New PROMIS Release - There Can Be NO Collusion

by Tom Heneghan, International Intelligence Expert

BRITISH MONARCHY PRIVY COUNCIL'S NWO NAZI GEORGE SOROS

[source](#)

UNITED States of America - It is important to scroll down, open all attachments and review all new documents that have now been released by the U.S. Military Court for the District of Columbia.

These documents refer to the Leo Wanta case, massive Bush-Clinton-CIA RICO, the 9/11 black op attack on the United States and formal treaties between the United States, the Russian Federation and previous governments of the Ukraine clearly showing that there can be NO collusion between the U.S., Russia and the government of the Ukraine given that the Ukraine legally has always been a member of the Russian Federation.

[source](#) [source](#)

The Hillary Clinton-Victoria Nuland (Iraq War BushFRAUD stooge), Obama-Biden-George Soros financed Nazi coup in the Ukraine was designed to get the Ukraine out of the Russian Federation and then bribe Ukrainian officials to give George Soros control of the Ukrainian banking system and simultaneously set up a John Brennan-CIA espionage nest designed to spy on not only the Donald Trump campaign but political opponents of Hillary inside the Democratic Party including now inaugurated, duly elected United States President Albert Gore Jr. of Carthage, Tennessee.

In closing, we can also divulge that Democratic presidential candidate Bernie Sanders has recently testified in front of the U.S. Military Court for the District of Columbia in which Sanders turned over documents he has held since 2008 implicating high level members of the Democratic Party (all U.S. Senators) in complicity and collusion in their role in covering up the 9/11 junior George W. BushFRAUD-Richard Cheney attack on the American People.

Three of the Senators can be named: Ben Cardin (D-MD), Chris Coons (D-DE) and Bob Menendez (D-NJ). All three controlled by neocon Israeli AIPAC will now be arrested, taken to Gitmo Bay, face trial for HIGH treason and, upon conviction face U.S. Military Tribunal execution.

The final confrontation on American soil is now IMMINENT as Hillary, Pelosi and Jeb Bush (year 2000 presidential election stealer), along with MSNBC continue their coup plot vs Trump while Trump considers declaring martial law,

United States President Albert Gore Jr. of Carthage, Tennessee continues to fully implement Executive Emergency Provost Protocol Override.

It should be noted that all of the compromised U.S. Congress have been given copies of the NASA/NORAD year 2000 presidential election audit clearly proving Albert Gore Jr. was the duly elected year 2000 President of the United States of America and, accordingly, on direct orders of the U.S. Military Court for the District of Columbia, Gore is the REAL United States President and all other U.S. national elections that took place in the 21st century and null and void.

Yes, folks, this does not end well. It is going to get physical!

Rep. Louis T. McFadden was the president of the Pennsylvania Bankers' Association (1914-15) and president of the First National Bank of Canton, Pennsylvania (1916-25). He had been Chairman of the House Banking and Currency Committee for over 10 years when he made this speech denouncing the Federal Reserve System.

"When the Federal Reserve act was passed, the people of the United States did not perceive that... the United States were to be lowered to the position of a coolie country which has nothing but raw materials and heavy goods for export; that Russia [China, India...] was destined to supply the man power and that this country was to supply financial power to an international superstate -- a superstate controlled by international bankers and international industrialists acting together to enslave the world for their own pleasure."

-- Rep. Louis T. McFadden, June 10, 1932

The Cause of the Problem

Mr. Chairman, at the present session of Congress we have been dealing with emergency situations [the economic depression --ed]. We have been dealing with the effect of things rather than with the cause of things. In this particular discussion I shall deal with some of the causes that lead up to these proposals. There are underlying principles which are responsible for conditions such as we have at the present time and I shall deal with one of these in particular which is tremendously important in the consideration that you are now giving to this bill.

Mr. Chairman, we have in this country one of the most corrupt institutions the world has ever known. I refer to the Federal Reserve Board and the Federal Reserve Banks. The Federal Reserve Board, a Government board, has cheated the Government of the United States and the people of the United States out of enough money to pay the national debt. The depredations and iniquities of the Federal Reserve Board has cost this country enough money to pay the national debt several times over. This evil institution has impoverished and ruined the people of the United States, has bankrupted itself, and has practically bankrupted our Government. It has done this through the defects of the law under which it operates, through the maladministration of that law by the Federal Reserve Board, and through the corrupt practices of the moneyed vultures who control it.

Some people think the Federal Reserve banks are United States Government institutions. They are not Government institutions. They are private credit monopolies which prey upon the people of the United States for the benefit of themselves and their foreign customers; foreign and domestic speculators and swindlers; and rich and predatory money lenders. In that dark crew of financial pirates there are those who would cut a man's throat to get a dollar out of his pocket; there are those who send money into States to buy votes to control our legislation; and there are those who maintain international propaganda for the purpose of deceiving us and of wheedling us into the granting of new concessions which will permit them to cover up their past misdeeds and set again in motion their gigantic train of crime.

These twelve private credit monopolies were deceitfully and disloyally foisted upon this country by the bankers who came here from Europe and repaid us for our hospitality by undermining our American institutions. Those bankers took money out of this country to finance Japan in a war against Russia. They created a reign of terror in Russia with our money in order to help that war along. They instigated the separate peace between Germany and Russia and thus drove a wedge between the Allies in the World War. They financed (Leon) Trotsky's passage from New York to Russia so that he might assist in the destruction of the Russian Empire. They fomented and instigated the Russian revolution and they placed a large fund of American dollars at Trotsky's disposal in one of their branch banks in Sweden so that through him Russian homes might be thoroughly broken up and Russian children flung far and wide from their natural protectors. They have since begun the breaking up of American homes and the dispersal of American children.

WWI hero General Smedley Butler, a United States Marine Corps major general, the highest rank authorized at that time, and at the time of his death the most decorated Marine in U.S. history - excerpts from his book “War is a Racket”

WAR is a racket. It always has been.

It is possibly the oldest, easily the most profitable, surely the most vicious. It is the only one international in scope. It is the only one in which the profits are reckoned in dollars and the losses in lives.

A racket is best described, I believe, as something that is not what it seems to the majority of the people. Only a small “inside” group knows what it is about. It is conducted for the benefit of the very few, at the expense of the very many. Out of war a few people make huge fortunes.

In the World War [I] a mere handful garnered the profits of the conflict. At least 21,000 new millionaires and billionaires were made in the United States during the World War. That many admitted their huge blood gains in their income tax returns. How many other war millionaires falsified their tax returns no one knows.

How many of these war millionaires shouldered a rifle? How many of them dug a trench? How many of them knew what it meant to go hungry in a rat-infested dug-out? How many of them spent sleepless, frightened nights, ducking shells and shrapnel and machine gun bullets? How many of them parried a bayonet thrust of an enemy? How many of them were wounded or killed in battle?

Out of war nations acquire additional territory, if they are victorious. They just take it. This newly acquired territory promptly is exploited by the few -- the selfsame few who wrung dollars out of blood in the war. The general public shoulders the bill.

. . .

The General Chemical Company averaged a profit for the three years before the war of a little over \$800,000 a year. Came the war, and the profits jumped to \$12,000,000. a leap of 1,400 per cent. International Nickel Company -- and you can't have a war without nickel -- showed an increase in profits from a mere average of \$4,000,000 a year to \$73,000,000 yearly.
