Precursors, Components, and Inferred Structure and Goals of “Syndicate”-Corporate-Government-Military-Intelligence’s GOG’S NeW GESSTTTAPO / TECC: Qui Bono?

Posted on [May 6, 2018](#) Author [Eric Karlstrom](#) [Leave a comment](#)

Precursors, Components, and Inferred Structure and Goals of “Syndicate”-Corporate-Government’s Global Organized Stalking/Electronic Torture/Mind Control Operations (‘GOG’S NeW GESSTTTAPO,’ for Global Organized Gang Stalking Neuro-Warfare Groups’ Electronic Surveillance, Slavery, Tracking, Targeting, Torture, and PsyOps Operations; and ‘TECC,’ for “The Electronic Concentration Camp”); Qui Bono?

Dr. Eric T. Karlstrom, Emeritus Professor of Geography, California State University, April, 2018

I. Abstract; Explanation of New Terms: GOG’S NeW GESSTTTAPO and TECC

The term “gang stalking” does not adequately describe the Global Corporate-Multi-Governmental (US-UK-Russia-

Israel and others)-sponsored DOD-CIA-FBI-MI6-MI5-Mossad-NSA-DHS-Civil-Military Stalking, Electronic Torture, and Mind Control Operations to which it generally refers. These programs, many presumably classified, still do not have an official name. Hence, I here informally name them 'GOG'S NeW GESSTTTAPO' (for 'Global Organized Gang Stalking Neuro-Warfare Groups' Electronic Surveillance, Slavery, Tracking, Targeting, Torture and PsyOps Operation') and 'TECC' (for 'The Electronic Concentration Camp'). Evidence overwhelmingly indicates that "GOG'S NeW GESSTTTAPO"/"TECC" consists of: 1) repressive and punitive military-police "surveillance" and political-psychotronic-terror-"no-touch-torture"- "slow-kill" techniques directed against "watch-listed" "suspects"/"domestic political enemies," 2) corporate-military weapons-testing and mind-control programs that utilize "targeted individuals" as non-consensual subjects in "terminal experiments, " and 3) deployment of "Total Individual Control Technology" (TICT, pronounced "ticked"), a type of EM (electromagnetic) and V2K mind control technology against segments of the US population. When "Targeted individuals" (TIs), generally innocent civilians, are secretly placed on the "Terrorism Watch-list," they are classed as "Non-Investigative Subjects, Handling Code 4, Silent Hits," and extra-legally profiled, attacked, incapacitated, "neutralized," and often, murdered. (See Dr. John Hall's "Guinea Pigs: Technologies of Control," 2014 and Targetedjustice.com).

These quasi-secret, illegal, and unconstitutional programs, here dubbed "GOG'S NeW GESSTTTAPO" and "TECC," are now stripping millions of innocent

civilians of civil rights and subjecting them to innumerable forms of “no-touch” torture and “slow-kill” murder. By all definitions, these programs constitute “crimes against humanity” and treason against the American Republic (and other nations in which they are deployed). The institutions and individuals involved in these crimes must be identified, prosecuted, and punished to the full extent of the law.

The lies that enable the perpetuation of these crimes are also treasonous. These include the 9/11 false-flag, state-sponsored, synthetic “terror” attacks and the phony “War on Terrorism.” Both of these “intelligence” frauds are being used as pretexts for prosecuting pre-scripted wars in the Middle East, imposing a global, authoritarian police state (GOG'S NeW GESSTTTAPO), and ushering in a New World Order-One World Government under Zionazi-Israeli (Rothschild) control. My research, and that of others, convincingly proves that the formulation and execution of these plans have been carried out by Israel and “fifth column” Zionazi/neocon traitors within the U.S. who have “captured” the U.S. government (Hendrie, 2010, Bolyn, 2012, Piper, 2013, 2007, Felton, 2005, 2010, 2011, Story, 2006, Aaronson, 2013, Akins, 2012, Rich, 2011; and my 911nwo.com website among other sources).

The acronym “GOG's NeW GESSTTTAPO” is used here because:

1) it (“Global Organized Gang Stalking Neuro-Warfare Groups’ Electronic Surveillance, Slavery, Tracking, Targeting, Torture, and PsyOps Operations”) describes the system far more accurately than current terms in use

such as “gang stalking” and “counter-intelligence stalking,” etc.

2) embedded within the acronym are the terms “GOG,” which refers to the Biblical antichrist system, and “GESSTTTAPO,” a reference to the draconian State Security Police of Nazi Germany. “GOG” is also an appropriate term because there are strong satanic aspects of the program. The “NeW GESSTTTAPO, like the Nazi Gestapo, is above the law, uses surveillance and coercive tactics against political enemies, pits neighbor against neighbor, and confines political enemies in concentration camps. (However, currently, people don’t go to concentration camps, rather, TECC, “The Electronic Concentration Camp,” comes to them.) The terms GOG and GESSTTTAPO, combined are more or less synonymous with the term, “Zionazi” (= “Ashkenazi!?”), which may be the single best description of the satanically-inspired group now guiding humanity toward the New World Order and Armageddon. Cambridge-educated economic reporter, Christopher Story, among others, has reached this same conclusion in “The New Underworld Order: Triumph of Criminalism; Dark Actors Playing Games, The Global Fantasies of the Geomasonic Elite,” 2006: The “perpetrators” are “Zionazis” that have infiltrated and work through a multiplicity of “front” organizations.

3) what’s “NeW” about “GOG’S GESSTTTAPO is “Neuro-Warfare,” or mind/psychotronic war, based on the deployment of non-lethal weapons, RNM (Remote Neural Monitoring) etc., and what is commonly referred to as “the technology,” or “total individual control technology”

(TICT).

What happens to a society (a “spyciety”) so criminalized that the criminals outnumber the victims by a factor of about 100 to 1; where neighbors spy on and attack their neighbors; where a monolithic, politicized, and militarized police force is above the law and murders civilians, and where citizens no longer have their constitutionally-guaranteed civil rights, as is now the case in America? Stay tuned. I predict it won't be pretty. It seems to this author, at least, that this program, in and of itself, is capable of fulfilling all the primary stated goals of the 1776 Bavarian Illuminati: To destroy all nations, all religions, the family, and private property.

Qui Bono? The New World Order/Synagogue of Satan. This can, I believe, be discerned from the larger context of GOG'S NeW GESSTTTAPO, as represented in the following brief statements:

“-This is the most important policy of the United States.... with this invisible and silent weapon, they can control people and populations, biological and electronic systems, via space satellites.... The elite have plans to get rid of 2/3 of the world's population with electromagnetic warfare, chemical warfare, and psychological warfare.... Mind control, MK, is listed as a “non-lethal weapon” by the military... and is a weapon of mass destruction along with nuclear bombs... This technology links the brains of people via implanted microchips to satellites controlled by ground-based super-computers.... According to the CIA Director in 1972, mind control means a world where every thought, emotion, observation, and need is controlled.”

