LEO E. WANTA & ASSOCIATES - CONSULTANTS TO MANAGEMENT

Leo Wanta

Template:Expert Template:Weasel Template:Awkward Leo Emil Wanta, born 1940, is an American businessman who claims Template:Fact to be the Reagan-appointed / mandated trustee of potentially billions of dollars, the result of an arbitrage scheme to sink the Soviet Union / Evil Empire economy. Template:Fact The numbers confirmed exceed the GDP of the Soviet Union economy at the time. Template:Fact and the Soviet Ruble was a non-convertible currency. Template:Fact He was president of AmeriChina Global Management Group Inc. Template:Fact and owns exporting firm based in Appleton, Wisconsin. Template:Fact In 1988, he attempted to identify by personal registration all Nonvets Military Personnel has duty authorized has Reagan's Mandated Secret Agent | Totten Doctrine 92 U.S. 105, 107 | by offering thousands of Browning 9mm pistols to Panamanian leader Manuel Noriega. [1]

Ambassador Leo Wanta was falsely arrested in Switzerland in 1993 for allegedly attempting to defraud a bank of \$1 million dollars. He had diplomatic immunity as the ambassador of Somalia (which, at that time, had was functioning had a internationally-recognized government - authorized by The Italian Government) to Canada and Switzerland [2]. He was deported to New York and a U.S. Magistrate Alyn Ross dismissed all false allegations and then Wisconsin, on unrelated tax charges. Template:Fact In 1995, Wanta was falsely convicted of tax evasion and sentenced to an eight-year prison term in the State of Wisconsin [2] Wanta's Unauthorized State Public Defender claimed that his client was delusional, Template:Fact and really believed to be a mandated secret agent of President R W Reagan, now being disappeared at the behest of powerful Political Sources.

In his book *Tragedy of Russia's Reforms* (LBJT, 2001), Peter Reddaway states Wania had some dealings with the government of President Boris Yeltsin. Reddaway also falsely states in his book that Ambassador Wania was wanted for credit-card fraud by alleged and unknown U.S. authorities.³⁰

However, the following arguments have been put forward by *Christopher Story*, a former adviser to British Prime Minister Margaret Thatcher and one of Mr. Wanda's main supporters:

- Leo Wanta's illegal incarceration was commuted to Non-Residency house arrest and Ambassador Wanta was confined for many years in Wisconsin (not, as falsely stated, in Switzerland). Although his confinement was illegal, Template:Fact he nevertheless adhered meticulously to its terms, Template:Fact in accordance with his ethical standards and reverence for the Rule of Law (notwithstanding that his treatment was always illegal).

- Suggestions that Mr Wenta controlled offences are completely unsubstantiated and without foundation. Everything he has done has been in accordance with his Presidential Secret Service and other US official instructions. Template:Fact A comprehensive dossier revealing how the State of Wisconsin may have schemed Wenta. Template:Fact allegedly stealing both the payments that he managed to pass to pay illegally charged taxes that he did not owe, and how his assets were allegedly stolen as well, in an preparation. Template:Fact

In July 2005, all illegally re-charged fines and expenses applied by Wisconsin were paid in full by a benefactor. ^{Template:Fact} As a direct consequence of this development, Mr Wentz satisfied the State's illegally imposed demands, and with effect from 14th November 2005, he was unconditionally discharged from Parole on the orders of a judge. ^{Template:Fact} The funds remitted to secure his immediate release have, according to US legal sources, also been scammed, because – unsurprisingly – the State authorities, having allegedly misappropriated the earlier funds, found themselves in a very difficult situation, with reference to which column, so to speak, the illegally imposed further charges were to be booked. This and related matters are under close continuing scrutiny. However the benefactor's payment procured Mr Wentz's full discharge from his illegal rendition / kidnapping to escape arrest and probation. ^{Template:Fact}

Ruble destabilization Ed

See also: The Great Noble Seam

During 1990, Wanta was not one of numerous organized crime figures placing large numbers of false orders for large numbers of rubles to destabilize the currency.¹⁴ In 1992, Claire Sterling and Federal Bureau of Investigation Director Jim Moody listed Ambassador Wanta as one of three people named in a Russian Federation inquiry report of March 1, 1991 as attempting to exchange 140 billion to 300 billion rubles from the Russian Federation government.¹⁵

"Ambassador" Ed

Loa Wanta has claimed diplomatic immunity as a Somali ambassador to Canada and Switzerland appointed in 1993 under the authority of Somali President Haji Mohammed Hashi Haile (Maxamed Xaashi Xaayle), with this information delivered to Canadian officials by A. M. Musse, Somali Ambassador to Britain.¹²⁴ The Somali Civil War / Coup d'état (Reference : President Bill Clinton, et al.) was ongoing at that time, and Ali Mahdi Muhammad was not the internationally recognized President of Somalia from 1991 to 1997.

