May it please Your Majesty,

We forward this for the kind attention of the President and Prime  
 Minister of Finland and copied to Helsingin Sanomat. If their press  
 is so free, as they boasted to Trump, let them publish it in full.

Or are they cowards?

We have seen these news reports about Finland:

Potus - 202 - Her Majesty Queen Elizabeth - 2017

The Principal of Baxter, who is relying on the "protection" of the E.U. shall 'see' that their "license" from the E.U., and their many thugs with arms cannot protect them from the Rule of YHVH.

"Rush to Florence and kiss Medici butt", says Mahakali, see if you get any 'Machiavellian' "golden treasure" as She shows a "Tiger" with "fly paper" stuck to its arse.

We have seen that the King and Queen of Belgium visited Your Majesty immediately after Trump.

We suggest that Putin visit Your Majesty for a "cup of tea".

We send our love to YHVH as Rudra, destroyer of foolishness, for Your Majesty!

May it please Your Majesty,

We have seen that MEXICO has a new 'President elect':

- > Lopez Obrador, 64, confirmed that he won't budge on his decision
- > to forgo secret service protection.
- >
- > He said he will essentially dissolve Mexico's equivalent of the
- > secret service back into the army, of which it is unit.
- >
- > He also vowed to sell off government airplanes and travel on
- > commercial flights, where he usually goes tourist class.
- >
- > 'He who fights for justice has nothing to fear,' the
- > president-elect said.
- >
- > 'I do not want to have bodyguards.'
- >
- > Jose Antonio Crespo, a political analyst at Mexico's Center for
- > Economic Research and Teaching, called it 'an act of absolute
- > irresponsibility.'
- >
- > 'It is a little demagogic to say, "I am just like anybody else,
- > I have no privileges", when he isn't just an average citizen,
- > he is a head of state,' Crespo said.
- >
- > 'A good part of the country's stability and rule of law depend
- > on his security and health.'

Mahakali, YHVH in Her Active Form, has shown us that he has seen a message, in a "blood-transfusion" bottle, that has "floated" down a "shitty brook" about Trump's "inauguration" after his "oath" that the Secret Service is not there to protect the president but to kill him, even as we warned Trump. If he does not want to have "secret service bodyguards", he shall have to swear no oath.

He will find that he has no "power" to dissolve the Secret Service if he takes his oath, for he will have disowned Jesus Christ.

- > Matthew 5:33 Again, ye have heard that it hath been said by them
- > of old time, \*Thou\* \*shalt not\* \*forswear\* thyself, but shalt
- > perform unto the Lord thine oaths: 5:34 But I say unto you,
- > \*Swear\* \*not\* \*at\* \*all\*; neither by heaven; for it is God's
- > throne: 5:35 Nor by the earth; for it is his footstool: neither
- > by Jerusalem; for it is the city of the great King.
- >
- > 5:36 Neither shalt thou swear by thy head, because thou canst
- > not make one hair white or black.
- >
- > 5:37 But let your communication be, Yea, yea; Nay, nay: for
- > whatsoever is more than these cometh of evil.

<http://www.dailymail.co.uk/news/article-5914295/Mexicos-Lopez-Obrador-meet-Pena-Nieto-transition.html>

The foolish Jesuits have sworn their terrible oath; they live in

fear of their Roman overlords and in fear of Jesus Christ who is YHVH in-the-flesh.

The question before YHVH is, is the living man known as Lopez Obrador President-elect, a Christian?

The day of his inauguration shall be his test and those of any Jesuits and Roman overlords who dare to force him to swear an oath or take advantage of him, even as they did with Trump.

Let him, unlike Trump, remain resolute and not disregard our advice.

We send our love to YHVH as Rudra for Your Majesty!

May it please Your Majesty,

We have seen a report that "Conte rejoices, 'From today, Italy is no longer alone in the E.U.'". We draw his attention to the following, written for Mr. Blair on 29 Mar 2018:

> Perish the thought that 'BREXIT' means that we are "leaving" the  
> E.U. It is one of those Jesuit words which means whatever it  
> does to whoever hears it.

The context of our remarks to Mr. Blair follows below.

