Ken Shivers  
US Department of State

Dear Ken,

Thank you very much for your help in trying to locate Mr. Haile and Mr. Mousse so that Mr. Wanta can properly dispose of the gold he now holds in trust for the Somali people.

Following are copies of some documents related to Mr. Wanta's appointment as ambassador of the Somali Democratic Republic. It is my understanding that Mr. Wanta also was appointed head of the Central Bank that was to be built - and it was in that capacity that Mr. Wanta holds the gold.

If you can continue to help us, this would be greatly appreciated.

Again our sincerest thanks.

yours truly,

AMBASSADOR LEO WANTA,

Plaintiff,

v.

UNITED STATES OF AMERICA, et al.,

Defendants.

Civil Action No. 02-1363-A

MEMORANDUM OPINION

THIS MATTER is before the Court on Defendants the United States of America, et al.'s, motion to dismiss Plaintiff Ambassador Leo Wanta's claim of breach of contract based on lack of subject matter jurisdiction and on Plaintiff's motion to amend his complaint. The issue before the Court is whether the Court should dismiss an alleged secret government agent's claim against the Attorney General, the Director of the Central Intelligence Agency, the Secretary of the Treasury and the Government based on lack of subject matter jurisdiction. The Court grants Defendants' motion to dismiss pursuant to Federal Rule of Civil Procedure 12(b)(1) because the Government has not waived sovereign immunity and public policy forbids the adjudication of a suit relating to matters of an alleged national security contract. The Court denies Plaintiff's motion to amend his complaint under Federal Rule of Civil Procedure 15(a) because such an action would be futile.

Dear US Citizen

This is a onetime history making email and not a spam. There will not be any more emails to follow from me or my company unless you request more details. I hope you will take the time to read it please. Regardless of who you are and what you do in life you need to know about this news breaking information that has not yet been disseminated by our National News media for reasons I do not understand. If you have not heard of Lee Wanta you will know about him soon. If you think you know who he is, or someone has told you their opinion of who they think he is, you still need to read his biography. There has been a lot of misinformation put out on him that needs to be corrected. Because of the importance of events unfolding now in our country right now.

Ambassador Lee Wanta has asked me as his communication person and Editor of his biography and Producer of his documentary on his life to release this news release and Chapter 17 of his biography to the American public.

## Ambassador Lee E. Wanta Biography Is now available in Paperback

January 19<sup>th</sup> 2016

### For Immediate Release

A private citizen investor referred to in a December Senate and House bill as one who will help reduce the national debt is a man known as Ambassador Lee E. Wanta. The 2015 released biography of Ambassador Lee E. Wanta explains this matter completely. It is available now to the public on Amazon, Barnes & Noble and Apple iBook's and in paperback which comes with an attached digital interactive disc with all the backup documents. This is the only authorized biography of the Personal Intelligence Coordinator and Secret Agent who was mandated under President Ronald Wilson Reagan. The 350 page biography is backed up with hundreds of accessible documents to provide evidence and verification of the biography of Lee Wanta's life. The content released in this biography is sensitive, controversial and timely. Much of it has never before been shared with the American public. The subject matter addresses his historical foundation in Lee Wanta's secret work under President Reagan to de-stabilize the Soviet Union, financially ending the Cold War without firing a single shot. This was accomplished with the help of Lee Wanta a private citizen operating under the Totten Doctrine 92 U.S.105.107, all explained in detail in the biography. The biography reveals how Lee Wanta privately amassed trillions of USDollars in personal monetary funds. It clearly explains his Presidential Mandate where his personal funds will be lawfully disbursed including the Reagan-Mitterrand Protocol. The repatriation of his personal funds and the resulting personal income taxes being paid will enable our nation to continue funding and reducing its debt. The Senate and the house approved this debt reduction plan late last year. Lee Wanta is also in the process of assisting the Hellenic Republic of Greece with a reliable financial assistance program to help them with their National debt obligations.

The biography provides in-depth information about how the lawless and non-governmental Federal Reserve System and the Corporation State of Wisconsin seized his personal funds (Alford Plea June 13<sup>th</sup> 1994 Exhibit K see below), through criminal and corrupt activities operated by a sophisticated system of Puppet Masters. It shows how articles published by well-known Wall Street Journal Editorial Board member Holman W. Jenkins were inaccurate regarding Lee Wanta, who at the time was serving as a Sheriff's Department "deep cover investigator" of Fall's Vending Services, Inc., a Wisconsin corporation owned and operated by Jerome Engle, also AKA Jerry S. Engle, who was linked in with the assassination of JFK and Bobby Kennedy under an operation secretly called Film Street. Also the biography addresses the false accusations written about Lee

20)

in the book "Thieves World" influenced by Assistant FBI Director Jim Moody published by Simon and Schuster, New York.

Lee Wanta's biography contains new never-released Intel information regarding White House Deputy Counsel Vince Foster and Hillary Clinton receiving 250 million USDollars from Lee Wanta in favor of the Children's Defense Fund which has never been accounted for. The same day these funds were transferred Lee Wanta was put in a Swiss/Suisse Prison and shortly after White House Deputy Counsel Vince Foster mysteriously died. This biography asks hard questions that need to be addressed by many well-known politicians, business and banking officials. It explains how the Corporate State of Wisconsin operates well outside the U.S. Constitution and how they continue to operate this way under the administration of Governor Scott Walker as a Corporation and not a State. It exposes current activities in the Ukraine and corrupt destabilization efforts happening throughout our Sovereign Nation and throughout the world and who is behind it. It also helps the public understand how the "Puppet Masters" are controlling ISIS / DAESH/ ISOL (Why we do have three confusing names for the same group?)

Learn how The United States Congress has censored and suppressed vital information that should have been disclosed under Title 15, Section 4 and Section 201 and how some elected officials have been using bribery and corruption to obtain Lee's funds. Because of the sensitive nature of the content and some of the new information regarding Presidential candidates from both parties, it could have possible implications on the upcoming Presidential election.

The biography helps dispel any doubts as to who Lee Wanta really is, about the \$3+2 trillion he controls now, and what his goals and Mandate is from President Reagan to help our country rid itself of continuing political corruption and return us back to a strong financial footing again as a world leader. The author of the biography is Lee Wanta himself, and has been edited by Lon Gibby, and published by Viking International, LLC. To follow-up the biography, a feature film documentary entitled *Eagle One to Wanta* is in full production by Gibby Media Group, Inc. to be completed and released in 2016 in time well before the U.S Presidential election.

Ambassador Lee E. Wanta's timely biography helps clear up some of this confusion and restores hope that we can get our nation back in line with our Constitution. We the People and by the People. Negotiations are in progress to distribute the paperback version through a major publishing company worldwide.

## SAFELY HOME

I am home in Heaven, dear ones;  
Oh, so happy and so bright!  
There is perfect joy and beauty  
In this everlasting light.

All the pain and grief is over,  
Every restless tossing passed;  
I am now at peace forever,  
Safely home in Heaven at last.

Did you wonder I so calmly  
Trod the valley of the shade?  
Oh! but Jesus' love illuminated  
Every dark and fearful glade.

And He came Himself to meet me  
In that way so hard to tread;  
And with Jesus' arm to lean on,  
Could I have one doubt or dread?

Then you must not grieve so sorely,  
For I love you dearly still;  
Try to look beyond earth's shadows,  
Pray to trust our Father's Will.

There is work still waiting for you,  
So you must not idly stand;  
Do it now, while life remaineth –  
You shall rest in Jesus' land.

When that work is all completed,  
He will gently call you Home;  
Oh, the rapture of that meeting,  
Oh, the joy to see you come!
