POTUS - 202 - HILLARY CLINTON IS AN ISRAELI SPY - JUDICIAL WATCH

Judicial Watch: New Clinton Emails Reveal Classified Docs, Clinton Foundation Connections

APRIL 25, 2018

(Washington, DC) – Judicial Watch today released **281 pages** of newly uncovered emails of former Secretary of State Hillary Clinton from the U.S. Department of State sent and received over her unsecure, non-“state.gov” email system. The emails, dated 2010 through 2013, **contain classified information and detail collusion between the Clinton State Department and the Clinton Foundation.**

Ten emails contain **classified information** redacted “in the interest of national defense or foreign policy,” including confidential sources, and concern Israel and the Middle East. Most of the emails include exchanges with former British Prime Minister Tony Blair. The emails show Hillary Clinton conducted classified and sensitive negotiations about the Israel-Arab conflict on her unsecure, non-governmental server.

- A document labeled “plan” was completely redacted as classified.
- A November 2012 email chain discusses the “Mid East” and includes then-Deputy Chief of Staff Jake Sullivan, Blair as “aclb” and Clinton.
- Another November 2012 email chain discusses the “Mid East” and includes Sullivan, Clinton’s office manager Claire Coleman, Blair and Clinton.
- A November 2012 email chain fully redacted is titled “Mid East Peace” and includes Blair, Clinton, Obama’s Special Envoy to the Middle East David Hale as “haldm2@state.gov,” Sullivan and Blair’s Chief of Staff and former Downing Street aide Catherine Rimmer.
- In an April 2011 email exchange between Blair, Clinton and Sullivan concerning “Israel,” **Blair says he “had another long session with BB [Netanyahu].”**
- A May 2011 exchange concerns “Israel” and includes Blair, Clinton and Sullivan.
- A May 2011 email concerns “Palestinians” and includes Blair, Clinton and Sullivan. Blair says, “I’ve also sent you a paper.”
- A June 2011 email regarding “Israel” includes Blair, Sullivan and Clinton. **Blair says, “Saw Israeli PM. Put the concept of a Q statement. He was receptive. Palestinians interested too. I know there are discussions also you guys are having. And the French initiative....”**
- In a July 2011 email – with several national security redactions – **written by Blair to Clinton and Sullivan, Blair says, “I saw BB..... Molcho [chief negotiator in the Israeli negotiating team with the Palestinians] will speak to David Hale. I can see Cameron and Sarkozy with David.... I saw Egyptians....”**
- A September 2010 email exchange is titled “Info for you,” and includes Sullivan, Blair and Clinton. **Blair writes that he just spent three hours with Netanyahu, and Sullivan, using his Sprint BlackBerry, he writes “We have pitched this to [redacted].”**

These new classified and other emails appear to be among those that Clinton had attempted to delete or had otherwise failed to disclose. The documents are part of the November 2017 accelerated schedule of production ordered by U.S. District Court Judge James E. Boasberg. The State Department must now complete processing the remaining documents by September 28, 2018. There were 72,000 pages recovered by the FBI in its investigation into Hillary Clinton's illicit email server. The State Department's original production rate would have put the completion date into 2020.

The newly obtained documents came in response to a Judicial Watch Freedom of Information Act (FOIA) lawsuit filed on May 6, 2015, after the State Department failed to respond to a March 4, 2015, FOIA request (*Judicial Watch v. U.S. Department of State* (No. 1:15-cv-00687)) seeking:

All emails sent or received by former Secretary of State Hillary Rodham Clinton in her official capacity as Secretary of State, as well as all emails by other State Department employees to Secretary Clinton regarding her non-"state.gov" email address.

Many of the emails involve Abedin, who joined the State Department as deputy chief of staff in 2009. From June 2012-February 2013, she was granted status as a "special government employee," allowing her to work as a consultant to clients like Teneo and served as a paid consultant to the Clinton Foundation.

Several of the emails demonstrate the commingling of Clinton State Department and Clinton family foundation business:

- In a November 2010 email with subject line, "How do I get through to Bill Clinton," Rafael Anchia, a lawyer with Haynes Boone, asks Clinton campaign official Ed Meier if he could get to the "gatekeepers" to get Bill Clinton to give a speech in Spain, noting that "a large bank is willing to pay for it."