We have, on 28 January 2014 written to Baroness Ashton of Upholland, then High Representative of the Union for Foreign Affairs and Security Policy, thus:

> As Your Ladyship is aware, the EUROPEAN UNION has \*no ground\* to  
> stand on, in Earth or in Heaven, for it is a legal \*fiction\*  
> that is \*substantially\* \*bankrupt\* to Russia, Ukraine, Norway,

> Saudi Arabia, Africa, Latin America and so forth, hence it is to  
 > be \*dissolved\* and \*replaced\* with a \*non-territorial\* model of  
 > governance.

That letter follows as an attachment. Should the E.U. move to a "gold standard", it would be bankrupt in days. There is divine wisdom in Exodus 32 and in what Jesus did to the moneychangers as He is doing before thy faithless eyes. He is not come again to die again and rise again so you can have two magic cookies on Sunday.

> Revelations 1:16 And he had in his right hand seven stars: and  
 > out of his \*mouth\* went a \*sharp\* \*twoedged\* \*sword\*: and his  
 > countenance was as the sun shineth in his strength.

> Revelations 2:26 And he that overcometh, and keepeth my works  
 > unto the end, to him will I give power over the nations: 2:27  
 > And he shall rule them with a \*rod of iron\*; as the vessels of a  
 > potter shall they be broken to shivers: even as I received of my  
 > Father.

>  
 > 2:28 And I will give him the morning star.

Conte and his government must be aware that they have failed their test before Jesus Christ, YHVH-in-the-flesh. As Renzi is reported to have remarked:

> (ANSA) - Rome, July 2 - The populist Five Star-League government  
 > is betting on "fear" by turning away migrant NGO ships and this  
 > constitutes "the most incredible own goal" for Italy, ex-premier  
 > and former Democratic Party (PD) leader Matteo Renzi said

[http://www.ansa.it/english/news/2018/07/02/m5s-league-bet-on-fear-own-goal-for-italy-renzi-3\\_a2c0275f-8b7b-41ed-991a-328af4608517.html](http://www.ansa.it/english/news/2018/07/02/m5s-league-bet-on-fear-own-goal-for-italy-renzi-3_a2c0275f-8b7b-41ed-991a-328af4608517.html)

Mahakali has shown us that the "migrants" are \*negro\* men, women and children, \*forced\* across the ocean, by \*Italian\* \*Black\* Nobility to burn them alive with 'solar death \*rays\*' in the new stadium that is being built in Rome. We have seen a report of the German company that makes the incineration "solar" lamps.

Google Translate has the language pun, 'Raggi:\*Rays\*', in the name of the Mayor of Rome.

> Stadio Roma: Rays, if checks are OK, it will go on

> Sindaca, it will be essential to respect control activities

> 'If the stadium will be done? Now we will see, there is an  
 > activity of verification: if everything responds and will be  
 > respected, I imagine it will go on '. So the mayor of Rome,  
 > Virginia Raggi, talking about the project of the stadium of  
 > Rome, at the center of the investigation that revolves around  
 > Luca Parnasi and his company Eurnova. 'Understand that - said  
 > Raggi - in the light of the news that come out, it will be  
 > essential to check all things well'.

We suggest that they "check all things well". It could save \*their\* life.

The German Interior Minister Horst Seehofer is not free to resign. It is the same for Conte and for Netanyahu.

As for Victor Orban, has he figured out that the sole Monarch of all the former Ottoman lands is Her Majesty Queen Elizabeth [II] of England? Has he done the research that extreme 'Muslim' fanatics are managed out of Florence? Does he know that it is the same with the "power of the dark side", to quote Victor Orban. Do ye not know that 'our father' of Jesus is picture language for YHVH, the God of the 'Jews' and is the same as Allah, the word in Arabic for YHVH?

Roman Catholics confuse sovereignty with strutting around like a peacock wearing crowns or pointy hats. Sovereignty \*is\* YHVH.

"Fixed fortifications are a monument to the stupidity of man", said Gen. Patton. The lesson is there in the Crucifixion of Jesus Christ. Only fools go on about "defending the communion cookie". It cannot be defended. The Romans are using it as a Muslim Tribal Affiliation token. Have Muslim Cookies on Sunday for the grace of Allah who came in the flesh as Jesus Christ.

