New 9/11 Uranium One TREASON Documents Revealed and Biden Busted for Money Laundry

by Tom Heneghan, International Intelligence Expert

Now inaugurated United States President Albert Gore Jr.,
and former presidential candidate South Bend Mayor Pete Buttigieg

UNITED States of America - It can be reported that now inaugurated United States President Albert Gore Jr. of Carthage, Tennessee and the Office of Naval Intelligence are now in possession of the previously withheld documents discussed in yesterday's intelligence briefing dealing with Uranium One, the 9/11 black op attack on the American People and the extortion and blackmail that was used by the Russian Federation against the Obama-Biden Administration, which had been totally compromised by the BushScherff-CIA cartel that still controls the United States to this day.

The new evidence fingers the Committee on Foreign Investments and the involvement of both Hillary Clinton and former BushFRAUD FBI Director Robert Mueller in handing over national security U.S. uranium assets along with 9/11 nano-thermite microscopic dust to the Russian Federation in exchange for keeping the silence of Russian Federation President Vladimir Putin concerning the Capital HIGH Treason crime of 9/11.

We also want to extend a thanks to South Bend, Indiana Mayor and former democratic presidential candidate Pete Buttigieg who quit the presidential race today for assisting United States President Gore, U.S. Naval Intelligence and the U.S. Military Court for the District of Columbia in gathering this new evidence concerning the Capital HIGH Treason crimes of the Bush-Clinton-Obama-CIA crime cartel.

Putin was also blackmailing the Obama Administration on electronic evidence concerning the British Galileo satellite interface with the Russian satellite Sputnik aka the hacking and theft of the year 2000 presidential election aka the Bush P2-CIA electoral coup d'état.

Thanks to the efforts of American patriot General Michael Flynn and American heroine Jill Stein, President Gore and the U.S. Military Court for the District of Columbia are now in possession of the NASA/NORAD year 2000 presidential election audit.

The audit proved categorically that Gore is the REAL president, which then led to the U.S. Military Court for the District of Columbia to inaugurate Al Gore as the REAL American President on June 19, 2019.

All of this TREASON being revealed led to the illegal spying of Trump aide Carter Page by the criminal gestapo U.S. FBI and CIA being directly orchestrated by Nazi German Robert Mueller and Hillary Clinton-Bush P2-CIA asset Stefan Halper.

General Michael Flynn, along with Jill Stein and United States President Albert Gore Jr. were also targets of the gestapo espionage.

The spying on Flynn continued aided and abetted by the Washington Post and its criminal CIA journalist David Ignatius.

Flynn had a conversation with the Russian Ambassador that criminal David Ignatius was actually illegally taping on behalf of the FBI and then U.S. Assistant Attorney General Rod Rosenstein allowing the 'Deep Stat' elite to trigger the appointment of Nazi German Robert Mueller as an independent counsel to investigate alleged Russian collusion when in truth Mueller's appointment was made to COVER UP Obama-Clinton-Biden-Bush FRAUD HIGH TREASON!

Ignatius has been a criminal in the past, including illegally spying on then Vice President Gore on a trip he made to the Russian Federation in 1997 subject matter : The implementation of the Wanta-Reagan-Mitterrand Protocol funds due the U.S. and French Treasuries for over the last thirty (30) years.

Message to punk Ignatius: Your day is coming when you are taken to President Gore's backyard.

LATE BREAKING REPORT

Former New York Mayor Rudy Giuliani is now cooperating directly with United States President Gore and the Office of Naval Intelligence concerning evidence supplied to him by the nation of Ukraine and European INTERPOL of a \$3.75 BILLION embezzlement of Wanta-Reagan-Mitterrand Protocol funds involving Michael C. Cottrell's illegal Global Security Fund along with George Soros' Illuminati Fund as well as the noted money laundry, the Clinton Foundation, using contributions to the alleged aids crisis as a disguise.

The bagman for all of this illegal money laundry was Biden bagman David Snelbecker (the International Development Group) who had been previously employed by junior George W. Bush FRAUD's U.S. Secretary of Treasury Henry Paulson.

On the direct orders of President Gore all of these aforementioned TREASONOUS individuals fingered in this briefing will now face immediate U.S. Military Tribunal execution under U.S. Military Law and Executive Emergency Provost Protocol Override aka the 28th Amendment.
