Benjamin Fulford 9-19-17... "Urgent questions from a political prisoner" [re: Leo Wanta, the DC 'clone' situation, Preston James]

Posted on 2017/09/21

Another short Q&A piece from Benjamin. For those interested, there is a [recent article by Preston](#) regarding Leo Wanta (I've yet to read that one).

"...I have heard of Mr. Wanta. He is not about to get his money. Instead he is going to join the long list of people who have been ripped off astronomical sums by the establishment in Washington DC... We are

going to have to put these people out of business but doing so will not get any money back.

"Many people have told me about clones and cloning and there is definitely something to it... However, until we have definitive disclosure on this subject, I use Occam's razor and look for explanations within the mainstream world paradigm. There is beyond a doubt the use of body doubles..."

"Yes I like [Preston James] writing and support much of what he says. Veteran's today is a valuable source of opinion and intelligence on the net."

Urgent questions from a political prisoner

1) *Have you heard of Leo Wanta and the \$30 trillion plus of money that was stolen from him by the Bush cabal? What do you know of the current prospects for release of the money to Wanta by Trump?*

Yes I have heard of Mr. Wanta. He is not about to get his money. Instead he is going to join the long list of people who have been ripped off astronomical sums by the establishment in Washington DC. Just ask the Kuomintang Chinese about how much luck they have had getting their historical gold holdings back. We are going to have to put these people out of business but doing so will not get any money back. It will just stop them from stealing more.

2) *What do you think of the cloning situation in Washington, D.C., with so many government officials having impostors standing in for them, and the same for the media? I hope your are aware of how far the cloning goes in our chain-of-command...*

Many people have told me about clones and cloning and there is definitely something to it. One Asian triad assassin told he how he killed his "Jewish handler" only to have the same man reappear later. However, until we have definitive disclosure on this subject, I use Occam's razor and look for explanations within the mainstream world paradigm. There is beyond a doubt the use of body doubles enhanced with plastic surgery and the use of computer graphics to create TV appearances of dead people is widespread.

POTUS-17-US GOV-N-POLITICAL PRISONER-LEO WANTA

3) Are you aware of Preston James' writings? He is a columnist for Veterans Today, and writes extensively on the history and methods of the Khazarian mafia and the Secret Shadow Government. What is your opinion of him and Veterans Today?

Yes I like his writing and support much of what he says. Veteran's today is a valuable source of opinion and intelligence on the net. I do not agree with everything they say and do and that is how it should be in an environment of open and healthy discourse.

Wir vertreten die Firma Siemens Aktiengesellschaft Österreich, 1211 Wien, Siemensstraße 88-92. Diese hat uns beauftragt eine Klage gegen die Firma New Republic/USA Financial Group LTD, 1010 Wien, Kärntnerstraße 28/15, einzureichen.

Aus einer früheren Eintreibungsangelegenheit ist uns bekannt, daß die oben genannte Firma an der Adresse in 1010 Wien, Kärntnerstraße 28/15 nicht mehr etabliert ist, die Büroräume leerstehen und am Türschild ein anderer Name angebracht ist. Eine Einsichtnahme in das Handelsregister ergab jedoch, daß die Adresse 1010 Wien, Kärntnerstraße 28/15 nach wie vor die aufrechte Geschäftsadresse ist. Der momentane Geschäftsführer ist Herr Leo Emil Wanta, der als Inlandsanschrift ebenfalls die Geschäftsadresse angegeben hat, an dieser aber unbekannt ist. Als zweiter Wohnsitz scheint die Anschrift 2101 North Edgewood Avenue, Appleton, Wisconsin, USA 54914, auf.

Unsere Klage vom 23.5.1990, GZ: 21 Cg 351/90, konnte weder an der Adresse 1010 Wien, Kärntnerstraße 28/15 noch zu Händen des früheren bevollmächtigten Vertreters, Rechtsanwalt Dr. Gunther Gahleithner, 1010 Wien, Schottengasse 7, zugestellt werden. Die Firma New Republic/USA Financial Group LTD verfügt derzeit über kein Organ, an

welches die Klage zugestellt werden kann. Wir verweisen diesbezüglich auf die angeschlossene Klagskopie sowie die beiden Zustellanstände.

Es wird die Bestellung eines Notgeschäftsführers beantragt.

Thompson records destroyed by mistake

MADISON — Several hundred boxes of records from former Gov. Tommy Thompson's administration were mistakenly destroyed instead of going to the Wisconsin Historical Society archives, officials said Monday.

Tom Solberg, a spokesman for the state Department of Administration, said the records were inadvertently put on the wrong truck from a state warehouse and sent to a Green Bay paper mill, where they were turned into pulp.

The destroyed records covered Thompson's gubernatorial career, from Jan. 1, 1987, to Dec. 31, 2001, when he left Wisconsin to become secretary of the U.S. Department of Health and Human Services.

Thompson spokesman Tony Jewell said it was sad news. "We all know how the current administration is bound and determined to erase Gov. Thompson's legacy," he said.

Solberg said the vast majority of records were constituency correspondence, and others involved extraditions and executive clemency. Correspondence related to the construction and public financing of Miller Park also was lost. Solberg said it's possible there are copies of some destroyed records and that the amount lost was only a "small fraction of the total amount of papers from the governor's office during that period."

Thompson donated his private papers to Marquette University.
