## The New Gutenberg Press

### How the Deep State is Threatened by the Internet

*The new, worldwide Internet and the revolutionary transformation of forbidden private knowledge into public information via alternative media as The New Gutenberg Press.*

*What criminals most fear is public exposure of their offenses, which can rapidly lead to their investigation, prosecution and punishment. So suppressing truth is essential for them to thrive and prosper.*

—Preston James, Ph.D.

*For decades, this brilliant man, perhaps the most astute analyst of political affairs I have ever known, has been distilling the factions at work in managing the political affairs of the United States—and not for the benefit of the American people.*

*Here he shares the insights and wisdom accumulated through a lifetime of service to the nation, not heralded as a public official but as a creative thinker not constrained by the self-imposed*

2/

*boundaries imposed by political correctness or conventional thought.*

*Here you will benefit and learn from a master, whom I have regarded as a mentor on matters of both national and international importance, with elegance and profundity. I recommend his work without reservation is having no peers, possessed of a towering intellect.*

—James H. Fetzer, Ph.D.

Ambassador Lee Wanta. Lee was mandated by President Reagan under the Totten Doctrine **192 U.S. 105, 107 (1875), National Security Decision – Directive Number 166, dated March 27, 1985, inter alia** as a secret agent to be in charge of this effort. In this process Lee Wanta did amass trillions of dollars that were designated to go back to the American people by President Reagan. In his effort to carry out his mandate, Lee Wanta was imprisoned and the monetary funds that were his to distribute as planned were stolen or converted illegally by an organization known as the Federal Reserve System and used by them to this day.

Later in 2006 a US District Court Judge mandated and ordered that these converted funds be returned back to Lee with interest accruals. It's hard to understand why, after eight years since this order was given by a US Judge, that these funds are still retained. When Lee Wanta receives his funds back it will be in the amount of 32.8 trillion dollars. He promised under an oath to President Reagan that after he pays his repatriation taxes on this money he earned as director general in his Austrian based company, Lee has pledged to eliminate overnight our national debt (approximately 18 trillion), and our 1.8 trillion international trade deficit at once. He also will pay certain sovereign nations what they were promised in the Reagan-Mitterrand protocols. This includes the French, Chinese, English and Russian Governments, where billions were promised. With the remaining funds left over he plans to develop and create a high speed rail system for our country and develop new innovative businesses that could employ over 2 million people in the USA alone.

This is one interview you shouldn't miss!

Greg talked with former Ambassador **Leo Wanta**, a former U.S. Treasury official under President Ronald Reagan. Wanta spend 134 days in a Swiss dungeon and is still serving, under house arrest in Switzerland, 10 years of a 22 year sentence for bogus Wisconsin income tax charges.

Wanta tells how he saved President Reagan from an assassination attempt, as well as how he gave Vince Foster \$250 million earmarked for The Childrens' Fund and its chairman Hillary Clinton right before Foster was found dead.

Wanta also holds the financial key to perhaps one of the biggest bank heists in U.S. history, amounting to \$752 billion of money stolen by the Illuminati that should be in the U.S. Treasury. He also was appointed trustee of \$27 trillion, made as U.S. profits during the days he helped orchestrate the destabilization of the Russian currency.

A recent federal court ruling held in favor of Wanta's trustee authority of the enormous amount of money, an appointment made by Reagan. Presently, he said the only thing keeping him alive is "I know where the money is and they don't," wanting to return it to the U.S. Treasury and the American people before the criminals in Washington, including Bush and Clinton, manipulate the money into private accounts using the fraudulent Federal Reserve system to their advantage.
