Re: Joseph Rom

Dear Prime Minister Sharon:

I anticipate if you review pertinent materials concerning the 1992 Peace Accord between Prime Minister Rabin and Yasser Arafat it can be determined that Ambassador Leo Wanta was orchestrating the funding of Ten Billion United States Dollars to facilitate implementation of economic contributions to the referenced Peace Accord.

It is further anticipated that a review of this matter would reflect that the funding never occurred. A bizarre range of circumstances resulted in failure to provide funding for the economic implementation portions of the mentioned Peace Accord. If Prime Minister Rabin records are available, in the archives of your Government, I believe you will find correspondence to Ambassador Leo Wanta from Prime Minister Rabin via Swiss authorities. This communication would have been in November of 1993. Within virtually days of this referenced correspondence Swiss authorities sent Ambassador Wanta back to America.

The reference to a "bizarre range of circumstances" concerns infringement on internationally recognized treaties, laws and human rights of Ambassador Wanta. Ambassador Wanta does not suggest that the injustice suffered by him over the past many years is directly attributable to his participation in the mentioned Peace Accord. On the other hand it is suggested that any indirect relationship either intentionally or indirectly associated with the Peace Accord funding failure should be of great interest to your countries leadership.

Speculation is the only measurement to use in evaluating if the present climate in your volatile political climate would have been different had the funding been available to implement the progressive economic plan that was an integral part of the Peace Accord. The economic resources are still available and there is reason to believe a progressive plan could be re-ignited if a need and desire to consider the same is still applicable.

The American political and justice system thwarts and casts aside any attempt to resolve and rectify the unlawful and unjust restrictions on the liberty and freedom of Ambassador Wanta. Facing continual set backs and stalled efforts Ambassador Wanta has requested his legal team to reach out to the international community in an attempt to bring attention to this matter.

After your due consideration is given to the intent and referenced subject of this letter it is respectfully asked that your consideration be given to what interest may still exist to implement the intended purpose of the Ten Billion Dollar infusion of United States Dollars in the 1992 Peace Accord. Assuming there is still an interest in

I expect that receipt of a letter of this nature by your Excellency may raise concerns and questions. An anticipated question is does this letter come from some strange person in the "West". Let me assure you that I am in daily contact with Ambassador Wanta and he has advised that review of the referenced dealings with Prime Minister Rabin and the subject reference for this letter "Joseph Rom" should instill further investigation and inquiry on your part.

Thank you in advance for your considerate attention and review of the intent of this letter. If additional information or questions are appropriate I will make every effort to cooperate and respond accordingly.

Sincerely yours,

ALEXANDRIA DIVISION

AMBASSADOR LEO WANTA,
Plaintiff,

v.

UNITED STATES OF AMERICA, et al.,
Defendants.

Civil Action No. 02-1363-A

MEMORANDUM OPINION

THIS MATTER is before the Court on Defendants the United States of America, et al.'s, motion to dismiss Plaintiff Ambassador Leo Wanta's claim of breach of contract based on lack of subject matter jurisdiction and on Plaintiff's motion to amend his complaint. The issue before the Court is whether the Court should dismiss an alleged secret government agent's claim against the Attorney General, the Director of the Central Intelligence Agency, the Secretary of the Treasury and the Government based on lack of subject matter jurisdiction. The Court grants Defendants' motion to dismiss pursuant to Federal Rule of Civil Procedure 12(b)(1) because the Government has not waived sovereign immunity and public policy forbids the adjudication of a suit relating to matters of an alleged national security contract. The Court denies Plaintiff's motion to amend his complaint under Federal Rule of Civil Procedure 15(a) because such an action would be futile.

(J) (16) (40)

Claims. Nor would an amended complaint change this Court's ability to provide equitable relief in this matter since Plaintiff does not seek recovery of payment or assessment of federal taxes. Moreover, allowing Plaintiff to amend his Complaint would not remove Plaintiff's bar from suing the United States government because he lacks express consent or a waiver of sovereign immunity by the United States government that would allow the United States Court of Federal Claims to have subject matter jurisdiction in this case. Therefore, the Court denies Plaintiff's motion to amend his complaint because such an action would be futile. Plaintiff's sole remedy in this matter is to proceed with the liquidation of the corporations and report these transactions to the Internal Revenue Service in accordance with the Internal Revenue Code and then challenge the assessment of any taxes in a refund proceeding. See Int'l Lotto Fund, 20 F.3d at 591.

III. CONCLUSION

The Court grants Defendants' motion to dismiss based on lack of subject matter jurisdiction and failure to state a claim on which relief may be granted. The Court denies Plaintiff's motion to amend his complaint.