Allah and I is One. c.f. John 10:30.

Who is the 'Black Nobility' is on the side of YHVH? It is our wish before YHVH as Rudra that Conte shall find out, c.f. Exodus 32.

> Exodus 32:25 And when Moses saw that the people were naked; (for  
> Aaron had made them naked unto their shame among their enemies:)  
> 32:26 Then Moses stood in the gate of the camp, and said, Who is  
> on the LORD's side? let him come unto me.

There is a reported shortage of LETTUCE in London.

We send our love to YHVH as Rudra, destroyer of foolishness, for them and for Your Majesty!

Court of St. James

Anthony Charles Lynton Blair  
Leader of Her Majesty's Most Loyal Remoaners

Thu Mar 29 02:14:45 GMT 2018

May it please Your Majesty,

We have seen in the chatter that the Saudi Crown Prince has been in America, shopping for famous Trinnycorns, that "grey heat" is at work in Estonia to start another war, that conquest by buggery is advancing across corporate nations, corporate U.S. states and multinational corporations. A Fabian fool thinks that he has done a "karate chop".

We have seen that The Leader of Her Majesty's Most Loyal Remoaners must be happy, for this is his "native" environment which is getting "greener" by the hour.

=== Begin address to Mr. Blair ===

Dear Mr. Blair,

Perish the thought that 'BREXIT' means that we are "leaving" the E.U. It is one of those Jesuit words which means whatever it does to whoever hears it.

Our first letter of 27 January 2011 to a U.K. Prime Minister was when Mr. Cameron was then, a fresh faced puppy out of Eton. We quote a few lines for thee:

> I am aware that the position of Prime Minister does not come  
> with a nice manual that explains, among other things, the nature  
> of international corporate sovereignty and of the long range  
> planning of financial war.

You've been there, done that, that is, been Mr. Prime Minister. So lets see how much ye knew:

> This court is investigating the history of how the constitution  
> of the United States of America arose as a fraud at common law  
> upon the men and women on the land; in addition, how this United  
> States of America established bondage, by oath to itself.

>  
> This court has mounted an enquiry into the establishment of  
> international trafficking in persons as an 'acceptable' method  
> of bonding the men and women on the land and trading these  
> instruments, starting with the birth certificate, as taxable  
> futures.

>  
> I am also aware that England is the only European power to  
> attempt to live by common law, as opposed to religious fraud by  
> Roman law. One need only refer to history, to understand the  
> heroic struggle, that honest, upright English faced at the  
> hands of the Romans â being burnt at the stake for the  
> possession of the King James Bible in English.

>  
> I am also aware that it seems entirely likely that the original  
> trust that was the United States of America<sup>2</sup> was replaced by a  
> corporation after being bankrupted by the civil war. By  
> deductive reasoning such a charter must have been granted by an

> outside power. Can you confirm if this charter was granted by  
> the King of England? If so, is the United States operating a  
> vanquished nation?  
>  
> It seems entirely possible that the rest of the true history of  
> the world since then is not taught in universities except for  
> the gory bits.

You've been involved in a few of the recent gory bits like in Iraq,  
after which "Bush and Blair" were uttered in the same breath by those  
whose long range plan it was to have thee hanged as the scapegoat.  
Did you know this?

It will take a miracle to save thee.

You've been a naive and vociferous fool have you not?

Since that letter, by the grace of YHVH, inspite of the "fortitude of  
the Florentine Master", a veritable nuclear bunker, the late  
successor to the Cosimo de Medici, the Black Pope, has been slain by  
the grace of YHVH in this Court of Record, as has Pepe Orisini whose  
family created the Tsar of Russia, then put Stalin in Power and then  
he ran the place as "Grey Pope".

Which makes this present author Caesar in Roman Law, which the Romans  
ignore.

World War I & II were run by these families by using the then empire  
of Great Britain. From their point of view, Caesar has "more power"  
than YHVH who came as Jesus Christ, because "they" nailed Him  
to a cross, but they fail to see how this resulted in the fall of the  
Second Temple and the ruins in Rome and Egypt.