(Dr. Rauni Kilde, "Bright Light on Black Shadows," 2015).

-"Israel was behind all four fronts in 9/11, that momentous event in our nation's history: 1) The actual terror attacks themselves; 2) the subsequent cover-up; and both 3) "the U.S.-led military invasions overseas" and 4) the "domestic security state apparatus." (Hugh Akins, "Synagogue Rising," 2012)

II. Epigraph Quotes:

1) *"National Security is the largest institution in the world and also the most corrupt institution in the world in the sheer volume of plunder of America's financial assets.*

Cushman Cunningham, "Conspiracy Facts: Neocons Unmasked" (2015)

2) "The FBI is spearheading the most colossal and evil attacks on people ever conceived on the face of the Earth, and they are using Deep Space-based technology, Bio-Chemical-Viral-Warfare Elements and Agents, and Psychological Warfare to destroy people. This is unprecedented in human affairs... There is no due process. No one is ever told why he or she is being attacked. It's a secret program; they don't want to have to explain what they're doing.

The FBI has control over every agency in government. The CIA has total access to everything. They are the secret government. The FBI and the CIA are like governments unto themselves. They are sovereign states.

Our government is (not only) doing this to its own citizens, they are doing it to other civilians around the world. The United States is making a lot of enemies. Ordinary people everywhere see what these evil intelligence agencies are doing- the FBI, CIA, NSA, NSC, DOD- that's not good for our own national security.”

-Gerald Sosbee, Ex-FBI Whistleblower, lawyer, judge, and “Targeted Individual” (TI)

3) The use of mind-hacking the greatest people of influence in a culture can accelerate the desired change of the whole.... The CIA and DIA are testing maximum pain and torture to death weapons on random people all around the globe.

-Dr. Robert Duncan, “Project Soul Catcher: Secrets of Cyber and Cybernetic Warfare Revealed, Volume Two” (2010)

4) “More crimes against humanity have been committed under the shield of “national security” than the people can ever know.... possibly even more than the mafia.

This is the most important policy of the United States.... with this invisible and silent weapon, they can control people and populations, biological and electronic systems, via space satellites.

...To label the (non-consensual) human experimentees, the victims of mind control, as paranoid-schizophrenic is a crime against humanity...

The elite have plans to get rid of 2/3 of the world's

population with electromagnetic warfare, chemical warfare, and psychological warfare.... Mind control, MK, is listed as a “non-lethal weapon” by the military... (But In 2002), the United Nations Institute for Disarmament Research (UNIDIR) in Geneva, Switzerland, designated mind control as a weapon of mass destruction along with nuclear bombs... This technology links the brains of people via implanted microchips to satellites controlled by ground-based super-computers....

This is the most important policy of the United States.... with this invisible and silent weapon, they can control people and populations, biological and electronic systems, via space satellites.... ...All the US military branches are involved in the development of the technology, in cooperation with civil institutions like the Department of Health, in what is known as the NEURAL NETWORK ASSOCIATION. At their 1991 conference, it was revealed that they submitted and endorsed over 1000 projects in brain-computer technology at 350 medical centers, universities, etc.

...The best way to control people without their knowledge is through mind control. According to the CIA Director in 1972, mind control means a world where every thought, emotion, observation, and need is controlled.....

Cybernetics, full neurological control and communication, has been in use since the 1940s without the knowledge of the public... The objectives are behavior modification and influencing mental and bodily functions, processes, and emotions remotely through computer-satellite links....

...Directed Energy (DE) weapons, mostly EMF

(electromagnetic frequency) and acoustic weapons, act on the psyche and the body of human beings and all living creatures. They have been called by many names: Psycho-physical weapons, weapons of information warfare, psychotronic weapons, cognitive weapons, neurological weapons, mind-invasive weapons, mind control and electronic harassment weapons, remote neural monitoring, active denial systems, weapons of electronic warfare, means of neuro-linguistic programming, means for behavior modification, means of influence technology, computerized brainwashing machines, devices to zombify people, means to induce mental and physical illness, means for hostile surveillance, people zappers, and weapons of mass destruction.

...(And) the Swedish military research (FOI) declares in their report of activities that their goal is to direct the cognitive functions of people for a lifetime.

... On July 21, 1994, the U.S. Department of Defense (DOD) proposed that “non-lethal” weapons be used against anyone engaged in activities that DOD opposed. That could include almost anyone. DOD’s potential enemies may be counter-cultural individuals, those with opposing political viewpoints, economic competitors, biological undesirables, etc. From my point of view, the uses of this new technology philosophically are comparable to and amount to the Biblical Fall of man, the eviction from paradise. The all-encompassing thought-reading and mind-influencing capacity (of this technology) divides man into two encampments: Those few “God-like” people, who are allowed to use these

means, and all others, whose freedom and free will is being taken away.

We have been very surprised to hear about school and shopping center shootings. How many realize that these are tests where mind control programming is used to create a human robot. The serial killer is a victim himself, being programmed to be an emotionless robot and following orders to kill. The real killers sit behind computers and send him electromagnetic beams to the brain.

.... the secret services and their sabotage and terror "departments" are the biggest "terrorists" in the world and work together with the mafia. That was the case even in World War II, as has been published decades ago....

-Dr. Rauni Kilde, M.D., author, former Chief Medical Officer of Northern Finland, From: "Bright Light on Black Shadows" (2015)

5) ".... Israel was behind all four fronts in 9/11, that momentous event in our nation's history: 1) The actual terror attacks themselves; 2) the subsequent cover-up; and both 3) "the U.S.-led military invasions overseas" and 4) the "domestic security state apparatus."

... This is the American Police State under construction right now under our very noses. It is by the far the most deadly aspect of the bogus War on Terror (foreign and domestic), what amounts to the New York/Tel Aviv/Washington DC 'Axis of Evil's home front application of its phony War; it's the more deadly of the two because it targets not true-to-life terrorists who are allowed to

stream across our Southern borders or who are granted dual U.S./Israeli citizenship and allowed to control the topmost levers of power in politics, finance, business, national defense, and American security, but rather... the ones to be targeted are American Christians, ordinary good citizens and patriots, especially those of the Catholic and Christian persuasions.

Hugh Akins, "Synagogue Rising," 2012

6) "I can pay half of the working class to kill the other half."

-Jay Gould, 19th century American robber baron

7) "In 1953, (CIA Director Allen) Dulles, speaking before a national meeting of Princeton alumni, distinguished two fronts in the then-current "battle for men's minds": a "first front" of mass indoctrination through censorship and propaganda, and a "second front" of individual "brainwashing" and "brain changing." Before an audience of fellow Ivy Leaguers, Dulles skipped the usual pieties about democracy. The same year, Dulles approved the CIA's notorious MKULTRA project, and exempted it from normal CIA financial controls."