Meier forwarded the email to former State Department Deputy Chief of Staff Jake Sullivan who forwarded it to former Deputy Chief of Staff Huma Abedin. Abedin sent it to Bill Clinton's scheduler at the Clinton Foundation, Terry Krinvic, who provided Clinton's contact information, to which Sullivan responded, "Awesome."

- In September 2011, Abedin sent Sullivan an email concerning the Clinton Global Initiative (CGI) with "Potential questions for Closing Plenary conversation between Secretary Clinton and Chelsea Clinton" in which Abedin included some "proposed questions" to put to Hillary and Chelsea Clinton. Four days later, Sullivan forwards a revised list of questions (completely redacted as interagency deliberative process) to Abedin and Clinton's Chief of Staff, Cheryl Mills, saying, "Here are my proposed questions."
- In a September 2010 email containing subject line, "President Banda's MOU [Memorandum of Understanding] with Clinton Global Initiative," U.S. Ambassador Jeanine Jackson writes to Clinton Development Initiative official Walker Morris, (cc'd to Clinton Foundation official Amitabh Desai) discussing State Department spending in the country of Malawi. In the email, Jackson says, "we will be anxious to collaborate once you have an idea of the MOU's intent." Morris responds that "we are very excited about CDI's [Clinton Development Initiative] future work in Malawi and certainly see great opportunity to collaborate."

The Clinton Foundation work in Malawi involved a Clinton Foundation owned “for-profit agribusinesses including Tukula Farming Company which operates 7200 acres of commercial farms” in the impoverished country.

Other emails show that Bill Clinton appears to conduct State Department and Clinton Foundation business simultaneously:

- In a September 2012 email with subject line “Burma,” Desai briefs Jake Sullivan on Bill Clinton's discussions in Burma. Desai reports, in part: “WJC mentioned work of CF [Clinton Foundation] and offered to help in any way. TS [Than Shwe, president of Burma] said he already had asked HRC about WJC foundation and wanted to invite WJC foundation to work in myanmar in collaboration with gov agencies and other ngos ... TS invited WJC to open offices in Rangoon and Mandalay.” That same day, Abedin writes Desai (cc's Mills, Sullivan, Fuchs and three other persons whose email address are redacted) with subject line “Re: He had v good meeting with Libya and Burma:” “hrc looking forward to hearing about Burma. We meet at 545. I believe you have downloaded to jake?”
- In a September 2012 email with subject line “Columbia / President Santos,” Desai and Toiv discuss a request by Colombian president, Manuel Santos, that Bill Clinton say some positive words about Santos' initiative reaching out to the FARC terrorist group. Santos provided the Clinton Foundation with suggested language. Toiv said that she would “check” and also mentioned that she was working on a “visa issue.”

According to a report in the *New York Post*, the Santos request came not long after Clinton “jetted in for a Pacific Rubiales golf tournament at the Bogota Country Club... **Accompanied by Giustra**, he played a few holes with Colombian President Juan Manuel Santos.” **The event reportedly raised one million dollars for the Clinton Foundation.**

“It is shameful that Hillary Clinton attempted to delete or hide classified information and that Obama appointees James Comey and Loretta Lynch refused to prosecute her,” said Judicial Watch President Tom Fitton. **“It is clear that the Clintons were using the State Department to run an extensive influence peddling scheme. Americans should be concerned that while untold resources are devoted to the abusive Mueller special counsel investigation of President Trump, this Justice Department seems uninterested in prosecuting the Clintons.”**

Hillary Rodenhurst Clinton Is An ISRAELI Spy

by Tom Heneghan, International Intelligence Expert

ISRAELI Mossad agent Hillary Rodenhurst Clinton admires her 'handler' Benjamin Netanyahu

source - source

UNITED States of America - It can now be reported that the recent resignation of Department of Justice head of counter-intelligence David Laufman confirms a Defense Intelligence criminal counter-intelligence investigation involving a massive ISRAELI espionage operation that has been directed against the United States government, its compromised intelligence agencies, the U.S. media, as well as all members of the United States Congress.

