It can now be reported that the Securities Exchange Commission is obstructing justice in a case involving oil hedge fund trading dating back to the Clinton Administration.

There is now smoking gun evidence linking major offshore 1241 corporations with trading oil hedge funds without proper margin collateral or securities.

This misconduct goes beyond the legislation of the 1990s that created the exception for the hedge funds to trade without margins.

And it gets worse!

http://img.dailymail.co.uk/i/pix/2007/11_03/clintonsEPA2311_468x420.jpg

The uncollateralized trading helped enrich Chelsea Clinton, the daughter of former President Bill Clinton, with millions of dollars of ILLEGAL trading profits, which were laundered through both the United Arab Emirates and the Swiss Bank UBS Warburg.

http://pictures.directnews.co.uk/liveimages/UBS_732_18387030_0_0_7005826_300.jpg

The funds are now ILLEGALLY parked in a private account tied to both Clintons called Chelsea Jefferson.

Note: Chelsea Clinton now operates as a hedge fund manager in New York City.

http://bbsnews.net/bbsn_photos/topics/Timely_Figures/palace.jpg

Item: It was former President Clinton in 1998, with the help of former Speaker of the House Newt Gingrich, that sponsored the legislation, which granted oil hedge funds the ability to trade offshore without proper margin requirements or securities-based collateral.

It was then daddy Bush's little bitch, AIDS positive SERIAL RAPIST Bill Clinton that allowed Bush Crime Family owned oil corporations Texaco and Pennzoil to merge in early 2000.

<http://www.daylife.com/photo/05ydevB93S2OG> AFP/Getty Images

The merger gave the **foreign-owned oil giant British Petroleum (BP) 50% of U.S. market share**, created more liquidity for the oil hedge funds and enabled then Texas Governor George W. Bush to raise millions and millions of dollars through the oil industry for his forthcoming year 2000 presidential campaign against then Vice President Albert Gore Jr.

Reference: The ILLEGAL oil hedge fund trading, which continues to this day, along with the year 2000 merger, helped finance what was to become the massive Bush-Clinton Crime Family fiasco known as ENRON.

The ENRON debacle and bankruptcy, all scripted and orchestrated with offshore 1241 oil hedge fund corporations, led to millions of average Americans loosing their pensions, retirements and life savings.

<http://antwerp.files.wordpress.com/2006/07/enron.jpg>

How dare you, you conspiratorial tyrants and kings and notable queens!

The recent decision by Saudi Arabia to increase oil production is a fraud and a ruse!