-Alex Constantine, "Psychic Dictatorship in the U.S.A.," 1995

8) "There's a plot in this country to enslave every man, woman, and child. Before I leave this high and noble office, I intend to expose this plot." –

-President John F. Kennedy, 7 days before his

assassination

9) “Yet the individual is handicapped by coming face to face with a conspiracy so monstrous he cannot believe it exists. The American mind simply has not come to a realization of the evil which has been introduced into our midst.”

-J. Edgar Hoover, FBI Director for 50 years

10) “The development of weaponry based on new physics principles; directed-energy weapons, geophysical weapons, wave-energy weapons, genetic weapons, psychotronic weapons, etc., is part of the (Russian) state arms procurement program for 2011-2020.”

-Voice of Russia

11) “If the freedom of speech is taken away, then dumb and silent we may be led like sheep to slaughter.”

-President George Washington

12) Treason doth never prosper:
What's the reason?
Why, if treason prosper
None dare call it treason.

-Lord John Harington, 1605

III. Precursors: Earlier and Current Versions of “GOG’S NeW GESSTTTAPO”/”TECC” include:

1) U.S. police-intelligence units, termed “Red Squads,” have operated in major American cities since the late 19th century to infiltrate, subvert, and neutralize unions and other “political movements and groups” considered to be “subversive” or “dissident.” (See Donner’s “Protectors of Privilege: Red Squads and Police Repression in Urban America,” 1990). In recent decades, increasingly-militarized American police forces have expanded into the modern “Police-Industrial Complex”/”Corporate-Security-Surveillance State” and have created “GOG’S NeW GESSTTTAPO.” (See Balko’s “Rise of the Warrior Cop: The Militarization of America’s Police Force,” 2014; Priest and Arkin’s “Top Secret America: The Rise of the New American Security State” 2011)

2) War, of course, has always been the most profitable of all rackets (See Brigadier General Smedley D. Butler’s “War is a Racket,” 1936).

DOD (Department of Defense)’s “Revolution in Military Affairs” (RMA) involves fighting a new kind of war, termed “Fourth Generation Warfare” (Rich, 2011). Fourth Generation Warfare involves the use of “nonlethal weapons” (directed energy weapons) in “Mind War”/”Psychological Warfare”/”Information Warfare” (IW)/”Unconventional Warfare” (UW)/”Assymetric and Irregular Warfare” (AW, IW)/”Military Operations Other Than War” (MOOTW), “Civil-Military Operations (CMO)”/”Network-centric Warfare”/”Computer network Operations”/”Nonlethal Weapons” Programs/”Perception Management.” DOD has been preparing to implement COG (Continuity of Government) and Martial Law in America since the middle 1960s. These plans are

embedded in Operation Garden Plot/Cable Splicer (middle 1960s and early 1970a), were updated in Operation Rex 84 (Readiness Exercise 1984), and updated again in Operation 9/11 (Sept. 11, 2001). Plans for fighting a civil war were tested in Jade Helm '15/UWEX '16 military drills that involved eight states. (Jade Helm's goal was the "Mastering The Human Domain" by SOCOM; Special Operations Command of all branches of the U.S. military).

Mind control and torture techniques have been and are being tested and deployed in Guantanamo Bay/Abu Ghraib and probably hundreds of similar torture/mind control ("extraordinary rendition") centers throughout the world, and covertly, on innocent Americans and civilians in other nations via "GOG'S NeW GESSTTTAPO."

Declaration of Martial Law would permit government to inter "subversives"/"dissidents" in the 800+ FEMA prison camps already constructed in America. (See Burghardt's "Police State America: U.S. Military "Civil Disturbance" Planning," 2002; Turse's "The Complex: How the Military Invades Our Everyday Lives," 2008; Rich's "New World War: Revolutionary Methods for Political Control" 2011; Moreno's "Mind Wars: Brain Science and the Military in the 21st Century," 2006).

3) DOD/NSA/DHS/FBI/CIA's "Net-Centric Warfare"/"Fourth Generation Warfare"/"Civil-Military Operations"/"Low-Intensity Conflict"/"counter-intelligence stalking," operations, etc., now deployed worldwide include SOCOM (Special Operations Command) destabilization operations in some 134 nations and the "targeting" of innocent Americans and other citizens throughout the

world.

4) US military and intelligence functions have been outsourced since the 1970s and 1980s to the extent that some 50 to 70% of these operations, presumably including GOG'S NeW GESSTTTAPO, are now conducted by private sector defense and "security" companies such as Infragard, SIS, Raytheon, SAIC, Martin Marietta, Leidos, Lockheed Martin, Northrup Grumman, Bechtel, Boeing, Halliburton, and thousands of other companies. (See Harris' "The Watchers: The Rise of America's Surveillance State, 2010; Shorrock's "Spies For Hire: The Secret World of Intelligence Outsourcing," 2008; O'Toole's "The Private Sector: Rent-a-Cops, Private Spies, and the Police-Industrial Complex," and Redden's "Snitch Culture: How Citizens Are Turned Into the Eyes and Ears of the State," 2000)

Bryan Kofron identifies the following "Private Security" contracting companies as being deeply involved in "the Program:" Amazon, Blackwater, Academi, Pinkerton's National Detective Agency, G4S, Dyncorp Security-Protection, Security Industries Specialists, Inc. (SIS), Scientific Applications International Corporation (SAIC), Infragard, and Lockheed Martin.

5) The CIA's MK-ULTRA/MONARCH Mind Control-Torture Programs and Experiments (1953 onward), Phoenix Program (targeting of Vietnamese civilians for elimination, 1965-1972), Operation MH-CHAOS (targeting of anti-Vietnam war protesters in America, 1967-1974), the 1963/1985 KUBARK Torture Manual, Operation Condor (political repression and state terror program in South

America, 1968 onward), death squads throughout the world, and de-stabilization exercises in scores of countries are just some of the “secret” wars and subversive activities of the CIA (See William Blum’s “Killing Hope: U.S. Military and CIA Interventions Since World War II, 1995, and “Rogue State: A Guide to the World’s Only Superpower,” 2000; Marshall Thomas’ “Monarch: The New Phoenix Program,” 2011; Douglas Valentine’s “The CIA As Organized Crime; How Illegal Operations Corrupt America and the World,” 2017; Col. L. Fletcher Prouty’s “The Secret Team: The CIA and its Allies in Control of the United States and the World,” 1973; Ross’s “Bluebird: Deliberate Creation of Multiple-Personality by Psychiatrists,” 2000; Moreno’s “Undue Risk: Secret State Experiments on Humans,” 2000; and Balthazar’s “Project MK-ULTRA and Mind Control Technology; A Compilation of Patents and Reports,” 2017).

6) FBI’s COINTELPRO (Counter-Intelligence Program) ran from 1956-1971 and targeted leftist political groups and individuals for active surveillance, infiltration, discrediting, and “neutralization,” including murder, much like GOG’S NeW GESSTTTAPO, which has been termed COINTELPRO Version 2.