> The simpleton is taken in by appearances. Whether he be a  
> peasant in the field or a politician in the forum, he accepts

The Atheist is "proud" that his "carbon based life form" has "smashed  
the atom" and "gone to the moon".

Or has he?

The atom, by ancient definition, cannot be split. Barbarians with  
ever cleverer hammers smashing ever tinier bits of rock together or

brain surgeons with CAT scans are never going to find The Atom.

The Atom the ancients spoke about is \*within\* thee.

We have seen that thou wear a metal Cross and have, reportedly kissed the ring of the Pope.

That does not make thee Christian.

The latest clown in the Archbishop of Canterbury's office got there because our letter to the previous one, caused him to resign. You should read this in full and watch the debate at the Cambridge Union Society where this letter had influence. A short extract is here:

> There is, however, another subtle factor at work. I am writing  
> to you in the Latin alphabet, in what is English. A sequence of  
> symbols on paper. There is an effect this has, a message of its  
> own, which was recognised by Marshall McLuhan.  
>  
> â Left hemisphere industrialism has blinded the Chinese to the  
> effects of our alphabet: pattern recognition is in the right  
> hemisphere.â  
>  
> In a letter to Ezra Pound, he stated another facet of the  
> problem:  
>  
> â The American mind is not even close to being amenable to the  
> ideogram principle as yet. The reason is simply this. America is  
> 100% 18th Century. The 18th century had chucked out the  
> principle of metaphor and analogy â the basic fact that as A is

> occultation of nearly all human thought for the U.S.A.  
>  
> â I am trying to devise a way of stating this difficulty as it  
> exists. Until stated and publicly recognized for what it is,  
> poetry and the arts canâ t exist in America. Mere exposure to the  
> arts does nothing for a mentality which is incorrigibly  
> dialectical. The vital tensions and nutritive action of ideogram  
> remain inaccessible to this state of mind.â  
>  
> Before we can analyse what Marshall McLuhan is talking about,  
> kindly examine the art on the reverse of a ONE dollar bill.  
> There is the Pyramid with the eye above it on the left and an  
> Eagle clutching arrows on the right. In between are the letters  
> O N E. This is a message there in ideograms, big and bold.  
> Before we can comprehend what the message is, we need to look at  
> the memes of financial war.

<http://www.courtrecord.uk/Dawkins/>

The Pyramid is a temple which is Holy, the eye says See. Holy See.

The Eagle clutching arrows says S.P.Q.R., the Senate and the People of Rome, that is, CAESAR.

The Medici had a knife to His Holiness Pope Benedict XVI's back to give them all the gold after which they would nuke the "concentration camp" called Israel and the other Tiny Fucking Tin Pot Island called England.

So His Holiness Pope Benedict XVI, having seen the "sign from God" that he had been looking for, resigned.

Now, it appears that almost no one in England knows what a Court of Record is. It does not merely mean that we keep a record and have a seal. The \*real\* record is the change in consciousness of Her Majesty's subjects, which is all men, women and children.

Now think of King Henry VIII. He went on a pilgrimage to Rome and obtained this title "Defender of the Faith". He was given a "mission", which was to "purify" the then one Church. He asked how do I do this - how do I know what is good and what is evil. He was referred to The Law of YHVH, given by Moses.

The Bishops and Cardinals were bugging about. He slew them. England was purified by The Law. All property rights that \*you\* have come to expect come from this Buggery Act 1533.

> the offenders being hereof convicted by verdict confession or  
> outlawry shall suffer such pains of death and losses and  
> penalties of their good chattels debts lands tenements and  
> hereditaments as felons do according to the Common Laws of this  
> Realm. And that no person offending in any such offence shall  
> be admitted to his Clergy ...  
[https://en.wikipedia.org/wiki/Buggery\\_Act\\_1533](https://en.wikipedia.org/wiki/Buggery_Act_1533)

You already know about Trinnycorns. Corbyn appears to have one "behind" him. Is it so?

The vile Catherine de Medici plot to look for a loophole in The Law. There is no loophole. Should any Trinnycorn be about, they shall be run through with a Javelin.