SARAH McCLENDON'S WASHINTON REPORT

3133 Connecticut Avenue
Suite 215
Washington, D.C. 20008

By Sarah McClendon

Washington, D.C. --- Leo Wanta, whose purchase of huge sums in Russian rubles is credited with bringing down the Soviet Union in the Cold War, will be put through a third party lunacy test in Madison, Wisconsin circuit court on Tuesday. He has successfully been declared of sound mind in two previous lunacy tests under the Wisconsin state attorney general's office. His own attorney, James Shellow of Madison, Wis., is instituting this test. Shellow says that under the rules for attorneys in Wisconsin he has to notify the court that he thinks the lunacy test should be given. Shellow admits to being a former attorney for a deceased Mafia chief in Wisconsin named Belistiari. Shellow thinks Wanta will be declared sane in the upcoming hearing on Tuesday, but Shellow claims to know nothing as to how Wisconsin was able to extradite Wanta in chains and shackles from Switzerland, where he was doing business with Swiss banks after having given up his citizenship in Wisconsin. Wanta claims that he had just been made ambassador to Switzerland and Canada when Wisconsin state officials seized him bodily in Switzerland. Wanta claims that they took his briefcase from him at that time which contained billions in Treasury bills and Promise software technical equipment which the U.S. was using to get inside information about foreign treasuries.

Although the briefcase was taken by Wisconsin authorities in 1993, it has never been returned to Wanta nor has he any knowledge of what happened to its contents.

The charge is that he owed Wisconsin originally approximately \$14,000. He claims to have paid back that amount in 1992. The state attorney general's office seized his house worth \$120,000 and sold it for \$60,000, but there is no record of this in the Department of Revenue in Wisconsin nor is there any trace of the proceeds from the sale.

Wanta was buying rubles from Russia at the request of the President, Ronald Reagan. Wanta had worked at the White House, the National Security Council, the Central Intelligence Agency and six other government agencies during his career.

He and President George Bush set up the Ameritrust account in the Credite Suisse bank for the U.S.

government to use in case it needed to counter terrorists from overseas, according to Pat Cameron, Los Angeles attorney for Wanta. Wanta says that when former president George Bush sought to withdraw funds from the \$210 billion on deposit that Wanta, a co-signer of the account, refused to give his signature for the withdrawal because the funds, he said, belonged to the U.S. government, not to an individual.

I don't know what to think yet. Good for Sarah McClendon. She has been the only journalist to challenge Bill Clinton about Mena, Arkansas and cocaine running. Clinton stumbled around after the question and claimed, at his White House news conference, that he had nothing to do with Mena.

Who says the mainstream press doesn't have the guts to ask President Clinton the tough questions? Sarah McClendon, a veteran reporter, fired off the question conservatives wanted to hear, sort of.

She asked the president to "counteract the rumormongers that are abroad in the land who are spreading all these rumors that are scaring people to death. Large segments of our citizens believe that the United Nations is taking over whole blocks of counties in Kentucky and Tennessee. And some of them believe that you're going to put us in a concentration camp and you're going to give our army to Russia and all that baloney. Could you do something about this, because it's hurting the unity of the United States."

Jun 09 04 12:06p Ambassador Leo E Wanta

A LIFETIME OF COUNTER-INTELLIGENCE SERVICE TO THE UNITED STATES

In the course of his professional intelligence service, **Ambassador Leo Emil Wanta** conducted sensitive counter-intelligence business and operations in the following countries and territories, among others: Algeria, Argentina, Australia, Belize, Brazil, Burma, Chad, Chile, China, Cuba, Egypt, El Salvador, France, Honduras, Hong Kong, Hungary, India, Indonesia, Iran, Iraq, Ireland, Japan, Malaysia, Mexico, Mongolia, Morocco, Mozambique, Nicaragua, North Africa, Oman, Pakistan, Panama, Paraguay, Philippines, Russia, Saudi Arabia, Singapore, South Africa, South Korea, Sri Lanka, Sudan, Thailand, United Kingdom, Vanuatu (the currently favoured, utterly corrupted financial offshore tax haven bolt-hole of the Illuminati), Venezuela and Zaire. In many operations, transactions patterns are established in order to monitor the resulting financial flows, which can be done using *inter alia* PROMIS-derivative software.

President Reagan referred to Leo Wanta as his favourite 'junkyard dog' because of his his ability to get things done by 'unconventional' means. However what is apparent from studying what is known about Leo Wanta's life, is that he may not have realised that although he served successive Presidents with total loyalty, in many instances they were working to a different underlying agenda to what they told him. ■

*Leo, with my deepest personal regards,
Ronald Reagan*

Figure 2: A photograph of President Ronald Reagan, signed by the late President: 'Leo, with my deepest personal regards'. When your correspondent asked Leo whether he had saved the President's life twice (by warning him of intended assassination attempts), he replied modestly 'Once' instead of being uncharacteristically boastful.

Dear Mr. Wanta,

Thank you for your recent letter. Your message of support for the Declaration of Principles and the Agreement of Mutual Recognition, signed between Israel and the Palestinians is truly appreciated.

Israel has taken considerable risks upon itself in order to create an opportunity for peace and to put an end to violence and war. It is our wish to open a new chapter in the history of the Middle East - a chapter of mutual recognition, good neighborliness, mutual respect and understanding. We hope we have begun a new era in relations between peoples everywhere.