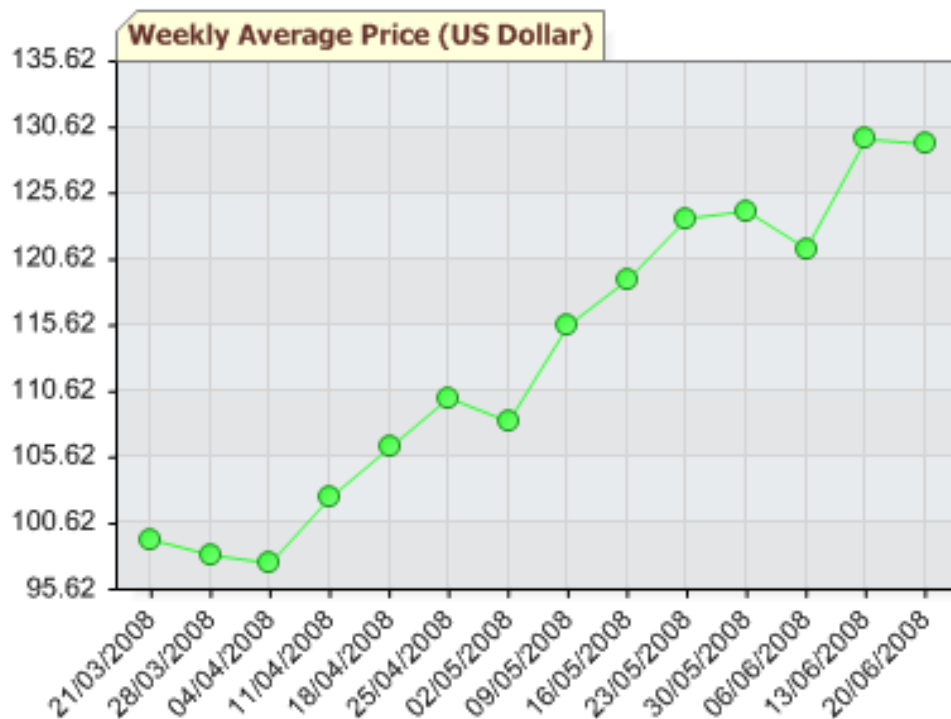

The only thing the Saudi monarchy is doing is creating *alleged* future oil production, which can then be described as assets and accordingly **used for BOGUS bookkeeping purposes in the criminally operated Bush-Clinton Crime Family oil hedge funds.**

Reference: All of these criminal trading practices led to the billions of dollars of BOGUS oil derivatives now tied to EURO currency and the eventual bankruptcy of the noted Bear Stearns Hedge Fund.

It should also be noted that the ILLEGAL trading profits made through the BOGUS offshore Bush-Clinton Crime Family Syndicate oil hedge funds were used, along with drug dealer Carlos Lehder and Bush Crime Family election fixer James Baker, to BRIBE Florida election officials in an attempt to stop the proper re-count of votes in the year 2000 presidential election coup d'état directed against then Vice President, now non-inaugurated duly elected President Albert Gore Jr.

AND NOW IT REALLY GETS WORSE!

We can also report that the Bush-Clinton offshore 1241 oil hedge funds have used custodial funds tied to the now deceased, alleged 9/11 mastermind, i.e. patsy, CIA operative Tim Osman aka Osama bin Laden and are also linked to the noted Wanta-Reagan-Mitterrand Protocols.

<http://www.howsitit.com/weeklyoil.png>

THE OIL HEDGE FUNDS HAVE BEEN ILLEGALLY USED FOR YEARS BY THE BUSH-CLINTON CRIME SYNDICATE TO MANIPULATE WORLD FINANCIAL MARKETS, INCLUDING THE PRICE OF CRUDE OIL.

As reported in earlier briefings, CIA asset Tim Osman, i.e. Osama bin Laden, died over six (6) years ago of kidney failure in a U.S. CIA hospital in the United Arab Emirates.

Osama bin Laden aka Tim Osman had his body taken to China for hidden burial.

President Jimmy Carter's National Security Advisor, Zbigniew Brzezinski visiting 'his boy', CIA Tim Osman aka Osama Bin Laden in training with the Pakistan Army, 1981

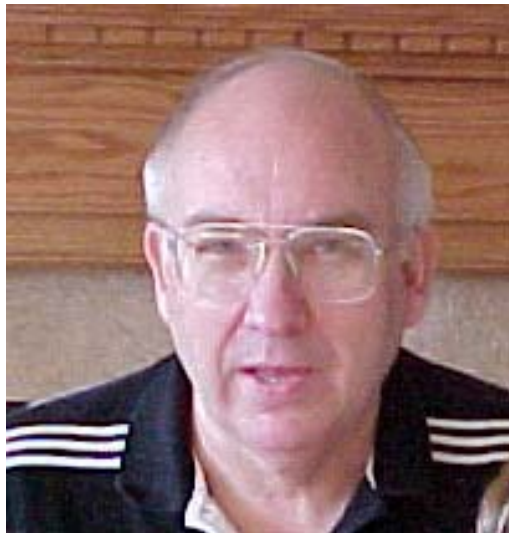

What makes this scandalous and TREASONOUS is not only the use of bin Laden as a patsy for the criminal U.S. government-sponsored murder of 3,000 Americans on 9/11, but the fact that the 9/11 co-conspirators have covered up bin Laden's death for over six (6) years as a ploy to deny the U.S. Treasury billions of dollars of taxes that could be replenished and placed in the U.S. Treasury, i.e. the implementation of the Wanta-Reagan-Mitterrand Protocols.