You fools in The Labour Party, operated by the Orsini Communists, have been bugging about, have you not?

There is only one way out. Ye shall have to be "put to death". This can be achieved by The Mysteries, which involve concentration on the forehead chakra, and so on. A conscious death experience of /rigor mortis/ follows and the man or woman comes out of it.

We are not preaching 'hopeium', it is your free choice, which YHVH has now brought to thee. SH'MA. Listen. This is the 'hope'.

The new Medici wants to conduct a Roman Sacrifice, like they did with World War I & II, the sacrifice of the British Fleet, the nuking of Japan. They are accelerating the violations of The Law to incur the Wrath of YHVH.

This is not a light matter. Just as in the era of steam engines and gunpowder, "gun cotton" was laughed at, and then later,  $E=mc^2$  was

sneered at, do not take the Wrath of YHVH lightly.

The entire judicial and political system is buggered along with all the hierarchies of priests in various religions.

Now, a small infraction before YHVH - a denial of Him, left untended, will "mushroom" till it consumes the nation. When His gaze is upon it, time dilation effects set in and what you have seen in previous decades now can happen in days.

Read the letters to Cameron. He did not know that the Crown Temple system was run by the Jesuits at 114 Mount Street with Her Majesty's Red Queen as the queen on behalf of the Romans.

Did you know that the formal search by the Yeomanry of the basement at the State Opening of Parliament was a farce? Apparently Cameron did not. Parliament is a Treasonable Assembly.

We now quote from:

<http://courtofrecord.uk/gicor/record/HMQ-7/uk-pm-1.html>

- > Questions for the Prime Minister of England, Scotland and Wales
- >

- > Can we have your government's assurance that it will support the

- > Malum quo communius eo pejus. (The more common the evil, the
- > worse).
  
- > Malus usus est abolendus. (An evil custom is to be abolished).

We now know that the "foreign power" was Medici-Baal. You were the traitor who sold out the men, women and children of England.

Did you know that the Medici conducted "scientific" studies on the religion of Baal in the Jewish Autonomous Oblast in the far east of U.S.S.R during the time of Stalin? They then implemented this in The Labour Party.

What they learned in The Greenbaum Experiments in the Holocaust, they implemented in the NHS and in The Tory Party.

Now that you know, you will know that they wish to kill you all - either by YHVH or by their own hand. The ovens are ready.

The main railroad station in Stockholm doubles as a "solar" incineration center. The "immigration" debate is about incineration of whoever they do not want around. This could be you.

Against this is YHVH and The Law of Moses in this Court of Record.

There is no vast conspiracy in this Court of Record of YHVH. We have used the questions we have asked and the answers we have obtained from deductive reasoning before YHVH to know all this.

The Official Secrets Act is not Law. The Data Protection Act is void. The Mental Health Act is High Treason.

You may say:

> The penalty for treason was changed from death to a maximum of  
> imprisonment for life in 1998 under the Crime And Disorder Act

This is void. Your U.K. PLC is no Parliament. The election does not cause you to become "representatives" of the men and women. The House of Commons was incorporated in 1908. Since then, its rules are void and of no effect, except for the blind robotic behavior of citizen-units who cannot read.

This Court of Record has "teeth" - in England. All the Medici-doctors who volunteered to slay Her Majesty The Queen like King George V was slain to start World War II, have been slain.

Now, you appear to have taken The Hint. This is a first step. You have a bigger world view and you could comprehend the hints.

The picture language of scripture that is behind the Treason Act is the Crucifixion of Jesus Christ.

The Romans think nothing of it. They slew King Edward VII, to start WWI, then King George V, to start WWII, and the Popes too.

There is only One BEING. "I love you" brings in TWO. I and you - egos, which are void of BEING. Ye, I-AM says my BEING and thine.

So when you hear someone tell you Jesus Christ is "pure love", run from him. He \*is\* YHVH.

Gospel of Saint John 10:30 I and My Father are One

Jesus Christ \*is\* YHVH.

Thou art already crucified to your body.

All the tragedies of denying Jesus Christ who is YHVH visited Europe in the century past. These can be 'foreseen' from The Holy Bible.