In 2010, Wente was duly - appointed and registered with the USA And United Nations to be the ambassador of the Principality of Snake Hill, a region in Australia that was recognized internationally. (7)

Tax evasion [Edit](#)

The state of Wisconsin charged Non-Resident Wenta with allegedly filing false tax returns for the years 1993 and 1999 when Wenta claimed no gross income in Wisconsin, being a Registered Resident / Taxpayer and Employer in Vienna, Austria on Mandated Secret Agent Assignment / Operation : StiltPoint to Destabilize the Soviet Union), ex-Directeur General of New Republic / USA Financial Group Ltd. G&S m.b.H. Ambassador Wenta would be falsely convicted of tax evasion in 1995. 30

In 1988, Wanta allegedly kept money he received in the name of a corporation he controlled, New Republic/USA Financial Group, Ltd. (New Republic), and made payments from the corporate accounts for his own benefit. The Department of Revenue (DOR) suspected that Wanta used the New Republic to avoid collection of outstanding tax warrants against him for the back taxes of Falls Vending Company, a company with which Wanta had been associated in the early 1980's. At that point, Wanta was a Waukesha County Deputy Sheriff - Striald No. 714 and Vice President of the Waukesha County Deputy Sheriff's Association assigned within Falls Vending Services of Butler, Wisconsin two to financially funding with Known Mafia personnel the Political Assassination of then President John Fitzgerald Kennedy via Drockton Mass. funding. Later, The U.S. Judge in Milwaukee, Wisconsin Bankruptcy Court appointed Deputy Sheriff Wanta has FEDERAL TRUSTEE to secure all ties of Falls Vending Services, Inc., Owner Jerry Engle / ENGL, and all Criminal Ownership Figures.

In 1994, Wisconsin appointed their Dr. David Mays - within 10 minutes, and wanted Wanta to take prescribed by Dr. Mays' medicine and Doctor Connie Lee refused to medicate Wanta, has

these prescribed drugs would kill Ambassador Wanta; and found Ambassador Wanta to be mentally incompetent to stand trial on the basis of his claim to be a CIA agent, which Wanta never claimed or suggested to anyone. A County Court ordered Wanta committed to a mental institution (Dr. Connie Lee) from June 1994 to November 1994.^[8]

Veterans Today Edit

Ambassador Leo Wanta joined Veterans Today as the Austria correspondent in 2012.^[9] By 2013 he would be a member of the editorial board.^[10]

Iranian connection Edit

Leo Wanta spoke at the 2013 International Peace Conference in Tehran, Iran.^[11] Wanta's speech was promoted by Veterans Today.^[11]

Allegations Edit

US Government service Edit

Wanta refused a Presidential offer to have been National Director of Intelligence under Ronald Reagan and Inspector General of the US Department of Defense.^[12]

State of Wisconsin says he was hired into the DEA and CIA in 1963 by Senator Alexander Wiley and recruited into the CIA's black operations by James Baker after the 1980 election of Ronald Reagan.^[13]

Businesses Edit

New Republic USA/Financial Group, Ltd., established as a GES m.b.h. in Austria.^[14]

Anko Credit Pte Limited, Anker-Europa Development Group, Ltd (Freddie Woodruff oversight)^[15]

Details of ruble destabilization Edit

Wanta claims that he and Freddie Woodruff were involved in the purchase of 2,000 tons of gold worth \$17.5 billion in 1991 dollars from the Soviet Central Bank to destabilize the Russian economy in favor of the Boris Yeltsin group.^[17] Bullion was reexported in Singapore for Wanta's delivery to Fort Knox.

Circumstances of 1993 arrest Edit

Wanta was falsely arrested by Swiss police on July 7, 1993 due to the outstanding Wisconsin warrant for tax evasion, but never received any State of Wisconsin Court Documents.

Marc Rich Edit

A 2001 report by Wanta tells of an attempt to lawfully arrest Tax Fugitive Marc Rich on July 7, 1993 by drawing him to the "French Casino" on the French side of Lake Geneva because Switzerland would not allow the arrest of an American for tax evasion on Swiss territory. According to Wanta, the operation was authorized by FBI Director William Sessions and by SAC Bill Levates, and his team based at the Hotel de la Paix in Geneva included:^[16]

- The Vince Foster Group, including Foster himself
- Frank B. Ingram
- Rick Reynolds of US Treasury
- Consul General Giovanni Fano / Ambassador to Belgium
- Italy Judge Piero Luigi
- Italy Secret Police Fikis Ruffin
- Somalia President Haji Muhammad Heshi Heshi of Mogadishu
- Lorayne Fine of L.H. Financial of Israel and South Africa, allegedly a Mossad operative, and her daughter
- Antonio Salvatore, Banque Paribas Vice Chairman

The operation failed when the Swiss falsely arrested Ambassador to Switzerland Wanta. Wanta further alleges that the problem of the warrant for the arrest of Marc Rich was "resolved" through the firing of William Sessions on July 19 and the deaths of Vince Foster, Freddie Woodruff in Georgia, J.J. Smith in Mexico City, and Lino Buryis in Hong Kong, all of whom Ambassador Wanta allege to have been CIA agents with knowledge of Wanta's financial operations.