CIA Tim Osman aka Osama Bin Laden

http://www.whatreallyhappened.com/IMAGES/binladen_cia3.jpg

Reference: CIA's Tim Osman aka Osama bin Laden was a U.S. government employee and asset during the 1980s in which Tim Osman was supplied stinger missiles and other weapons by the U.S. government to aid the Afghan resistance against the then Soviet occupation of Afghanistan.

AMERICAN HERO LEO WANTA

<http://www.c2ore.com/media/3/20060422-LeoWanta.jpg>

It was Ambassador Leo Wanta, American hero, that not only directed the Russian ruble operation, which helped bring down the Soviet economy in the 1980s, i.e. the liberation of Eastern Europe and the old Soviet Union,

but it was Ambassador Leo Wanta that was in charge and directed Tim Osman i.e. Osama bin Laden in the Afghanistan operation, which was designed to bring forth the liberation of the Afghan from Soviet occupation.

It is Leo Wanta who still holds the Power of Attorney on the custodial funds tied to the proprietary CIA accounts, which helped fund not only the Russian ruble operation but the program directed to aid the liberation of Afghanistan.

It is now clear why the Bush-Clinton controlled gangster government tries to keep bin Laden alive, which of course denies the implementation of the Wanta-Reagan-Mitterrand Protocols reference taxes to be paid on the custodial accounts back to the U.S. Treasury and, of course, to the American People.

P.S. It is obvious now that elements of both the Republican and Democratic Parties have decided to continue the ILLEGAL spying against the American People by sponsoring legislation that not only gives major telecoms immunity but simultaneously absolves the government of Israel for their role with the U.S. NSA in the TREASONOUS espionage.

<http://www.house.gov/harman/photos/2005/Running%20002.png>

Remember, folks, it is KHAZARIAN Jew and MOSSAD asset, Jane Harman, Democrat of California, that helped sponsored legislation to actually immunize herself for her role in keeping secret the TREASONOUS criminal spying and UN-Constitutional criminal activity.

P.P.S. The Newsweek poll showing Senator Barack Obama leading by 15 points over his Republican opponent John McCain should be taken with a grain of salt.

<http://newsbusters.org/media/2007-01-23-PBS-Meacham.jpg>

Remember folks who runs Newsweek magazine, homosexual *in-the-closet* Jon Meacham, a Bush-Clinton Crime Family stooge, who created the concept of Obama vs. Hillary as a way of guaranteeing two Democrats running against each other whose electability is highly in question.

One should ask a question to Newsweek magazine if the poll is actually being used to reward Obama for his cooperation in supporting the ILLEGAL spy legislation.

...We can now tell you that in return for a \$5 MILLION BRIBE, Wright has agreed to be a stool pigeon and asset for the Clinton-Bush Crime Family that needs to continue to dominate and control the U.S. Justice Department...

It would be no reach to assume that Newsweek magazine is blackmailing Obama on behalf of the TREASONOUS U.S. NSA and the criminal Israeli MOSSAD.

Note: Sociopath Sean Hannity of FOX News has alleged that both Obama and Wright had been lifelong male lovers for over 20 years.

Question: When is sociopath Sean Hannity of FOX News going to report that homosexual *in-the-closet* Jon Meacham of Newsweek and former Republican presidential candidate, *closet* homosexual Fred Thompson have both been attendees at the noted gay nightclub in Philadelphia called *Shampoo*.