The liaison aka the bag lady for the ISRAELI Mossad is none other than Khazarian Jew, former U.S. First Lady and U.S. Secretary of State, Hillary Rodenhurst Clinton.

Secret Service Removes Rahm Emanuel from Oval Office - Tom Heneghan

http://www.bibliotecapleyades.net/sociopolitica/sociopol_obama22.htm

It should be noted that during the 1980s while employed at the Rose Law Firm in Little Rock, Arkansas, Hillary's law partners were the late Vince Foster and none other than convicted ISRAELI espionage spy Jonathan Pollard.

Pollard did more damage to America's national security than any individual in the history of the United States, including the noted Rosenbergs.

But did you know that Vince Foster, Hillary Clinton and Jonathan Pollard were all simultaneously partners at Rose Law Firm? Yes, that Jonathan Pollard, the unrepentant spy for Israel, arrested and sentenced to life in 1986 for espionage. -- Sander Hicks, New York Megaphone

Compromised members of Congress tied to the ISRAELI spy ring include:

Adam Schiff, Democrat of California

Kamala Harris, Democrat of California

Amy Klobuchar, Democrat of Minnesota

Lindsey Graham, Republican of South Carolina

John McCain, Republican of Arizona

Richard Durbin, Democrat of Illinois

Eric Swalwell, Democrat of California

Robert Corker, Republican of Tennessee

Also, North American ISRAELI Mossad chief, Chicago Mayor
Rahm Emanuel.

Note: We will have more names to add to the list in our next intelligence briefings, including the role of Corker's bag lady Marsha Blackburn.

- **1951: On 1 April the Israeli Secret Intelligence Agency the Mossad, which will go on to terrorize the world, is formed. The motto of the Mossad is probably the most disgusting secret service motto in the world, it is,**

Reference: The aforementioned TREASONOUS Representatives and Senators continue to support the junior George W. Bush FRAUD-Clinton-Obama-Biden instigated wars in the Middle East, including the current ISRAELI escalation and aggression against the sovereign nation of Syria.

The aforementioned filth also continue to support the illegal destabilization of the Russian Ukraine on behalf of NAZI Khazarian Jewish Israeli interests all to support the imperialistic designs of Israeli Prime Minister Benjamin Netanyahu and NAZI Khazarian Jew and financial terrorist George Soros.

Compromised media types include David Corn of Mother Jones, Rachel Maddow of MSNBC, independent journalist and former Dukakis campaign manager, Susan Estrich, Paul Gigot of FOX News, Dana Bash of CNN, her brother former CIA official Jeremy Bash of MSNBC, Wolf Blitzer of CNN, David Ignatius of the Washington Post and Mark Knolar of CBS.

Assisting Defense Intelligence in this investigation is none other than former Washington Post reporter, now employed at PBS, journalist Mark Shields, while former Democrat U.S. Senator Al Franken of Minnesota is helping blow the whistle on this TREASONOUS scam that inhabits the Congress and the media.

P.S. We can also divulge that the ISRAELI Mossad espionage also targeted current U.S. Senator and American Patriot Rand Paul, Republican of Kentucky, and none other than former U.S. Vice President, now year 2000 DULY ELECTED U.S. President Albert Gore Jr. of Carthage, Tennessee.

The current Defense Intelligence investigation has now connected the dots reference the ISRAELI Mossad, U.S. CIA, the U.S. NSA, BRITISH intelligence GCHQ, the Department of Homeland Security, and the noted Fusion Center as being involved in massive CAPITAL HIGH TREASON against the American People.

P.P.S. At this hour, U.S. President Donald Trump remains somewhat helpless and cornered.

including the \$250,000,000 for the Children's Fund that Wanta discusses. Foster's financial dealings may not explain why he was killed. But they could very well explain why there was no investigation.