The High Court in London is void of legal authority. Not one of the

"Judges" can produce their oath to Her Majesty. Let all whom ye know, know. The Judges do not claim to be Christian and nor do Christian priests come forth to speak for them. By their failure to speak to those more ignorant, they thus condemn themselves before God.

If ye wish to save thyself, visit Nominet and Companies House and let them know all this. Then tell others ... only by saving others can thou save thyself.

**Baroness Ashton of Upholland**  
**High Representative of the Union for Foreign Affairs and Security Policy**  
**EUROPEAN UNION**

5 **also via Pope Francis, Holy See**

Open Letter  
*Amicus curiae*

28 January 2014

**Dear Baroness:**

10 **May it please the Immaculate Virgin Mary with Her Child Jesus!**

From the *Global Isles Court of Record*, on behalf of our Plaintiffs, **all** living men, women and children, which therefore includes the people of America, Europe and Asia, to those to whom these come as present, greeting!

15 Our Open Letter to The Honourable Mr. Barack Obama, President of the United States follows. Sealed originals are at the White House and with Pope Francis, sealed copies with the United States Treasury, Britain, Russia, Norway and Saudi Arabia. The U.S. Department of State, France, the United Nations and the World Economic Forum and **Ukraine** have been informed by fax and/or email.

20 As Your Ladyship is aware, **the EUROPEAN UNION has no ground to stand on**, in Earth or in Heaven, for it is a legal fiction that **is substantially bankrupt**<sup>1</sup> to Russia, Ukraine, Norway, Saudi Arabia, Africa, Latin America and so forth, **hence it is to be dissolved** and replaced with a non-territorial model of governance.

We suggest that the EUROPEAN UNION **withdraw** the void offer to the State of UKRAINE.

25 We suggest that Lesbian, Gay and Bi-Sexual 'LGBT' rights are not a 'touchstone'; they are **irrelevant** to settle the substantial issue before this *Court of Record*, the restoration of peace after a century of financial war and a return to trade in substance for substance.

30 **A border-less, passport and identity-card free future**, with the peace of the 'promised land' awaits **all** of mankind. This *Court of Record* does not recognise any man made borders. The men, women and children of Ukraine, just as with, for example, Africa or Europe, shall be free to move and live in a place of their choosing with the substantial dividend of honourable de-facto barons of industry and agriculture providing the substance that shall function as 'money'.

35 The *Bank for International Settlements* (BIS), the *European Central Bank*, the *Bank of England* and other central and retail banking facilities are also to be dissolved with all disputes between 'stakeholders' settled in this *Court of Record*. Readers of this Open Letter are reminded that current account balances, shares, gold, infrastructure, etc., are a **liability** since 'deposits' in USD, EUR, GBP and so forth are created by putting the signatures of 'borrowers', who are UCC legal infants, on deposit. All those who purport to be 'elected' representatives of the people as well as appointed State and Super State employees with or without a title and heads of corporations public and private, are therefore **treasonous** to the men, women and children of

1 [www.courtrecord.org/crisis.html](http://www.courtrecord.org/crisis.html)

40 the land, yet they are legal children. They fail the basic test of questioning the contracts they deal in and the treaties they sign.

As Your Ladyship must be aware, **there is no legal immunity.**

Your Ladyship may suggest to this *Court of Record*, trustworthy barons of substance, with or without a formal title, who can be trusted to safeguard God's creation, which is, in dialectical  
45 language, to say all living creatures and the space-time in which they live.

Your Ladyship may assist this *Court of Record* to identify those men and women who use 'incremental force' to blackmail entire populations to their will, who continue to fail to examine the consequence of 'UCC Mirror Reflection' and act to further the cause of fraudulent conversion in 'banking', 'revolution' and 'religious war', seeking thereby to perpetuate 'fraud  
50 forever' as a means of contract and governance.