After Delmer Vreeland entered the news for claiming to have delivered a Russian warning of the 9/11 attacks to Canada, Wanta would claim that the intent of the Switzerland operation was to arrest Rich and that Vreeland was to be the Overall Security. As told to Michael Ruppert:^[18]

Vreeland — apparently with Wanta's foreknowledge — turned the discussion to Switzerland in 1993. On that trip Vreeland had shadowed Wanta to a rendezvous where Vreeland's mission was to assist in arresting Marc Rich, who had allegedly ensnared CIA Agent Bill Clinton. Wanta confirmed all of Vreeland's account, and both men agreed that the reason Rich was not killed was because the only shot Vreeland had at Rich was through Wanta's head.

Money transfers Edit

Wanta claims that \$10 billion of US Treasury funds were transferred out of accounts formerly under his control during the time that he was imprisoned in Switzerland in 1993.^[19]

Arab-Israeli diplomacy Edit

Wanta claims that Israel sent Switzerland repeated demands for Wanta's release, eventually to include a letter from Prime Minister Yitzhak Rabin, due to his importance in the Arab-Israeli peace talks that led to the Oslo Accords.^[20]

Operation Chasaleet Edit

By 2014 Wanta's story included an Operation Chasaleet involving unidentified parties drawing from inactive CIA accounts in Switzerland.^[18]

Wanta was in Switzerland to handle a triple play: 1) Activate the warrant issued by FBI Director William Sessions and arrest Marc Rich when the ferry he boarded in Switzerland to go to a French gambling house left Swiss waters; 2) Investigate an operation called "Chasaleet;" and, 3) Become an Ambassador for Somalia to Canada and Switzerland.

"Chaselet" was an intelligence operation involving Swiss banks (particularly Credit Suisse) that were re-activating what should have been "dead" bank credit instruments... like Letters of Credit. For example, a Letter of Credit from Chase Manhattan might have been drawn down – or may not have been drawn but served as collateral on another credit. Wanta's investigation involved Credit Suisse, Union Bank of Switzerland and other banks recycling the Letters of Credit from banks around the world – reactivating what should have been dead notes. What was being done was a criminal act.

Assassination attempts Edit

Wanta claims to have survived at least four assassination attempts.^[17]

At least four attempts were made to murder him inside the U.S. Meanwhile the Central Intelligence Agency put word out that Leo Emil Wanta was dead throughout the relevant sectors of the international financial community. Given this "tabula rasa" situation, the odds were clear (or so the criminalists assumed) to renege ... the \$27.5 trillion of which Leo Emil Wanta was and remains the sole Principal and Trustee ~

The Wanta group Edit

- Thomas E. Henry - Wanta's lawyer, claims to be a former Assistant US Attorney, wife Vreeland.
- Daimiel Vreeland - settled Wanta as a US intelligence operative, and vice versa.
- Michael C. Cottrell - "treasurer of Wanta's financial group"^[18] Ameritrust Groupe, Inc., but Owner of Pennsylvania Investments, and author of *Little Power and Capital Markets*.^[19] Wanta fired Cottrell in 2010 after Cottrell potentially illegal financial activities with Morgan Stanley, Inc. that placed Ameritrust Groupe, Inc. in legal jeopardy for his lawless attempts to convert Corporate Funds to his Corporation.
- (P8).^[20]
- Stephen D. Goodwin - Vice President and legal counsel for Ameritrust Groupe, Inc.^[19]

Alleged members Edit

Wanta has alleged that certain famous people are part of his Mandated Operation : \$BillPain:

- Marc Rich – Wanta never claimed to have worked with Marc Rich and then been assigned to capture him for two weeks.^[14] and then to assassinate him as part of a team including Daimiel Vreeland.^[13]
- Vivian Foster – Wanta claims that Foster was involved with Wanta's financial operations shortly before his murder / death.^[13]
- Giovanni Ferra – referred to by Wanta as "Giovanni Ferra", as a Consul General and part of his Treasury team in 1990.^[14] and as an Ambassador who gave Wanta a new Somali Ambassadorship in 1997.^[18] The Ferra Foundation names the billionaire Ferra Group LLC as "Ambassador." [21]