7) CIA/MI6/NATO/Masonic “Stay Behind Armies”-“Operation Gladio” secret terror programs disabled leftist political movements in Western Europe between 1951 and 1990 (and onward). (See Philip Willan’s “Puppetmasters: The Political Use of Terrorism in Italy,” 2002)

8) The “Syndicate,” comprised of mafia, ex-military and

intelligence operatives, corporate criminals, and street thugs, has essentially merged with the highest levels of the U.S. Military and intelligence services (See Kay Griggs interviews on this website). The world got a glimpse of these criminal networks that profit from the black-market sale of arms and drugs during the Iran-Contra scandal of the 1980s (See the Christic Institute's "Inside the Shadow Government," 1988; Valentine's "The CIA As Organized Crime: How Illegal Operations Corrupt America and the World," 2017; and EIR's "Dope, Inc. Britain's Opium War Against the World" 2010). According to Dr. Rauni Kilde's "Bright Light on Black Shadows," "the syndicate" is also a global asset-stripping-surveillance operation which is part of GOG'S NeW GESSTTTAPO.

9) East German State Security Service's (Stasi's) psychological terror program, "Zerzetsung" (1950-1991), employed a network of citizen spies (1 of 6 civilians were spies) that infiltrated all institutions. The Department of Homeland Security in America was founded in 2002 by a group that included Markus Wolf, formerly head of the foreign intelligence sector of the Stasi! (See Funder's "Stasiland: Stories from Behind the Berlin Wall," 2002).

10) The Soviet Union's "Red Terror" (political repression and mass killings from 1918 to 1921), carried out by the Soviet Cheka (1917 onward), killed and tortured millions and operated the gulag system (labor and death camps) in which some 66+ million civilians were starved, tortured and killed. The KGB (Committee for State Security, 1954-91) ran the "Psycho-Terrorism/"Political Terrorism" Programs. (See Solzhenitsyn's "Gulag Archipelago" and Lina's "Under the Sign of the Scorpion: The Rise and Fall

of the Soviet Empire,” 2002).

11) Nazi Germany's Gestapo (Secret State Police; 1936-1945) bore a striking resemblance to GOG'S NeW GESSTTTAPO: In [Gestapo](#), we read: “This police force was unlike others in that it answered to no judicial or legal (or civilian) oversight.... As part of the Nazi consolidation of power, all German police forces were combined. Germany, like many countries in Europe, had a long history of political policing dating back to the imperial period. It used surveillance and coercive tactics against movements and individuals it deemed hostile to the state or posing a threat to the established order. The Gestapo distinguished itself from other police in that it functioned not just as a police force but as a force inseparable from the Nazi Party, with a mandate to operate outside the law or judicial review to combat legal activity deemed unacceptable by the Party. Gestapo officers targeted mainly political enemies of the Nazis, such as communists, social democrats, liberals, and other targets, but not initially Jews.

Because enemies of the state were so hated, they argued, it was necessary to confine them in “protective custody” to protect them from the righteous anger of good German citizens. This twisted logic allowed the Gestapo full power to arrest individuals and hold them in concentration camps like Dachau indefinitely without ever charging them or giving them a judicial hearing. By the end of the summer of 1933, an estimated 100,000 Germans had been imprisoned at some point and 500–600 killed.

The Gestapo followed Hitler's armies into every country during the conquest of Europe. By pitting neighbor against neighbor, Gestapo agents established the same kind of terror mechanism in each occupied country that had worked so well back in Germany. In 1942, the Gestapo took things a step further via Hitler's "Night and Fog Decree." Suspected anti-Nazis would now vanish without a trace into the misty night never to be seen again. The desired effect as stated by Himmler was to "leave the family and the population uncertain as to the fate of the offender." The victims were mostly from France, Belgium and Holland. They were usually arrested in the middle of the night and whisked off to far away prisons for torture-interrogation, eventually arriving at a concentration camp in Germany if they survived. Gestapo interrogation methods included repeated near drownings of a prisoner in a bathtub filled with ice-cold water; electric shocks by attaching wires to hands, feet, ears and genitalia; crushing a man's testicles in a special vice; securing a prisoner's wrists behind his back then hanging him by the arms causing shoulder dislocation; beatings with rubber nightsticks and cow-hide whips; and burning flesh with matches or a soldering iron."

12) Misdiagnoses of "non-consensual experimentees"/"targeted individuals" as mentally ill by psychologists/psychiatrists is a potent weapon against civilian "enemies" and a cover for illegal human experimentation and torture. (See: [STOP FALSE DIAGNOSES LEADING TO FORCED PSYCHIATRIC DETAINMENT TO COVER ILLEGAL HUMAN EXPERIMENTATION AND MILITARY TRAINING RESULTING IN TORTURE](#)). In "Bluebird: Deliberate

Creation of Multiple Personality by Psychiatrists” (2000)
Collin A. Ross states that the entire profession of psychology/psychiatry is criminally implicated by their participation in the CIA's MKULTRA programs of the 1950s – 1970s and onward.

13) Israel/Jewry's history of using terrorism to achieve their political objectives pre-dates the formation of Israel in 1948. They continue to use Palestinian citizens as lab rats for directed energy and chemical weapons testing experiments. (Piper, 2009, 2007a, 2007b)

14) Numerous nations, including Russia, Britain, Israel, China, the United States have a long history of experimentation in methods of manipulating the human mind and nervous system via psychotronic and electromagnetic weaponry.

IV. Components of GOG'S NeW GESSTTTAPO/TECC Operations:

IV-a. Institutional and Personnel Components

A) The “Syndicate”/”organization,” as described in various accounts, is a profit-taking criminal organization presumably connected with other criminal operations that are also overseen by intelligence agencies, mafia, and high level military personnel. Related organizations would include drug lords cartels, arms dealers, high level military and ex-military personnel, street thugs, etc.,

Masons, Jews, and members of secret societies.

Members of “the syndicate” have reportedly infiltrated all nations, institutions, walks of life, and are overseen by the (Jewish) mafia.

According to one ex-stalker, there are various ranks in the “syndicate,” from the top down ([Don't Be a Perpetrator:](#)..

1) the Supreme Council controls the entire operation. These are “old money family types” who live off their investments (the Illuminati?).

2) Bureau of Alliances- “trading partners”- handles our allies (there are other gang stalking groups)

3) Bureau of Technology

a) BoT (Field) is in charge of electrical equipment

b) BoT (Communication) monitors all emails, phones, etc.

4) Bureau of Authority, including lawyers, judges, medical officers, psychiatrists, etc.

5) Scripting, Observation, and Execution Bureau (“The Theatre”)

a) Scripting Orchestration (“playwrights”)

b) Field Officers (“thespians”)

6) pawns/concerned citizens (many may not even know they are part of the syndicate)

And in form of a dialogue between two women, Dr. Rauni Kilde explains in “Bright Light on Black Shadows:”

A.G.: They have top medical staff, also dentists and scientists bribed with top psychiatrists and experts in business and finance to take over the world with microchips and the computer. You see, they have every big shot capitalists on the computer. They sabotage, lend

money, and take over.