One last note: We are developing new leads and evidence linking the ILLEGAL NSA spying tied to FBI Division 5, the Israeli MOSSAD, major Hillary Clinton fundraiser Haim Saban, Bush-Clinton Crime Family stooge Karl Rove, with elements directing the operation from the University of Southern California in Los Angeles.

Note: Internet mogul Matt Drudge, i.e. Drecht, USC law professor Susan Estrich, (noted Hillary supporter and Dukakis 1988 campaign manager), and Newsweek magazine reporter and MOSSAD agent Michael Isikoff are also tied to this Southern California espionage ring directed against the American People.

Don't forget folks we will have the Ken Starr and 9/11 documents posted on this intelligence blog and once and for all will connect the dots in this TREASONOUS Bush-Clinton Crime Family box.

. . .

"Al Qaeda is nothing more than an extension of the apparatus linked to U.S. intelligence that was allowed, by script, to remove itself as a rogue breakaway entity of the U.S. government; allowed to de-compartmentalize from oversight, and was run instead by Gary Best's rogue black ops specialists for scripted activity outside the U.S. government, with its funding being orchestrated through the Pakistani secret police—an entity of the U.S. government."

Gore: It Is 'Obscene' That Bush Has Dismissed 'George Washington's 200-Plus Year Prohibition On Torture'

On April 9, ABC News [reported](#) that in 2002, President Bush's most senior advisers approved the use of harsh interrogation tactics. Days later, Bush confirmed to ABC he "[approved](#)" of the tactics. Since the ABC report, the media have [largely ignored](#) the story. Moreover, it took [14 days](#) for a reporter to raise the issue in a White House press briefing.

During an [interview](#) this morning on NPR, former Vice President Al Gore criticized Bush for approving the techniques, calling it "obscene," adding that his use of [signing statements](#) is "a raw assertion of authority outside the boundaries of the law":

Gore: Ultimately the guarantor of our freedoms are the people. And these kinds of outrages, a president saying that he has the right turn George Washington's 200-plus year prohibition against torture and torture anyone he wants with his assistants gathering in the basement of the White House — according to recent revelations — **personally reviewing the kinds of torture techniques being used prisoner by prisoner, its obscene.**

Listen here:

Highlighting Bush's "arrogation of authority," Gore also noted that the Bush administration has "[refused to comply](#) with the Supreme Court

decision" [requiring it to regulate](#) "global warming pollution" under the Clean Air Act.

While Gore called Bush's abuses of power "outrages," the media [does not seem to be as concerned](#). However, the House Judiciary Committee provided a bright spot today, [voting to subpoena](#) David Addington, Vice President Cheney's chief of staff, to compel him to testify about the administration's interrogation programs.

Transcript:

TERRY GROSS: So say John McCain was elected president. What would his options be in terms of dealing with President Bush's signing statement?

GORE: the reason you're having trouble with it is that it's contrary to the American system. In my view, not only would that signing statement not bind the next president, it is not legal as a statement of law where the current president is concerned. It is a raw assertion of authority outside the boundaries of the law.

GROSS: But who would decide if it's officially legal or illegal? Nobody's officially thrown it out saying "this is illegal."

GORE: Well that's correct, and in our system the ultimate arbiter of what is constitutional, since Marbury versus Madison in the first decades of our republic, has been the Supreme Court. But the Supreme Court does not take all cases, and has been often timid where this president's arrogation of authority to himself is concerned.

But even where they have not been timid, where for example they ruled that the Clean Air Act requires President Bush and his EPA administrator to regulate global warming pollution as pollution under the Clean Air Act. And the executive branch has nonetheless refused to comply with the Supreme Court decision. And ultimately the guarantor of our freedoms are the people.

And these kinds of outrages — a president saying that he has the right to overturn George Washington's 200-plus year prohibition against torture and torture anyone he wants, with his assistants gathered in the basement of the White House, according to recent revelations, personally reviewing the kinds of torture techniques being used prisoner by prisoner — it's obscene!
