams and massive bribes given to ABC Mickey Mouse and FOX News network executives and journalists.**

**Item: It is not a coincidence that Ft. Lauderdale, Florida Ponzi Scheme artist Scott Rothstein made an emergency trip to Marrakesh, Morocco on the same day that dysfunctional U.S. Secretary of State, *loser* Hillary Rodehurst Clinton was also in Marrakesh, Morocco on an alleged diplomatic mission.**

**We can now divulge that Hillary met with Rothstein and exchanged various secret account numbers and codes tied to funds parked in the state of Israel linked to the Bernard Madoff Ponzi Scheme.**

**How dare you, you conspiratorial tyrants and kings and notable queens!**

**P.S. We can now also report that a major showdown is taking place inside the Obama Administration as we speak.**

**Between President Obama's National Security Advisor General James L. Jones and Director of National Intelligence Admiral Dennis C. Blair as they directly oppose the activity of the terrorist 'enablers', dysfunctional U.S. Secretary of State Hillary Rodenhurst Clinton and known Bush-Clinton Crime Family Syndicate bagman, current CIA Director Leon Panetta.**

**P.P.S. We can now reveal that the **alleged covert CIA team that were assassinated in a bombing event in Afghanistan were actually members of the covert Blackwater/XE mercenary assassination teams and had been tied to a December 26th massacre of Afghanistan children.****

**The Blackwater is now known as corporate XE (pronounced zee).**

**We can also divulge that the French journalists kidnapped in Afghanistan are being held by Taliban types who are under the direct control of the Blackwater/XE group.**

**The four (4) French journalists were working on a story, with the help of local Afghanistani citizens and current members of the Kharzai government, on how former illegal White House occupant George W. Bush FRAUD enable and allowed 9/11 patsy aka the late Osama bin Laden aka CIA employee Tim Osman to escape the mountains of Tora Bora in December of 2001.**

**P.P.P.S. As we bring you this intelligence briefing, the corporate-controlled, fascist, extortion friendly U.S. media continue to promote this "phony" war on terror by spinning and manipulating news and evidence tied not only to the 9/11 'Black Op' but the latest Flight 253 'False Flag'.**

**Brian Ross of ABC Mickey Mouse is the latest example.**

**Jeanne Meserve, CNN Homeland Security correspondent, who has done good work on occasion, recently, *once again*, promoted the 9/11 BIG LIE by alleging that the hijackers and passengers, who were on Flight 93 on the day of 9/11, had entered the cockpit.**

**Message to Ms. Meserve:**

**Please read the recently released Freedom of Information report that clearly shows that the cockpit door had not been opened by either hijackers or passengers.**

**Stay tuned for our next intelligence briefing in which we will once again deal with the corporate media filth aka the bribes and payoffs given specifically to the ABC and FOX networks.**

**This deals with their political, news and yes, sports departments.**

**We will expand on how the BCS aka Bowl Championship Series in college football is in violation of Antitrust aka their tie in to Nike and Reebok, ESPN and yes, folks, the Bernard Madoff and Scott Rothstein Ponzi Scheme.**

**We can now divulge that a Los Angeles court has taken a deposition from an insurance agent aka sports agent who was paid a cash bribe by a current player in the National Football League to pay off another insurance broker aka sports agent to keep his silence aka a pending NCAA investigation concerning a previously mentioned a California University who is subject of the inquiry.**

**There are tapes and email records involved that are now in possession of the Court.**

**The original insurance agent aka sports agent paid this current NFL player \$40,000 in cash to attend and play college football at the aforementioned California University under NCAA investigation.**

**Records are now available to the Court involving kickbacks from Nike and Reebok and laundered funds tied to the Scott Rothstein Ponzi Scheme out of Ft. Lauderdale, Florida.**

**Rothstein also had a financial relationship with the alleged insurance agent aka sports agent and his shell companies in South Africa.**

**Rothstein also had a longtime business relationship to the Miami Dolphins and has been tied to "point shaving" and fixing of various NFL and NCAA college football and basketball games.**

**All of this has a back door tie in to the MGM Mirage Hotel in Las Vegas and various offshore entities in South Africa and London.**

**If you are looking for the truth, folks, (ha) just tune in to Brian Ross of ABC News or turn on John Saunders and the sports reporters on ESPN. Of course, you had better tune in early before they take their plane to Marrakesh, Morocco.**

## The Enemy Within

A nation can survive its fools, and even the ambitious. **But it cannot survive treason from within.** An enemy at the gates is less formidable, for he is known and carries his banner openly. But the traitor moves amongst those within the gate freely, his sly whispers rustling through all the alleys, heard in the very halls of government itself. For the traitor appears not a traitor; he speaks in accents familiar to his victims, and he wears their face and their arguments, he appeals to the baseness that lies deep in the hearts of all men. He rots the soul of a nation, he works secretly and unknown in the night to undermine the pillars of the city, he infects the body politic so that it can no longer resist. A murder is less to fear.