This is the most brilliantly self-financed war. They can see everything that another person does. They can read their minds, they cannot hide anywhere, and the same will happen to you. They can steer you, tiny transisters are placed in your homes, in the walls.

Recruiting the “street perps:”

“.... Intelligence agencies infiltrate everything from left to right. From women’s organizations to UFO groups to cults. They use terrorism, Satanism, sabotage, disinformation and media outlets. They recruit the fieldworkers, old pensioners, invalids, handicapped, wheelchair patients, teenagers, housewives, etc. For neighborhood espionage. No one suspects them until it is too late. Jobless workers, outpatients from mental hospitals, released prisoners, motorcycle gangs, immigrants, non-white races are recruited. They become soldiers for “The Organization.” For their sabotage, threats, thefts, and psychological terror they get promotions and points.

.... Victim’s relatives, acquaintances and friends will be recruited to cooperate with intelligence services. This happens with the help of pressure and is generally not difficult. Intelligence agencies activities or counter-intelligence activities against the immigrant, which is the target, lasts throughout his whole life.

Target groups are also military research, research in chemistry, rocket technology and computers, medical research, especially cancer research.

Recruiting scientists goes the same way as with others. Material which is received this way is bought with money. There are also ideological reasons and also pressure can be used. Pressure can happen with infidelity, hidden homosexuality or with bribes which have been given. Threats against family and relatives makes many bow down. Intelligence services infiltrate also cultural life, e.g. journalists and authors. Meaning is to recruit persons who work also in other countries, persons who are there to form opinions.

Satanism, you see, is our strongest card, because no one will take it seriously. The whole idea is to be as evil as possible, because it is unthinkable to normal people, no one can digest it.”

Eve: Who started all this?

A.G.: Oh, you don't understand, it is practiced on the highest levels of government. We have meetings in the desert on the largest ranches in the U.S. and everybody thinks up the most evil thing one can do to another person. The CIA is directly involved; actually very heavily. We can also make ourselves transparent, but not everyone, only certain chosen for specific tasks. We have séances and do mass concentrations on a victim. Hells Angels, Nazism, and Satanism is propagated from the same source.

B) The “Syndicate” presumably is a subset of “the master cult” which I have identified as Judeo-Masonic satanism and the many groups and fronts that they control. This “master cult” most probably also has many levels and

layers. Each level would likely be infused with many individuals whose minds have been fragmented and programmed in MKULTRA-type mind control programs so they can fulfill specific missions for the “cult.” Among these missions, presumably, are the execution of GOG'S NeW GESSTTTAPO operations.

The uppermost tier, again, is probably comprised mainly of top Illuminati-Masonic-Black Nobility families. The middle tiers would include individuals from all walks of life including many of the professions; CEOs, business leaders, lawyers, judges, cognitive scientists, professors, military and police personnel, etc. Lower-tier “soldiers” would include members of covens, other satanic groups, criminals, mind-controlled slave/sleepers, etc. It is important to note that some researchers such as Russ Disdair and Fritz Springmeier, estimate that America has many as 10 million MKULTRA victims who are, in effect, “sleeper”-“super soldiers.” These authors estimate as many as 100 million such victims worldwide.

C) Meta data information for the “surveillance society” is collected and stored at NSA facilities on NSA (“conscious?”) supercomputers, probably located in “deep underground military bases” (DUMB).

D) “Suspected terrorist threats” (i.e., “political enemies” and “non-consensual experimentees”) are “watch-listed” at FBI Joint Terrorism Task Force centers and Department of Homeland Security fusion centers based on information provided by intelligence agencies (NSA, CIA, FBI, etc.) DOD, private subcontractors, law enforcement agencies, Neighborhood Watch and vigilante

civilian groups, powerful individuals, corporate leaders, the “syndicate” (mafia), etc.

E) Secret orders issued by (cooperating) Federal Magistrate Judges (or FISA court judges) permit federal, state, and local “civil-military” agencies and groups to begin active surveillance on citizens designated as “potential threats.” (“Active Surveillance” here includes assault and battery, torture, home invasion, destruction of cars, through-the-wall use of electromagnetic weapons, imprisonment, institutionalization, entrapment, “suiciding,” etc.). In effect the “watch-listing” of “suspects” (innocent civilians) allows state, federal, and local authorities to extra-legally and secretly imprison innocent civilians in TECC (“The Electronic Concentration Camp”).

F) A “secret army” is comprised and deployed, consisting of individuals and groups within US military forces (including special forces), police, FBI, CIA, private subcontractors, and civilian groups. These groups profile, stalk, defame, and “surveille” (torture, entrap, imprison, institutionalize, destroy, and “suicide”) designated “suspects”/”targets.”

(Key personnel components of GOG'S NeW GESSTTAPO, then, include the “interagency,” comprised of FBI, CIA, NSA, DHS fusion centers, FBI Joint Terrorism Task Forces, Federal Magistrate Judges, the legal justice system, federal, state, and local police, Neighborhood Watch, paid and volunteer civilian groups, private military-intelligence-security sub-contractors, special forces operatives in all branches of US military, a critical mass of individuals and institutions of the psychology and medical

professions, including teams of CIA/DIA-paid university and medical “cognitive researchers,” the “syndicate” (global organized crime group), specific religious groups and cults, and critical sectors of the legal establishment that include Federal Magistrate Judges, FISA Court judges, etc.

G) Illegal and unconstitutional activities (crimes) of GOG'S NeW GESSTTTAPO are covered up by:

1) cooperating medical and psychological professionals and institutions that falsely diagnose TIs/victims as mentally ill, commonly citing the Diagnostic and Statistical Manual (DSM V) to characterize targeted victims as delusional, paranoid, and/or schizophrenic. The “psychiatric reprisal,” fully developed under the Soviet Union, is used as a further means to discredit, incarcerate, institutionalize, and drug victims/political enemies.

2) cooperating elements within law enforcement and the justice system that extend from the national and international levels to the smallest communities.

IV-b. Technical Components

A) The Geographic Information Grid (GIG) provided by satellites is used to locate any person or object anywhere on the planet. NSA (National Security Agency) has access to all information generated by all satellites. According to targetedjustice.com, and the Air Force Space Command & US Strategic Command keep track of all 1,400 active satellites.

B) TIs and nearly everyone else can also be tracked with pin-point accuracy through the global network of cell phone towers, particularly when they carry personal cell phones.

C) “Conscious supercomputers,” probably stored in Deep Underground Military Bases (DUMBs), can identify “brain prints” of all “persons of interest.” “Computer-to-brain” and “brain-to-brain” linkups are used to inject thoughts, images, voices, videos, etc. into the minds of “targeted individuals.”

