Obama-Bush-Cheney-U.S. Media Psyop

Tom Heneghan, International Intelligence Expert

UNITED STATES of American - It can now be divulged as reported this week by the criminal, corporate-controlled, fascist, extortion-friendly U.S. media that current foreign born *alleged* U.S. President, homosexual *in-the-closet*, cocaine snorting Barack Obama, talks on the phone, on a regular basis, with former White House *illegal* occupant, homosexual *in-the-closet*, cocaine-snorting, AWOL, War Criminal, nation wrecker George B. Bushfraud.

Obama and BushFRAUD recently discussed using former Vice pResident Dick Cheney as a prop and a diversion as to enable the cover up of new "smoking gun" evidence dealing with criminal BushFRAUD's treasonous activity involving the *illegal* Iraq War and the 9/11 '*Black Op*' attack on the United States.

Obama and Cheney's recent speeches regarding the *alleged* war on terror, a war that has never really existed, dealt with no specifics, but instead dealt with corporate, fascist media psycho babble, which had nothing to do with any reality whatsoever.

BushFRAUD, along with his daddy, George Herbert Walker Bush, and Obama's appointed Secretary of State, loser and lesbian *in-the-closet* Hillary Rodenhurst Clinton, recently had a 4-way conference call in which they discussed:

1. Continuing blocking the implementation of the Wanta-Reagan-Mitterrand Protocols [funds due the U.S. and French Treasuries]

2. Using corporate-controlled American media filth stooges to manipulate news events for the purpose of implementation of MARTIAL LAW, including the use of Obama's latest new idea of preemptive detention, which would give Obama authority to hold American citizens indefinitely, without due process, after they were identified by the Department of Homeland Security as alleged suspected terrorists.

Note: Recently Department of Homeland Security Secretary Janet Napolitano released a memo alleging that a terrorist can be defined as ANY American who does not agree with the corporate fascist neocon version of events.

Reference: In fact, daddy Bush and his business partner, unelectable loser and current U.S. Secretary of State Hillary Rodenhurst Clinton also discussed plans to weaken, if not dismantle, the 1st and 2nd Amendments to the United States Constitution aka your right to free speech and your right to bear arms.

Obama was then ordered by his Bush-Clinton Crime Family Syndicate 'handlers' to begin a massive FBI entrapment operation, which is designed to set up and frame U.S. citizens and patriots as *alleged* terrorists.

If you mention the names "Ron Paul" or "Al Gore" on which is now your NSA illegally tapped phone, you will be classified as a terrorist.

**How dare you, you conspiratorial tyrants
and kings and notable queens!**

Remember, folks, there is NO war on terorr!

There is a war on the American People, which began in November of 2000 with the overthrow of the year 2000 presidential election utilizing Bush-Clinton Crime Family satellite and NASA electronic computer software programs that effectively STOLE the year 2000 presidential election from then Vice President, now duly elected, NON homosexual *in-the-closet*, NON cocaine snorting, NON AWOL, NON war criminal, natural American born Albert Gore Jr.

The next step in the war against the American People was the September 11, 2001 'black op' attack against the United States ordered by the New World Order neocon radicals using alleged Al Qaeda aka a data base of former and current U.S. CIA and Pakistani Intelligence agents as the well-scripted patsies aka Lee Harvey Oswald, to take the fall.

Reference: Osama bin Laden aka U.S. CIA employee Tim Osman, dead since December of 2001.

The actual 9/11 'black op' attacks took place during joint U.S.-Canadian Red-Blue war games directed by then Vice pResident Dick Cheney and former Joint Chiefs of Staff Chairman Richard Myers.

The war games were used as a disguise for the laser technology attacks on New York City, which enabled both Cheney and Myers to order the U.S. NORAD defense shield shut down so radar could not detect the laser attacks actually launched from Canadian territory in the province of Ontario.

Reference: Hologram technology was used to disguise the alleged hijacked aircraft while the real hijacked aircraft were flown to secret air bases in Canada.

All the passengers were then murdered by agents of rogue U.S.-British Intelligence.

AGAIN, it was 9/11 whistleblower Maher Arar that was arrested in New York City on September 26, 2002 and then kidnapped two weeks later when Arar, a deep cover French Intelligence agent, arrived in New York City to give "smoking gun" evidence of this Canadian TREASON to both U.S. Senators Charles Schumer and then Senator Hillary Clinton.

Arar also had records and documents proving that Canadian political officials were bribed in order to keep silent on this 9/11 TREASON.

We can now divulge that Arar was the French Intelligence agent, who along with U.S. Naval Intelligence Officer Lt. Vreeland, that intercepted the noted 9/11 command and control attack cable from Dubai "the time is now the match is hot.