From Jerusalem, the eternal capital of Israel and the Jewish people, in the language of the Bible, we say, "Peace, peace to him who is afar and to him who is near".

Sincerely yours,

Y. Rabin

Ambassador Leo E Wanta

A LIFETIME OF COUNTER-INTELLIGENCE SERVICE TO THE UNITED STATES

In the course of his professional intelligence service, **Ambassador Leo Emil Wanta** conducted sensitive counter-intelligence business and operations in the following countries and territories, among others: Algeria, Argentina, Australia, Belize, Brazil, Burma, Chad, Chile, China, Cuba, Egypt, El Salvador, France, Honduras, Hong Kong, Hungary, India, Indonesia, Iran, Iraq, Ireland, Japan, Malaysia, Mexico, Mongolia, Morocco, Mozambique, Nicaragua, North Africa, Oman, Pakistan, Panama, Paraguay, Philippines, Russia, Saudi Arabia, Singapore, South Africa, South Korea, Sri Lanka, Sudan, Thailand, United Kingdom, Vanuatu (the currently favoured, utterly corrupted financial offshore tax haven bolt-hole of the Illuminati), Venezuela and Zaire. In many operations, transactions patterns are established in order to monitor the resulting financial flows, which can be done using *inter alia* PROMIS-derivative software.

President Reagan referred to Leo Wanta as his favourite 'junkyard dog' because of his his ability to get things done by 'unconventional' means. However what is apparent from studying what is known about Leo Wanta's life, is that he may not have realised that although he served successive Presidents with total loyalty, in many instances they were working to a different underlying agenda to what they told him. ■

*Leo, with my deepest personal regards,
Ronald Reagan*

Figure 2: A photograph of President Ronald Reagan, signed by the late President: 'Leo, with my deepest personal regards'. When your correspondent asked Leo whether he had saved the President's life twice (by warning him of intended assassination attempts), he replied modestly: 'Once'. Instead of being under house arrest, he should be awarded the nation's highest honours.

SIMPLE QUESTION : AS THE SOLE PRINCIPAL OF UNITED NATIONS - CONTRACT No. 4 - USDollars FIVE (5) TRILLION OF CREDIT-WORTHY FINANCIAL INSTRUMENTS, WHY WAS I - LEE EMIL WANTA, A PRIVATE AMERICAN CITIZEN, FALSELY ARRESTED IN LAUSANNE, SWITZERLAND - 07JUL93 -, FALSELY IMPRISONED (134 DAYS), DRUGGED, UNLAWFULLY EXTRADITED TO MADISON, WI VIA NYC FOR FAILURE TO PAY A CIVIL TAX ASSESSMENT (UNAUDITED AND UN-AUTHORIZED) BY THE STATE OF WISCONSIN-DEPARTMENT OF REVENUE PER INSTRUCTIONS OF THEN GOVERNOR TOMMY G THOMPSON, SECRETARY MARK BURGER, ET AL. DURING JULY, 1993, I AUTHORIZED USDollars 250 MILLION OF CREDIT SUISSE CREDIT WORTHY FINANCIAL INSTRUMENTS AS REQUESTED BY WHITE HOUSE DEPUTY COUNSEL VINCE FOSTER, IN FAVOR OF THE CHILDREN'S DEFENSE FUND, WSHDC. - AND - FALSELY DETAINED BY SUISSE SURETE BASED ON A TELEPHONE CALL [NO ARREST WARRANT] FROM WI DEPT OF JUSTICE AND JUNIOR COLLECTION AGENT FOR FAILURE TO PAY SAID SPURIOUS NON-RESIDENCY ESTIMATE, AS I WAS LEGALLY DOMICILED [TITLE USC 18 SEC 6] IN VIENNA, AUSTRIA AS DIRECTEUR GENERAL, SINCE JUNE 30, 1988.) THE FINDINGS OF FACTS AND CONCLUSIONS OF LAW, IS THAT THIS NON-RESIDENCY CIVIL TAX WAS PAID/CASHED JUNE 3, 1992 [SEE EXHIBIT] BUT NOT STATE POSTED UNTIL NOV, 1995, AFTER NON - JURISDICTIONAL COUNTY TRIAL - MAY, 1995 (SENTENCED 22YEARS).

AFTER US FEDERAL LITIGATION, US DISTRICT COURT CASE No. 02-1363-A AND No. 1:07CV609 T3E/BRP, I AUTHORIZED A CLEAR INWARD REMITTANCE OF USDollars 4.5 TRILLION, PER COURT MEMORANDUM/ORDER TO PAY USDollars 1.575 TRILLION IN US TAXES (35%). SO WHY NOW, DOES THE OFFICE OF THE PRESIDENT REFUSE TO LAWFULLY ALLOW ME TO PAY SAID FEDERAL COURT ORDERS, TO PROTECT OUR GREAT NATION - AMERICA, WHEN IN FACT IN 1993, THE FALSELY ALLEGED/BOGUS CIVIL TAX ESTIMATE / ASSESSMENT OF USDollars 14,129.00 WAS EXTREMELY VITAL.