D) Electromagnetic signals, complete with carrier frequencies specifically designed for each TI, are broadcast from the “conscious supercomputers” and relayed to the brains of Targeted Individuals via satellite, cell towers, and mobile platforms.

E) On-the-ground stalking (TECC) operations are probably mostly coordinated via mobile C4ISR (Command, Control, Communications, Computers, Intelligence, Surveillance, Reconnaissance) “war rooms.” All sectors of the military, many private military subcontractors, and presumably “the syndicate” have access to this technology. The US Army Press has published the “Journal of Net-Centric Warfare (C4ISR)” since 2002.

IV-c. Tactical/Strategic Components of the System

A) US military doctrine since the 1980s has been to wage a new kind of (“Fourth Generation”) warfare through the

secret deployment of “nonlethal” (electromagnetic and acoustic) weapons and “battle swarming” strategies against targeted individual and groups. Names for this new warfare include: “Information Warfare” (IW), “Unconventional warfare” (UW), “Asymmetrical Warfare” (AW), “Net-centric warfare” (NCW), “Low-intensity conflict” (LIC), “Military operations other than War” (MOOTW), “Civil-military operations” (CMO), and “computer network operations” (CNO). Other terms that have been used to describe this new form of warfare include “gang stalking,” “counter-intelligence stalking,” “cause stalking,” “mobbing,” as well as the new terms employed here: GOG'S NeW GESSTTTAPO and TECC.

B) The concept and practice of “net-centric warfare” involves the coordination of multiple simultaneous attacks (the “battleswarm”) on “targets” by many different individuals, groups and other elements of the environment. For “targeted individuals” (TIs), these kind of attacks may manifest as street-theatre, psychological attacks and/or attacks by invisible, silent electromagnetic and acoustic weapons. The psychological, “death of a thousand cuts” strategy is to “isolate, alienate, and deprive” targets until the target’s will to resist is destroyed. Operations are considered successful when the target is induced to commit a violent crime, and/or is incarcerated, made homeless, rendered or diagnosed as insane, and/or commits suicide. Because many laws prohibit the murder of American civilians, group stalking is considered a felony. Hence, operations are planned in such a way that “plausible deniability” is built in to each attack.

C. Tactical PsyOp Teams, comprised of professional psychologists and other cognitive researchers, are employed by all branches of the military to design “target-specific” psychological attacks that will subvert and destroy targets’ psyches and will to resist (Rich, 2011).

V) Simplified, inferred main structural levels of the stalking/torture/human trafficking program include (from Bryan Tew email correspondence, personal communication, 2018):

A) CIA/DIA-contracted (paid) “hive mind teams” comprised of 3-4 cognitive researchers (psychiatrists, psychologists, neuro-scientists) manipulate the lives of “targets” /“non-consensual human experimentees” in “terminal experiments” designed, among other reasons, to “harvest” the “souls” (combined intellect, will and emotions) of TIs via RNM (remote neural monitoring and remote neural manipulation). Stimulus-response statics collected in this clandestine manner, over time, permits “neuro-scientists” to “map” and predict intellectual and emotional responses of “targets. This information is digitized and downloaded into NSA/DOD conscious supercomputers and used for a host of experimental projects, including, for example, improvement of AI computer systems. These types of data are also used to improve performance of “enhanced” human-computer cyborgs in numerous projects of DARPA (Defense Advanced Research Programs Agency) and other defense-related agencies. Such information can also be used, presumably, to help create two new cyborg races: a cyborg “master race” of immortal, “omniscient” “supermen” and a cyborg “slave race” of

robots to serve the cyborg “master race” (Immortality Project, etc.)

B) (Paid) mobile, “surveillance teams” comprised of ex-military special forces operatives direct the day-to-day surveillance, “psy-attacks,” and torture of “TIs,” probably using the mobile C4ISR computer platforms to coordinate the movements of street perps (stalkers) with those of TIs, etc.

C) Paid and volunteer stalkers’ activities are locally coordinated by “surveillance teams” and local police, volunteer fire, ambulance service workers, etc. However, ultimately, stalkers are employed by the “syndicate”/“organization” (organized crime). The “syndicate”/“organization” profits from the asset and intellectual property-stripping of deceased and destroyed “targets.”

VI) Inferred Goals of “GOG’S NeW GESSTTTAPO”/“TECC:”

Goal # 1: Eliminate, discredit, neutralize, remove designated “adversaries”/“enemies”/“potential terrorist threats”/“insurgents”/“suspects”/“dissenters”/“whistleblowers”/the “ideologically unassimilated”/“targets”/“victims,” etc. through use of “active surveillance” (which includes covert organized stalking, torture via directed energy weapons, terror, and psyops), mind control, and mind control and/or weapons-testing experimentation.

(Removal of dissent, dissenters, etc. and the civil liberties

of American citizens protects the criminal ruling elite from being prosecuted for their crimes against humanity, most recently including Operation 9/11 and the phony “Global War on Terrorism,” both of which are used to justify illegal prosecution of multi-theatre illegal wars and 134 covert, low-intensity “counter-terrorism” wars throughout the world, as well as the progressive implementation of a totalitarian global police state.)

Goal # 2: Traffic “non-consensual human experimentees” to military, intelligence, university, mafia, and corporate research teams in order to:

- a) Test effects of electromagnetic (nonlethal and mind control) and other weapons on humans.
- b) Execute mind-mapping and mind-cloning projects to:
 - 1) create human-computer “cybernetic organisms” (cyborgs/robot slaves) that do the bidding of the ruling elite as well as military-intelligence-criminal operatives, and
 - b) improve covert technologies to remotely control human thoughts and bodily functions.
- c) Use experimental results to improve the computational capabilities of AI (artificial intelligence) supercomputers.
- d) Apply experimental results of trauma-based mind-control programming of individuals (TIs) to whole populations.

Goal #3: Generate wealth through:

- a) Increased federal funding to National Security Establishment “public-private partnerships,” aka the

“National Security Enterprise” and the “interagency.”

Monies from federal grants and programs flow to agencies such as DOD, DARPA, CIA, FBI, NSA, police and fire and special services departments, private sector agencies such as Infragard and SIS, state, county, and municipal authorities, civilian groups, and academic “cognitive” researchers, etc.

b) Stealing assets, talents, intellectual property, and “the soul” (defined as intellect + will + emotions) of “targeted individuals” and others. Profits from these activities are mainly garnered by the “syndicate”/“organization” aka “organized crime” which directs governments.

c) The National Security Enterprise, here termed, “GOG’S NeW GESSTTTAPO, then is effectively a “make-work” and “make-wealth” project for particular segments of society.

Goal #4: To create a “psycho-civilized society” in which individuals and the masses are totally controlled and in which independent thought, dissent, and rebellion are no longer possible.

Goal #5: Amazon and Google, Microsoft, IBM and other companies are racing each other to assemble a DNA database as quickly as they can. (Those in power who gain access a completed worldwide DNA database and total individual control technology would have a horrifying weapon at their disposal to target literally anyone they wanted.)