Arar was taken to Syria on an *illegal* BushFRAUD rendition flight, where he was tortured in an attempt to have Arar give a false confession that the information given the U.S. government was not true and that he was a terrorist.

Arar was later acquitted of all charges by a Canadian court.

Remember, folks, the Obama-Cheney shadow show was all designed to allow the corporate-controlled fascist American media filth to ignore reporting the latest REAL news, **including the "smoking gun" evidence that Colin Powell used before the United Nations to take the United States into the illegal war in Iraq was from a former Iraqi Intelligence Officer who was recently murdered in Libya codename "Curveball", who was tortured and coerced into a false confession of three lies:**

- 1. That Iraqi President Saddam Hussein was linked to 9/11**
- 2. That Saddam was in possession of Weapons of Mass Destruction (WMDs), and**
- 3. That Saddam was undertaking a nuclear program.**

AGAIN, NO nuclear program or WMDs or links to Al Qaeda ever existed in Iraq and the revelations that "Curveball" was *illegally* tortured in order to coerce him into such false statements is a massive violation of the U.S. Military Code of Justice with the perpetrators of this HIGH Treason aka Bush and Cheney, subject upon conviction, being brought to justice with due prejudice.

The criminal U.S. media filth is also ignoring that alleged 9/11 mastermind Khalid Sheikh Mohammed aka U.S.-Pakistani Intelligence asset, was repeatedly tortured into confessing recycled evidence gathered by FBI agent John P. O'Neill that was gathered PRE 9/11, in the summer of 2001.

The evidence showing that Khalid Sheikh Mohammed knew in advance about 9/11 aka "something big was about to happen", was ignored on at least three (3) occasions in advance of the 9/11 attacks by the BushFRAUD Administration.

This includes the now famous French Intelligence warning aka the intercepted Israeli-British-Dubai cable, the 9/11 command and control attack order "the time is now, the match is hot".

We can now also divulge that the Minnesota *alleged* Al Qaeda cells that the late John P. O'Neill was tracking were also being monitored by deep cover French Intelligence agent Maher Arar and the noted 9/11 whistleblower Lt. Vreeland.

Both Arar and Vreeland knew that the Minnesota *alleged* Al Qaeda cells had been infiltrated by the Israeli Mossad and were being scripted as fall guys that were to be blamed for 9/11.

Note: The BushFRAUD Administration failure to react to the PRE 9/11 warnings and arrest these *alleged* Al Qaeda suspects in advance of 9/11 clearly proves that the BushFRAUD Administration and Condoleezza Rice's State Department:

- 1. Wanted to protect the Israeli Mossad covert relationship with *alleged* Al Qaeda, and**
- 2. Proving that the BushFRAUD Administration wanted to use *alleged* Al Qaeda as the 9/11 patsy for the TREASONOUS attack on the United States.**

AGAIN, folks, there is NO real evidence linking *alleged* Al Qaeda aka the U.S. CIA government data base to the actual 9/11 attack itself.

Note: FBI Special Investigator John P. O'Neill, who had fingered this 9/11 ponzi scheme, later died in the New York City Twin Towers 9/11 attacks.

P.S. Unelectable *loser* Hillary Rodenhurst Clinton, appointed to her job like her business partner, BushFRAUD, just recently signed a decree giving gay couples in the State Department the same sex rights given to married couples in the State Department.

Question: Given the PRE 9/11 warnings by the U.S. State Department, could it be that State Department officials, whether they are straight or gay, are now in a position to shake down the U.S. government?

That is a good question, are they?

P.P.S. Do not be fooled, folks, by what will become a news media blitz reference President Barack Obama's choice on his new Supreme Court Justice.

The criminal, corporate-controlled fascist American media filth love to talk about their three favorite subjects: abortion, gay marriage and *alleged* shadow terrorists that are about to attack the United States.

It should become clear to you now, folks, who the REAL terrorists are.

Final note to U.S. media filth and your corporate banker enablers:

You are in contempt of the American People and, at the proper time, will be dealt with accordingly.

You have enabled the destruction of the American Republic, our electoral system, our financial system, our banking system as well as our judicial system and the basic rule of law, which set American apart from the rest of the world.

Special note to Eleanor Clift at Newsweek magazine:

We are not interested in celebrity presidents or politicians anymore or self-styled royal families aka the Bush-Clinton Crime Family Syndicate operating on American soil.

It is clear, though, that *alleged* journalists like Eleanor Clift aka gossip columnists do not get it.

Well, folks, soon the entire corporate-controlled American media filth will regret the day that they didn't get it.
