11. Proceeded on the representations of Secretary Snow and Chief of Counsel of Troutman Sanders, LLP and Jenkins & Gilchrist PA used to complete the preparation and distribution of the settlement referred to collectively as "settlement documents". The following persons are identified in this settlement:

- Personnel of the Federal Reserve Bank of New York
- Central Intelligence Agency (CIA) (including but not limited to the Department of Homeland Security,
- Director of National Intelligence,
- United States State Department,
- United States Department of the Treasury,
- United States Department of Defense,
- The White House, including but not limited to the Offices of the President, Vice President, and Chief of Staff.
- China (PRC), France, Great Britain, Germany and other foreign governments.
- Other persons identified in the settlement documents.
- Other persons not intentionally omitted as part of this post.

The writings of the financial assets mentioned in the settlement mentioned attorneys comprise approximately 82% of the total value of the settlement and are available to the public in the U.S. and other countries.

11. In May of 2008 the People's Republic of China caused a free market crash in the U.S. stock market.