Goal# 6: Radical reduction of the human population, i.e.,

mass genocide of “useless eaters.”

Goal # 7: Ushering in “Satan’s” antichrist kingdom on earth.

VII) Larger Context of GOG’S NeW GESSTTTAPO

The subversion, corruption, and destruction of the United States’ Constitutional Republic and its conversion into a total surveillance-fascist-slave state has been accomplished incrementally over the past couple centuries through a series of carefully orchestrated takeovers (aka coups or overthrows). Much like Targeted Individuals, the American Republic itself has been and is being subjected to a “slow-kill”/”death of a thousand cuts” strategy. Notable events that have contributed to the demise of American sovereignty include the following:

A) 1886: Corporations were granted the legal rights of personhood in the Santa Clara County Vs. Southern Pacific Railroad decision. (See T. Hartmann’s “Unequal Protection: The Rise of Corporate Dominance and the Theft of Human Rights, 2004)

B) 1913: A private international banking cartel was given the power to print the currency and control the money supply in the Federal Reserve Act. (See Eustace Mullin’s “The Federal Reserve Conspiracy,” 2014, 1954).

C) 1947: The National Security Act created the CIA and the National Security Council and effectively gave the private international banking cartel that controls the

Federal Reserve a private army which has always operated outside the law. The CIA quickly moved to control the US government through thousands of covert or clandestine operations that have effectively destabilized all existing governments and economies, including that of the United States. The goal has been to manipulate and control nations, economies, and political and cultural movements through corruption, subversion, and divide-and-conquer tactics. (See L. Fletcher Prouty's "The Secret Team: The CIA and Its Allies in Control of the United States and the World," 1973, 2011, and Douglas Valentine's "The CIA as Organized Crime: How Illegal Operations Corrupt America and the World, 2017)

D) The sciences of brainwashing, propaganda, and mind control were refined and improved over the past century, most notably in the United States, Britain, Nazi Germany, and the Soviet Union. In addition to massive, covert assaults on individual subjects, the public mind has been also been subjected to intense propaganda, mind control, and manipulation through staging of false-flag terror events such as Operation 9/11, etc. (See Dr. John Coleman's "The Tavistock Institute of Human Relations: Shaping the Moral, Spiritual, Cultural, Political, and Economic Decline of the United States of America," 2006, Daniel Estulin's "Tavistock Institute: Social Engineering the Masses" 2015, and my 911nwo.com website.)

E) 1963: President John F. Kennedy was publicly assassinated in an operation that was evidently executed by Israel and American military-intelligence. (See Michael Collins Piper's "Final Judgement: The Missing Link in the JFK Assassination Conspiracy" 2000).

F) Media control has been increasingly consolidated into the hands of a small handful of CIA-controlled, Jewish-owned corporations.

G) 2001: the September 11, 2001 false-flag, state-sponsored, synthetic terrorist event was contrived and executed by Israel and the American “interagency.” (See Christopher Bolyn’s “Solving 9-11: The Deception That Changed the World,” 2012).

H) 2001 and onward: With the passage of the USA Patriot Act on October 26, 2001, the staging and waging of pre-scripted PNAC’s (Project for A New American Century Jewish-neocon think tank) wars on Afghanistan and Iraq, and the creation of the Department of Homeland Security and United States Northern Command (USNORTHCOM), the “Global War on Terror” is directed against “designated” enemies/targets at home and abroad. (See Hugh Akins, “Synagogue Rising: A Catholic Worldview of Anti-Christian Judaism and Counterrevolutionary Resistance,” 2012 and Douglas Valentine’s “The CIA As Organized Crime: How Illegal CIA Operations Corrupt American and the World,” 2017).

I) There has been systematic corruption of America’s military, legal, intelligence, and media institutions since World War II.

VIII) To reiterate: The ultimate goals of the intertwined government/”syndicate” Organized

Stalking/Electronic Targeting and Torture Operations (here called GOG'S NeW GESSTTAPO or TECC) are to:

A) "Re-educate" or remove (via destroying and/or torturing to the point of suicide) those not "ideologically assimilated" with the New World Order-One World Government;

B) Convert humans, soldiers, etc. to cybernetic organisms ("cyborgs" or weapons platforms)/super soldiers/Manchurian candidates that can be used as remote-controlled weapons platforms. Using this kind of cyborg soldier, for instance, Generals can "see" and "hear" through eyes and ears of the soldiers.

C) Test electromagnetic systems using "targets" as human guinea pigs/test subjects. (Military and military contractors test various new technologies that employ weaponized wavelengths and frequencies of the electromagnetic and acoustic frequency spectrums on the human organism.)

D) Mind-hacking and mind-cloning experiments conducted by military and psychiatric professionals use "targets" to replicate soul (personality; will, intellect, and emotions of targets) to enhance development of AI and integrated neural-networks (the "hive mind") among the population.

E) “Kill off” of the best people, while stealing their personal and intellectual property.

F) Through continual psy-attacks and the stress of prolonged targeting, targets can be induced to manifest behavioral symptoms that can be diagnosed as characteristic of delusional disorder, schizophrenia, and/or paranoia by cooperating members of the psychology/psychiatry professions.

G) Put TIs through hell on earth and into eternal hell;

H) Usher in the totalitarian New World Order, i.e., Satan’s kingdom on earth, aka the “Jewish Utopia or Universal Empire, thereby fulfilling ancient plan of Judaism, and Judaic-satanic secret societies such as the Illuminati, Skull and Bones, the Masons, Rosicrusians, etc. (Jones, 2012, Hoffman, 2012, Akins, 2012, Marrs, 2016).

IX) Conclusion:

The precursors and inferred goals and structure of GOG’S NeW GESSTTTAPO presented here suggest that the U.S. government has been “captured” and operates as an extension of the criminal syndicate that now runs it. In retrospect, it appears that “alien” “fifth column” groups wrested control of the American Republic in a series of coups (overthrows) over the past two centuries and that their goals and methods are not compatible with those of the U.S. government as outlined in the U.S. Constitution. Rather, their goals include Jewish conquest of the world and enslavement of humanity. These goals and methods have been articulated by Jewish leaders throughout

history and have most recently been expressed in documents of the "Bavarian Illuminati" (late 18th century), the Communist Manifesto (middle 19th century), the Protocols of the Learned Elders of Zion (early 20th century), and innumerable other Jewish writings.

X) Final Explanatory Quotes From Hugh Akins' "Synagogue Rising" (2012) and Related Audio Interviews:

".... Israel was behind all four fronts in 9/11, that momentous event in our nation's history: 1) The actual terror attacks themselves; 2) the subsequent cover-up; 3) and both "the U.S.-led military invasions overseas" and 4) the "domestic security state apparatus."

..... the consolidation and expansion of America's police forces under the behemoth totalitarian Department of Homeland Security has been a Mossad operation from the start. James Corcoran's book "Bitter Harvest" quoted a patriot, marked for death by secret government orders, by the name of Gordon Kahl, as saying, "The CIA, U.S. Marshall Service, FBI, Secret Service and all but the smallest police departments were under the influence of the Mossad."