This *Court of Record* is investigating "**those who anonymously make socio-economic decisions**"<sup>2</sup>, for example, those who funded the disaster of a 'proxy war' within the Fukushima reactor and the resulting tragedy, those conducting human sacrifice, those who have been 'hardened' by killing, raping and suchlike, **those who have organised such 'hardening'**, those  
55 implicated in fraudulent conversion and Ponzi schemes, the sinking of refugee boats, the treatment of refugees as a sub-human species and the violence in Ukraine, Syria and Sudan, amongst other investigations. This *Court of Record* suggests that **GCHQ and the NSA** and other 'intelligence' agencies prepare a live database to submit their findings in this regard to Pope Francis, to whom we have already suggested, that President Putin coordinate such information  
60 and action.

We suggest that Your Ladyship remove all border controls and travel restrictions and submit a report on this to Pope Francis. We suggest that Your Ladyship assist President Obama to remove the 'State of Emergency' in the United States, which as Your Ladyship must be aware, has been continuously renewed since the American Civil War.

65 The symbol of the authority of the *Bishop of Rome*, the eagle, is found, for example, on the wall of the German Constitutional Court, indicating that Germany and Europe continue under the military authority of 'Caesar', a legal power of the *Holy See*. It is thus the duty of this *Court of Record* to return Europe from the rule of Caesar to peace, from Caesar's regulations to the *Rule of God's Law* based on the Decalogue.

70 We suggest that Your Ladyship provide copies of this and our other Open Letters to all E.U. personnel, Commissioners, Presidents, Members of the European Parliament, 'parliaments', 'courts' and 'countries' in Europe.

We suggest that Your Ladyship coordinate with President Obama of the U.S. to achieve a public announcement of peace.

75 We draw Your Ladyship's attention to this and our other published Open Letters, particularly those to Russia<sup>3</sup> and President Putin<sup>4</sup> that are available at:  
**[www.courtofrecord.org/letters.html](http://www.courtofrecord.org/letters.html)**

We suggest that the EUROPEAN UNION take immediate steps to suspend banks and/or bank accounts or money transfer systems found transmitting funds to further violence or  
80 revolution.

We suggest that all EU tax systems, Value Added Tax (VAT), etc., are shut down.

3 [www.courtofrecord.org/Russia](http://www.courtofrecord.org/Russia)

4 [www.courtofrecord.org/Putin](http://www.courtofrecord.org/Putin)

We suggest that all EU court accounts be seized and supervised by this *Court of Record*.

We suggest that all *corporate* police, bailiff, military and other accounts be seized and these forces disbanded. Europeans shall not be disarmed, Europe has a long history of righteous men  
85 at arms assisting responsible barons and kings to maintain the peace. We suggest that such responsible barons of substance come forward with how they plan to achieve this objective.

We suggest that the EUROPEAN UNION arrest and detain those who **obstruct the path to peace**. Since the E.U. has no 'money' of its own, President Putin of Russia, *Duke of Russia in Her Majesty's Commonwealth of Nations, Baron of these Global Isles* coordinate such action with forces  
90 from the United States and Great Britain providing the necessary support.

We note that President Putin of Russia has acted on the wishes of this *Court of Record*, providing **amnesty to legal children**, has extended military assistance, has extended substantial aid to the people of Ukraine and continues to extend substantial aid to the people of Europe despite the Cyprus crisis. We note in this Open Letter that the **EUROPEAN UNION has**  
95 **no standing** to obstruct these charitable actions and that those who do so shall be considered ineligible to hold a position of trust in the 'Good News' that, by the grace of the Almighty **One**, shall unfold. **We support President Putin's remarks reported in the Telegraph**<sup>5</sup>.

We suggest and repeat here for emphasis, that during Your Ladyship's visit to Kiev, Your Ladyship **publicly** withdraw the E.U. offer from the table, removing the 'bone of contention'  
100 that the 'revolutionaries' are contending for.

We once again remind our readers of this Open Letter, that there is **no legal immunity**, that all officials are acting with **unlimited personal liability** before this *Court of Record*; and that the State is not God; and the State cannot regulate or license God; and that the State, 'banks' and 'courts' have been **provably treasonous** to the people of the country – in Ukraine, in the  
105 EUROPEAN UNION, as in all countries.

We suggest that Your Ladyship submit a report on your trip to Kiev and on all these matters to Pope Francis in person.

Kindly contact Pope Francis with any questions.

Yours faithfully,