RE: High Speed Rail, Ambassador Leo Wanta

Dear President Trump:

Please be advised that I, Jan M. Heger Esq., am former Counsel to Ambassador Lee Wanta for many years and am now retired. I have never in the history of practicing law for over 40 years met an individual who I admire, respect and trust more than Ambassador Wanta, who an officer of the United States as was appointed by President Reagan. He has honorably served the United States of America during our time of need and in my opinion should receive the Medal of Honor for his service during the cold war. Instead he has been abused by the legal system and/or the Deep State for doing his best and succeeded admirably to protect and defend the United States of America during the cold war, a specific secret task and treaty awarded to him by President Reagan in order to destabilize the Soviet Union. As you may be aware he has written a book which provides much of the proof and information you may need.

Trillions of US Dollars were made during this operation which were to be returned to the US to pay off the debts of United States less a percentage of earnings that were agreed to be paid to him personally. Instead he was unlawfully incarcerated and prosecuted here in the United States for crimes he never committed ie Tax Evasion by the State of Wisconsin most likely caused by the so called Deep State. I personally was in possession of two copies of cancelled checks made payable to the State of Wisconsin noting the payment of taxes which were cashed by the State of Wisconsin. As such, it was absolutely impossible for that tax crime to have been committed or to have occurred.

High Speed Rail

I believe you have heard of Heger Realty or JW Heger Company one of the largest Industrial Real Estate Companies in Southern California solely owned and operated by my father Jack W. Heger, now deceased. He was the President of the US Industrial Real Estate Association for many years and his clients included Southern Pacific Railroad and many Fortune 500 Companies. The high speed rail Ambassador Wanta is proposing would be a tremendous infrastructure project for the United States and would necessarily employ many US citizens. It is about time that this country have what other countries have ie a High Speed Rail. I cannot recommend more highly Ambassador Lee Wanta who is willing, once again, to serve the United States and to use his own hard earned funds in the process. Should you need further information, please do not hesitate contacting me at 949-295-2444 or by email at hegerlaw@outlook.com. Thank you for your kind attention to this matter.

Washington, D.C. 20008

By Sarah McClendon

Washington, D.C. — Leo Wanta, whose purchase of huge sums in Russian rubles is credited with bringing down the Soviet Union in the Cold War, will be put through a third party lunacy test in Madison, Wisconsin circuit court on Tuesday. He has successfully been declared of sound mind in two previous lunacy tests under the Wisconsin state attorney general's office. His own attorney, James Shellow of Madison, Wis., is instituting this test. Shellow says that under the rules for attorneys in Wisconsin he has to notify the court that he thinks the lunacy test should be given. Shellow admits to being a former attorney for a deceased Mafia chief in Wisconsin named Belistiari. Shellow thinks Wanta will be declared sane in the upcoming hearing on Tuesday, but Shellow claims to know nothing as to how Wisconsin was able to extradite Wanta in chains and shackles from Switzerland, where he was doing business with Swiss banks after having given up his citizenship in Wisconsin. Wanta claims that he had just been made ambassador to Switzerland and Canada when Wisconsin state officials seized him bodily in Switzerland. Wanta claims that they took his briefcase from him at that time which contained billions in Treasury bills and Promise software technical equipment which the U.S. was using to get inside information about foreign treasuries.

Although the briefcase was taken by Wisconsin authorities in 1993, it has never been returned to Wanta nor has he any knowledge of what happened to its contents.

The charge is that he owed Wisconsin originally approximately \$14,000. He claims to have paid back that amount in 1992. The state attorney general's office seized his house worth \$120,000 and sold it for \$60,000, but there is no record of this in the Department of Revenue in Wisconsin nor is there any trace of the proceeds from the sale.

Wanta was buying rubles from Russia at the request of the President, Ronald Reagan. Wanta had worked at the White House, the National Security Council, the Central Intelligence Agency and six other government agencies during his career.

He and President George Bush set up the Ameritrust account in the Credite Suisse bank for the U.S. government to use in case it needed to counter terrorists from overseas, according to Pat Cameron, Los Angeles attorney for Wanta. Wanta says that when former president George Bush sought to withdraw funds from the \$210 billion on deposit that Wanta, a co-signer of the account, refused to give his signature for the withdrawal because the funds, he said, belonged to the U.S. government, not to an individual.