..... PressTV.ir put out its own bulletin titled "FBI, Mossad Turn U.S. into Police State," dated Dec. 22, 2010. The new U.S. government espionage plan, which will transform the country into a police state, is being carried out in close cooperation with Israeli Mossad.... The federal agencies that are putting together these police

state tactics are working hand-in-hand with Israeli intelligence and... the Anti-Defamation League of B'nai B'rith here in the United States," former U.S. Senate candidate Mark Dankof said in his interview with Press TV.

Dankof pointed out that The new massive espionage system is aimed at linking the intelligence in the United States to the Israeli Mossad. Elsewhere in his remarks, Dankof warned that U.S. President Barack Obama is trying to convince the Federal Court that the commander-in-chief can resort to any extrajudicial action – including killing U.S. citizens – under the pretext of suspicion of their involvement with terrorist organizations.

A Washington Post investigative report indicates that the U.S. government is using the largest and most technologically sophisticated system in the country's history to spy on its citizens. With the help of every state and law enforcement agency, the system collects, stores and analyzes information about thousands of U.S. citizens and then sends that data to the FBI....

At least 95 organizations – each with its own counterterrorism responsibilities and jurisdictions – have been created or become involved in counterterrorism efforts since the Sept. 2001 incidents in New York and Washington."

Call it counterterrorism, national defense or homeland security if you want. It has little to do with these legitimate concerns. Something more appropriate, we think, would be the radicalization of our police and the communization

of our country. The ADL and B'nai B'rith are not alone in this treasonous work. Nearly as fanatical in its Jewish supremacism and hatred for Christianity, the Southern Poverty Law Center similarly admits to having undertaken the "training"- i.e., indoctrination and radicalization – of America's police forces, helping transform these agencies of law enforcement into future instruments of tyrannical repression. According to an interview with the director of the SPLC's "Intelligence Project," Mark Potok, by American Free Press, the SPLC trains anywhere between 2,000 and 8,000 police officers a year... in everything from hate crimes training to.... Training in hate groups and domestic terrorism." (Dave Gahary, "SPLC Admits Defining "Hate" is Purely Subjective," American Free Press, Jan. 31, 2011).

Another recent article confirms the ongoing process of U.S. police militarization, the strategic empowerment of America's police departments enabling them, not to more efficiently handle crime and terrorism, but to better bludgeon Christian Americans who are prone to morally resist State Totalitarianism and World Government. "The U.S. military has some of the most advanced killing equipment in the world that allows it to invade almost wherever it likes at will."

A National Police Force was the one major missing ingredient in America's communization. That is now in place, developing at a frightful pace, and fully endorsed by conservatives no less than liberals, is a fact most Americans remain completely oblivious to, recognizing no danger in such totalitarian initiatives as ATF (now BATFE), DEA, FBI, FEMA, the U.S. Marshall's Service,

the Department of Homeland Security, the Patriot Act, the NDAA of 2012, and the vast increase in the use of heavily militarized SWAT teams to handle even the most routine of police functions.

This is the American Police State under construction right now under our very noses. It is by the far the most deadly dual aspects of the bogus War on Terror (foreign and domestic), what amounts to the New York/Tel Aviv/Washington DC Axis of Evil's home front application of its phony War; it's the more deadly of the two because it targets not true-to-life terrorists who are allowed to stream across our Southern borders or who are granted dual U.S./Israeli citizenship and allowed to control the topmost levers of power in politics, finance, business, national defense and American security, but rather, as we shall yet make clear, the ones to be targeted are American Christians, ordinary good citizens and patriots, especially those of the Catholic and Christian persuasions.

.... We have been brought to the very threshold of the TOTAL STATE, which translates to zero liberty, not just for men but the Church, and that this has long been an objective of our would-be slavemasters. "We shall abolish every kind of freedom," say the Zionist Elders seeking to impose their Rabbinic Captivity upon the whole world. (Protocol 16). "We shall create an intensified centralization of government in order to grip in our hands all the forces of the community.... Our kingdom will be distinguished by a despotism of such magnificent proportions as to be at any moment and in every place in a position to wipe out any goyim who oppose us by word

or deed....”(Protocol 5).

“We produce so much military equipment that inventories of military robots, M-16 assault rifles, helicopters, armored vehicles, and grenade launchers eventually start to pile up and it turns out a lot of the weapons are going straight to American police forces to be used against U.S. citizens.

Benjamin Carlson at the Daily reports on a little known endeavor called the “1033 Program” that gave more than \$500 million of military gear to U.S. police forces in 2011 alone.” (Robert Johnson, “The Pentagon is Offering Free Military Hardware to Every Police Department in the U.S.” Business Insider, Dec. 10, 2011). The article adds, “Now it all makes sense why (the Zionist) New York Mayor Michael Bloomberg says he has his own army with the NYPD.”

“The ADL (Anti-Defamation League) has become the world’s most powerful Gestapo; the brain center of a vast spy network and the intelligence unit of a vast number of Jewish organizations. Their secret agents spy on American citizens. Extensive files and dossiers are compiled on those whom they dislike... Throughout their multitudinous controls of the media.... They are capable of destroying reputations and silencing all rebuttal. Our imagination is staggered by its apparent control of the avenues of communication.”

Senator Jack Tenney (1971):

“Since the United States first started handing out U.S. taxpayer dollars to Israel, the tiny Middle Eastern country

has received more than \$10 trillion....

... Before this multi-theatred phony War on Terror is over, which again is Israel's war not ours, it could cost the working class in America, who can barely keep afloat as it is, as much as 15 trillion dollars or more. \$10 trillion plus \$15 trillion comes to \$25 trillion! (Akins, 2012).

The nearly seven-decade long Jewish-communist holocaust against Christians (as well as fellow Jews--from Russia to East Europe to Asia, Africa and South America – is estimated at a staggering 160 – 180 million people. (See Malcolm Muggeridge's Winter in Moscow, The Black Book of Communism by six French scholars and Voices of Loss and Courage compiled by B.U. Neary and H. Schneider-Riggs.)

"The Jewish Utopia" is the title of a most revealing book authored by university professor Michael Higger and which was uncovered by Robert Williams in the library of the University of Texas during extensive research on the communist menace. "The Jewish Utopia" was published in 1932 by the Lord Baltimore Press of Maryland. "The Jewish Utopia" is, according to William's published commentary that goes by the title of "The Ultimate World Order- An Analysis of "The Jewish Utopia," "the authentic and complete plan of the Zionists for world domination." The Jewish Utopia and New World Order are one and the same beast-in-the-making. Zionism and the New World Order are one and the same thing. The New World Order is where Zionism intends to take all the peoples and nations of the earth, and Zionism seeks nothing less than a Universal Satanic Republic under Talmudic Rule."