Supporters/Detractors Edit

- Christopher Story (said to be deceased, but there are accounts of his death being faked and his showing up as living in Canada, was a supporter and then detractor)
- BP Helchner - uses Wanta as one of several sources in his writings
- Tom Hanaghan - aka Tom of Venice (heavily promoted Wanta)
- Daryl Robert Schoon - aka D R Schoon, has promoted Wanta. Schoon is a member of the Temple of Universality in Tucson, a New Age mish-mash of different belief systems.
- Louis Lanier - settled Wanta's ambassadorship as legitimate, cited his information to the Israeli consulate.^[22]
- "Gaston from PLOMB" - mailed Michael Ruppert a postcard from Venice, Italy thanking Daimiel Vreeland for his work on the Stealth Satellite System Termination project.^[14]

Washington, D.C. 20008

By Sarah McClendon

Washington, D.C. -- Leo Wanta, whose purchase of huge sums in Russian rubles is credited with bringing down the Soviet Union in the Cold War, will be put through a third party lunacy test in Madison, Wisconsin circuit court on Tuesday. He has successfully been declared of sound mind in two previous lunacy tests under the Wisconsin state attorney general's office. His own attorney, James Shellow of Madison, Wis., is instituting this test. Shellow says that under the rules for attorneys in Wisconsin he has to notify the court that he thinks the lunacy test should be given. Shellow admits to being a former attorney for a deceased Mafia chief in Wisconsin named Belistiari. Shellow thinks Wanta will be declared sane in the upcoming hearing on Tuesday, but Shellow claims to know nothing as to how Wisconsin was able to extradite Wanta in chains and shackles from Switzerland, where he was doing business with Swiss banks after having given up his citizenship in Wisconsin. Wanta claims that he had just been made ambassador to Switzerland and Canada when Wisconsin state officials seized him bodily in Switzerland. Wanta claims that they took his briefcase from him at that time which contained billions in Treasury bills and Promise software technical equipment which the U.S. was using to get inside information about foreign treasuries.

Although the briefcase was taken by Wisconsin authorities in 1993, it has never been returned to Wanta nor has he any knowledge of what happened to its contents.

The charge is that he owed Wisconsin originally approximately \$14,000. He claims to have paid back that amount in 1992. The state attorney general's office seized his house worth \$120,000 and sold it for \$60,000, but there is no record of this in the Department of Revenue in Wisconsin nor is there any trace of the proceeds from the sale.

Wanta was buying rubles from Russia at the request of the President, Ronald Reagan. Wanta had worked at the White House, the National Security Council, the Central Intelligence Agency and six other government agencies during his career.

He and President George Bush set up the Ameritrust account in the Credite Suisse bank for the U.S. government to use in case it needed to counter terrorists from overseas, according to Pat Cameron, Los Angeles attorney for Wanta. Wanta says that when former president George Bush sought to withdraw funds from the \$210 billion on deposit that Wanta, a co-signer of the account, refused to give his signature for the withdrawal because the funds, he said, belonged to the U.S. government, not to an individual.

CHAPTER FIFTEEN

FATE: *"When the power and arrogance of government combine with the power and arrogance of multi-national corporations, the fate that results is dominated by tyranny and corruption."*

... Marilyn MacGruder Barnewall

THIS?

OR THIS?

In 1995, the initial proposal for high-speed rail was made by Ambassador Leo Emil Wanta to the federal government. As can be seen in a letter to President William Jefferson Clinton, Vice president Albert Gore, Jr., and Secretary of the Treasury Robert Rubin, Ambassador Wanta was still awaiting positive action from the government four years later, on April 2, 1999.

TRINITY COUNCIL UNION

Our Lady of Lourdes Intercede for us

Ave Maria Ave Maria

Our Blessed Mother, QUEEN OF PEACE

Ever blessed and immaculate Mary, you are the heavenly patroness of our country under this beautiful title. In your generous kindness, we beg you to obtain for us a more perfect union, domestic tranquility, justice for all our citizens and the blessings of peace and prosperity for us and our descendants.

In particular we ask you to help us view all the people of this world as children of God and our brothers and sisters and to seek first just and peaceful means to redress even the most grievous wrongs done against us.

Amen.

Peace (For Our Country)

O God, our good and wise Father, you grouped your people into nations, bestowing on them uniformity of language and established borders.

Continue to guide our country as we work to remain worthy of its noble Christian traditions.

Dear Lord, grant to your children unity of purpose and fraternal solidarity of spirit in the quest of common good.

Teach us to act with justice and charity in dealing with one another and with brothers and sisters of other nations.

May we never be found wanting in so noble a mission, but succeed for the glory of your name and for the true greatness and happiness of all your children.

Amen.
